The Company made certain customary representations, warranties and covenants in the Underwriting Agreement concerning the Company and the Company's Registration Statement on Form S-3 (File No. 333-197881) (the *Registration Statement*) related to the offering. The Company also agreed to indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act of 1933, as amended (the *Securities Act*). The Company and the Underwriters expect to consummate the sale and purchase of the Notes pursuant to the Underwriting Agreement on September 16, 2014, subject to the satisfaction of customary closing conditions.

The net proceeds to the Company from the sale of the Notes, after the underwriting discount, but before transaction expenses allocable to the sale of the Notes, will be \$74,156,250. From and including the original issuance date to but excluding September 15, 2024, the Notes will bear interest at a rate per annum equal to 6.000%, and interest on the Notes is payable semi-annually in arrears on March 15 and September 15, beginning on March 15, 2015.
