(d) On November 20, 2012, Duane Suits was appointed to the Board of Directors of Old Second Bancorp, Inc. (the Company) by unanimous written consent of the Board of Directors. Mr. Suits currently provides independent consulting and financial services to business and professional practices. Prior to forming his current consulting practice, Mr. Suits was the founding partner of Sikich Gardner & Co, LLP, a public accounting and consulting firm.

Mr. Suits was appointed to the Board of Directors pursuant to the terms of the Company's outstanding Series B Fixed Rate Cumulative Perpetual Preferred Stock (the Series B Preferred Stock) issued to the United States Department of Treasury (Treasury) on January 16, 2009, in connection with the Company's participation in the TARP Capital Purchase Program. Under the terms of the Series B Preferred Stock, Treasury has the right to appoint up to two directors to the Company's Board of Directors at any time that dividends payable on the Series B Preferred Stock have not been paid for an aggregate of six quarterly dividend periods. The terms of the Series B Preferred Stock provide that Treasury will retain the right to appoint such directors at subsequent annual meetings of shareholders until all accrued and unpaid dividends for all past dividend periods have been paid. Members of the Board of Directors elected by Treasury have the same fiduciary duties and obligations to all of the shareholders of the Company as any other member of the Board of Directors. With the addition of Mr. Suits, the Company's Board of Directors consists of eleven members. The Company has not identified the committees of the Board of Directors to which Mr. Suits is expected to be named.

The Company also expects to appoint Mr. Suits to the Board of Directors of Old Second National Bank (the Bank), a wholly-owned subsidiary of the Company, effective upon receipt of the necessary regulatory approvals.

Mr. Suits will be compensated for his service as a director on the same basis as other non-employee directors of the Company and the Bank, including retainers, board fees and chairperson fees, and the eligibility to receive stock-based awards and other compensation paid to the Company's directors. There have been no transactions with the last fiscal year, or any currently proposed transactions, in which the Company or the Bank was or is to be a participant and in which Mr. Suits has or had a direct or indirect material interest.
