(1) The phantom stock units were accrued under Carnival plc's deferred compensation plan. 8,165 units were accrued on April 17, 2003 at a price of \$26.565 per unit.

(2) The units were originally to be settled 100% in cash upon the reporting person's retirement or other termination of employment, however, all participants under the deferred compensation plan were permitted to make a change to their payment election (including in-service withdrawals) under 409A transition rules. The reporting person received the investment experience relative to the performance of Carnival Corporation's shares on the date of settlement.
