Item 1.01. Entry into a Material Definitive Agreement.

On December 7, 2005, at a meeting of the Compensation Committee (the Committee) of the Board of Directors of Omnicell, Inc. (the Company), the Committee approved the terms of the Quarterly Executive Bonus Plan for the 2006 fiscal year (the 2006 Bonus Plan) which is applicable to the Company's management team, director level and above, including Section 16(b) officers.

For the participants to be eligible for the quarterly bonus, the 2006 Bonus Plan requires the Company to achieve both a minimum profitability target and revenue growth target as set by the Committee each quarter. If the Company's targets are achieved, the participants are eligible to receive 50% of their bonus amount. Each participant will also have individual quarterly performance targets set by management, that, if achieved, will allow the participant to receive up to the remaining 50% of their bonus amount. No bonuses are paid under the 2006 Bonus Plan in any quarter where the Company targets are not achieved. Also, in any quarter where the quarterly Company targets are achieved and the profitability target is exceeded, each participant can earn an additional 10% of his or her quarterly bonus for each incremental target achieved, as set by the Committee. The bonus is computed as a percentage of the participant's quarterly base salary, which is established by the Committee. In fiscal 2006, the bonus target levels range from 25% of quarterly salary to 60% of quarterly salary depending on the seniority level of the participant. The Committee may alter the incentive payout based on such factors as achievement of publicly announced targets, product milestones, strategic goals, cross-functional teamwork and collaboration, and unforeseen changes in the economy and/or geopolitical climate.

The foregoing description is subject to, and qualified in its entirety by, the 2006 Bonus Plan, which is attached hereto as Exhibit 10.1.
