**NEWS RELEASE**

**SHAW ANNOUNCES REDEMPTION OF US\$172.5 MILLION SERIES B 8.50%  
CANADIAN ORIGINATED PREFERRED SECURITIES & ADDITIONAL  
CREDIT FACILITY**

**Calgary, Alberta, November 2, 2005** Shaw Communications Inc. (TSX: SJR.NV.B, NYSE: SJR) announced today that it has given notice of its intention to redeem all of its outstanding Series B US\$172.5 million 8.50% Canadian Originated Preferred Securities ( Series B Preferred Securities ), which are listed on the New York Stock Exchange under the symbol SJR PrB. The CUSIP number of the Series B Preferred Securities is 82028K705.

The redemption date will be December 16, 2005. The redemption price of US\$25.00 per Series B Preferred Security plus accrued and unpaid interest will be paid on the redemption date.

Shaw believes that the redemption of the Series B Preferred Securities is prudent given the current interest and foreign exchange rate environments. The redemption results in a potential estimated economic benefit in excess of \$50 million. This represents the foreign exchange benefit realized on the redemption of the unhedged par value of the Series B Preferred Securities, combined with the present value of the potential carrying charge savings over a ten-year term, net of breakage costs of approximately \$16 million. The breakage costs are in respect of a cross currency swap relating to certain Series B Preferred Security distributions.

Questions about the redemption process can be directed to the trustee, Bank of New York, at 1-800-438-5473.

Shaw also announced today that it has a commitment from Toronto Dominion Bank to provide an additional \$100 million credit facility. The commitment is in the form of a 364-day extendible revolving loan facility, which is convertible to a one-year non-revolving term loan at the end of the 364-day period. It is anticipated, subject to negotiation of final terms acceptable to both parties, that the facility will close in the second quarter.
