Item 1.01 Entry into a Material Definitive Agreement.

On January 6, 2015, Impac Mortgage Holdings, Inc. (the Company), and its wholly-owned subsidiary, Impac Mortgage Corp. (IMC), entered into an Asset Purchase Agreement (the Asset Purchase Agreement) with CashCall, Inc. (CashCall) pursuant to which IMC agreed to purchase substantially all the assets and assume certain liabilities of CashCall's residential mortgage operations. Upon closing, CashCall's mortgage operations will operate as a separate division of IMC under the name CashCall Mortgage.

Pursuant to the Asset Purchase Agreement, and subject to the terms and conditions contained therein, the purchase price consists of a fixed component and a contingent component. The fixed component includes (i) the aggregate payment of \$10 million in cash, payable in installments through January 2016 and (ii) approximately 500,000 newly issued unregistered common shares of the Company. The contingent component consists of a three year earn-out provision based on a percentage of the pre-tax profits of the CashCall Mortgage division so purchased, which is expected to be a weighted average of approximately 50% during the three year earn-out period of the CashCall Mortgage division's profitability.

The Asset Purchase Agreement generally contains customary representations, warranties, covenants, agreements and indemnities of the parties. The parties' obligations to consummate the transaction contemplated by the Asset Purchase Agreement are subject to certain conditions, including (i) the accuracy of the representations and warranties of the other parties; (ii) performance in all material respects by the other parties of their pre-closing covenants and agreements; (iii) filings pursuant to the Hart-Scott-Rodino Act (HSR); (iv) a certain percentage of employees related to CashCall's residential mortgage operations accept employment with IMC; and (v) there has been no material adverse effect of CashCall (as such term is defined in the Asset Purchase Agreement). The Asset Purchase Agreement may be terminated by either party if obligations are not satisfied by April 30, 2015.

The foregoing description is only a summary and is qualified in its entirety by reference to the aforementioned Asset Purchase Agreement. On January 8, 2015, the Company issued a press release announcing the transaction with CashCall described in the Asset Purchase Agreement. A copy of the press release is attached hereto as Exhibit 99.1.
