## CVRD Dividend Payment

Rio de Janeiro, April 16, 2003 Pursuant to the public announcement made on January 30, 2003, the Board of Directors of Companhia Vale do Rio Doce (CVRD) approved the payment of the first installment of its USD 1.04 per share minimum dividend for 2003. The minimum dividend was determined in accordance to the CVRD Dividend Policy publicly announced on November 13, 2002. The minimum dividend will be paid to shareholders in two equal installments, on April 30 and October 31, 2003, respectively.

The first installment of the minimum dividend will be paid according to the procedures previously announced on January 30, 2003:

1. Distribution of interest on shareholders' equity in the amount of R\$ 621,819,836.10 (six hundred twenty one million, eight hundred nineteen thousand, eight hundred thirty six reais and ten cents), equivalent to BRL 1.62 (one Brazilian real and sixty two cents) per outstanding preferred A share or common share. The value of R\$ 1.62 per share is equal to US\$ 0.52 per share converted into Brazilian reais by the 3.1154 BRL/USD exchange rate for the sale of USD (Ptax option 5 code), as informed by the Central Bank of Brazil on April 15, 2003.
2. The payment will take place from April 30, 2003, onwards. The distribution of interest on shareholders' equity is subject to withholding income tax at a rate of 15%, in accordance to the Law 9,249 of December 26, 1995. This is the first dividend payment under the CVRD Dividend Policy. Its main goal is to diminish uncertainties to the Company's shareholders, guaranteeing a minimum annual return since the first month of year.

This press release may contain statements that express management's expectations about future events or results rather than historical facts. These forward-looking statements involve risks and uncertainties that could cause actual results to differ materially from those projected in forward-looking statements, and CVRD cannot give assurance that such statements will prove correct. These risks and uncertainties include factors: relating to the Brazilian economy and securities markets, which exhibit volatility and can be adversely affected by developments in other countries; relating to the iron ore business and its dependence on the global steel industry, which is cyclical in nature; and relating to the highly competitive industries in which CVRD operates. For additional information on factors that could cause CVRD's actual results to differ from expectations reflected in forward-looking statements, please see CVRD's reports filed with the Brazilian Comissão de Valores Mobiliários and the U.S. Securities and Exchange Commission.
