**Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On July 14, 2011, CIBER, Inc. ( CIBER or the Company ) announced that Terje Laugerud is leaving his position as executive vice president of CIBER and president of CIBER International at the end of July after more than 10 years with the Company to spend more time with family and pursue new interests in the private equity arena. The Company also announced that Tom van den Berg, an 11-year veteran of CIBER International, has been named to succeed Mr. Laugerud. Mr. van den Berg s appointment will be effective July 31, 2011.

Mr. van den Berg, 48, joined CIBER in 1999 after the Company acquired Solution Partners B.V., an information technology company co-founded by Mr. van den Berg in the Netherlands. Mr. van den Berg has been country manager for CIBER Nederlands B.V., the largest subsidiary of CIBER International B.V., since joining the Company and has played an important role in the CIBER International management team as vice president, regional manager. Additionally, Mr. van den Berg has been leading CIBER s global accounts initiative for the past year. Mr. van den Berg has an economics degree from the University of Tilbury.

Mr. van den Berg is not and has not been involved in any related party transactions with CIBER and does not have any family relationships with any other director, executive officer or any persons nominated for such positions.

To the extent not disclosed herein, the information required by Item 5.02 of Form 8-K regarding material plans, contracts or arrangements to which the persons named herein may become a party has not yet been determined. CIBER will amend this current report on Form 8-K when these arrangements have been determined.

A copy of the press release announcing Mr. van den Berg s succession as executive vice president of CIBER and president of CIBER International and Mr. Laugerud s departure from those positions is attached as Exhibit 99.1 to this Current Report.
