Meadowbrook Insurance Group, Inc. (the “Company”) is unable, without unreasonable effort or expense, to file its Quarterly Report on Form 10-Q for the quarter ended June 30, 2013 within the prescribed time period. On August 2, 2013, A.M. Best Company downgraded the Company’s financial strength rating from “A-” (Excellent) to “B++” (Good) with a “stable” outlook. Following such downgrade, the Company promptly undertook an analysis to quantify asset impairment charges arising from such downgrade. Based upon the results of step one of its goodwill impairment test, the Company has concluded that its goodwill, which had a carrying value of \$121 million as of June 30, 2013, was impaired as of June 30, 2013. The Company is now in the process of estimating its non-cash goodwill impairment charge for the three and six month periods ended June 30, 2013. However, in light of the timing of the downgrade, and the complexity of the analysis, the Company has not had sufficient time to complete its evaluation. The Company expects to complete its initial assessment in order to record an estimated goodwill impairment charge and file its Quarterly Report on Form 10-Q no later than August 14, 2013.

If answer is no, identify report(s).

Yes  No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes  No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

As described above, the Company has concluded that its goodwill, which had a carrying value of \$121 million as of June 30, 2013, was impaired as of June 30, 2013. The Company is in the process of completing its quantification of asset impairment charges. However, in light of the timing of the above-mentioned downgrade, the Company has not had sufficient time to complete such analysis. Until the completion of such analysis, the Company is unable to estimate the effect of such impairment charge on the Company’s

results of operations.
