## PROXY STATEMENT

Important Notice Regarding the Availability of Proxy Materials for the Shareholder Meeting to be held on May 21, 2014:

The Notice of Annual Meeting of Shareholders, Proxy Statement, Form of Proxy, and 2013 Annual Report to Shareholders are available at <http://www.charlesandcolvard.com/investors/proxy>.

This proxy statement is furnished to the shareholders of Charles & Colvard, Ltd. in connection with the solicitation of proxies by our Board of Directors (the "Board") for use at our company's 2014 Annual Meeting of Shareholders (the "Annual Meeting") and all adjournments thereof. The Annual Meeting will be held at the Sheraton Imperial Hotel, 4700 Emperor Boulevard, Durham, North Carolina, on Wednesday, May 21, 2014 at 10:00 a.m., Eastern Daylight Savings Time, to conduct the following business and such other business as may be properly brought before the meeting: (1) to elect six nominees described in this proxy statement to the Board of Directors; (2) to ratify the appointment of BDO USA, LLP ("BDO") as our independent registered public accounting firm for the year ending December 31, 2014; and (3) to vote, on an advisory (nonbinding) basis, to approve executive compensation.

The Board of Directors recommends that you vote (1) FOR the election of the director nominees listed in this proxy statement, (2) FOR ratification of the appointment of BDO as our independent registered public accounting firm for the year ending December 31, 2014, and (3) FOR the approval of executive compensation.

This proxy statement and the accompanying proxy card are first being delivered to shareholders on or about April 23, 2014.

### Voting Securities

Our common stock, no par value per share, is our company's only outstanding voting security. The Board of Directors has fixed the close of business on March 31, 2014 as the record date for the determination of shareholders entitled to vote at the Annual Meeting. Accordingly, each holder of record of common stock as of the record date is entitled to one vote for each share of common stock held. Shareholders do not have cumulative voting rights. As of March 31, 2014, there were 20,197,301 shares of common stock outstanding.

### Voting Procedures

The holders of a majority of the shares of common stock entitled to vote at the Annual Meeting, present in person or represented by proxy, constitute a quorum for purposes of voting on a particular matter and conducting business at the Annual Meeting. Votes "for" and "against," abstentions, shares that are withheld as to voting with respect to one or more of the director nominees, and shares held by a broker, as nominee, that are voted at the discretion of the broker on any matter will be considered to be present for purposes of determining whether a quorum exists. If a quorum is present at the beginning of the Annual Meeting, the shareholders may continue to transact business until adjournment, notwithstanding the withdrawal of enough shareholders to leave less than a quorum.

---

Brokers who are members of the New York Stock Exchange (the “NYSE”) and who hold shares of our common stock in street name for beneficial owners have authority to vote on certain items when they have not received instructions from beneficial owners. Under the rules of the NYSE, the proposal to ratify the appointment of the independent registered public accounting firm is considered a “discretionary” item. This means that brokers may vote in their discretion on this matter on behalf of beneficial owners who have not furnished voting instructions. In contrast, certain items are considered “non-discretionary,” and a “broker non-vote” occurs when brokers do not receive voting instructions from beneficial owners with respect to such items. The proposal to elect directors and the proposal to approve executive compensation are “non-discretionary” items. Therefore, brokers that have not received voting instructions from beneficial owners with respect to these proposals may not vote in their discretion on behalf of such beneficial owners.

Under North Carolina law and our Bylaws, and assuming the existence of a quorum, directors are elected by a plurality of the votes cast by the shares of common stock present in person or by proxy and entitled to vote in the election of directors. Shares that are withheld as to voting with respect to a director nominee and shares held of record by a broker, as nominee, that are not voted will not be counted for purposes of electing directors.

Under our Bylaws, the proposal to ratify the appointment of BDO as the independent registered public accounting firm for the year ending December 31, 2014 will be approved if the number of shares voted in favor of such proposal exceeds the number of shares voted against the proposal. Abstentions will not count as votes cast and will not affect the outcome of this proposal.

With respect to the advisory (nonbinding) vote to approve executive compensation, such proposal will be approved if the votes cast for approval exceed the votes cast against approval for such proposal. Because your votes to approve executive compensation are advisory, your vote will not be binding upon the Board of Directors, your vote will not overrule any decision by the Board of Directors, and your vote will not create or imply any additional fiduciary duties on the Board of Directors or any of its members. However, the Compensation Committee of the Board of Directors will take into account the outcome of the votes when considering future executive compensation arrangements. Abstentions and broker non-votes will not be counted for purposes of determining whether the proposal has received sufficient votes for approval.

Under North Carolina law, our shareholders are not entitled to appraisal rights with respect to any of the proposals in this proxy statement.

#### Voting of Proxies

The shares represented by the accompanying proxy card and entitled to vote will be voted if the proxy card is properly signed and received by our Corporate Secretary prior to the Annual Meeting. Where a choice is specified on any proxy card as to the vote on any matter to come before the Annual Meeting, the proxy will be voted in accordance with such specification. Where no choice is specified, the proxy will be voted “for” the election of the persons nominated to serve as the directors of our company and named in this proxy statement, “for” the proposal to ratify the appointment of BDO as our independent registered public accounting firm for the year ending December 31, 2014, “for” the approval of executive compensation, and in such manner as the proxies named on the enclosed proxy card in their discretion determine upon such other business as may properly come before the Annual Meeting or any adjournment thereof. Any shareholder giving a proxy has the right to revoke it at any time before it is voted by giving written notice to our Corporate Secretary, by attending the Annual Meeting and giving notice of his or her intention to vote in person, or by executing and delivering to us a proxy bearing a later date.

#### Expenses of Solicitation

We will bear the entire cost of the solicitation of proxies from our shareholders. Following the mailing of this proxy statement and the accompanying proxy card, our directors, officers, and employees may solicit proxies on behalf of

our company in person, by telephone, or by other electronic means. We may reimburse persons holding shares for others in their names or in those of their nominees for their reasonable expenses in sending proxy materials to their principals and obtaining their proxies.

## PROPOSAL 1

## ELECTION OF DIRECTORS

Our business and affairs are managed under the direction of the Board of Directors, as provided by North Carolina law and our Bylaws. The Board of Directors establishes corporate policies and strategies and supervises the implementation and execution of those policies and strategies by our officers and employees. The directors are kept informed of our operations at meetings of the Board, through reports and analyses prepared by our management, and in discussions with our management.

Our Bylaws currently provide that the Board of Directors shall consist of not less than five nor more than 10 members and that at any time that it consists of nine or more members, the terms shall be staggered. The age and a brief biographical description of each director nominee are set forth below. The information appearing below and certain information regarding beneficial ownership of securities by such nominees contained in this proxy statement has been furnished to us by the nominees. Each nominee for director has indicated that he or she is willing and able to serve as a director if elected. However, if any nominee should become unable to serve or for good cause will not serve, the proxies named on the enclosed proxy card will vote for such other nominees and substitute nominees as designated by the Board of Directors. One of our current directors, Dr. Charles D. Lein, has chosen not to stand for re-election at the Annual Meeting.

## CORPORATE GOVERNANCE MATTERS

### Independent Directors

In accordance with the listing rules of The NASDAQ Stock Market LLC (“NASDAQ”), our Board of Directors must consist of a majority of “independent directors,” as determined in accordance with NASDAQ Rule 5605(a)(2). The Board has determined that current directors Mr. Barr, Mr. Beasley, Ms. Butler, Mr. Cattermole, Dr. Lein, and Mr. Sykes are independent directors in accordance with applicable NASDAQ listing rules. The Board performed a review to determine the independence of its members and made a subjective determination as to each member that no transactions, relationships, or arrangements exist that, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director of our company. In making these determinations, the Board reviewed the information provided by the directors with regard to each individual’s business and personal activities as they may relate to us and our management.

### Meetings of the Board of Directors

Pursuant to our Corporate Governance Standards, all directors are expected to attend meetings of the Board and their assigned committees. The Board of Directors meets on a regularly scheduled basis and met 10 times during the year ended December 31, 2013. Each incumbent director attended 75% or more of the aggregate of the number of meetings of the Board held during the period that individual was a director and the number of meetings of committees on which that director served that were held during the period of that director’s service. We also expect all directors to attend each annual meeting of shareholders. Seven directors, comprising all nominees for election at the 2013 Annual Meeting of Shareholders, attended the 2013 Annual Meeting of Shareholders.

### Board Leadership Structure

The Board of Directors has determined that it is in the best interest of our company for our Chairman of the Board to be an independent director at this time. The Board believes that having an independent Chairman of the Board furthers the Board’s goal of providing effective, independent leadership and oversight of our company. Our Chairman of the Board’s responsibilities include establishing Board meeting agendas in collaboration with our Chief Executive Officer and presiding at meetings of the Board and shareholders. The Chief Executive Officer has general supervision, direction, and control of the business and affairs of our company in the ordinary course of its business.

To ensure free and open discussion and communication among the non-management directors, such directors meet regularly in executive session in conjunction with regularly scheduled meetings of the Board. The director who presides at these meetings is chosen by the independent directors. Executive sessions of the independent directors are to occur at least four times a year.

## Board's Role in Risk Oversight

We operate in a complex environment and are subject to a number of significant risks. The Board of Directors works with our senior management to manage the various risks we face. The role of the Board is one of oversight of our risk management processes and procedures; the role of our management is to implement those processes and procedures on a daily basis and to identify, manage, and mitigate the risks that we face. As part of its oversight role, the Board regularly discusses, both with and without management present, our risk profile and how our business strategy effectively manages and leverages the risks that we face.

To facilitate its oversight of our company, the Board of Directors has delegated certain functions (including the oversight of risks related to these functions) to Board committees. The Audit Committee reviews and discusses with management our major financial risk exposures and the steps management has taken to monitor and control such exposures, the Compensation Committee evaluates the risks presented by our compensation programs and analyzes these risks when making compensation decisions, and the Nominating and Governance Committee evaluates whether the composition of the Board of Directors is appropriate to respond to the risks that we face. The roles of these committees are discussed in more detail below.

Although the Board of Directors has delegated certain functions to various committees, each of these committees regularly reports to and solicits input from the full Board regarding its activities. These discussions enable the Board to monitor our risk exposure and evaluate our risk mitigation efforts.

## Standing Committees of the Board of Directors

The Board of Directors has established an Audit Committee, a Compensation Committee, and a Nominating and Governance Committee as standing committees of the Board. Each of these committees is governed by a formal written charter approved by the Board, copies of which are available on our website at [www.charlesandcolvard.com](http://www.charlesandcolvard.com). Each committee is composed solely of independent directors. The following is a brief description of the responsibilities of each of these standing committees and their composition.

### Audit Committee

The Audit Committee, established in October 1997, represents and assists the Board in its general oversight of our company's accounting and financial reporting processes, audits of the financial statements, and internal control and audit functions. The Audit Committee has the authority to, among other things, (i) appoint an independent registered public accounting firm to serve as our external auditor; (ii) review and discuss with such auditor the scope, timing, and results of its audit; (iii) review and discuss with management and the independent registered public accounting firm our internal control over financial reporting and related reports; (iv) review and approve all "related person" transactions, as that term is defined in Item 404 of Regulation S-K; and (v) review our annual financial statements and approve their inclusion in our Annual Report on Form 10-K. The Audit Committee, which held five meetings in 2013, is currently composed of Mr. Sykes (Chairperson), Mr. Barr, Mr. Beasley, and Dr. Lein. Dr. Lein has chosen not to stand for re-election and will no longer serve on the Audit Committee after the Annual Meeting.

The Board of Directors has determined that each of the members of the Audit Committee is an independent director in accordance with applicable NASDAQ listing rules and the additional independence rules for audit committee members promulgated by the Securities and Exchange Commission (the "SEC"). Each member is able to read and understand fundamental financial statements, including our company's balance sheet, income statement, and cash flow statement. The Board of Directors has determined that Mr. Sykes, Mr. Barr, and Dr. Lein are "audit committee financial experts" as defined in Item 407(d)(5) of Regulation S-K promulgated by the SEC.

## Compensation Committee

The Compensation Committee, established in October 1997, carries out the overall responsibility of the Board relating to executive compensation, evaluation, and development. The Compensation Committee has the authority to, among other things, (i) review and approve the corporate goals and objectives with respect to the compensation of our Chief Executive Officer and set the Chief Executive Officer's annual compensation, including salary, bonus, incentive compensation, and equity compensation; (ii) review and approve the evaluation process and compensation structure for our officers and approve their annual compensation, including salary, bonus, incentive compensation, and equity compensation, and any special or supplemental benefits; (iii) review, approve and when appropriate, recommend to the Board for approval, incentive and equity compensation plans, which includes the ability to adopt, amend and terminate such plans; and (iv) evaluate and make recommendations to the Board concerning the compensation for directors, including if applicable, equity-based compensation. Each of the members of the Compensation Committee is an independent director in accordance with NASDAQ listing rules. The Compensation Committee, which held four meetings in 2013, is currently composed of Mr. Beasley (Chairperson), Mr. Barr, Ms. Butler and Mr. Sykes. Mr. Barr will no longer serve on the Compensation Committee as of the Annual Meeting. Although the Compensation Committee may delegate authority to subcommittees to fulfill its responsibilities when appropriate, no such authority was delegated during 2013.

In 2013, the Compensation Committee utilized the 2011-2012 National Association of Corporate Directors ("NACD") Director Compensation Report to review and establish our company's 2013 director compensation. The NACD report served as a market check to ensure that our director compensation was commensurate with director compensation at companies of similar industry and geographic region. In setting 2013 executive compensation, the Compensation Committee received input from the Chief Executive Officer in setting base salaries for executive officers and input from the Chief Executive Officer and Chief Financial Officer regarding a structure and potential payout amounts under the Charles & Colvard, Ltd. Corporate Incentive Plan (the "CIP") for executive officers as well as other company employees. The Compensation Committee also engaged Foster Thomas, Inc. ("Foster Thomas") to provide a comprehensive executive compensation analysis for our named executive officers and recommendations for 2013 performance metrics under the CIP, which the Compensation Committee used in structuring the 2013 compensation program. Foster Thomas also provided the Compensation Committee with guidance on 2013 director compensation. Foster Thomas reports directly to the Compensation Committee.

During 2013, the Compensation Committee engaged Foster Thomas to provide an executive compensation analysis for our named executive officers in order to assist the Compensation Committee in structuring the 2014 compensation program and to provide guidance on future director compensation. Foster Thomas was also engaged to provide recommendations for the design of our company's 2014 incentive plans.

## Nominating and Governance Committee

The Nominating and Governance Committee, established in December 2003, is responsible for, among other things, (i) screening and recommending qualified candidates for election and appointment to the Board; (ii) recommending to the Board from time to time an appropriate organizational structure (including size and composition) for the Board; (iii) monitoring the independence of the Board and ensuring that the requisite number of directors serving on committees of the Board meet applicable independence requirements and assisting the Board in making related determinations; (iv) reviewing from time to time the appropriate qualifications, skills, and characteristics required of directors; (v) developing procedures to receive and evaluate Board nominations received from shareholders and other third parties; (vi) periodically reviewing and reassessing the adequacy of our company's corporate governance; conflicts of interest; and business ethics policies, principles, codes of conduct, and guidelines; and formulating and recommending any proposed changes to the Board; and (vii) conducting an annual review of the effectiveness of the Board and its committees and presenting its assessment to the full Board. Each of the members of the Nominating and Governance Committee is an independent director in accordance with NASDAQ listing rules. The Nominating and Governance Committee, which held five meetings in 2013, is currently composed of Mr. Barr (Chairperson), Dr. Lein,

Ms. Butler, and Mr. Cattermole. Dr. Lein has chosen not to stand for re-election and will no longer serve on the Nominating and Governance Committee after the Annual Meeting.

#### Director Nominations

Our Bylaws contain provisions that address the process by which a shareholder may nominate an individual to stand for election to the Board of Directors at our Annual Meeting of Shareholders. These provisions state that nominations for election as a director must be made in writing and be delivered to or mailed and received at our principal executive office not fewer than 60 days and not more than 90 days prior to the anniversary date of the notice date with respect to the previous year's annual meeting of shareholders. In the case of a special meeting or an annual meeting that is called for a date that is not within 30 days before or 60 days after the anniversary date of the immediately preceding annual meeting, notice must be received no earlier than 90 days prior to such annual meeting or special meeting and no later than 60 days prior to such annual meeting or special meeting, or the close of business on the tenth day following the day on which notice of the meeting was mailed or public disclosure of the date of the meeting was made, whichever occurs first. The Chief Executive Officer will provide the Nominating and Governance Committee with a copy of any such notification received by us from a shareholder purporting to nominate a candidate for election as a director. Any shareholder wishing to submit a nomination for a director of our company should send the nomination to the Chief Executive Officer, Charles & Colvard, Ltd., 300 Perimeter Park Drive, Suite A, Morrisville, North Carolina 27560.

When submitting a nomination to us for consideration by the Nominating and Governance Committee, a shareholder must provide the following minimum information for each director nominee: (i) the name, age, business address, and residence address of such person, (ii) the principal occupation or employment of such person, (iii) the class and number of shares of our company that are beneficially owned by such person, (iv) a description of all arrangements or understandings between the shareholder (or the beneficial owner, if any, on whose behalf such nomination is made) and each nominee and any other person or persons (naming such person or persons) pursuant to which the nominations are to be made by the shareholder, (v) any other information relating to such person that is required to be disclosed in solicitations of proxies for elections, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (the “Exchange Act”) (including, without limitation, such person’s written consent to being named in the proxy statement, if any, as a nominee and to serving as a director if elected), and (vi) such additional information relating to such person as is deemed sufficient by the Board to establish that the person meets all minimum qualification standards or other criteria to serve as a director as may have been established by the Board or applicable law or listing standard. The shareholder also must provide the name and address, as they appear on our company’s books, of the shareholder proposing such business and the beneficial owner, if any, on whose behalf such proposal is made; the class and number of shares of our company that are beneficially owned by the shareholder and the beneficial owner on whose behalf the proposal is made; any material interest, direct or indirect, of the shareholder and such beneficial owner in such business; and a representation that the shareholder is a holder of record of shares of our company entitled to vote at the meeting and intends to appear in person or by proxy at the meeting. Shareholder nominations for a director must be made in a timely manner and otherwise in accordance with our Bylaws and applicable law.

It is the policy of our company and the Nominating and Governance Committee to evaluate suggestions concerning possible candidates for election to the Board submitted to us, including those submitted by Board members, shareholders, and third parties. Criteria used by the Nominating and Governance Committee in its evaluation of all candidates for nomination are set forth in our Corporate Governance Standards and include, but are not limited to (i) judgment, character, expertise, skills, and knowledge useful to the oversight of our business; (ii) diversity of viewpoints, backgrounds, ages, experiences, and other demographics; (iii) business or other relevant experience; and (iv) the extent to which the interplay of the candidate’s expertise, skills, knowledge, and experience with that of other Board members will build a Board that is effective, collegial, and responsive to the needs of our company. After this evaluation process is concluded, the Nominating and Governance Committee recommends nominees to the Board for further consideration and approval.

No fees have been paid to any third party to identify or evaluate or assist in identifying or evaluating potential nominees.

#### Shareholder Communication with the Board

As set forth in our Corporate Governance Standards, it is the policy of our company and the Board to encourage free and open communication between shareholders and the Board. Any shareholder wishing to communicate with the Board should send any communication to the Corporate Secretary, Charles & Colvard, Ltd., 300 Perimeter Park Drive, Suite A, Morrisville, North Carolina 27560. Any such communication must be in writing and must state the number of shares beneficially owned by the shareholder making the communication. Our Corporate Secretary will generally forward such communication to the full Board or to any individual director or directors to whom the communication is directed unless the communication is unduly hostile, threatening, illegal, or similarly inappropriate, in which case the Corporate Secretary has the authority to discard the communication or take appropriate legal action regarding the communication. This process is intended to provide shareholders one means of communicating with directors and is not intended to be exclusive.

#### Corporate Incentive Plan

The CIP is designed to provide incentives for the successful execution of both short- and long-term plans that (i) provide significant revenue growth; (ii) maintain and increase the profitability of our company; and (iii) develop the human, fiscal, and physical capacity to enable us to accelerate and maintain growth into the indefinite future. The CIP covers employees who have been recommended by our Chief Executive Officer and expressly designated as eligible employees under the CIP for a given fiscal year by the Compensation Committee.

The CIP provides for a short-term incentive opportunity payable as a cash award and a long-term incentive opportunity payable as an equity award in the form of restricted stock or stock options issued under the 2008 Stock Incentive Plan (the "2008 Plan"). Each type of award is calculated based on a percentage of each eligible employee's total base salary. Awards are determined based on the achievement of (i) different levels of earnings before interest, taxes, depreciation, and amortization ("EBITDA"), (ii) revenue targets, and (iii) personal objectives, each as set by the Compensation Committee of the Board of Directors. A threshold level of EBITDA as determined by the Compensation Committee must be met before any cash or equity awards are earned under the CIP. In addition, the Compensation Committee may adjust the EBITDA calculation for one-time events, including accounting charges not forecasted, as approved by the Compensation Committee in its sole discretion. For our executive officers, threshold and maximum cash and equity award opportunities will be set annually by the Compensation Committee based on a certain percentage of each executive officer's base salary.

Equity awards under the CIP are calculated by dividing the award amount by the closing price of our common stock on the grant date. Equity awards are subject to a vesting schedule of 25% upon the grant date and 25% over each of the following three years, subject to the eligible employee remaining in service to us as an employee, consultant, or director on each of the vesting dates.

Unless otherwise approved by the Compensation Committee, eligible employees must be employed on the date awards are made in order to receive a payout for an award under the CIP. Awards are to be made as soon as

practicable upon approval by the Board.

No cash or equity awards were earned under the CIP for 2013 performance since the threshold level of EBITDA as determined by the Compensation Committee was not met.

## 2013 Discretionary Stock Awards

Mr. McCullough received a discretionary stock option award to purchase 6,594 shares of our common stock on April 16, 2013 with an exercise price of \$3.81 per share that vests in four equal annual installments beginning on April 16, 2013. The award to Mr. McCullough was granted in recognition of his leadership in the development and growth of our e-commerce and home party direct sales businesses, as well as the growth of our wholesale division. Mr. McCullough's discretionary stock option award is reflected in the Summary Compensation Table above.

### Termination and Change of Control Arrangements

As discussed above in “Agreements Involving Named Executive Officers,” we have entered into agreements with our named executive officers that provide for payments and benefits under specified circumstances to such named executive officers upon termination of employment and/or if we experience a change of control. In addition, the 2008 Plan provides for adjustments to or accelerated vesting of equity awards under specified circumstances, as described below.

14

---

The 2008 Plan provides that, in the event of a change of control of our company (as defined in the 2008 Plan), the Compensation Committee (taking into account any Internal Revenue Code Section 409A considerations) has sole discretion to determine the effect, if any, on an award, including, but not limited to, the vesting, earning, and/or exercisability of an award. The Compensation Committee's discretion includes, but is not limited to, the determination that an award will vest, be earned, or become exercisable in whole or in part (and discretion to determine that exercise of an award must occur, if at all, within time period(s) specified by the Compensation Committee, after which time period(s) the award will, unless the Compensation Committee determines otherwise, terminate), will be assumed or substituted for another award, will be cancelled without the payment of consideration, will be cancelled in exchange for a cash payment or other consideration, and/or that other actions (or no action) will be taken with respect to the award. The Compensation Committee also has discretion to determine that acceleration or any other effect of a change of control on an award will be subject to both the occurrence of a change of control event and termination of employment or service of the participant. Any such determination of the Compensation Committee may be, but is not required to be, stated in an individual award agreement.

#### Cash Compensation and Value of Vesting Equity Table

The following table shows the actual cash compensation and value of vesting equity received for the years ended December 31, 2013 and 2012 by our named executive officers. We believe that this table is important in order to distinguish between the actual cash and vested value received by each named executive officer as opposed to the grant date fair value of equity awards as shown in the Summary Compensation Table.

Name and Principal Position	Year	Realized Salary (\$)	Realized Bonus (\$)	Realized Stock Awards (\$) <sup>(1)</sup>	Realized Option Awards (\$) <sup>(1)</sup>	Non-Equity Incentive		Total (\$)

(1) Reflects the value of restricted stock awards and option awards, respectively, that vested in fiscal 2013 (regardless of when granted). The value of realized stock awards reflects the price of our common stock on each vesting date, and the value of realized option awards reflects the difference between the exercise price of the option awards and the price of our common stock on each vesting date. The realized stock and option award amounts exclude any potential value that may be realized from vesting or any change in our company's stock price after each vesting date (including any future value of "underwater" option awards that may become "in-the-money" after each vesting date).

(2) Reflects short-term incentive awards earned under the CIP as set forth in the Summary Compensation Table.

(3) Reflects all other compensation as set forth in the Summary Compensation Table.

(4) Mr. Macemore was appointed as our Senior Vice President, Chief Financial Officer, and Treasurer effective as of August 5, 2013.

(5) Mr. Larkin resigned from our Board and was appointed as our Chief Operating Officer effective as of May 6, 2013.

(6) Includes \$190,385 received as salary for service as our Chief Operating Officer and \$14,000 cash compensation for Board retainer and meeting fees received in 2013 prior to resigning from the Board.

- (8) Includes \$35,000 of relocation expense reimbursements, \$1,735 of 401(k) employer matching contributions, and \$408 of long-term disability insurance premiums.

#### Developments for 2014 Compensation

On April 17, 2014, the Compensation Committee approved the terms of a short-term incentive plan ("STI Plan") and long-term incentive program ("LTI Program") that will be effective for fiscal 2014 and will replace the CIP.

The STI Plan provides a short-term incentive opportunity payable as a cash award to our eligible employees. Executive officers are eligible for awards under the STI Plan based on threshold, target, and maximum performance levels set by the Compensation Committee, and the actual award amounts, if any, will therefore vary depending on our company's achievement of certain performance goals. Awards are determined based on the achievement of different target levels of EBITDA, revenues and personal objectives as set forth by the Compensation Committee. The Compensation Committee assigns the following weight to each factor for our executive officers: Chief Executive Officer and Chief Financial Officer performance achievement is based 70% on EBITDA, 20% on revenues, and 10% on personal objectives; Chief Operating Officer performance achievement is based 50% on EBITDA, 40% on revenues, and 10% on personal objectives; and President level and below performance achievement is weighted according to recommendations from management. The target award opportunity under the STI Plan for our executive officers will be calculated based on a percentage of each executive officer's total base salary, with the Chief Executive Officer's target bonus equal to 50% of his base salary, the Chief Financial Officer's and the Chief Operating Officer's target bonus equal to 45% of his base salary and the target bonus of officers at the President level and below equal to 40% of such officer's base salary.

There will be no payout under the STI Plan for any performance cycle unless EBITDA is at least equal to a threshold level established by the Compensation Committee for this purpose. Any of our performance levels on the performance measures or the threshold EBITDA target can be adjusted for one-time events, including accounting charges not forecasted, as approved by the Compensation Committee. Under the STI Plan, each performance measure operates independently of the other measure. That is, an award may be paid when the threshold performance level is achieved for a single measure, without regard to results for any other measure. Actual award payouts for our executive officers can vary from 80% of target awards to 150% of target awards for achieving the maximum performance level. For performance below the threshold performance level of 80%, the payout percentage is 0%. The final determination of achievement with respect to the applicable targets and whether to pay in excess of, or below, the performance level achieved, will be made the Committee in its sole discretion.

The LTI Program provides a long-term incentive opportunity through annual equity grants with three-year vesting periods to our executive officers. The target equity compensation under the LTI Program for our executive officers will be calculated based on a percentage of each executive officer's total base salary, with the Chief Executive Officer's target grant equal to 80% of his base salary and the Chief Financial Officer's, Chief Operating Officer's and Presidents' target grants equal to 60% of their base salary. The grants will be 70% in the form of stock options with performance- and time-based elements and 30% in the form of time-based restricted stock grants.

Stock options and restricted stock granted under the LTI Program will vest in three equal annual installments, beginning on the one-year anniversary of the grant date. In addition, the vesting of the stock options will be subject to the achievement of a budgeted level of EBITDA for the year in which they are granted. For eligible employees below the President level, equity grants will only be in the form of stock options that vest in three equal annual installments, beginning on the one-year anniversary of the grant date. Management will recommend the size of the stock option pool for grant to eligible employees below the President level, as well as the individual grants.

The assumptions made in determining these values are set forth in Note 11 to our consolidated financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2013 filed with the SEC on March 27, 2014. As of December 31, 2013, the aggregate number of unvested shares of restricted stock outstanding for each director was as follows: Mr. Barr, 12,853 shares; Mr. Beasley, 12,853 shares; Ms. Butler, 12,853 shares; Mr. Cattermole, 14,138 shares; Dr. Lein, 12,853 shares; and Mr. Sykes, 12,853 shares.

## Director Compensation Policy

For fiscal 2013, our director compensation policy provided that each designated non-management member of the Board would receive (i) an annual retainer of \$18,000, except for the Chairman of the Board, who would receive an annual retainer of \$25,000, to be pro-rated as applicable; (ii) upon appointment to the Board to fill a vacancy, a restricted stock award with a grant date value determined by the Board as appropriate considering the time remaining before re-election; (iii) a restricted stock award upon annual re-election as a director with a grant date value of \$50,000, except for the Chairman of the Board, who would receive a restricted stock award with a grant date value of \$55,000; and (iv) a per meeting fee ranging from \$200 to \$1,000, depending on whether the meeting is in person or telephonic, the duration of the meeting, and whether substantive preparation is required for the meeting, except that the Chairperson of the Audit Committee may receive \$2,000 for certain Audit Committee meetings. Restrictions on restricted stock awards lapse on the date of the next annual meeting of shareholders following the grant date if the director is still serving on the Board on that date. Board and committee fees were capped at \$2,750 per day for each director who served on multiple committees.

On March 24, 2014, after a review of our director compensation with Foster Thomas, our Board adopted a revised director compensation policy, effective as of the Annual Meeting, which provides that each designated non-management member of the Board will receive (i) an annual retainer of \$30,000 to be paid in four quarterly installments in arrears, to be pro-rated as applicable; (ii) upon appointment to the Board to fill a vacancy, a restricted stock award with a grant date value determined by the Board as appropriate considering the time remaining before re-election; and (iii) a restricted stock award upon annual re-election as a director with a grant date value of \$50,000, except for the Chairman of the Board, who will receive a restricted stock award with a grant date value of \$55,000.

Additionally, certain specific members of the Board will receive additional annual retainers, paid in four quarterly installments in arrears, pro-rated as applicable, in the following amounts: (i) the Chairman of the Board will receive \$20,000, (ii) the Chairperson of the Audit Committee will receive \$15,000, (iii) the Chairperson of the Compensation Committee and Nominating and Governance Committee will receive \$7,500, and (iv) Board committee members (excluding the chairperson) will receive \$5,000. Directors will no longer receive a fee for each Board or committee meeting, whether or not such meeting is in person or telephonic. Members of the Board may only receive retainers for serving as a member (including chairperson) of two board committees.

## Consulting Arrangements with Anne M. Butler

On September 28, 2012, we entered into a Consultant Agreement (the “Consultant Agreement”) with Ms. Butler, under which Ms. Butler provides to us consulting services to develop and oversee the process and growth of our Lulu Avenue® home party business. Under the Consultant Agreement, Ms. Butler receives \$1,500 per day for providing such services two days per week for a maximum of eight days per month unless either party notifies the other of the need to increase or decrease such daily allotments that may be required to achieve successful results of set goals. The Consultant Agreement has a term of one year and renews automatically on an annual basis.

Beginning in January 2013, we also provide Ms. Butler with corporate housing to use when she is providing services under the Consultant Agreement. The daily rental rate for such housing is \$110.00 plus tax under a six-month lease. As of July 2013, we no longer provide corporate housing for Ms. Butler.

#### SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors and certain officers and persons who own more than 10% of our outstanding shares of common stock to file with the SEC initial reports of ownership and reports of changes in ownership of our common stock. Such persons are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file. As a practical matter, we assist our directors and officers by completing and filing Section 16(a) reports on their behalf based on information they provide to us. Based solely on a review of the reports that were filed and written representations that such reports accurately reflect all reportable transactions and holdings, we believe that all forms required to be filed by Section 16(a) during 2013 were filed on a timely basis except that (i) Anne M. Butler, a member of our Board of Directors, failed to timely file a Form 4 for 10,000 shares of stock she acquired on February 28, 2013 and (ii) David B. Barr, a member of our Board of Directors, failed to timely file a Form 4 for 12,853 shares of restricted stock he acquired on May 23, 2013.

## PROPOSAL 2

## APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has appointed BDO USA, LLP (“BDO”) as our company’s independent registered public accounting firm for the year ending December 31, 2014, subject to ratification by our shareholders. Although shareholder ratification of the appointment of BDO is not required by law, we desire to solicit such ratification as a matter of good corporate governance. If the appointment of BDO is not approved by a majority of the shares cast at the Annual Meeting, the Audit Committee will consider the appointment of another independent registered public accounting firm for fiscal 2014. BDO has acted as our independent registered public accounting firm since December 2010. Representatives of BDO are expected to be present at the Annual Meeting and will be given the opportunity to make a statement if they desire to do so and will also be available to respond to appropriate questions.

## Principal Accountant Fee Information

For the fiscal years ended December 31, 2012 and 2013, fees billed for services provided by BDO are as follows:

Type of Service	Amount of Fee	
	2012	2013
Audit Fees	\$ 151,000	\$ 151,000
Audit-Related Fees	-	-
Tax Fees	-	16,000
All Other Fees	-	-
Totals	\$ 151,000	\$ 167,000

**Audit Fees.** This category includes fees billed for the fiscal years shown for professional services for the audit of our annual financial statements, review of financial statements included in our quarterly reports on Form 10-Q, and services that are normally provided by the independent auditor in connection with statutory and regulatory filings or engagements for the relevant fiscal years.

**Audit-Related Fees.** This category includes fees billed in the fiscal years shown for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements and are not reported under the category “Audit Fees.” There were no audit-related fees billed to us in 2012 or 2013.

**Tax Fees.** This category includes fees billed in the fiscal years shown for professional services for tax compliance, tax advice, and tax planning. There were no tax fees billed to us in 2012.

**All Other Fees.** This category includes fees billed in the fiscal years shown for products and services provided by the principal accountant that are not reported in any other category. There were no other fees billed to us in 2012 or 2013.

The Board has adopted an Audit Committee Pre-Approval Policy. Pursuant to the Pre-Approval Policy, all new projects (and fees) relating to our independent registered public accounting firm either must be authorized in advance under the general pre-approval guidelines set forth in the Pre-Approval Policy or specifically approved in advance by the full Audit Committee. General pre-approval under the policy is provided for 12 months (unless the Audit Committee specifically provides for a different period), is limited to certain projects listed in the policy, and is subject to meeting a specific budget for each project, which budget is contained in the policy. Any project that falls within the scope of the general pre-approval guidelines but exceeds the budgetary limit up to \$10,000 may be approved by the Chairperson of the Audit Committee or his or her designee, while all other projects must be specifically approved by the full Audit Committee. There were no new projects authorized in 2013.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE PROPOSAL TO RATIFY THE APPOINTMENT OF BDO USA, LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2014.

PROPOSAL 3

ADVISORY (NONBINDING) APPROVAL OF EXECUTIVE COMPENSATION

Our executive compensation program is designed to attract and retain the executive talent essential to the achievement of our strategic and operational goals and the achievement of increased shareholder value. We believe that our compensation policies and procedures reward executive officers for both their performance and our company's performance, and we believe such compensation policies and procedures create interests for our executive officers that are strongly aligned with the long-term interests of our shareholders.

As required by Section 14A of the Exchange Act, we are providing our shareholders with an advisory (nonbinding) vote to approve the compensation of our executive officers. This proposal, commonly known as a "Say-on-Pay" proposal, is designed to give you as a shareholder the opportunity to endorse or not endorse our executive compensation program through the following resolution:

"RESOLVED, that the shareholders approve, on an advisory basis, the compensation of our named executive officers, as disclosed in this proxy statement pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the compensation tables and the related narrative disclosure."

When you cast your vote, we urge you to consider the description of our executive compensation program contained in this proxy statement, including in the compensation tables and narrative disclosure, as well as the following factors:

Compensation decisions for our Chief Executive Officer and other named executive officers are made by a committee of independent directors.

The Compensation Committee engaged Foster Thomas to provide a comprehensive executive compensation analysis for our named executive officers in order to assist the Compensation Committee in structuring the 2014 compensation program.

A substantial portion of our executive officers' compensation is in the form of equity, which aligns our executive officers' interests with those of our shareholders and incentivizes our executive officers to create shareholder value.

The Compensation Committee attempts to set challenging threshold levels of EBITDA under the CIP, as demonstrated by the fact that no cash or equity awards were earned under the CIP for 2013 performance. At the same time, the Compensation Committee recognizes the entrepreneurial stage of two of our businesses and the need to incentivize our executive officers to develop and grow these businesses while maintaining strong performance in our core wholesale division, which the Compensation Committee believed necessitated the discretionary award for our Chief Executive Officer's 2013 performance.

Because your vote is advisory, it will not be binding upon the Board, it will not overrule any decision by the Board, and it will not create or imply any additional fiduciary duties on the Board or any of its members. However, the Compensation Committee will take into account the outcome of the vote when considering future executive compensation arrangements.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE "FOR" THE ADVISORY (NONBINDING) APPROVAL OF EXECUTIVE COMPENSATION.

## OTHER MATTERS

The Board of Directors is not aware of any other matters to come before the Annual Meeting. However, if any other matters properly come before the Annual Meeting, it is the intention of the proxies named on the enclosed proxy card to vote said proxy in accordance with their judgment in such matters.

## SHAREHOLDER PROPOSALS

Under certain conditions, shareholders may request us to include a proposal for action at a forthcoming meeting of our shareholders in the proxy materials for such meeting. All shareholder proposals intended to be presented at our 2015 Annual Meeting of Shareholders must be received by us no later than December 24, 2014 for inclusion in the proxy statement and proxy card relating to such meeting.

In addition, if a shareholder desires to make a proposal from the floor during the meeting, even if such proposal is not to be included in our proxy statement, the Bylaws provide that the shareholder must deliver or mail timely written notice of the proposal to our Corporate Secretary. Notice will be considered timely if it is delivered or mailed to and received at our principal executive office between January 23, 2015 and February 22, 2015, which is not more than 90 calendar days and not fewer than 60 calendar days prior to the one year anniversary of the date of the Notice of Annual Meeting of Shareholders for the immediately preceding annual meeting. In the event that no annual meeting was held in the previous year or the date of the annual meeting has been advanced by more than 30 days or delayed by more than 60 days from the one year anniversary of the previous year's annual meeting of shareholders, notice by a shareholder to be timely must be received no earlier than the 90th day prior to such annual meeting and not later than the 60th day prior to such annual meeting or the close of business on the tenth day following the day on which notice of the meeting was mailed or public disclosure of the date of the meeting was first made, whichever occurs first. To be properly brought before an annual meeting, a shareholder's notice must set forth (in addition to any information required by applicable law) (i) a description of the business desired to be brought before the meeting and the reasons for conducting such business at the meeting; (ii) the name and address, as they appear on our company's books, of the shareholder proposing such business and the beneficial owner, if any, on whose behalf such proposal is made; (iii) the class and number of shares of our company that are beneficially owned by the shareholder and the beneficial owner on whose behalf the proposal is made; (iv) any material interest, direct or indirect, of the shareholder and such beneficial owner in such business; and (v) a representation that the shareholder is a holder of record of shares of our company entitled to vote at the meeting and intends to appear in person or by proxy at the meeting to present the proposal. If written notice is not timely given, the shareholder proposal will be considered untimely and we may exclude the proposal from consideration at the meeting. If the proposal is permitted to be considered at the meeting, the proxies appointed pursuant to the proxy cards will have discretionary authority to vote for or against the proposal even if the proposal was not discussed in the proxy statement.
