Item 1.01. Entry into a Material Definitive Agreement.

On March 29, 2019 (the *Effective Date*), California Water Service Group, a Delaware corporation (the *Registrant*), and California Water Service Company, a California corporation and a wholly-owned subsidiary of the Registrant (*Cal Water*), entered into the Credit Agreements (as defined below), which provide for unsecured revolving credit facilities of up to an initial aggregate amount of \$550 million. The Credit Facilities amend, expand and replace the Registrant's and Cal Water's existing credit facilities originally entered into on March 10, 2015.

Holdco Credit Agreement

On the Effective Date, the Registrant entered into a credit agreement (the *Holdco Credit Agreement*) provided by a syndicate of banks and other financial institutions led by Bank of America, N.A., as administrative agent.

The Holdco Credit Agreement provides for a \$150.0 million unsecured revolving credit facility, which may be expanded by an incremental \$50.0 million, upon the satisfaction of certain conditions, and which will be used for working capital and other general corporate purposes. The Holdco Credit Agreement also provides that certain subsidiaries of the Registrant may be designated as borrowers thereunder from time to time. No subsidiaries were so designated as of the Effective Date. The Holdco Credit Agreement expires, and all obligations thereunder shall be due and payable, on March 29, 2024, unless earlier accelerated upon the occurrence of an event of default. At the Registrant's option, borrowings under the Holdco Credit Agreement will bear interest annually at a rate equal to (i) the base rate or (ii) the Eurodollar rate, plus an applicable margin of 0.650% to 0.875%, depending on the Registrant and its subsidiaries' consolidated total capitalization ratio.

The Holdco Credit Agreement contains affirmative and negative covenants and events of default customary for credit facilities of this type, including, among other things, limitations and prohibitions relating to additional indebtedness, liens, mergers, and asset sales by the Registrant and its subsidiaries. The Holdco Credit Agreement also contains financial covenants governing the Registrant and its subsidiaries' consolidated total capitalization ratio and interest coverage ratio.

Opco Credit Agreement

On the Effective Date, Cal Water entered into a credit agreement (the *Opco Credit Agreement* and, together with the Holdco Credit Agreement, the *Credit Agreements*) provided by a syndicate of banks and other financial institutions led by Bank of America, N.A., as administrative agent.

The Opco Credit Agreement provides for a \$400.0 million unsecured revolving credit facility, which may be expanded by an incremental \$150.0 million, upon the satisfaction of certain conditions, and which will be used for working capital purposes, including the short-term financing of capital projects. The Opco Credit Agreement expires, and all obligations thereunder shall be due and payable, on March 29, 2024, unless earlier accelerated upon the occurrence of an event of default. Cal Water's obligations under the Opco Credit Agreement are fully and unconditionally guaranteed by the Registrant. Borrowings under the Opco Credit Agreement must be repaid within 12 months unless otherwise authorized by the California Public Utilities Commission. At Cal Water's option, borrowings under the Opco Credit Agreement will bear interest annually at a rate equal to (i) the base rate or (ii) the Eurodollar rate, plus an applicable margin of 0.650% to 0.875%, depending on the Registrant and its subsidiaries' consolidated total capitalization ratio.
