INFORMATION TO BE INCLUDED IN THE REPORT

Item 1.01 Entry into a Material Definitive Agreement

On December 4, 2009, Modine Manufacturing Company (the "Company") entered into a Share Purchase Agreement (the "Share Purchase Agreement") to sell 100% of the shares of Modine Korea LLC, the Company's Korean-based vehicular HVAC business ("Modine Korea"), to KB Synthetics Company Limited ("KB Synthetics") for approximately \$14 million, subject to adjustment. Pursuant to the terms of the Share Purchase Agreement, the closing of the sale transaction is December 23, 2009.

Upon the signing of the Share Purchase Agreement, KB Synthetics paid the Company One Billion Four Hundred Million (1,400,000,000) Won, the equivalent of approximately \$1,200,000 (the "Initial Purchase Price"). In the event that the sale transaction does not close for any reason, other than a reason attributable solely to the Company, the Company will retain the Initial Purchase Price. The purchase price is subject to a limited post-closing adjustment based upon verification of the existence of recorded property, plant, equipment and inventory of Modine Korea.

The foregoing description of the Share Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to such document, a copy of which is filed as Exhibit 10.1 and is incorporated herein by reference.

On December 6, 2009, the Company issued a press release announcing the transaction. A copy of the press release is filed as Exhibit 99.1 and is incorporated herein by reference.

Item 9.01 Financial Statements and Exhibits

(d) Exhibits

Exhibit No.	Description
