On August 10, 2006, the Company affected a 1 for 10 reverse stock split of its common stock. No fractional shares will be issued following the split. Those stockholders who would otherwise be entitled to receive fractional shares, because they hold a number of shares not divisible by 10, will be entitled upon surrender of their certificates representing such shares, to a cash payment in lieu thereof. The Company has arranged for Bishop, Rosen & Co., as agent, to aggregate the fractional shares, sell them in the open market, and deliver the proceeds to those stockholders. The Company's Restated Certificate of Incorporation was amended effective August 10, 2006, in connection with the reverse stock split. Following the split, the Company has 2,000,000 of common stock authorized, a reduction from the pre-split amount of 20,000,000 authorized shares of common stock.

Item 9.01 Exhibits and Financial Statements.

The Certificate of Amendment to the Restated Certificate of Incorporation referenced above is filed as Exhibit 3.1.4.
