Other than our investments listed in footnote 7 below, we do not Control any of our portfolio companies, as defined in the Investment Company Act of 1940, as amended (together with the rules and regulations promulgated thereunder, the Investment Company Act). In general, under the Investment Company Act, we would Control a portfolio company if we owned more than 25% of its outstanding voting securities and/or had the power to exercise control over the management or policies of such portfolio company. All of our portfolio company investments, which as of March 31, 2012 represented 152% of the Company s net assets or 93% of the Company s total assets, are subject to legal restrictions on sales.

The investments not otherwise pledged as collateral for the Debt Securitization, the Revolving Funding Facility or the SMBC Funding Facility (each as defined in Note 5 to the consolidated financial statements) by the respective obligors thereunder are pledged as collateral by the Company and certain of its other subsidiaries for the Revolving Credit Facility (as defined in Note 5 to the consolidated financial statements) (except for a limited number of exceptions as provided in the credit agreement governing the Revolving Credit Facility).

(2) These assets are owned by the Company s wholly owned subsidiary Ares Capital CP Funding LLC (Ares Capital CP), are pledged as collateral for the Revolving Funding Facility and, as a result, are not directly available to the

Table of Contents

- * Together with GE Global Sponsor Finance LLC and General Electric Capital Corporation (together, GE), we co-invest through the Senior Secured Loan Fund LLC d/b/a the Senior Secured Loan Program (the SSLP). The SSLP is capitalized as transactions are completed and all portfolio decisions and generally all other decisions in respect of the SSLP must be approved by an investment committee of the SSLP, consisting of representatives of an affiliate of the Company and an affiliate of GE; therefore, although the Company owns more than 25% of the voting securities of the SSLP, the Company does not believe that it has control over the SSLP (for purposes of the Investment Company Act or otherwise).
- (8) Non-U.S. company or principal place of business outside the U.S. and as a result is not a qualifying asset under Section 55(a) of the Investment Company Act. Under the Investment Company Act, we may not acquire any non-qualifying asset unless, at the time such acquisition is made, qualifying assets represent at least 70% of our total assets.
- (9) Excepted from the definition of investment company under Section 3(c) of the Investment Company Act and as a result is not a qualifying asset under Section 55(a) of the Investment Company Act. Under the Investment Company Act, we may not acquire any non-qualifying asset unless, at the time such acquisition is made, qualifying assets represent at least 70% of our total assets.
- In the first quarter of 2011, the staff of the Securities and Exchange Commission (the Staff) informally communicated to certain business development companies the Staff s belief that certain entities, which would be classified as an investment company under the Investment Company Act but for the exception from the definition of investment company set forth in Rule 3a-7 promulgated under the Investment Company Act, could not be treated as eligible portfolio companies (as defined in Section 2(a)(46) of the Investment Company Act). Subsequently, in August 2011 the Securities and Exchange Commission issued a concept release (the Concept Release) which states that [a]s a general matter, the Commission presently does not believe that Rule 3a-7 issuers are the type of small, developing and financially troubled businesses in which Congress intended BDCs primarily to invest and requested comment on whether or not a 3a-7 issuer should be considered an eligible portfolio company. Ares Capital provided a comment letter in respect of the Concept Release and continues to believe that the language of Section 2(a)(46) of the Investment Company Act permits a business development company to treat as eligible portfolio companies entities that rely on the 3a-7 exception. However, given the current uncertainty in this area (including the language in the Concept Release), Ares Capital has, solely for purposes of calculating the composition of its portfolio pursuant to Section 55(a) of the Investment Company Act, identified these entities in our schedule of investments as non-qualifying assets should the Staff ultimately disagree with Ares Capital s position.
- Variable rate loans to our portfolio companies bear interest at a rate that may be determined by reference to either LIBOR or an alternate base rate (commonly based on the Federal Funds Rate or the Prime Rate), at the borrower s option, which reset annually (A), semi-annually (S), quarterly (Q), bi-monthly (B), monthly (M) or daily (D). For each such loan, we have provided the interest rate in effect on the date presented.
- (12) In addition to the interest earned based on the stated interest rate of this security, we are entitled to receive an additional interest amount of 5.00% on \$18 million aggregate principal amount outstanding of the portfolio company s senior term debt previously syndicated by us.
- (13) In addition to the interest earned based on the stated interest rate of this security, we are entitled to receive an additional interest amount of 2.50% on \$12 million aggregate principal amount outstanding of the portfolio company s senior term debt previously syndicated by us.
- (14) In addition to the interest earned based on the stated interest rate of this security, we are entitled to receive an additional interest amount of 4.00% on \$44 million aggregate principal amount outstanding of the portfolio company s senior term debt previously syndicated by us.
- (15) Loan was on non-accrual status as of March 31, 2012.
