**Item 1.01. Entry into a Material Definitive Agreement.**

On February 20, 2013, Flextronics International Ltd. (the Company) completed the issuance and sale of \$500,000,000 aggregate principal amount of its 4.625% Notes due 2020 (the 2020 Notes) and \$500,000,000 aggregate principal amount of its 5.000% Notes due 2023 (the 2023 Notes) and, together with the 2020 Notes, the Notes) through a private placement to qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the Securities Act), and to non-U.S. persons outside the United States pursuant to Regulation S under the Securities Act (the Notes Offering). The Company received net proceeds of approximately \$990.6 million from the Notes Offering and used those proceeds, together with \$9.4 million of cash on hand, to repay \$1 billion of outstanding borrowings under its 2007 term loan facility, which is scheduled to mature in October 2014 (the 2007 Term Loan Facility).

*Indenture*

The Notes were issued pursuant to an indenture, dated as of February 20, 2013 (the Indenture), between the Company, certain subsidiaries of the Company party thereto (the Guarantors) and U.S. Bank National Association, as trustee.

The 2020 Notes mature on February 15, 2020 and bear interest at a rate of 4.625% per annum, payable semi-annually on February 15 and August 15 of each year, commencing on August 15, 2013. The 2023 Notes mature on February 15, 2023 and bear interest at a rate of 5.000% per annum, payable semi-annually on February 15 and August 15 of each year, commencing on August 15, 2013. The Notes are senior unsecured obligations of the Company and rank equally with all of the Company's other existing and future senior and unsecured debt obligations.

At any time prior to maturity, the Company may redeem some or all of the Notes at a redemption price equal to 100% of the principal amount of the Notes redeemed, plus an applicable premium and accrued and unpaid interest, if any, to the applicable redemption date.

Upon the occurrence of a change of control repurchase event (as defined in the Indenture), the Company must offer to repurchase the Notes at a repurchase price equal to 101% of the principal amount of the Notes repurchased, plus accrued and unpaid interest, if any, to the applicable repurchase date.

On the issue date, the Company's obligations under the Notes are guaranteed, jointly and severally, on an unsecured basis, by the Guarantors.

The Indenture contains covenants that, among other things, restrict the ability of the Company and certain of the Company's subsidiaries to:

- create liens;

- enter into sale-leaseback transactions;
  
- create, incur, issue, assume or guarantee any funded debt; and

- consolidate or merge with, or convey, transfer or lease all or substantially all of the Company's assets to, another person.

These covenants are subject to a number of significant limitations and exceptions set forth in the Indenture.

The Indenture provides for customary events of default, including, but not limited to, cross defaults to certain specified other debt of the Company and its subsidiaries. In the case of an event of default arising from specified events of bankruptcy or insolvency, all outstanding Notes will become due and payable immediately without further action or notice. If any other event of default under the Indenture occurs or is continuing, the applicable trustee or holders of at least 25% in aggregate principal amount of the then outstanding Notes may declare all of the Notes to be due and payable immediately.

The description of the Indenture contained in this Current Report on Form 8-K is qualified in its entirety by reference to the complete text of the Indenture, a copy of which is filed as Exhibit 4.1 and incorporated herein by reference.

#### *Registration Rights Agreement*

In connection with the issuance of the Notes, the Company and the Guarantors also entered into a Registration Rights Agreement, dated February 20, 2013, with Merrill Lynch, Pierce, Fenner & Smith Incorporated, Citigroup Global Markets Inc. and J.P. Morgan Securities LLC, as representatives of the several initial purchasers in the Notes Offering (the "Registration Rights Agreement"). In certain circumstances, the Company and the Guarantors may be required to file a shelf registration statement to cover resales of the Notes. If the Company and the Guarantors fail to satisfy these obligations, the Company may be required to pay additional interest to holders of the Notes under certain circumstances.

The description of the Registration Rights Agreement contained in this Current Report on Form 8-K is qualified in its entirety by reference to the complete text of the Registration Rights Agreement, a copy of which is filed as Exhibit 4.4 and incorporated herein by reference.
