Forward-looking statements are statements that are not historical fact and are subject to a variety of risks and uncertainties which could cause actual events to differ materially from those reflected in the forward-looking statements including fluctuations in the price of gold, inability to complete drill programs on time and on budget, and future financing ability. Paramount's future expectations, beliefs, goals, plans or prospects constitute forward-looking statements within the meaning of the United States Private Securities Litigation Reform Act of 1995 and other applicable securities laws. Words such as "believes" "plans" "anticipates" "expects" "estimates" and similar expressions should also be considered to be forward-looking statements. There are a number of important factors that could cause actual results or events to differ materially from those indicated by such forward-looking statements, including, but not limited to: uncertainties involving interpretation of drilling results, environmental matters, lack of ability to obtain required permitting, equipment breakdown or disruptions, and the other factors described in Paramount's Annual Report on Form 10-K for the year ended June 30, 2011 and its most recent quarterly reports filed with the SEC. Except as required by applicable law, Paramount disclaims any intention or obligation to update any forward-looking statements as a result of developments occurring after the date of this document.

Except as otherwise required by the federal securities laws, we disclaim any obligation or undertaking to publicly release any updates or revisions to any forward-looking statement contained in this Current Report to reflect any change in our expectations with regard thereto or any change in events, conditions or circumstances on which any such statement is based.

The subscription agreements (the "Subscription Agreements") between the Company and each of the Investors of the Offering provide that we shall use our commercially reasonable efforts to file a registration statement with the U.S. Securities and Exchange Commission to register the resale of the Shares. The Company has agreed to pay a finder's fee for certain of the Subscription Agreements.

The sale of the Shares and the securities contained therein were exempt from the registration requirements of the Securities Act of 1933 by virtue of Section 4(2) thereof and Regulation D promulgated thereunder, as transactions by an issuer not involving a public offering. The purchasers of the securities represented their intention to acquire the securities for investment only and not with a view to or for sale in connection with any distribution thereof, and appropriate restrictive legends are being affixed to the certificates issued in the Offering. All purchasers of the securities represented and warranted, among other things, that they were accredited investors within the meaning of Regulation D and/or non-U.S. persons within the meaning of Regulation S, that they had the knowledge and experience in financial and business matters necessary to an evaluation of the merits and risks of an investment in the Company and had the ability to bear the economic risks of the investment, and that they had adequate access to
