All outstanding amounts owed under the Agreement will become due and payable on the fifteenth day following the funding of the specified loan origination, and are subject to acceleration upon the occurrence of events of default that the Company considers usual and customary, including failure to make payments under the Agreement and breaches of representations, warranties or obligations.

The foregoing description of the Agreement does not purport to be complete and is qualified in its entirety by reference to the Warehouse Loan and Security Agreement, which is filed as Exhibit 10.1 to this Current Report on Form 8-K.
