Item 1.01 Entry into a Material Definitive Agreement.

On November 4, 2011, Mt. Kenn Property Holdings, LLC (Mt. Kenn), a wholly owned subsidiary of AdCare Health Systems, Inc. (the Company), entered into each of: (i) a Loan Agreement (the TBLV Agreement) with The Bank of Las Vegas (TBLV); (ii) a Loan Agreement (the Apax Agreement) with Apax Capital, LLC (Apax); and (iii) a Loan Agreement (the CDC Agreement) with the Economic Development Corporation of Fulton County (the CDC), an economic development corporation working with the U.S. Small Business Administration (SBA) pursuant to the SBA s 504 Loan Program. Pursuant to the TBLV Agreement, the Apax Agreement and the CDC Agreement, respectively, Mt. Kenn issued: (a) a Promissory Note in favor of TBLV in an aggregate principal amount of \$3,175,200 (the TBLV Loan); (b) a Promissory Note in favor of Apax in an aggregate principal amount of \$2,222,640 (the Apax Loan); and (c) a Promissory Note in favor of the CDC in an aggregate principal amount of \$2,274,000 (the SBA Loan). The funding of the TBLV Loan and the Apax Loan will occur on November 10, 2011. Mt. Kenn will use the proceeds of the TBLV Loan and the Apax Loan to repay in its entirety the debt incurred by Mt. Kenn and payable to Regions Bank (Regions), which debt was used to fund Mt. Kenn s May 1, 2011 acquisition of the operations and selected assets of a 109 bed skilled nursing center located in Marietta, Georgia known as the Autumn Breeze Health Care Center (Autumn Breeze). The funding of the SBA Loan is expected to occur on or about December 15, 2011 (the Funding Date), subject to the satisfaction of certain conditions, at which time Mt. Kenn will use the proceeds thereof to repay in its entirety the Apax Loan.

The TBLV Loan matures on November 10, 2031. Interest on the TBLV Loan accrues on the principal balance thereof at an annual variable rate equal to the published Wall Street Journal prime rate plus 2% (but in no event shall such rate be less than 6.25%), which rate shall be adjusted monthly. The TBLV Loan is payable in equal monthly installments of principal and interest based on a twenty (20) year amortization schedule. Each such payment is payable on the first day of each month, commencing on January 1, 2012 and continuing through and including the maturity date, November 10, 2031. The TBLV Loan has a prepayment penalty of 10% for any prepayment made prior to the first anniversary of the date of the TBLV Loan, which penalty is reduced by 1% each year thereafter until the tenth anniversary of such date, after which there is no prepayment penalty. The TBLV Loan is secured by: (i) a first deed to secure debt on the real property and improvements of Autumn Breeze; (ii) a first priority security interest in all equipment, machinery, furniture and fixtures of Mt. Kenn and Mt. Kenn Nursing, LLC, a wholly owned subsidiary of the Company and operator of Autumn Breeze (Mt. Kenn Nursing), located at Autumn Breeze; and (iii) an assignment of all of Mt. Kenn s right, title and interest in, to and under all existing and future leases and rental agreements with respect to Autumn Breeze. The TBLV Loan has a one-time origination fee in the amount of \$63,504.

Interest on the Apax Loan accrues on the principal balance thereof at an annual variable rate equal to the published Wall Street Journal prime rate plus 2% (but in no event shall such rate be less than 8.00%), which rate shall be adjusted monthly. The entire outstanding principal balance of the Apax Loan and all accrued, but unpaid, interest thereon is due and payable on December 14, 2012, the maturity date of the Apax Loan. There is no prepayment penalty applicable to the Apax Loan. The Apax Loan is secured by: (i) a second in priority (after the TBLV lien) deed to secure debt on the real property and improvements of Autumn Breeze; (ii) a

security interest in all equipment, machinery, furniture and fixtures of Mt. Kenn and Mt. Kenn Nursing located at Autumn Breeze; and (iii) an assignment of all Mt. Kenn's right, title and interest in, to and under all existing and future leases and rental agreements with respect to Autumn Breeze. The Apax Loan has a one-time origination fee in the amount of \$33,339.60.

The SBA Loan matures on December 1, 2031 (the SBA Maturity Date). Interest on the SBA Loan accrues on the principal balance thereof, beginning on the Funding Date, at an annual fixed rate, which rate will be determined on the Funding Date. The SBA Loan is payable in equal monthly installments of principal and interest based on a twenty (20) year amortization schedule. Each such payment is payable on the first business day of each month, commencing on January 1, 2012 and continuing until the SBA Maturity Date, when all unpaid amounts are due. The SBA Loan is secured by: (i) a second in priority (after the TBLV lien) deed to secure debt on the real property and improvements of Autumn Breeze; (ii) a security interest in all equipment, machinery, furniture and fixtures of Mt. Kenn and Mt. Kenn Nursing located at Autumn Breeze; and (iii) an assignment of all of Mt. Kenn's right, title and interest in, to and under all existing and future leases and rental agreements with respect to Autumn Breeze.

Mt. Kenn is permitted, upon 45 days prior written notice to the CDC, to prepay the SBA Loan in full (along with any other fees and expenses due and payable under the SBA Loan); however, partial prepayments are not permitted. The SBA Loan has a prepayment premium for any prepayment made during the first 10 years of such loan. If prepayment occurs during the first ten years of the SBA Loan, then the prepayment premium shall be equal to the prepayment amount multiplied by the interest rate on the SBA Loan multiplied by a predetermined factor based on the year of prepayment. If the SBA Loan is prepaid during the first year of the loan, then the predetermined factor is 1.00, and for each subsequent year thereafter (through year 10) the predetermined factor is reduced by ten percent (10%).

The SBA Loan has one-time funding, processing, closing and underwriting fees totaling \$50,492.20. Additionally, the SBA Loan has: (i) an annual fee payable to the agent servicing such loan equal to one-tenth of one percent (1/10 of 1%) of the outstanding balance of the SBA Loan; (ii) an annual fee payable to the CDC equal to five-eighths of one percent (5/8 of 1%) of the outstanding balance of the SBA Loan; (iii) an annual fee payable to the CDC equal to one-eighth of one percent (1/8 of 1%) of the outstanding balance of the SBA Loan; and (iv) an annual, ongoing guarantee fee payable to the SBA equal to seven hundred forty nine one thousandths of one percent (0.749 of 1%) of the outstanding balance of the SBA Loan ((i) through (iv) collectively, the Annual Fees). Each of the Annual Fees is recalculated every five years.

The SBA has guaranteed all amounts owing under the SBA Loan. Each of the Company, Mt. Kenn Nursing and Hearth and Home of Ohio, Inc., a wholly owned subsidiary of the Company and affiliate of Mt. Kenn, has unconditionally guaranteed all amounts owing under the TBLV Loan, the Apax Loan and the SBA Loan. In connection with the refinancing of Autumn Breeze described herein Mt. Kenn and Mt. Kenn Nursing also entered into security agreements, each containing customary terms and conditions.
