Item 7.01. Regulation FD Disclosure

On February 28, 2013, Isle of Capri Casinos, Inc. (the Company) issued a press release announcing an offering of \$350.0 million of senior notes due 2021. A copy of the press release is attached hereto as Exhibit 99.1.

Concurrent with the offering, the Company is in discussions with the lenders under its existing credit facility to amend its existing credit facility, dated as of July 26, 2007, as amended on February 17, 2010, as amended and restated on March 25, 2011 and as amended on November 21, 2012 (as amended, the Amended Credit Facility). The Company anticipates entering into the amendment to the existing credit facility shortly after the completion of the offering of the notes and prior to the end of the fourth quarter of fiscal 2013 (or as soon thereafter as all necessary regulatory approvals have been received). The Company expects that the Amended Credit Facility, if executed, will have a revolving credit facility in an aggregate principal amount of up to \$300.0 million, which amount may be increased in accordance with the terms of the Amended Credit Facility, will mature in 2018 and will not include a term loan facility. The Company also anticipates that the Amended Credit Facility will include other terms similar to those in its Existing Credit Facility. The foregoing description of the Amended Credit Facility, including the anticipated timing for entering into the amendment to the existing credit facility, reflects only the Company's current expectations. It is possible that the Company will not enter into an Amended Credit Facility or, if it does, that the terms of the Amended Credit Facility will differ, perhaps substantially, from those described in this paragraph.
