**DEREGISTRATION OF UNSOLD SECURITIES**

This Post-Effective Amendment No. 1 to Form S-8 Registration Statement relates to the Registration Statement on Form S-8 (File No. 333-129765) (the Registration Statement ) of Storm Cat Energy Corporation (the Company ) pertaining to 7,000,000 of the Company s common shares, without par value (the Common Shares ), which was filed with the Securities and Exchange Commission (the Commission ) and became effective on November 17, 2005. The Registration Statement registered 7,000,000 of the Company s Common Shares for sale pursuant to the Company s Amended and Restated Share Option Plan (the Old Share Option Plan ).

On June 29, 2006, the Company s under the New Share Option Plan shareholders adopted both a Restricted Share Unit Plan (the Restricted Share Plan ) and an Amended and Restated Share Option Plan (the New Share Option Plan and together with the Restricted Share Plan, the Plans ) to, among other things, increase the number of Common Shares reserved for issuance under the Old Share Option Plan from 7,000,000 Common Shares to a maximum number of 10,000,000 Common Shares under the New Share Option Plan, less the aggregate number of Common Shares that are, from time to time, subject to issuance under any other share compensation arrangement of the Company, including the Restricted Share Plan. As a result of the shareholder approval of the Plans, the offering of unsold securities pursuant to the Registration Statement has been terminated and Common Shares issuable pursuant to the Plans will be registered with the Commission on a new registration statement filed on Form S-8.

In accordance with an undertaking made by the Company in the Registration Statement to remove from registration, by means of a post-effective amendment, any of the securities registered under the Registration Statement that remain unsold at the termination of the offering, the Company hereby removes 6,044,998 Common Shares from registration under the Registration Statement, which includes Common Shares reserved for future option grants and each outstanding, unexercised and unexpired option issued under the Old Share Option Plan as of September 28, 2006. No Common Shares underlying options have been cancelled or forfeited since September 28, 2006.
