ITEM 1. ELECTION OF DIRECTORS

The Board of Directors are divided into three classes consisting of Class I, Class II, and Class III, and these classes are based upon seniority. In as much as the Annual Meeting represents the first re-election of these classes, directors for each of the three classes will need to be elected at the Annual Meeting. At subsequent annual meetings, only directors for the class whose term is expiring will be elected at that annual meeting.

The number of directors in each class is determined by the Board of Directors and consists of as nearly equal a number of directors as possible. There are seven nominees for directors therefore, Classes I and II will include two directors, and Class III will include three directors, all of which may be adjusted, should the Board of Directors change the number of directors representing a class. The term of Class I will expire in 2007. The term of Classes II and III will expire in 2005. Class II will then be up for re-election for a three-year term expiring in 2008. Class III will then be up for re-election for a one-year term, followed by an election for a three-year term ending in 2009.

The Board of Directors has nominated the nominees named below, which nominees are currently serving as directors and have indicated their willingness to continue serving as directors. The Board of Directors knows of no reason why such nominees would be unable to serve as directors. If any of the nominees should for any reason become unable to serve, then valid proxies will be voted for the election of such substitute nominee as the Board of Directors may designate. The two nominees for Class I Directors are Bradley T. MacDonald and Rev. Donald F. Reilly, O.S.A. The two nominees for Class II Directors are R. Scott Zion and Michael C. MacDonald. The three nominees for Class III Directors are Michael J. McDevitt, Mary T. Travis and Rev. Joseph D. Calderone, O.S.A.

Each director serves until his or her successor is elected and qualified or until his or her death, retirement, resignation, or removal. Should a vacancy occur or be created, whether arising through death, resignations, retirement or removal of a director, the vacancy will be filled by a majority vote of the remaining directors. A director so elected to fill a vacancy will serve for the remainder of the present term of office of the class to which he or she was elected.
