Any such statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Registration Statement.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

The validity of the Class A common stock will be passed upon for us by Simpson Thacher & Bartlett LLP, New York, New York. Certain partners of Simpson Thacher & Bartlett LLP, members of their families and related persons have an interest representing less than 1% of the capital commitments of investment funds managed by an affiliate of the

Company.

Item 6. Indemnification of Directors and Officers.

The Company is incorporated under the laws of Delaware.

Section 145 of the Delaware General Corporation Law (the “DGCL”) provides that a corporation may indemnify directors and officers as well as other employees and individuals against expenses (including attorneys’ fees), judgments, fines and amounts paid in settlement in connection with any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, in which such person is made a party by reason of the fact that the person is or was a director, officer, employee or agent of the corporation (other than an action by or in the right of the corporation—a “derivative action”), if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe such person’s conduct was unlawful. A similar standard is applicable in the case of derivative actions, except that indemnification only extends to expenses (including attorneys’ fees) incurred in connection with the defense or settlement of such action, and the statute requires court approval before there can be any indemnification where the person seeking indemnification has been found liable to the corporation. The statute provides that it is not exclusive of other indemnification that may be granted by a corporation’s bylaws, disinterested director vote, stockholder vote, agreement or otherwise.

Under the Company’s certificate of incorporation, in most circumstances the Company will indemnify the following persons, to the fullest extent permitted by law, from and against all losses, claims, damages, liabilities, joint or several, expenses (including legal fees and expenses), judgments, fines, penalties, interest, settlements or other amounts: (a) KKR Management LLC (“KML”) and any successor or permitted assign that owns the Class B common stock of the Company at the applicable time (the “Class B Stockholder”); (b) KML in its capacity as the former general partner of KKR & Co. L.P. (the “Former Managing Partner”); (c) any person who is or was an affiliate of the Class B Stockholder or the Former Managing Partner; (d) any person who is or was a member, partner, Tax Matters Partner (as defined in the U.S. Internal Revenue Code of 1986, as amended (the “Code”), and in effect prior to 2018), Partnership Representative (as defined in the Code), officer, director, employee, agent, fiduciary or trustee of the Company or its subsidiaries, any KKR Group Partnership (as defined in the Company’s certificate of incorporation), the Class B Stockholder or any Former Managing Partner or any affiliate of the Company or its subsidiaries, the Class B Stockholder or the Former Managing Partner; (e) any person who is or was serving at the request of the Company or any Former Managing Partner or any affiliate of the Company or any Former Managing Partner as an officer, director, employee, member, partner, Tax Matters Partner, Partnership Representative, agent, fiduciary or trustee of another person (provided that a person shall not be an indemnitee by reason of providing, on a fee-for-services basis or similar arms-length compensatory basis, agency, advisory, consulting, trustee, fiduciary or custodial services); or (f) any person designated by the Company as an indemnitee. Currently, Section 102(b)(7) of the DGCL requires that liability be imposed for the following:

- any breach of the director’s duty of loyalty to the corporation or its stockholders;
- any act or omission not in good faith or which involved intentional misconduct or a knowing violation of law;
- unlawful payments of dividends or unlawful stock repurchases or redemptions as provided in Section 174 of the DGCL; and
- any transaction from which the director derived an improper personal benefit.

The Company has agreed to provide this indemnification unless there has been a final and non-appealable judgment by a court of competent jurisdiction determining that these persons acted in bad faith or engaged in fraud or willful misconduct. The Company has also agreed to provide this indemnification for criminal proceedings. Any indemnification under these provisions will only be out of the Company’s assets. Unless it otherwise agrees, the Class B Stockholder will not be liable for, or have any obligation to contribute or loan any monies or property to the Company to enable the Company to effectuate, indemnification. The indemnification of the persons described above shall be secondary to any indemnification such person is entitled from another person or the relevant KKR fund to the extent applicable. The Company may purchase insurance against liabilities asserted against and expenses incurred by persons in connection with its activities, regardless of whether the Company would have the power to indemnify the

person against liabilities under the Company's certificate of incorporation.

In addition, the Company has entered into indemnification agreements with KML and each of the Company's directors. Each indemnification agreement provides that the indemnitee, subject to the limitations set forth in each indemnification agreement, will be indemnified and held harmless by the Company on an after-tax basis from and against any and all losses, claims, damages, liabilities, joint or several, expenses (including legal fees and expenses), judgments, fines, penalties, interest, settlements or other amounts arising from any and all threatened, pending or completed claims, demands, actions, suits or proceedings, whether civil, criminal, administrative or investigative, and whether formal or informal and including appeals, in which the indemnitee may be involved, or is threatened to be involved, as a party or otherwise, by reason of its status as an indemnitee or by reason of any action alleged to have been taken or omitted in such capacity, whether arising from alleged acts or omissions to act occurring on, before or after the date of such indemnification agreement. Each indemnification agreement provides that the indemnitee shall not be indemnified and held harmless if there has been a final and non-appealable judgment entered by an arbitral tribunal or court of competent jurisdiction determining that, in respect of the matter for which the indemnitee is seeking indemnification pursuant to the indemnification agreement, the indemnitee acted in bad faith or engaged in fraud or willful misconduct.

The Company currently maintains liability insurance for its directors and officers. Such insurance would be available to the Company's directors and officers in accordance with its terms.

Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price

set forth in the “Calculation of Registration Fee” table in the effective registration statement;

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
