Item 1.01.

Entry into a Material Definitive Agreement.

On August 4, 2006, Orthofix International N.V. (“Orthofix” or the “Company”) entered into a definitive merger agreement (the “Merger Agreement”) with Blackstone Medical, Inc., a privately held Massachusetts corporation (“Blackstone”). Blackstone is engaged in the design, development and marketing of spinal implant and related biologic products.

Summary of the terms of the Merger Agreement:

Form of Transaction. New Era Medical Corp. (“Merger Sub”), a newly formed wholly-owned subsidiary of Orthofix Holdings, Inc. (“Orthofix Holdings”), will merge with and into Blackstone (the “Merger”), with Blackstone remaining as the surviving corporation and a wholly-owned subsidiary of Orthofix Holdings. Orthofix Holdings is an indirect wholly-owned U.S. subsidiary of Orthofix. Orthofix is a party to the Merger Agreement and will guarantee the performance of both Orthofix Holdings and Merger Sub.

Merger Consideration. All outstanding shares of Blackstone’s Class A Voting Common Stock and Class B Nonvoting Common Stock (collectively, “Common Stock”), as well as all vested options and warrants, will be converted into the right to receive at the closing an aggregate of \$333 million in cash, subject to certain adjustments.

Indemnification and Escrow. The Merger Agreement provides that the Blackstone shareholders will indemnify Orthofix Holdings for breaches of representations and warranties as well as certain other specified matters. These post-closing indemnification obligations of the Blackstone shareholders are limited to a cumulative aggregate amount of \$66,600,000. At closing, an escrow fund will be established to fund indemnification obligations payable during the first two years after closing. The initial amount of the escrow fund will be \$49,950,000. The amount of the fund will be reduced to \$24,975,000 (plus amounts covering any pending and unresolved indemnification claims) one year after closing. The remaining amount in the escrow fund will be released, subject to pending and unresolved indemnification claims, two years after closing. Orthofix Holdings also will be entitled to seek direct personal recourse against certain principal shareholders of Blackstone after all monies on deposit in the escrow fund have been paid out or released or are the subject of pending or unresolved indemnification claims but only for a period of six years from the closing date of the Merger and only up to an amount equal to \$66,600,000 less indemnification claims previously paid.

Representations, Warranties and Covenants. The Merger Agreement contains representations, warranties and covenants of Orthofix, Orthofix Holdings, Merger Sub, Blackstone and the principal shareholders of Blackstone. The representations and warranties of each party set forth in the Merger Agreement have been made solely for the benefit of the other parties to the Merger Agreement and such representations and warranties should not be relied on by any other person. In addition, such representations and warranties (i) have been qualified by disclosures made to the other party in connection with the Merger Agreement, (ii) are subject to the materiality standards contained in the Merger Agreement which may differ from what may be viewed as material by investors and (iii) were made only as of the date of the Merger Agreement or such other date as is specified in the Merger Agreement.

Financing. Wachovia Bank, N.A. and Citigroup have provided to Orthofix Holdings an underwritten commitment for senior debt financing for the full amount of the merger consideration.

Blackstone Shareholder Approval. Holders of all outstanding shares of Blackstone’s Class A Voting Common Stock have approved the Merger Agreement through written consent.

Closing Conditions. The closing of the Merger is subject to Orthofix’s receipt of clearance under the Hart-Scott-Rodino Antitrust Improvements Act, completion of the financing for the merger consideration and satisfaction of certain other customary conditions to closing.

End Date. Orthofix Holdings and Blackstone each have the right to terminate the Merger Agreement if, among other circumstances, the Merger has not been consummated on or before October 15, 2006 (the “End Date”). However, such date will be automatically extended until December 31, 2006 if the expiration or termination of any applicable waiting period or any required clearances under the Hart-Scott-Rodino Antitrust Improvements Act or applicable foreign competition laws has not been obtained by the End Date.
