**ITEM 4. DESCRIPTION OF SECURITIES**

The Registrant adopted the T. Rowe Price Group, Inc. Supplemental Savings Plan (the "Plan") effective January 1, 2015. The Plan is an unfunded deferred compensation plan that is intended to comply with the requirements of Section 409A of the Internal Revenue Code of 1986, as amended. The Plan provides deferred compensation benefits to certain officers of the Registrant (the "Participants").

Under the Plan, the Registrant provides eligible Participants the opportunity to defer receipt of up to 100% of their cash incentive compensation earned for the respective calendar year during which services are performed for the Registrant by the Participant (each a "Performance Year"). Amounts deferred by a Participant under the Plan are credited to a deferral contribution account that is used to determine the amounts to be paid to the Participant under the Plan. The deferral contribution account represents an unfunded, unsecured promise by the Registrant to pay such amounts in the future, and does not represent ownership, or any ownership interest in, any particular assets of the Registrant. All amounts deferred by a Participant remain the general assets of the Registrant until paid.

Participant deferral contribution accounts are fully vested and nonforfeitable at all times. Until fully distributed, Participant deferral contribution accounts will be adjusted with earnings, losses, appreciation and depreciation, based on the performance of certain hypothetical investments chosen by the Participant from a designated list of investment funds. Participants may change their investment allocations at any time, subject to reasonable administrative restrictions. The Registrant is not required to invest any assets to mirror Participant

investment allocations, but may elect to do so.

Account balances will be paid by the Registrant on the date or dates selected by the Participant in accordance with the terms of the Plan or as otherwise provided in the Plan. In general, Participants may elect to have their account balance with respect to each Performance Year paid in January of a specified year that is at least two years beyond the date on which the incentive compensation payment otherwise would have been paid. Regardless of a Participant's deferral election, in the event of a Participant's separation from service with the Registrant, Participants will be paid their account balance with respect to each Performance Year in either a single sum payment or up to 15 annual installments, as elected by the Participant, in either case commencing seven months after the month in which the separation from service occurs. Distribution of account balances may also be made in the discretion of the Registrant's Management Compensation Committee in the event that a Participant suffers an unforeseeable financial emergency, and survivor benefits will be paid as soon as practicable following a Participant's death.

The obligations of the Registrant that arise under the Plan (the "Obligations") will be unsecured general obligations of the Registrant to pay the deferred compensation in the future in accordance with the terms of the Plan and will rank pari passu with other unsecured and unsubordinated indebtedness of the Registrant from time to time outstanding. Satisfaction of the Obligations is subject to the risks of the Registrant's insolvency. The Obligations will be denominated and payable in United States dollars, except as otherwise may be determined by the Registrant with respect to one or more Participants who reside outside the United States.

There is no trading market for the Obligations. The Obligations are not subject in any manner to anticipation, alienation, sale, transfer, assignment, pledge, encumbrance, attachment or garnishment; except that the Obligations may be transferred by last will and testament, the laws of descent and distribution or written beneficiary designation, and the Obligations may be offset by a Participant's indebtedness (if any) to the Registrant, but solely to the extent (and subject to the conditions) provided in the Plan and permitted under applicable law. Any attempt by any person to transfer or assign benefits under the Plan, other than a claim for benefits by a Participant or his or her beneficiary(ies) or an offset as provided above, will be null and void. The Obligations are not convertible into any other security of the Registrant. No trustee has been appointed to take action with respect to the Obligations and each Participant in the Plan will be responsible for enforcing his or her own rights with respect to the Obligations.

The Registrant's Management Compensation Committee may amend, modify or terminate the Plan at any time without the consent of the Participants, provided that no such action may deprive a Participant or beneficiary of his or her benefits accrued under the Plan prior to the date of such action (subject to any deemed investment losses); and provided further that no such action will result in the distribution of benefits under the Plan earlier than as scheduled except as and to the extent permitted by applicable law.

#### ITEM 5. INTERESTS OF NAMED EXPERTS AND COUNSEL

None.

#### ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS

Directors and officers of the Registrant are indemnified under Section 2-418 of the Corporations and Associations Article of the Annotated Code of Maryland, and under Article EIGHTH, Section 6 of the Registrant's Charter as follows:

(6) The Corporation shall indemnify (a) its directors to the full extent provided by the general laws of the State of Maryland now or hereafter in force, including the advance of expenses under the procedures provided by such laws; (b) its officers to the same extent it shall indemnify its directors; and (c) its officers who are not directors to such further extent as shall be authorized by the Board of Directors and be consistent with law. The foregoing shall not limit the authority of the Corporation to indemnify other employees and agents consistent with law.

As permitted by Maryland law, Article EIGHTH, Section 7 of the Registrant's Charter limits the monetary liability of its directors and officers to the Registrant and its stockholders to the maximum extent permitted by Maryland law in effect from time to time. Article EIGHTH, Section 7 of the Registrant's Charter provides as follows:

(7) To the fullest extent permitted by Maryland statutory or decisional law, as amended or interpreted, no

director or officer of this Corporation shall be personally liable to the Corporation or its stockholders for money damages. No amendment of the charter of the Corporation or repeal of any of its provisions shall limit or eliminate the benefits provided to directors and officers under this provision with respect to any act or omission which occurred prior to such amendment or repeal.

#### ITEM 9. UNDERTAKINGS

The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement.

Paragraphs (1)(i) and (1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

---

The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission, such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
