PROXY STATEMENT FOR THE

2012 ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON DECEMBER 10, 2012

The Board of Directors of Trovogene, Inc. (Trovogene or the Company) is soliciting your proxy to vote at the Annual Meeting of Stockholders (the Annual Meeting) to be held at our offices, located at 11055 Flintkote Ave., San Diego, California 92121, on Monday, December 10, 2012, at 9:00 a.m. Pacific Standard Time, including at any adjournments or postponements of the Annual Meeting. You are invited to attend the Annual Meeting to vote on the proposals described in this proxy statement. However, you do not need to attend the meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card if you received paper copies of the proxy materials, or follow the instructions below to submit your proxy over the Internet.

In accordance with rules and regulations adopted by the U.S. Securities and Exchange Commission (the SEC), we have elected to provide our beneficial owners and stockholders of record access to our proxy materials over the Internet. Beneficial owners are stockholders whose shares are held in the name of a broker, bank or other agent (i.e., in street name). Accordingly, a Notice of Internet Availability of Proxy Materials (the Notice) will be mailed on or about October 24, 2012 to our beneficial owners and stockholders of record who owned our common stock at the close of business on October 16, 2012. Beneficial owners and stockholders of record will have the ability to access the proxy materials on a website referred to in the Notice or request a printed set of the proxy materials be sent to them by following the instructions in the Notice. Beneficial owners and stockholders of record who have previously requested to receive paper copies of our proxy materials will receive paper copies of the proxy materials instead of a Notice.

QUESTIONS AND ANSWERS ABOUT THIS PROXY MATERIAL AND VOTING

Why did I Receive in the Mail a Notice of Internet Availability of Proxy Materials this Year instead of a Full Set of Proxy Materials?

We are pleased to take advantage of the SEC rule that allows companies to furnish their proxy materials over the Internet. Accordingly, we have sent to our beneficial owners and stockholders of record a Notice of Internet Availability of Proxy Materials. Instructions on how to access the proxy materials over the Internet or to request a paper copy may be found in the Notice. Our stockholders may request to receive proxy materials in printed form by mail or electronically on an ongoing basis. A stockholder's election to receive proxy materials by mail or electronically by email will remain in effect until the stockholder terminates its election.

Why did I Receive a Full Set of Proxy Materials in the Mail instead of a Notice of Internet Availability of Proxy Materials?

Edgar Filing: TrovaGene Inc. - Form DEF 14A

We are providing paper copies of the proxy materials instead of a Notice to our beneficial owners or stockholders of record who have previously requested to receive paper copies of our proxy materials. If you are a beneficial owner or stockholder of record who received a paper copy of the proxy materials, and you would like to reduce the environmental impact and the costs incurred by us in mailing proxy materials, you may elect to receive all future proxy materials electronically via email or the Internet.

You can choose to receive future proxy materials electronically by visiting <http://www.proxyvote.com>. Your choice to receive proxy materials electronically will remain in effect until you instruct us otherwise by following the instructions contained in your Notice and visiting <http://www.proxyvote.com>, sending an electronic mail message to sendmaterial@proxyvote.com, or calling 1-800-579-1639.

The SEC has enacted rules that permit us to make available to stockholders electronic versions of the proxy materials even if the stockholder has not previously elected to receive the materials in this manner. We have chosen

this option in connection with the Annual Meeting with respect to both our beneficial owners and stockholders of record.

Who is Entitled to Vote?

Our Board has fixed the close of business on October 16, 2012 as the record date for a determination of stockholders entitled to notice of, and to vote at, the Annual Meeting or any adjournment thereof. On the record date, there were 14,180,934 shares of common stock outstanding and 95,600 shares of Series A Preferred Stock outstanding. Each share of common stock represents one vote that may be voted on each proposal that may come before the Annual Meeting. Holders of our shares of Series A Preferred Stock are not entitled to vote.

What is the Difference Between Holding Shares as a Record Holder and as a Beneficial Owner (Holding Shares in Street Name)?

If your shares are registered in your name with our transfer agent, Philadelphia Stock Transfer, Inc., you are the record holder of those shares. If you are a record holder, these proxy materials have been provided directly to you by the Company.

If your shares are held in a stock brokerage account, a bank or other holder of record, you are considered the beneficial owner of those shares held in street name. If your shares are held in street name, these proxy materials have been forwarded to you by that organization. As the beneficial owner, you have the right to instruct this organization on how to vote your shares.

What is the Difference Between the Trovogene Securities that are Traded Under the NASDAQ Trading Symbols TROV, TROVU, and TROVW and How is Each Voted?

Our common stock is now listed and trades on The NASDAQ Capital Market under the symbol TROV. The units of securities we sold in our public offering that was closed on June 4, 2012, are listed and trade on The NASDAQ Capital Market under the symbol TROVU. Each unit consists of two shares of our common stock and one warrant to purchase one share of common stock. A holder of units has one vote for each of the two shares in the unit. The warrants we sold in the public offering are listed and now trade on The NASDAQ Capital Market under the symbol TROVW. The warrants do not have voting rights.

Who May Attend the Meeting?

Record holders and beneficial owners may attend the Annual Meeting. If your shares are held in street name, you will need to bring a copy of a brokerage statement or other documentation reflecting your stock ownership as of the record date.

How Do I Vote?

Shareholders of Record

For your convenience, our record holders have three methods of voting:

1. Vote by Internet. The website address for Internet voting is on your vote instruction form.
2. Vote by mail. Mark, date, sign and mail promptly the enclosed proxy card (a postage-paid envelope is provided for mailing in the United States).
3. Vote in person. Attend and vote at the Annual Meeting.

Beneficial Owners of Shares Held in Street Name

For your convenience, our beneficial owners have three methods of voting:

1. Vote by Internet. The website address for Internet voting is on your vote instruction form.
2. Vote by mail. Mark, date, sign and mail promptly your vote instruction form (a postage-paid envelope is provided for mailing in the United States).
3. Vote in person. Obtain a valid legal proxy from the organization that holds your shares and attend and vote at the Annual Meeting.

If you vote by Internet, please DO NOT mail your proxy card.

All shares entitled to vote and represented by a properly completed and executed proxy received before the meeting and not revoked will be voted at the meeting as you instruct in a proxy delivered before the meeting. If you do not indicate how your shares should be voted on a matter, the shares represented by your properly completed and executed proxy will be voted as the Board recommends on each of the enumerated proposals and with regard to any other matters that may be properly presented at the meeting and all matters incident to the conduct of the meeting. If you are a registered stockholder and attend the meeting, you may deliver your completed proxy card in person. Street name stockholders who wish to vote at the meeting will need to obtain a proxy form from the institution that holds their shares. All votes will be tabulated by the inspector of elections appointed for the meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes.

Is My Vote Confidential?

Yes, your vote is confidential. Only the following persons have access to your vote: the inspector of elections, individuals who help with processing and counting your votes, and persons who need access for legal reasons. Occasionally, stockholders provide written comments on their proxy cards, which may be forwarded to the Company's management and the Board of Directors.

What Constitutes a Quorum?

To carry on business at the Annual Meeting, we must have a quorum. A quorum is present when a majority of the shares entitled to vote, as of the record date, are represented in person or by proxy. Thus, 7,090,468 shares must be represented in person or by proxy to have a quorum. Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the Annual Meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. Shares owned by us are not considered outstanding or considered to be present at the Annual Meeting. If there is not a quorum at the Annual Meeting, our stockholders may adjourn the meeting.

What is a Broker Non-Vote?

If your shares are held in street name, you must instruct the organization who holds your shares how to vote your shares. If you do not provide voting instructions, your shares will not be voted on any non-routine proposal. This vote is called a broker non-vote. If you sign your proxy card but do not provide instructions on how your broker should vote, your broker will vote your shares as recommended by our Board. Broker non-votes are not included in the tabulation of the voting results of any of the proposals and, therefore, do not effect these proposals.

Brokers cannot use discretionary authority to vote shares on the election of directors if they have not received instructions from their clients. Please submit your vote instruction form so your vote is counted.

Which Proposals are Considered Routine or Non-Routine ?

Edgar Filing: TrovaGene Inc. - Form DEF 14A

With the exception of Proposal 2, the ratification of the appointment of BDO USA, LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2012, all of the proposals to be voted upon at our 2012 Annual Meeting are considered non-routine.

What is an Abstention?

An abstention is a stockholders affirmative choice to decline to vote on a proposal. Abstentions are not included in the tabulation of the voting results of any of the proposals and, therefore, do not affect these proposals.

How Many Votes are Needed for Each Proposal to Pass?

Proposal	Vote Required	Broker Discretionary Vote Allowed
Election of six (6) members to our Board of Directors	Plurality of the votes cast (the six directors receiving the most For votes)	No
Ratification of the Appointment of BDO USA, LLP as our Independent Registered Public Accounting Firm for our Fiscal Year Ending December 31, 2012	A majority of the votes cast	Yes

What Are the Voting Procedures?

In voting by proxy with regard to the election of directors, you may vote in favor of all nominees, withhold your votes as to all nominees, or withhold your votes as to specific nominees. With regard to other proposal, you may vote in favor of or against the proposal, or you may abstain from voting on the proposal. You should specify your respective choices on the accompanying proxy card or your vote instruction form.

Is My Proxy Revocable?

You may revoke your proxy and reclaim your right to vote at any time before it is voted by giving written notice to the Secretary of Trovogene, by delivering a properly completed, later-dated proxy card or vote instruction form or by voting in person at the Annual Meeting. All written notices of revocation and other communications with respect to revocations of proxies should be addressed to: Trovogene, Inc., 11055 Flintkote Avenue, Suite B, San Diego, CA 92121, Attention: Secretary, or by facsimile at 858-952-7571.

Who is Paying for the Expenses Involved in Preparing and Mailing this Proxy Statement?

All of the expenses involved in preparing, assembling and mailing these proxy materials and all costs of soliciting proxies will be paid by us. In addition to the solicitation by mail, proxies may be solicited by our officers and other employees by telephone or in person. Such persons will receive no compensation for their services other than their regular salaries. Arrangements will also be made with brokerage houses and other custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of the shares held of record by such persons, and we may reimburse such persons for reasonable out of pocket expenses incurred by them in so doing.

Do I Have Dissenters Rights of Appraisal?

Edgar Filing: TrovaGene Inc. - Form DEF 14A

Trovagene shareholders do not have appraisal rights under Delaware law or under the governing documents of Trovagene with respect to the matters to be voted upon at the 2012 Annual Meeting.

How can I find out the Results of the Voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be published in a Current Report on Form 8-K, which we will file within four business days of the meeting.

When are Stockholder Proposals Due for the 2013 Annual Meeting?

Any appropriate proposal submitted by a stockholder and intended to be presented at the 2013 Annual Meeting must be submitted in writing to the Company's Secretary at 11055 Flintkote Ave., San Diego, California 92121, and received no later than April 10, 2013, to be includable in the Company's proxy statement and related proxy for the 2013 Annual Meeting. A stockholder proposal will need to comply with the SEC regulations under Rule 14a-8 of the Securities Exchange Act of 1934, as amended (the Exchange Act), regarding the inclusion of

stockholder proposals in company-sponsored proxy materials. Although the Board of Directors will consider stockholder proposals, we reserve the right to omit from our proxy statement, or to vote against, stockholder proposals that we are not required to include under the Exchange Act, including Rule 14a-8.

Interest of Officers and Directors in Matters to Be Acted Upon

Except for the election to our board of the six nominees set forth herein, none of our officers or directors has any interest in any of the matters to be acted upon at the Annual Meeting.

PROPOSAL 1

ELECTION OF DIRECTORS

At the Annual Meeting, the stockholders will elect six directors to serve until the 2013 Annual Meeting of Stockholders or until their successors are elected and qualified. In the event the nominees are unable or unwilling to serve as directors at the time of the Annual Meeting, the proxies will be voted for any substitute nominees designated by the present Board or the proxy holders to fill such vacancy, or for the balance of the nominees named without nomination of a substitute, or the size of the Board will be reduced in accordance with the Bylaws of the Company. The Board has no reason to believe that the persons named below will be unable or unwilling to serve as nominees or as directors if elected.

Assuming a quorum is present, the six nominees receiving the highest number of affirmative votes of shares entitled to be voted for such persons will be elected as directors of the Company for the ensuing year. Unless marked otherwise, proxies received will be voted FOR the election of the nominees named below. In the event that additional persons are nominated for election as directors, the proxy holders intend to vote all proxies received by them in such a manner as will ensure the election of the nominees listed below, and, in such event, the specific nominees to be voted for will be determined by the proxy holders.

Policy Regarding Attendance at Annual Meetings of Stockholders

Trovagene does not have a policy with regard to board members attendance at annual meetings.

Board Leadership Structure and Role in Risk Oversight

Since April 2009, we have separated the roles of Chairman of the Board and Chief Executive Officer. Although the separation of roles has been appropriate for us during that time period, in the view of the board of directors, the advisability of the separation of these roles depends upon the specific circumstances and dynamics of our leadership.

As Chairman of the Board, Dr. Adams serves as the primary liaison between the CEO and the independent directors and provides strategic input and counseling to the CEO. With input from other members of the board of directors, committee chairs and management, he presides over meetings of the board of directors. Mr. Adams has developed an extensive knowledge of our company, its challenges and opportunities and has a productive working relationship with our senior management team.

The Board, as a unified body and through committee participation, organizes the execution of its monitoring and oversight roles and does not expect its Chairman to organize those functions. Our primary rationale for separating the positions of Board Chairman and the CEO is the recognition of the time commitments and activities required to function effectively as Chairman and as the CEO of a company with a relatively flat management structure. The separation of roles has also permitted the board of directors to recruit senior executives into the CEO position with skills and experience that meet the board of director's planning for the position who may not have extensive public company board experience.

The Board has three standing committees Audit, Compensation and Corporate Governance/Nominating. The membership of each of the Board committees is comprised of independent directors, with each of the committees having a separate chairman, each of whom is an independent director. Our non-management members of the Board meet in executive session at each board meeting.

Risk is inherent with every business, and how well a business manages risk can ultimately determine its success. Management is responsible for the day-to-day management of risks the company faces, while the board of directors, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, the Board has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed.

The Board believes that establishing the right tone at the top and that full and open communication between executive management and the Board are essential for effective risk management and oversight. Our CEO communicates frequently with members of the Board to discuss strategy and challenges facing the company. PROPOSAL 2

**RATIFICATION OF THE APPOINTMENT OF OUR INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM FOR FISCAL YEAR ENDING DECEMBER 31, 2012**

Our Board has appointed BDO USA, LLP (BDO), to serve as our independent registered public accounting firm for the year ending December 31, 2012. BDO has acted as our principal accountant since April 5, 2007 and served as our principal accountant for the fiscal year ended December 31, 2011.

The selection of our independent registered public accounting firm is not required to be submitted to a vote of our stockholders for ratification. However, Trovagine is submitting this matter to the stockholders as a matter of good corporate governance. Even if the appointment is ratified, the Board may, in its discretion, appoint a different independent registered public accounting firm at any time during the year if they determine that such a change would be in the best interests of Trovagine and its stockholders. If the appointment is not ratified, the Board will consider its options.

A representative of BDO is expected to be present via telephone conference call at the Annual Meeting. He or she will have the opportunity to make a statement if desired and is expected to be available to respond to appropriate questions.

Our Audit Committee retains our independent registered public accounting firm and approves in advance all audit and non-audit services performed by this firm and any other auditing firms. Although management has the primary responsibility for the financial statements and the reporting process including the systems of internal control, the Audit Committee consults with management and our independent registered public accounting firm regarding the preparation of financial statements, the adoption and disclosure of our critical accounting estimates and generally oversees the relationship of the independent registered public accounting firm with Trovagine. The independent registered public accounting firm is responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, relating to their judgments as to the

quality, not just the acceptability, of Trovagen's accounting principles, and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards.

It is not the duty of the Audit Committee to determine that Trovagen's financial statements and disclosures are complete and accurate and in accordance with generally accepted accounting principles or to plan or conduct audits. Those are the responsibilities of management and Trovagen's independent registered public accounting firm. In giving its recommendation to the Board, the Audit Committee has relied on: (1) management's representation that such financial statements have been prepared with integrity and objectivity and in conformity with GAAP; and (2) the report of Trovagen's independent registered public accounting firm with respect to such financial statements.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

On August 6, 2010, we entered into an Agreement and Plan of Merger with E Acq Corp., our wholly-owned subsidiary, and Etherogen, Inc. pursuant to which we acquired all of the outstanding common stock of Etherogen, Inc. by issuing 2,043,797 shares of our common stock to the shareholders of Etherogen. Thomas Adams, our Chairman, Gary Jacob, a director of our company and Panetta Partners, Ltd., each were stockholders in Etherogen. Gabriele Cerrone, a director of our company, is the managing partner of Panetta and in such capacity only exercises voting and dispositive control over securities owned by Panetta, despite him having only a small pecuniary interest in such securities. Edgar Filing: TrovaGene Inc. - Form DEF 14A

of our board of directors determined that the terms of the merger and the merger agreement were fair to, and in the best interests of, the company and our stockholders and the merger was approved by the disinterested board. The fair value of the shares issued to effect the merger was \$2,771,389, based on the fair value of our common stock on the date of the merger.

The merger was accounted for as an acquisition of assets for accounting purposes primarily because there were no processes acquired. The assets acquired consisted primarily of de minimus property, plant and equipment, patents, trademarks and other intellectual property, and in-process research and development. In addition, we assumed a note in the amount of \$104,700 which was converted in to shares on the date of acquisition. In accordance with ASC Topic 805, Business Combinations, we recorded the total fair value of an intangible asset related to the patent of \$104,700 on our consolidated balance sheet. The excess of the fair value of the consideration

issued over the fair value of the net assets acquired was \$2,666,869. The total excess of the fair value of the net assets acquired and the conversion of the notes was recorded as purchased in process research and development expense-related party on our consolidated statement of operations.

In April 2009, pursuant to a written consent of the majority of the shareholders, Thomas Adams was appointed as Chairman of the Board and was given delegated duties as our most senior executive officer until a Chief Executive Officer was appointed. Mr. Adams was granted 800,000 ten year options to purchase shares of the Company's stock at \$3.00 a share which vest in three equal annual installments on April 6, 2010, 2011 and 2012 provided he is still a director, officer or consultant and was retained as a consultant for a term of three years at an annual amount of \$100,000.

In March 2010, the Board of Directors agreed to settle the amount of \$100,000 in full due to Thomas Adams by issuing 33,333 units with each unit consisting of one share of common stock and one warrant to purchase shares of common stock at \$3.00 a unit.

On August 10, 2011, we entered into an agreement with Thomas Adams to: (i) terminate the consulting arrangement and to consider the 33,333 units issued in March 2010 as full payment for his services under the consulting arrangement; and (ii) amend and restate his April 2009 option agreement by replacing the 800,000 options granted with 303,750 new options with the following terms:

- (a) new grant date of August 5, 2011;
- (b) exercise price of \$3.18 per share;
- (c) 133,333 options vested immediately, with the balance to vest as follows: 56,806 on August 5, 2012, 56,806 on August 5, 2013 and 56,805 on August 5, 2014 provided he continues to provide services to the Company; and
- (d) ten year option life, expiring August 5, 2021 or within 90 days of termination

Stanley Tennant, a director of our company, and a holder of our debenture in the principal amount of \$137,500 received 56,354 shares of common stock relating to a Forbearance Agreement. R. Merrill Hunter, a principal stockholder of our company, and a holder of our debenture in the principal amount of \$550,000 received 225,417 shares of common stock relating to a Forbearance Agreement.
