PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD MAY 18, 2016

This proxy statement is furnished to shareholders of Genco Shipping & Trading Limited (“Genco” or the “Company”) in connection with the solicitation of proxies, in the accompanying form, by the Board of Directors of Genco (the “Board”) for use in voting at the Annual Meeting of Shareholders (the “Annual Meeting”) to be held at the offices of Kramer Levin Naftalis & Frankel LLP, 1177 Avenue of the Americas, New York, NY, on May 18, 2016 at 10:00 a.m., and at any adjournment or postponement thereof.

This proxy statement, the accompanying form of proxy and the Notice of Internet Availability are first being mailed to shareholders on or about April 28, 2016.

VOTING RIGHTS AND SOLICITATION OF PROXIES

Purpose of the Annual Meeting

The specific proposals to be considered and acted upon at the Annual Meeting are summarized in the accompanying Notice of Annual Meeting of Shareholders. Each proposal is described in more detail in this proxy statement.

Record Date and Outstanding Shares

The Board has fixed the close of business on March 21, 2016 as the record date (the “Record Date”) for the determination of shareholders entitled to notice of, and to vote at, the Annual Meeting. Only shareholders of record at the close of business on that date will be entitled to vote at the Annual Meeting or any and all adjournments or postponements thereof. As of March 21, 2016, Genco had issued and outstanding 73,544,994 shares of common stock. The common stock comprises all of Genco’s issued and outstanding voting stock.

Revocability and Voting of Proxies

Any person signing a proxy in the form accompanying this proxy statement has the power to revoke it prior to the Annual Meeting or at the Annual Meeting prior to the vote pursuant to the proxy. A proxy may be revoked by any of the following methods:

- by writing a letter delivered to John C. Wobensmith, Secretary of Genco, stating that the proxy is revoked;
- by submitting another proxy with a later date; or
- by attending the Annual Meeting and voting in person.

Please note, however, that if a shareholder’s shares are held of record by a broker, bank or other nominee and that shareholder wishes to vote at the Annual Meeting, the shareholder must bring to the Annual Meeting a letter from the broker, bank or other nominee confirming that shareholder’s beneficial ownership of the shares.

All shares represented by valid proxies received and not revoked before they are exercised will be voted in the manner specified in the proxy.

If you are a shareholder of record and you properly sign, date and return a proxy card, but do not indicate how you wish to vote with respect to a particular nominee or proposal, then your shares will be voted “FOR” the election of such nominee and “FOR” the approval of each proposal. If you indicate a choice with respect to any matter to be acted upon when voting via the Internet (or by telephone or on your returned proxy card) and you do not validly revoke it, your shares will be voted in accordance with your instructions. If you do not vote via the Internet or by telephone, or sign, date and return a proxy card, you must attend the annual meeting in person in order to vote.

If you hold your shares through an account with a bank or broker, your shares may be voted by the bank or broker if you do not provide specific voting instructions. Banks and brokers have the authority under New York Stock Exchange (“NYSE”) rules to vote shares for which their customers do not provide voting instructions on routine matters. The proposal to ratify the appointment of our independent auditors is a routine matter that is considered a “discretionary” item under NYSE rules. This means that banks and brokers may vote in their discretion on this matter on behalf of clients who have not furnished voting instructions at least ten days before the date of the annual meeting.

The proposals to elect directors and to amend our second amended and restated articles of incorporation are non-routine matters for which brokers do not have discretionary voting power and for which specific instructions from beneficial owners are required. As a result, brokers are not allowed to vote on any of these proposals on behalf of beneficial owners if such owners do not return specific voting instructions.

Voting at the Annual Meeting

Each share of common stock outstanding on the Record Date will be entitled to one vote on each matter submitted to a vote of the shareholders, including the election of directors. Cumulative voting by shareholders is not permitted.

The presence, in person or by proxy, of the holders of a majority of the votes entitled to be cast by the shareholders entitled to vote at the Annual Meeting is necessary to constitute a quorum. Abstentions and broker “non-votes” are counted as present and entitled to vote for purposes of determining a quorum. A broker “non-vote” occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner.

Proposal	Vote Required	Effect of Abstentions	Effect of Broker “Non-Votes”
1. Election of Directors	Plurality of votes cast	No effect	No effect
2. Appointment of Independent Auditors	Affirmative vote of a majority of the common shares represented and entitled to vote	Same effect as a vote “against”	No effect

For directions to be able to attend the meeting and vote in person, please contact us by sending an e-mail to finance@gencoshipping.com.

Solicitation

We will pay the costs relating to this proxy statement, the proxy and the Annual Meeting. We may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to beneficial owners. Directors, officers and regular employees may also solicit proxies. They will not receive any additional pay for the solicitation.

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting of Shareholders to Be Held May 18, 2016.

Our Proxy Statement and Annual Report to Shareholders are available at www.proxyvote.com.

Your vote is important. Thank you for voting.

Corporate Governance

Governance Materials - All of the Company's corporate governance materials, including the committee charters of the Board and the Company's Corporate Governance Guidelines, are published on the Corporate Governance section of the Company's website under "Investor" at www.gencoshipping.com. These materials are also available in print to any shareholder upon request. The Board regularly reviews corporate governance developments and modifies its committee charters as warranted. Any modifications are reflected on the Company's website.

Director Independence—It is the Genco Board's objective that a majority of the Genco Board consists of independent directors. For a director to be considered independent, the Genco Board must determine that the director does not have any material relationship with Genco. The Genco Board follows the criteria set forth in applicable NYSE listing

standards to determine director independence. The Genco Board will consider all relevant facts and circumstances in making an independence determination.

All members of the Genco Audit, Compensation and Nominating, Corporate Governance, and Conflicts Committees must be independent directors as defined by applicable NYSE listing standards. Members of the Genco Audit Committee must also satisfy a separate SEC independence requirement, which provides that they may not

6

accept directly or indirectly any consulting, advisory or other compensatory fee from Genco or any of its subsidiaries other than their director compensation.

The independent directors of Genco are Eugene I. Davis, James G. Dolphin, Peter Kirchof, Basil G. Mavroleon, and Arthur L. Regan. In determining that Mr. Mavroleon is independent, the Board considered that Mr. Mavroleon is an independent contractor of WeberSeas (Hellas) S.A. ("WeberSeas"), which Genco's subsidiary Baltic Trading engaged as a broker in a potential vessel transaction. The Board deemed Mr. Mavroleon's relationship with WeberSeas not to be material, as Mr. Mavroleon did not receive any payment or other economic benefit from the potential transaction and did not participate in the potential transaction. The Board has determined that each of the members of the Audit, the Compensation and the Nominating, Corporate Governance, and Conflicts Committees, respectively, are independent as defined in the applicable NYSE listing standards.

Code of Ethics—All directors, officers, employees and agents of Genco must act ethically at all times and in accordance with the policies comprising Genco's code of ethics set forth in its Code of Ethics. Under Genco's Code of Ethics, the Genco Board will only grant waivers for a director or an executive officer in limited circumstances and where circumstances would support a waiver. Such waivers may only be made by the Audit Committee.

Genco's Code of Ethics is available on Genco's website at www.gencoshipping.com and is available in print to any shareholder upon request. Genco intends to provide any disclosures regarding the amendment or waiver of its Code of Ethics on its website.

Communicating Concerns to Directors—Shareholders or other interested parties may communicate directly with any individual director, with the Genco Board as a group, with the Chairman or other presiding director for the non-management directors, or with non-management directors as a group pursuant to Section 303A.03 of the NYSE's Listed Company Manual. All of Genco's directors are currently non-management directors. All communications should be in writing and should be addressed to the intended recipient(s), c/o John C. Wobensmith, Secretary, 299 Park Avenue, 12th Floor, New York, New York 10171. Once the communication is received by the Secretary, the Secretary reviews the communication. Communications that comprise advertisements, solicitations for business, requests for employment, requests for contributions or other inappropriate material will not be forwarded to Genco's directors. Other communications are promptly forwarded to the addressee.

Board Meetings and Committees

During fiscal year 2015, there were ten meetings of the Genco Board of Directors. A quorum of Directors was present, either in person or telephonically, for all of the meetings. Actions were also taken during the year by unanimous written consent of Genco's directors. All directors attended at least 75% of the aggregate of the total number of meetings of the Genco Board of Directors and the total number of meetings of all Committees of the Genco Board of Directors on which they served. Genco encourages all directors to attend each annual meeting of shareholders.

Genco's Audit Committee was comprised of Eugene Davis, James G. Dolphin and Michael J. Leffell during fiscal years 2015 and 2016 until the resignation of Mr. Leffell and appointment of Arthur L. Regan to the Audit Committee on February 17, 2016. All of these directors qualify (or qualified) as independent under the listing requirements of the NYSE and are (or were) financially literate. Mr. Davis is also a financial expert as defined under Item 401(h)(2) of Regulation S-K. Please refer to Mr. Davis' biographical information on page 4 for his relevant experience. Through its written charter, Genco's Audit Committee has been delegated the responsibility of reviewing with the independent auditors the plans and results of the audit engagement, reviewing the adequacy, scope and results of the internal accounting controls and procedures, reviewing the degree of independence of the auditors, reviewing the auditor's fees and recommending the engagement of the auditors to the full Board. During fiscal year 2015, Genco's Audit Committee held 11 meetings.

Genco's Compensation Committee was comprised of Ian R. Ashby, Eugene Davis and Michael J. Leffell during fiscal years 2015 and 2016 until the resignation of Messrs. Ashby and Leffell on February 17, 2016. On April 27, 2016, Peter Kirchof and Arthur L. Regan were appointed to the Compensation Committee. All of these directors qualify (or qualified) as independent under the listing requirements of the NYSE, and none of them is (or was) an employee of Genco. Through its written charter, Genco's Compensation Committee administers Genco's equity

7

incentive plans and other corporate benefits programs. Genco's Compensation Committee also considers from time to time matters of compensation philosophy and competitive status, and also reviews, approves, or recommends executive officer bonuses, equity grants and other compensation. Genco's Compensation Committee generally does not delegate its authority, although Genco's officers are responsible for the day-to-day administration of Genco's 2014 Management Incentive Plan and 2015 Equity Incentive Plan. Genco's Compensation Committee's primary processes for establishing and overseeing executive compensation can be found under "Compensation Discussion and Analysis" below. Directors' compensation is established by the Genco Board of Directors upon the recommendation of Genco's Compensation Committee. During fiscal year 2015, Genco's Compensation Committee held two meetings.

Genco's Nominating, Corporate Governance, and Conflicts Committee was comprised of James G. Dolphin, Ian R. Ashby and Michael J. Leffell during fiscal years 2015 and 2016 until the resignation of Messrs. Ashby and Leffell on February 17, 2016. On April 18, 2016, Peter Kirchof and Basil G. Mavroleon were appointed to the Nominating, Corporate Governance, and Conflicts Committee. All of these directors qualify (or qualified) as independent under the listing requirements of the NYSE, and none of them is (or was) an employee of Genco. Through its written charter, the Nominating, Corporate Governance, and Conflicts Committee assists the Board in identifying qualified individuals to become Board members, in determining the composition of the Board and its committees, in monitoring a process to assess Board effectiveness and in developing and implementing Genco's corporate governance guidelines. When a vacancy exists on the Board, or when the Board determines to add an additional director, the Nominating, Corporate Governance, and Conflicts Committee seeks out appropriate candidates from various sources, which may include directors, officers, employees and others. The Committee may use consultants and search firms who may be paid fees for their assistance in identifying and evaluating candidates, but has not done so to date. The Committee does not have a set of minimum, specific qualifications that must be met by a candidate for director and will review the candidate's background, experience and abilities, and the contributions the candidate can be expected to make to the collective functioning of the Board and the needs of the Board at the time. The Committee considers candidates based on materials provided, and will consider whether an interview is appropriate. The Committee will consider shareholder recommendations of director candidates, which should be sent to the attention of the corporate secretary at Genco headquarters, on the same basis. During fiscal year 2015, the Nominating, Corporate Governance, and Conflicts Committee held four meetings.

As noted above, the Nominating, Corporate Governance, and Conflicts Committee considers many factors when determining the eligibility of candidates for nomination to the Board. The Committee does not have a diversity policy; however, in the event of a vacancy, the Committee's goal is to nominate candidates from a broad range of experiences and backgrounds who can contribute to the Board's overall effectiveness in meeting its mission.

Executive Sessions

Under the Corporate Governance Guidelines that Genco adopted to assure free and open discussion and communication among the non-management directors, the non-management directors will seek to meet at least annually and may meet as the non-management directors deem appropriate. In addition, if there are any non-management directors who are not independent directors, the independent directors shall meet in executive session at least once each year. The presiding director at any executive session with the non-management or independent directors will be the Chairman if the Chairman is present and is a non-management or independent director (as applicable) and will otherwise be selected by a majority of the non-management or independent directors (as applicable) present at the meeting. All of Genco's directors are currently non-management directors, and three executive sessions of independent directors were held in fiscal year 2015.

Board Leadership Structure

As noted above, Genco's Board is currently comprised of five independent and three non-independent directors. Genco recognizes that different Board leadership structures may be appropriate for Genco during different periods of time and under different circumstances. Genco believes that its current Board leadership structure is suitable for Genco

because it allows Genco to consider a broad range of opinions in the course of its Board deliberations, including those with knowledge of Genco's day-to-day operations and business strategy, as well as those with an experienced independent viewpoint.

Genco's Board does not have a policy on whether or not the roles of President and Chairman of the Board should be separate and, if they are to be separate, whether the Chairman of the Board should be selected from the

8

non-employee Directors or be an employee. Genco's Board believes that it should have the flexibility to make a determination from time to time in a manner that is in the best interests of Genco and its shareholders at the time of such determination.

Genco's Board has placed the responsibilities of Chairman with a non-employee member of the Board, which Genco believes fosters accountability between Genco's Board and Genco's management team. Genco's Chairman has been closely involved with Genco since its founding. Given his unique knowledge, experience and relationship with the Board, Genco believes his continued service as Chairman provides significant value to Genco and its shareholders, and that it is beneficial for Genco's Chairman to lead its Board members as they provide leadership to its management team. In addition, Genco's Chairman contributes significantly to developing and implementing Genco's strategy; facilitating communication among the directors; developing Board meeting agendas in consultation with management; and presiding at Board and shareholder meetings. This delineation of duties allows the President to focus his attention on managing the day-to-day business of Genco.

Genco's Corporate Governance Guidelines provide the flexibility for Genco's Board to modify or continue Genco's leadership structure in the future, as it deems appropriate.

Risk Oversight

Genco's Board believes that oversight of Genco's risk management efforts is the responsibility of the entire Board. It views risk management as an integral part of Genco's strategic planning process. The subject of risk management is regularly discussed at Board meetings with Genco's President and Chief Financial Officer. Additionally, the charters of certain of the Board's committees assign oversight responsibility for particular areas of risk. For example, Genco's Audit Committee oversees management of risks related to accounting, auditing and financial reporting and maintaining effective internal controls for financial reporting. Genco's Nominating, Corporate Governance, and Conflicts Committee oversees risk associated with Genco's Corporate Governance Guidelines and Code of Ethics, including compliance with listing standards for independent directors, committee assignments and conflicts of interest. Genco's Compensation Committee oversees the risk related to Genco's executive compensation plans and arrangements.

As described above, Mr. Wobensmith serves as an executive officer of Genco. On April 21, 2014, Genco and its subsidiaries other than Baltic Trading and its subsidiaries filed voluntary petitions under Chapter 11 of the United States Bankruptcy Code.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This section describes Genco's compensation program as it relates to its Chairman, Peter C. Georgiopoulos; its President, John C. Wobensmith; its Chief Financial Officer, Apostolos D. Zafolias; and its Chief Accounting Officer, Joseph Adamo, all of whom Genco refers to together as Genco's "named executives." Genco treats Peter C. Georgiopoulos as an executive officer of Genco for securities laws purposes, although he is not currently an employee or a corporate officer and is not paid a salary. Messrs. Zafolias and Adamo assumed the roles of Chief Financial Officer and Chief Accounting Officer, respectively, on December 19, 2014 and were not named executives prior to such time.

Detailed compensation information for each of the named executives is presented in the tables following this discussion in accordance with SEC rules.

How Compensation is Determined

Role of Compensation Committee. Genco's executive compensation program is overseen by Genco's Compensation Committee. During 2015, Genco's Compensation Committee was composed of three non-employee directors, Ian Ashby, Eugene Davis and Michael J. Leffell. The Compensation Committee:

- reviews, designs and recommends to Genco's Board for approval and administers Genco's compensation plans and policies;

- reviews and approves the corporate goals and objectives relevant to the compensation of Genco's executive officers, and evaluates corporate performance and the performance of each of Genco's executives; and

- recommends to Genco's Board the compensation (cash and equity) of Genco's executive officers and selected other executives.

Each year, Genco's Compensation Committee evaluates each named executive to determine if changes in compensation are appropriate. As part of this process, Genco's Compensation Committee reviews tally sheets and other summaries that include the following information, as applicable for each individual:

10

salary, bonus, and other cash compensation;
prior grants of equity-based awards; and
the value of benefits and perquisites.

Role of Compensation Consultant. In March 2015, Genco's Compensation Committee retained Lyons, Benenson & Company Inc. ("LB&Co."), an independent compensation consultant, to assist and advise Genco's Compensation Committee with respect to several aspects of Genco's executive compensation programs and corporate governance. The services that LB&Co. was retained for include:

- Reviewing and advising Genco on its compensation philosophy, strategy and program;
- Analyzing the appropriateness of the compensation comparator group;
- Providing and analyzing competitive market compensation data;
- Analyzing the effectiveness of the existing compensation programs and making recommendations, as appropriate;
- Assisting in the negotiation of executive employment agreements, as applicable;

Providing advice and counsel on best practices in compensation and corporate governance, and keeping the company and Genco's Compensation Committee apprised of trends, developments, legislation and regulations affecting executive and director compensation; and

Conducting a risk assessment of Genco's incentive compensation programs and making recommendations, as appropriate.

Compensation Consultant Independence. As required by rules adopted by the SEC under the Dodd-Frank Wall Street Reform And Consumer Protection Act, Genco's Compensation Committee has considered the relevant factors (including those set forth in Rule 10C-1(b)(4)(i) through (vi) under the Securities Exchange Act of 1934, as amended (the "Exchange Act")) and has determined that LB&Co. is independent and has no conflicts of interest.

Role of Management. The Compensation Committee consults with Genco's senior executives regarding their views on their compensation and the compensation of those who report to them directly or indirectly. However, Genco's Compensation Committee makes the final recommendation to Genco's Board with respect to each executive's compensation. None of Genco's named executives determines his own compensation.

Competitive Marketplace Assessment. In order to assess the competitiveness of Genco's executive compensation, Genco's Compensation Committee reviews the compensation arrangements of executives at certain other publicly-traded drybulk and other shipping companies for which executive compensation information is publicly available. The comparator group that Genco's Compensation Committee uses comprises 18 such companies, listed below. The Compensation Committee believes the compensation information from the comparator group can be helpful, but recognizes that benchmarking data is not always definitive and can be subject to significant change from one year to the next. The Compensation Committee uses this information as a general frame of reference only and does not target Genco's executive compensation to a specific percentile, instead using company and individual performance as the primary drivers of compensation levels; Genco's Compensation Committee did not use the comparator group in making its compensation decisions with respect to the annual bonus for 2015. The Compensation Committee, assisted by LB&Co., has reviewed the compensation comparator group annually.

Genco's Compensation Philosophy

Genco's executive compensation program is designed to attract, motivate and retain a talented team of executives who will enable Genco to compete successfully with other drybulk shipping companies. Genco seeks to accomplish this goal in a way that aligns Genco's executives' interests with those of its shareholders and encourages and rewards Genco's executives for achievement of Genco's annual and longer-term performance objectives.

Historically, in light of the cyclical nature of the shipping industry and the volatile and unpredictable markets in which Genco operates, Genco has not established specific performance targets for incentive compensation to Genco's named executives, and compensation levels generally have not been determined through a benchmarking process. Instead, the compensation of Genco's senior executives has been generally determined or recommended by Genco's Compensation Committee, in its discretion, following a review of Genco's performance and individual contributions to the prior year's performance. In taking this approach, Genco's Compensation Committee has historically sought to calibrate performance-based incentive compensation paid to retroactive performance assessments and potentially variable market conditions. The amount of compensation for each named executive has historically been determined retroactively, based on Genco's Compensation Committee's assessment of Genco's performance, each named executive's individual performance and contributions to improving shareholder value, and his or her level of responsibility and management experience. The factors affecting these compensation decisions for the named executives included:

- key financial and statistical measurements;

- the design and implementation of a finance strategy for Genco, including obtaining or renegotiating financing on favorable terms in a difficult market environment;

- strategic objectives such as acquisitions, dispositions or joint ventures, including Genco's ability to acquire and dispose of individual vessels on favorable terms; and

- the achievement of operational goals for Genco or a particular area of responsibility for the named executive, such as operations or chartering.

Compensation Objectives

Genco's compensation program is rooted in the principles inherent in "pay for performance" In particular, Genco has designed its compensation program to:

- attract, motivate, retain and reward those executives and managers who have the necessary experience and subject-matter expertise to deliver sustained improvements in shareholder value;

- compensate each executive and manager competitively based upon the scope and impact of his or her position as it relates to the success of Genco and on the potential of each employee to assume increasing responsibility within Genco; and

-

align the interests of Genco's executives with those of Genco's shareholders through the use of performance-based short- and long-term incentive awards tied to the achievement of corporate goals and objectives.

12

Elements Of Compensation

The compensation program for the named executives consists of three main elements:

Fixed compensation comprised of base salaries or, in the case of Mr. Georgiopoulos, fees for his services;

Short-term (annual) incentives payable in cash on the basis of annual achievement; and

Long-term (equity) incentives.

The named executives (other than Mr. Georgiopoulos) are also eligible to participate in Genco's health and other broad-based programs on the same basis as other U.S. employees and are eligible for paid time off and paid holidays.

Fixed Compensation

Base Salary and Chairman's Fee. Base salaries (or, in the case of Mr. Georgiopoulos, fees for his services) for the named executives are determined as follows:

the breadth, scope and complexity of the functions performed by each named executive;

individual performance, skills, and experience;

the competitive labor market for the position; and

internal equity considerations.

Base salaries and, in the case of Mr. Georgiopoulos, fees, are reviewed annually, and may be adjusted to reflect:

merit increases in instances where individual performance, skills, and experience warrant such an adjustment;

promotions or significant changes in the scope of the position; or

market adjustments to reflect the competitive labor market for the position.

Variable Incentive Compensation

In support of Genco's commitment to align compensation with demonstrated performance, a significant portion of the compensation paid to its named executives is incentive-based. Genco's incentive compensation program has been designed to recognize scope of responsibilities, reward demonstrated performance and leadership, motivate future performance, align the interests of the executive with Genco's shareholders and retain the executives through the term of the equity awards, which has historically been for three to four years. Historically, Genco's Compensation Committee has made incentive compensation decisions based upon considerations of Genco's financial results, the state of its operations and its strategic accomplishments during the year, and the accomplishments and contributions of its named executives at the end of Genco's fiscal year. Following this assessment, variable incentive compensation, in the forms of cash and restricted stock, has been awarded to Genco's named executives.

Cash Incentive Awards. Genco's Chairman and President make recommendations for all eligible participants, other than themselves, at the end of each fiscal year. The Compensation Committee then considers the recommended amounts and either modifies or recommends them to the full Board for approval.

Restricted Stock Awards. Genco does not have a specific policy governing the timing of restricted stock grants but has generally made one grant per year at the end of the calendar year. The Compensation Committee considers the grant size and form of award when making award decisions.

For 2015, Messrs. Georgiopoulos and Wobensmith each received grants of restricted stock awards. Restrictions on the shares awarded will lapse ratably in one-third increments on the first three anniversaries of November 15, 2015. The restrictions applicable to the shares granted to these named executives will also lapse in full upon a change of control. These grants were made in order to align the interests of the named executives with Genco's shareholders to incentivize the named executives in future value creation.

Historically, during the restricted period, unless otherwise determined by Genco's Compensation Committee, each restricted stock grant has entitled the named executive to receive payments for any dividends declared and paid on Genco's common stock. As the executives share commensurately with other shareholders in receiving dividends, they likewise share in the recognition of the current income generation and future change in stock price. However, if any such restricted shares do not vest, the holders of the non-vesting shares must repay any dividends that were paid to them on the non-vesting shares unless Genco's Board or Genco's Compensation Committee determines otherwise.

Other Elements

Benefits. Genco's named executives (other than Mr. Georgiopoulos) are eligible under the same plans as all other U.S. employees for medical, dental, vision, and disability insurance and are eligible for paid time off and paid holidays. Additionally, Genco matches the 401(k) contributions of Messrs. Wobensmith, Zafolias, and Adamo up to the maximum allowed per year, which was \$18,603 in 2015, and Genco pays premiums on life insurance and long-term disability insurance for Mr. Wobensmith. Genco believes these benefits are reasonable, competitive and consistent with Genco's overall executive compensation program.

2015 Equity Incentive Plan

Genco has adopted a 2015 Equity Incentive Plan that provides for equity awards with respect to shares of Genco's common stock in the form of non-qualified stock options, stock appreciation rights, dividend equivalent rights, restricted stock, restricted stock units, or unrestricted stock. Awards are available to officers, directors, and executive, managerial, administrative and professional employees of and consultants to Genco or any subsidiary or joint venture of Genco. The other terms and conditions of its 2015 Equity Incentive Plan are substantially similar to those of its 2012 Equity Incentive Plan and 2005 Equity Incentive Plan under which Genco historically made previous equity awards.

Compensation for Genco's Named Executives for 2015

The specific compensation decisions made for each of the named executives for 2015 reflect the achievement of operational, technical, and commercial successes. Genco's Compensation Committee reviewed all aspects of Genco's 2015 performance and determined that each of its named executives provided leadership and managerial expertise that enabled Genco to navigate the very difficult and challenging drybulk shipping industry. The Compensation Committee assessed performance relative to expectations, consulted with other Board members, and determined that the cash and equity awards described below were appropriate.

Peter C. Georgiopoulos. Genco's Compensation Committee believes that Mr. Georgiopoulos' experience, expertise, and strategic leadership were, and will continue to be, particularly valuable to Genco as it navigates the difficult drybulk shipping market. In determining compensation for Genco's Chairman, Genco's Compensation Committee considers Mr. Georgiopoulos' annual director compensation for his service on Genco's Board. With respect to fiscal year 2015, Mr. Georgiopoulos received no salary from Genco but received a Chairman's fee for his services of \$500,000. The Compensation Committee took into account Mr. Georgiopoulos' efforts and extensive relationships

with shipping industry lenders that enabled Genco to obtain bank consents necessary to consummating the business combination between Genco and Baltic Trading and to enter into its credit facility with certain funds managed or advised by Hayfin Capital Management, Breakwater Capital Ltd, or their nominee, as lenders (the “\$98 Million Credit Facility”). Given Mr. Georgiopoulos’ role as the strategic leader of the Company, the Compensation

Committee deemed it appropriate for the majority of his incentive compensation to be comprised of restricted stock in order to continue to align his interests and objectives with those of Genco's shareholders. In recognition of his efforts and accomplishments, Genco's Compensation Committee recommended, and Genco's Board approved, a discretionary bonus to Mr. Georgiopoulos of \$100,000 and a restricted stock grant of 408,163 shares of common stock, representing a grant having a value of \$200,000 divided by the closing price of Genco's stock reported on the NYSE on February 10, 2016, of \$0.49, with fractional shares rounded down.

John C. Wobensmith. For fiscal year 2015, Mr. Wobensmith's annual base salary was \$600,000. The Compensation Committee took into account Mr. Wobensmith's relationships with lenders in the shipping industry and his efforts to obtain bank consents necessary to consummate the business combination between Genco and Baltic Trading and otherwise carry out the business combination as approved by Genco's Board and its Baltic Transaction Committee; to integrate the businesses of the two companies following the business combination; and to enable Genco to enter into the \$98 Million Credit Facility. The Compensation Committee also considered Mr. Wobensmith's efforts to reduce Genco's operating expenses and general and administrative expenses. Given Mr. Wobensmith's leadership and strategic role as Genco's President, the Compensation Committee deemed it appropriate for a significant portion of his incentive compensation to be comprised of restricted stock in order to continue to align his interests and objectives with those of Genco's shareholders. In recognition of his efforts and accomplishments, Genco's Compensation Committee recommended, and Genco's Board approved, a discretionary bonus to Mr. Wobensmith of \$200,000 and a restricted stock grant of 204,081 shares of common stock, representing a grant having a value of \$200,000 divided by the closing price of Genco's stock reported on the NYSE on February 10, 2016, of \$0.49, with fractional shares rounded down.

Apostolos D. Zafolias. For fiscal year 2015, Mr. Zafolias' annual base salary was \$280,000. The Compensation Committee took into account Mr. Zafolias' efforts to carry out the business combination between Genco and Baltic Trading and integrate the businesses of the two companies; to obtain bank consents necessary to consummate the business combination; and to enable Genco to enter into the \$98 Million Credit Facility; as well as management's recommendations for his compensation. Genco's Compensation Committee therefore recommended, and Genco's Board approved, a cash bonus award of \$91,000 for his performance in 2015.

Joseph Adamo. As for fiscal year 2015, Mr. Adamo's annual base salary was \$280,000. The Compensation Committee took into account Mr. Adamo's efforts to carry out the business combination between Genco and Baltic Trading and integrate the businesses of the two companies as well as management's recommendations for his compensation. Genco's Compensation Committee therefore recommended, and Genco's Board approved, a cash bonus award of \$75,000 for his performance in 2015.

Severance Benefits

Employment Agreements. Genco entered into an employment agreement with John C. Wobensmith, its President, on September 21, 2007, as amended on March 26, 2014 and June 23, 2014 (the "Genco Employment Agreement"). The Genco Employment Agreement provides for a base salary of \$300,000 during the term, which may be increased but not decreased. The Genco Employment Agreement also confirms Mr. Wobensmith's eligibility to receive cash bonuses and awards under any successor plan to Genco's 2005 Equity Incentive Plan in amounts that Genco's Compensation Committee may determine. The general terms of the Genco Employment Agreement are described in greater detail under the heading "Executive Employment Agreement" on page 19. The Genco Employment Agreement provides for payments upon termination of his employment under certain conditions, which are described under the heading "Potential Payments upon Termination or Change-in-Control—Executive Employment Agreement" on page 20.

Genco entered into the Genco Employment Agreement with Mr. Wobensmith to retain him, particularly in the event of an actual or rumored change in control. The provisions under the Genco Employment Agreement relating to a change in control serve to align his interests with those of Genco's shareholders by enabling Mr. Wobensmith to consider corporate transactions that are in the best interests of Genco's shareholders and its other constituents without

undue concern over whether the transactions may jeopardize his employment. The change of control payments under the Genco Employment Agreement are subject to a “double trigger,” meaning that the payments are not awarded upon a change of control unless he terminates his employment for good reason or his employment is terminated without cause (other than for death or disability) within two years of a change of control. The vesting of Mr. Wobensmith’s restricted stock, as with all restricted stock granted to directors, officers, and other employees to date, remains subject

to a “single trigger” and thus vests immediately upon a change of control. Genco believes this structure strikes a balance between providing appropriate performance incentives and its executive retention goals.

On April 30, 2015, Genco entered into a letter agreement with Mr. Wobensmith which clarified that the Chapter 11 cases of Genco and certain of its subsidiaries did not trigger a change in control under any of his agreements with Genco, awarded him a bonus of \$807,500 for 2014, increased his base salary to \$600,000, effective as of December 15, 2014, and clarified the calculation of his “double trigger” severance amount as further described below under “Potential Payments upon Termination or Change-in-Control—Executive Employment Agreement”.

Tax and Accounting Implications

Deductibility of Executive Compensation

Section 162(m) of the Code limits the deductibility of compensation to certain employees in excess of \$1 million. So long as Genco qualifies for the Section 883 exemption, it is not subject to United States federal income tax on its shipping income (which comprised substantially all of its gross revenue in 2014). If Genco does not qualify for the Section 883 exemption, its shipping income derived from U.S. sources, or 50% of its gross shipping income attributable to transportation beginning or ending in the United States, would be subject to a 4% tax imposed without allowance for deductions. Further discussion of this exemption is provided the Company’s Annual Report on Form 10-K for the Fiscal Year ended December 31, 2015, under the heading “Risk Factors—Risk Factors Related to Genco’s Business and Operations—Company Specific Risk Factors—Genco may have to pay U.S. tax on U.S. source shipping income. . .” Commencing in 2010, Genco became subject to United States federal income tax on certain non-shipping income derived from its Management Agreement with Baltic Trading and its agency agreement with Maritime Equity Partners LLC. However, Genco views the amount of compensation that would currently be subject to Section 162(m) not to be material. For these reasons, historically, Genco has not sought to structure its cash bonus plan or grants under its equity incentive plans to qualify for exemption under Section 162(m). Genco’s Compensation Committee intends to consider the impact of Section 162(m) in the future based on the amount of executive income and other factors while maintaining discretion and flexibility in awarding compensation.

Accounting for Stock-Based Compensation

Genco follows Accounting Standards Codification Topic 718, Stock Compensation, in accounting for non-vested stock issued under its 2014 Management Incentive Plan and 2015 Equity Incentive Plan.

Risk Assessment

Genco’s Compensation Committee is primarily responsible for overseeing the review and assessment of risks arising from Genco’s compensation policies and practices. Genco uses a number of approaches to mitigate excessive risk-taking, including significant weighting towards long-term incentive compensation and emphasizing qualitative goals in addition to quantitative metrics. Based on its review of Genco’s compensation policies and practices, Genco’s Compensation Committee determined that the risks arising from Genco’s compensation policies and practices for Genco’s employees are not reasonably likely to have a material adverse effect on Genco.

Compensation Committee Interlocks and Insider Participation

No interlocking relationship exists between any of Genco’s executive officers or members of Genco’s Board or Compensation Committee and any other company’s executive officers, Board of Directors or Compensation Committee.

Compensation Committee Report

The Compensation Committee of Genco's Board has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions,

16

Genco's Compensation Committee recommended to Genco's Board that the Compensation Discussion and Analysis be included in this proxy statement.

Eugene Davis

The Compensation Committee Report does not constitute soliciting material, and shall not be deemed to be filed or incorporated by reference into any other Company filing under the Securities Act, or the Exchange Act, except to the extent that Genco specifically incorporates the Compensation Committee Report by reference therein.

Executive Employment Agreement

Genco entered into the Genco Employment Agreement with John C. Wobensmith, Genco's President, on September 21, 2007, as amended on March 26, 2014, June 23, 2014 and April 30, 2015, with an initial two year term and an automatic renewal for additional one year terms, unless either party terminates the Genco Employment Agreement on at least 90 days' notice. The Genco Employment Agreement provides for a base salary per annum of \$300,000, increased to \$600,000 as of December 15, 2014, as well as discretionary bonuses as determined by Genco's Compensation Committee in its sole discretion. Mr. Wobensmith will also be eligible to receive restricted stock and other equity grants from time to time pursuant to Genco's 2012 Equity Incentive Plan or any successor employee stock incentive, warrant or option plan. Genco will pay for life insurance and long-term disability insurance for Mr. Wobensmith pursuant to the Genco Employment Agreement at a cost of no more than \$20,000 per annum.

Under the Genco Employment Agreement, Mr. Wobensmith has agreed to protect Genco's confidential information for three years after termination, and not to solicit Genco's employees for other employment for two years after termination. He has also agreed not to engage in certain defined competitive activities described in the Genco Employment Agreement for two years after the termination of his employment with Genco. Certain provisions regarding competitive activities will not apply following a change of control or in the event of termination of Mr. Wobensmith by Genco without cause or by Mr. Wobensmith for good reason. For purposes of the Genco Employment Agreement, change of control is defined generally as the acquisition of beneficial ownership of 30% or more of the voting power of the Genco within a 12-month period or of more than 50% of such aggregate voting power or the value of Genco's capital stock by any person or group other than Peter C. Georgiopoulos; the sale of all or substantially all of Genco's assets within a 12-month period; any merger or similar transaction in which holders of Genco's voting stock immediately prior to such transaction do not hold at least 50% of the voting stock of the surviving entity; or a majority of the members of Genco's Board being replaced during any 12-month period by directors whose appointment or election is not endorsed by a majority of Genco's Board before the date of such appointment or election. The transactions of the Chapter 11 Cases do not constitute a change of control under the Genco Employment Agreement.

In the event of termination of Mr. Wobensmith's employment at Genco due to his death or disability, Genco will pay him, or his estate, a pro rata bonus for the year of termination and one year's salary and, in the case of disability, provide medical coverage for him and his eligible dependents for a period of one year.

If Mr. Wobensmith is terminated without cause or resigns for good reason, Genco will pay him a pro rata bonus for the year of termination, plus a lump sum equal to double the average of his prior three years' annual incentive awards, plus double his annualized base salary, and provide medical, dental, long-term disability, and life

insurance benefit plan coverage for him and his eligible dependents for a period of two years. If a termination without cause or resignation for good reason occurs within two years of a change in control, the amounts that are doubled above become tripled, and the coverage period of two years becomes three years. Mr. Wobensmith's annual incentive award for a given year is his cash bonus earned for that year and, if a termination without cause or resignation for good reason occurs within two years of a change in control, the grant date value of any equity awards granted for such year. Under the Genco Employment Agreement, the grant date value of any equity awards is deemed to be \$1,500,000 for each of the years 2014, 2015, and 2016.

If a payment to Mr. Wobensmith under the Genco Employment Agreement or otherwise after a change in control of causes him to owe excise tax under Section 4999 of the Code, Genco will fund the amount of this tax on a fully "grossed-up" basis, intended to ensure that after payment of the excise tax and any related taxes and penalties, Mr. Wobensmith retains the full amount of the payment that gave rise to the excise tax liability.

Baltic Trading had also entered into a letter agreement (the "Baltic Trading Employment Agreement," with Mr. Wobensmith, who served as Baltic Trading's President, Chief Financial Officer, Principal Accounting Officer, Secretary and Treasurer prior to its merger with Genco on July 17, 2015. Mr. Wobensmith agreed to waive all rights under the Baltic Trading Employment Agreement and terminate such agreement effective immediately prior to the closing of the merger.

Potential Payments upon Termination or Change-in-Control

Executive Employment Agreement

The Genco Employment Agreement calls for Mr. Wobensmith to receive payments under certain circumstances following a termination of his employment. If Mr. Wobensmith is terminated without cause or resigns for good reason, Genco will pay him a pro rata bonus for the year of termination, plus a lump sum equal to double the average of his prior three years' annual incentive awards, plus double his annualized base salary, and provide medical, dental, long-term disability, and life insurance benefit plan coverage for him and his eligible dependents for a period of two years. If a termination without cause or resignation for good reason occurs within two years of a change in control, the amounts that are doubled above become tripled, and the coverage period of two years becomes three years. Mr. Wobensmith's annual incentive award for a given year is his cash bonus earned for that year and, if a termination without cause or resignation for good reason occurs within two years of a change in control, the grant date value of any equity awards granted for such year. Under the Genco Employment Agreement, the grant date value of any equity awards is deemed to be \$1,500,000 for each of the years 2014, 2015, and 2016.

If a payment to Mr. Wobensmith under the Genco Employment Agreement or otherwise after a change of control of Genco causes him to owe excise tax under Section 4999 of the Code, Genco will fund the amount of this tax on such that after payment of the excise tax and any related taxes and penalties, Mr. Wobensmith retains the full amount of the payment that gave rise to the excise tax liability.

In the event of termination of Mr. Wobensmith's employment due to his death or disability, Genco will pay him, or his estate, a pro rata bonus for the year of termination and one year's salary and, in the case of disability, to provide medical coverage for him and his eligible dependents for a period of one year.

The table below sets forth the payments and other benefits that would be provided to Mr. Wobensmith upon termination of his employment by Genco without cause or by him for good reason under the following sets of circumstances as described more fully above: change of control, no change of control, and death or disability. In each set of circumstances, Genco has assumed a termination as of the end of the day on December 31, 2015 and used the closing market price of Genco's common stock on December 31, 2015 of \$1.49 per share for purposes of the calculations for the table below:

	Termination by Executive for Good Reason or by Company without Cause		Death or Disability
	Change of Control(1)	No Change of Control	
Cash Severance Payment	\$ 16,091,470	\$ 3,707,500	\$ 600,000
Estimated Present Value of Continued Benefits Following Termination(2)	\$ 179,298	\$ 110,236	\$ 55,416

(1) Includes the funding of the excise tax under Section 280G of the Code as described above on severance payments made and on the value of restricted stock subject to accelerated vesting. See the sections captioned “Potential Payments upon Termination or Change-in-Control—Executive Employment Agreement” above and “—Accelerated Vesting of Restricted Stock” below.

(2) Mr. Wobensmith and his dependents are entitled to medical, dental and certain other insurance coverage substantially identical to the coverage in place prior to termination. This benefit period is two years if Genco terminates Mr. Wobensmith’s employment without cause or if he terminates his employment at Genco or Baltic Trading, as applicable, with good reason, three years if such a termination occurs within two years following a change in control, or twelve months in the event of his death or disability. The amounts presented for termination for good reason or without cause assume a discount rate of 6% per annum and annual cost increases of 5% for health insurance. The amounts presented for death or disability assume circumstances which would provide the maximum benefit (i.e., disability of the executive).

Accelerated Vesting of Restricted Stock

Under the terms of Mr. Wobensmith’s restricted stock grant agreements with Genco, all shares of restricted stock vest in full automatically upon the occurrence of a change of control (as defined under Genco’s equity incentive plans). In addition, if Mr. Wobensmith’s service is terminated by Genco without cause (as defined in Genco’s equity incentive plans) or by Mr. Wobensmith for good reason (as defined in the Genco Employment Agreement), all shares of restricted stock vest in full. Also, if Mr. Wobensmith’s service is terminated by Genco by reason of his death or disability (as defined under Genco’s equity incentive plans), the restrictions lapse as to a pro rata percentage of the shares, calculated monthly, that would otherwise vest at the next anniversary of the grant date. For purposes of these agreements, “service” means a continuous time period during which Mr. Wobensmith is at least one of the following: an employee or a director of, or a consultant to, Genco. In addition, under the terms of Mr. Wobensmith’s stock grant agreements, if a payment, benefit, or distribution after a change in control of Genco causes him to owe excise tax under Section 4999 of the Code, Genco will fund the amount of this tax such that after payment of the excise tax and any related taxes and penalties, Mr. Wobensmith retains the full amount of the payment, benefit or distribution that gave rise to the excise tax liability.

Under the terms of the restricted stock grant agreements between Genco and Mr. Georgiopoulos, all shares of restricted stock vest in full immediately upon the occurrence of a change of control (as defined under Genco’s equity incentive plans) or the termination of Mr. Georgiopoulos’ “service” (as defined in the applicable award agreements) as a director, employee or consultant unless Mr. Georgiopoulos voluntarily terminates his service or he is removed as a director for cause in accordance with Genco’s amended and restated bylaws. In addition, under the terms of such other restricted stock grant agreements, if a payment, benefit, or distribution after a change in control causes him to owe excise tax under Section 4999 of the Code, Genco will fund the amount of this tax such that after payment of the excise tax and any related taxes and penalties, Mr. Georgiopoulos retains the full amount of the payment, benefit or distribution that gave rise to the excise tax liability.

Under the terms of Mr. Zafolias’ and Mr. Adamo’s restricted stock grant agreements with Genco, all shares of restricted stock vest in full automatically upon the occurrence of a change of control (as defined under the incentive plans).

Also, if Mr. Zafolias' or Mr. Adamo's service is terminated by Genco by reason of his death or disability (each as defined under Genco's equity incentive plans), the restrictions lapse as to a pro rata percentage of the shares, calculated monthly, that would otherwise vest at the next anniversary of the grant date.

Edgar Filing: GENCO SHIPPING & TRADING LTD - Form DEF 14A

The table below sets forth the vesting of restricted stock that the named executives would receive under the following sets of circumstances: change of control, termination without cause, and death or disability. In each set of circumstances, Genco has assumed a triggering event as of the end of the day on December 31, 2015 and used the closing market price of Genco's common stock on December 31, 2015 of \$1.49 per share for purposes of the calculations for the table below:

Name	Value of Restricted Stock Subject to Accelerated Vesting (\$)		
	Change of Control	Termination without Cause	Death or Disability
John C. Wobensmith	\$ 220,639	\$ 220,639	\$ 36,773
Apostolos D. Zafolias	\$ 18,864	—	\$ 3,144
Joseph Adamo	\$ 5,726	—	\$ 954
Peter C. Georgiopoulos	\$ 827,397	\$ 827,397	\$ 827,397

Accelerated Exercisability of Warrants

Under the terms of Mr. Wobensmith's warrants awarded under the 2014 Management Incentive Plan, the warrants become exercisable in full for the full warrant term automatically upon the occurrence of a change of control (as defined under the 2014 Management Incentive Plan). In addition, if Mr. Wobensmith's service is terminated by Genco without cause (as defined in the 2014 Management Incentive Plan) or Mr. Wobensmith terminates his service for good reason (as defined the Genco Employment Agreement), the warrants likewise become exercisable in full for the full warrant term. Also, if Mr. Wobensmith's service is terminated by Genco by reason of his death or disability (as defined in the warrants), the warrants become exercisable as to a pro rata percentage of the warrants, calculated monthly, that would otherwise become exercisable at the next anniversary of the award date for a period of one year after termination. For purposes of the warrants, "service" means a continuous time period during which Mr. Wobensmith is at least one of the following: an employee or a director of, or a consultant to, Genco. In addition, under the terms of Mr. Wobensmith's warrants, if a payment, benefit, or distribution after a change in control of Genco causes him to owe excise tax under Section 4999 of the Code, Genco will fund the amount of this tax such that after payment of the excise tax and any related taxes and penalties, Mr. Wobensmith retains the full amount of the payment, benefit or distribution that gave rise to the excise tax liability.

Under the terms of Mr. Georgiopoulos' warrants awarded under the 2014 Management Incentive Plan, all warrants become exercisable in full for the full warrant term automatically upon the occurrence of a change of control (as defined under the 2014 Management Incentive Plan) or the termination of Mr. Georgiopoulos' service as a director, employee or consultant unless Mr. Georgiopoulos voluntarily terminates his service or he is removed as a director for cause in accordance with Genco's Amended and Restated By-Laws. In addition, under the terms of the warrants, if a payment, benefit, or distribution after a change in control causes him to owe excise tax under Section 4999 of the Internal Revenue Code, we will fund the amount of this tax such that after payment of the excise tax and any related taxes and penalties, Mr. Georgiopoulos retains the full amount of the payment, benefit or distribution that gave rise to the excise tax liability.

Under the terms of Mr. Zafolias' and Mr. Adamo's warrants awarded under the 2014 Management Incentive Plan, the warrants become exercisable in full for the full warrant term automatically upon the occurrence of a change of control (as defined under the 2014 Management Incentive Plan). Also, if Mr. Zafolias' or Mr. Adamo's service is terminated by Genco by reason of his death or disability (as defined under the 2014 Management Incentive Plan), the warrants become exercisable as to a pro rata percentage of the warrants, calculated monthly, that would otherwise become exercisable at the next anniversary of the award date for a period of one year after termination.

The closing market price of Genco's common stock on December 31, 2015 of \$1.49 per share was lower than the strike price of all of the warrants. Accordingly, any accelerated exercisability of the warrants as of such date would not have resulted in any value to the holders of the warrants.

Director Compensation

For fiscal year 2015, each director of Genco other than Messrs. Georgiopoulos, Mr. Truong, Mr. Manuel, and Mr. Mahony received an annual fee of \$65,000, a fee of \$20,000 for an Audit Committee Chair assignment, \$10,000 for an Audit Committee member assignment, \$15,000 for a Compensation Committee Chair assignment, \$7,500 for a Compensation Committee member assignment, \$12,000 for a Nominating, Corporate Governance and Conflicts Committee Chair assignment, and \$6,000 for a Nominating, Corporate Governance and Conflicts Committee member assignment, each of which was prorated for length of service in 2015. As described above, Mr. Georgiopoulos received a Chairman's fee for his services of \$500,000 for 2015. Two of Genco's directors, Peter C. Georgiopoulos and Basil G. Mavroleon, were formerly directors of Baltic Trading; cash fees paid for service on the Baltic Trading Board were the same as those paid to directors for service on Genco's Board prior to its emergence from bankruptcy and were prorated for length of service in 2015. In addition, in lieu of a restricted stock grant for 2015, directors of Baltic Trading received a cash award equal to a prorated portion of \$45,000, the grant date value of the directors' 2014 restricted stock grant. The \$45,000 amount was prorated for the portion of the year the directors remained in office beginning April 9, 2015 (the anniversary of Baltic Trading's 2014 Annual Meeting of Shareholders) through July 17, 2015 (the date of the merger with Genco).

On July 13, 2015, Ian Ashby, Eugene I. Davis, James G. Dolphin, and Michael J. Leffell, as members of the Board, were each granted restricted stock units, or RSUs, with respect to 4,047 shares of Genco's common stock in respect of their board service that commenced on July 9, 2014. Such amount represents a grant having a dollar value of \$85,000 with an assumed value per share of \$21 the closing price at which Genco's stock was first quoted on the OTCBB on July 15, 2014 following Genco's restructuring, with fractional shares rounded down. Such RSUs vested on the date of the 2015 Genco Annual Meeting of Shareholders. For fiscal year 2015, on July 29, 2015, Messrs. Ashby, Davis, Dolphin, Leffell, and Mavroleon were each granted RSUs with respect to 11,643 shares of Genco's common stock. Such amount represents a grant having a dollar value of \$85,000 based on the closing price of \$7.30 at which Genco's stock was quoted on the OTCBB on July 17, 2015, the date of Genco's 2015 Annual Meeting of Shareholders, with fractional shares rounded down. No shares of the Genco's common stock are currently outstanding in respect of any of the RSUs. Such shares will only be issued in respect of vested RSUs when the director's service with the Company as a director terminates.

Genco reimburses its directors for all reasonable expenses incurred by them in connection with serving on their respective Board of Directors. The following table summarizes compensation earned by directors other than Mr. Georgiopoulos for the year ended December 31, 2015:

(2) The amounts in column (c) reflect the aggregate grant date fair value of restricted stock awards computed in accordance with FASB ASC Topic 718. The Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as currently in effect. Finally, the Committee has received written disclosures and the letter from the independent auditors required by the Public Company Accounting Oversight Board (United States) Ethics and Independence Rule 3526, Communications with Audit Committees Concerning Independence, as currently in effect. The Committee has discussed with the auditors the auditors' independence.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not experts in the field of auditing or accounting, including in respect of auditor independence. Members of the Committee rely, without independent verification, on the information provided to them and on the representations made by management and the independent auditors. Accordingly, the Audit Committee's activities do not provide an independent basis to determine that management has maintained appropriate internal control and procedures designed

to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of Genco's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that Genco's auditors are in fact "independent."

Based upon the Committee's receipt and review of the various materials and assurances described above and its discussions with management and independent auditors, and subject to the limitations on the role and responsibilities of the Committee referred to above and in the Charter, the Committee recommended to the Board that the audited financial statements be included in Genco's Annual Report on Form 10-K for the year ended December 31, 2015, filed with the Securities and Exchange Commission on March 15, 2016.

Submitted by the Audit Committee of the Board of Directors:

Eugene Davis, Chairman
James G. Dolphin
Arthur L. Regan

The Report of the Audit Committee does not constitute soliciting material, and shall not be deemed to be filed or incorporated by reference into any other Genco filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that Genco specifically incorporates the Report of the Audit Committee by reference therein.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information regarding the beneficial ownership of Genco's voting common stock as of March 21, 2016 of:

- each person, group or entity known to Genco to beneficially own more than 5% of Genco's stock;
- each of Genco's directors;
- Genco's Chairman of the Board, Peter C. Georgiopoulos; its President, John C. Wobensmith; its Chief Financial Officer, Apostolos D. Zafolias; and its Chief Accounting Officer, Joseph Adamo; and
- all of Genco's directors and executive officers as a group.

As of March 21, 2016, a total of 73,544,994 shares of common stock were outstanding and entitled to vote at the Special Meeting. Each share of Genco common stock is entitled to one vote on matters on which Genco common shareholders are eligible to vote. The amounts and percentages of Genco common stock beneficially owned are reported on the basis of regulations of the SEC governing the determination of beneficial ownership of securities. Under the rules of the SEC, a person is deemed to be a "beneficial owner" of a security if that person has or shares "voting power," which includes the power to vote or to direct the voting of that security, or "investment power," which includes the power to dispose of or to direct the disposition of that security. A person is also deemed to be a beneficial owner of any securities as to which that person has a right to acquire beneficial ownership presently or within 60 days. Under these rules, more than one person may be deemed a beneficial owner of the same securities, and a person may be deemed to be the beneficial owner of securities as to which that person has no economic interest.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Transactions with Aegean Marine Petroleum Network, Inc.

Genco has entered into agreements with Aegean Marine Petroleum Network, Inc. (“Aegean”) to purchase lubricating oils for certain vessels in their fleets. Peter C. Georgiopoulos is Chairman of the Board of Aegean. During the year ended December 31, 2015, Aegean supplied lubricating oils to Genco’s vessels aggregating approximately \$1,651,000. At December 31, 2015, approximately \$218,000 remained outstanding to Aegean.

Transactions with MEP

In 2010, Genco entered into an agency agreement with Maritime Equity Partners LLC (“MEP”) pursuant to which Genco provides MEP with technical services for drybulk vessels. These services include oversight of crew management, insurance, drydocking, ship operations and financial statement preparation, but do not include chartering services. The services are provided for a fee of \$650 per ship per day plus reimbursement of out-of-pocket costs and are being provided for an initial term of one year. MEP has the right to cancel provision of services on 60 days’ notice with payment of a termination fee or without a fee upon a Genco change of control. Genco may terminate provision of the services at any time on 60 days’ notice. During a portion of 2015, Genco’s Chairman, Peter C. Georgiopoulos, controlled and had a minority interest in MEP. For the year ended December 31, 2015, Genco invoiced approximately \$3,232,000 to MEP for the foregoing services and transactions. At December 31, 2015, approximately \$603,000 was due to Genco from MEP.

Transactions with Baltic Trading

On April 7, 2015, Genco entered into a definitive merger agreement with Baltic Trading under which it agreed to acquire Baltic Trading in a stock-for-stock transaction (the “Merger”). Prior to the Merger, as of June 30, 2015, Genco’s wholly-owned subsidiary Genco Investments LLC owned 6,356,471 shares of Baltic Trading’s Class B Stock, which represented a 10.85% ownership interest in Baltic Trading and 64.60% of the aggregate voting power of Baltic Trading’s outstanding shares of voting stock at June 30, 2015. Under the terms of the agreement, Baltic Trading became Genco’s indirect wholly owned subsidiary, and Baltic Trading shareholders (other than Genco and its subsidiaries) received 0.216 shares of Genco’s common stock for each share of Baltic Trading’s common stock they owned at closing, with fractional shares that were settled in cash. Upon consummation of the transaction on July 17, 2015, Genco’s shareholders owned approximately 84.5% of the combined company, and Baltic Trading’s shareholders (other than Genco and its subsidiaries) owned approximately 15.5% of the combined company. Shares of Baltic Trading’s Class B stock (all of which Genco owned) were canceled in the Merger. Independent special committees of both companies’ Boards of Directors reviewed and approved this transaction.

On April 7, 2015, Genco and Baltic Trading entered into a stock purchase agreement (the “Stock Purchase Agreement”) pursuant to which Genco purchased from Baltic Trading on April 8, 2015 all of Baltic Trading’s equity interests in Baltic Lion Limited and Baltic Tiger Limited, the respective owners of the Capesize drybulk vessels known as the Baltic Lion and the Baltic Tiger, for an aggregate purchase price of \$68.5 million, subject to reduction for the outstanding amounts under such owners’ \$44 million secured loan agreement with DVB Bank SE (the “\$44 Million Term Loan Facility”) and an adjustment for working capital and liabilities as of the closing date. The indebtedness under such the \$44 Million Term Loan Facility remained in place. The purchase price was established in arm’s length negotiations between the Baltic Trading special committee and the Genco special committee and was financed by Genco with available cash and borrowings under a \$60 million loan agreement between ABN AMRO Capital USA LLC and several Genco subsidiaries. In connection with the Stock Purchase Agreement, Genco executed a Guarantee and Indemnity in favor of DVB Bank SE, which is on substantially the same terms as the Guarantee and Indemnity

executed by Baltic Trading on December 3, 2013. As a result, Baltic Trading was released from its Guarantee and Indemnity with respect to the \$44 Million Term Loan Facility.

In 2010, Genco entered into a long-term management agreement (the "Management Agreement") with Baltic Trading pursuant to which Genco provided Baltic Trading with commercial, technical, administrative and strategic services. The Management Agreement was for an initial term of approximately 15 years. Baltic Trading paid Genco for the services Genco provided it as well as reimbursed Genco for Genco's costs and expenses incurred in providing

certain of these services. Baltic Trading paid Genco a commercial services fee of 1.25% of gross charter revenues generated by each vessel; a technical services fee of \$750 per ship per day, subject to increase based on the Consumer Price Index; and a sale & purchase fee equal to 1% of the gross purchase or sale price upon the consummation of any purchase or sale of a vessel by Baltic Trading. For the years ended December 31, 2013, 2014 and 2015, Baltic Trading incurred costs of approximately \$4,571,449, \$4,465,000 and \$2,550,000 respectively pursuant to the Management Agreement. Additionally, during the years ended December 31 2013, 2014 and 2015, Baltic Trading incurred fees of approximately \$41,517, \$54,000 and \$29,000, respectively, for internal audit services provided by Genco employees which were reimbursable to Genco pursuant to the Management Agreement, and Genco incurred costs in a net amount of approximately \$402,997, \$284,000 and \$34,000, respectively on Baltic Trading's behalf to be reimbursed to Genco pursuant to the Management Agreement. Upon consolidation with Baltic Trading, any management fee income earned is eliminated for financial reporting purposes. The Management Agreement was terminated as of July 18, 2015.

Other Transactions

During 2015, Genco incurred legal services (primarily in connection with vessel acquisitions) aggregating approximately \$18,000 from Constantine Georgiopoulos, the father of Peter C. Georgiopoulos, Chairman of the Board. At December 31, 2015, approximately \$11,000 was outstanding to Constantine Georgiopoulos. In addition, Peter C. Georgiopoulos is a party to Genco's existing registration rights agreement that provides him with piggyback registration rights only.

Review and Approval of Transactions with Related Persons

In April 2007, Genco's Board adopted a policy and procedures for review, approval and monitoring of transactions involving Genco and "related persons" (generally, directors and executive officers, director nominees, shareholders owning five percent or greater of any class of Genco's voting securities, immediate family members of the foregoing). The policy covers any related person transaction that meets the minimum threshold for disclosure in the proxy statement under the relevant SEC rules (generally, transactions involving amounts exceeding \$120,000 in which a related person has a direct or indirect material interest) and will be applied to any such transactions proposed after its adoption.

Related person transactions must be approved by the Board or by a committee of the Board consisting solely of independent directors, who will approve the transaction only if they determine that it is in the best interests of Genco. In considering the transaction, the Board or committee will consider all relevant factors, including as applicable (i) the related person's interest in the transaction; (ii) the approximate dollar value of the amount involved in the transaction; (iii) the approximate dollar value of the amount of the related person's interest in the transaction without regard to the amount of any profit or loss; (iv) Genco's business rationale for entering into the transaction; (v) the alternatives to entering into a related person transaction; (vi) whether the transaction is on terms no less favorable to Genco than terms that could have been reached with an unrelated third party; (vii) the potential for the transaction to lead to an actual or apparent conflict of interest and any safeguards imposed to prevent such actual or apparent conflicts; (viii) the overall fairness of the transaction to Genco; and (ix) any other information regarding the transaction or the related person in the context of the merger that would be material to investors in light of the circumstances of the particular transaction. If a director is involved in the transaction, he or she will not cast a vote regarding the transaction.

PROPOSAL NO. 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

Our Audit Committee has selected the firm of Deloitte & Touche LLP as Genco's independent auditors to audit the financial statements of Genco for the fiscal year ending December 31, 2013 and recommends that shareholders vote for ratification of this appointment. Representatives of Deloitte & Touche LLP are expected to be present at the

Annual Meeting, will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions. The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and voting at the Annual Meeting will be required to ratify the selection of Deloitte & Touche LLP.

If the shareholders fail to ratify the selection, our Audit Committee will reconsider its selection of auditors. Even if the selection is ratified, our Audit Committee in its discretion may direct the appointment of different independent auditors at any time during the year if it determines that such change would be in the best interests of Genco and its shareholders.

Fees to Independent Auditors for Fiscal 2015 and 2014

The following table presents fees for professional services rendered by Deloitte & Touche LLP for the audit of the Company's annual financial statements for fiscal 2015 and fiscal 2014 and fees billed for audit-related services, tax services and all other services rendered by Deloitte & Touche LLP for fiscal 2015 and fiscal 2014.

Type of Fees	2015 (\$ in thousands)	2014 (\$ in thousands)
Audit Fees	\$ 371	\$ 562
Audit-Related Fees	\$ 152	\$ 848
Tax Fees	\$ 0	\$ 0
All Other Fees	\$ 0	\$ 0
Total	\$ 523	\$ 1410

In the above table, in accordance with the SEC's definitions and rules, "audit fees" are fees that the Company paid to the auditor for the audit of the Company's annual financial statements included in its Form 10-K and review of financial statements included in its Form 10-Qs and for services that are normally provided by the auditor in connection with statutory and regulatory filings or engagements. "Audit-related fees" are fees for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements and include services associated with primary and secondary offerings of our common stock in the past two fiscal years and other matters related to our periodic public filings; "tax fees" are fees for tax compliance, tax advice and tax planning; and "all other fees" are fees for any services not included in the first three categories.

Pre-Approval Policy for Services Performed by Independent Auditor

The Audit Committee has responsibility for the appointment, compensation and oversight of the work of the independent auditor. As part of this responsibility, the Audit Committee must pre-approve all permissible services to be performed by the independent auditor.

The Audit Committee has adopted an auditor pre-approval policy which sets forth the procedures and conditions pursuant to which pre-approval may be given for services performed by the independent auditor. Under the policy, the Committee must give prior approval for any amount or type of service within four categories: audit, audit-related, tax services or, to the extent permitted by law, other services that the independent auditor provides. Prior to the annual engagement, the Audit Committee may grant general pre-approval for independent auditor services within these four categories at maximum pre-approved fee levels. During the year, circumstances may arise when it may become necessary to engage the independent auditor for additional services not contemplated in the original pre-approval and, in those instances, such service will require separate pre-approval by the Audit Committee if it is to be provided by the independent auditor. For any pre-approval, the Audit Committee will consider whether such services are consistent with the SEC's rules on auditor independence, whether the auditor is best positioned to provide the most cost effective and efficient service and whether the service might enhance the Company's ability to manage or control risk or improve audit quality. The Audit Committee has delegated to its Chairman authority to approve a request for pre-approval provided that the same is submitted to the Audit Committee for ratification at its next scheduled meeting.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS VOTE "FOR" THE RATIFICATION (ITEM 2 OF THE ENCLOSED PROXY CARD) OF THE APPOINTMENT OF DELOITTE & TOUCHE LLP AS GENCO'S INDEPENDENT AUDITORS FOR THE FISCAL YEAR ENDING DECEMBER

31, 2015.
