Submitting and Revoking a Proxy. If you complete and submit your proxy, the persons named as proxies will vote the shares represented by your proxy in accordance with your instructions. If you submit a proxy card but do not fill out the voting instructions on the proxy card, the persons named as proxies will vote the shares represented by your proxy **FOR** the election of the director nominees set forth herein. In addition, if other matters are properly presented for voting at the meeting, the persons named as proxies will vote on such matters in accordance with their best judgment. To ensure that your vote is recorded properly, please vote your shares as soon as possible, even if you plan to attend the meeting in person. Each proxy executed and returned by a shareholder may be revoked at any time thereafter except as to any matter or matters upon which, prior to such revocation, a vote shall have been cast pursuant to the authority conferred by such proxy. Shareholders with shares registered directly in their names may revoke their proxy by (1) sending written notice of revocation to the Corporate Secretary, P.O. Box 2687, Chapel Hill, North Carolina 27515-2687, (2) submitting a subsequent proxy or (3) voting in person at the meeting. Attendance at the meeting will not by itself revoke a proxy. Section 16(a) Beneficial Ownership Reporting Compliance. Section 16(a) of the Securities Exchange Act of 1934 requires directors, executive officers and all persons who beneficially own more than 10% of the Company's securities to file reports with the Securities and Exchange Commission with respect to beneficial ownership of Company securities. Based solely upon a review of copies of the filings that the Company received with respect to the fiscal year ended December 31, 2005, or written representations from certain reporting persons, the Company believes that all reporting persons filed all reports required by Section 16(a) in a timely manner, except that J. Allen Fine, Chief Executive Officer of the Company, inadvertently filed a Form 4 covering the exercise of stock options nine days late on May 20, 2005.

General Information. A copy of the Company's 2005 Annual Report and Form 10-K filed with the Securities and Exchange Commission, excluding exhibits, can be obtained without charge by contacting Investor Relations at investorrelations@invtitle.com or P.O. CORPORATE GOVERNANCE

Code of Business Conduct and Ethics

The Company has a Code of Business Conduct and Ethics that is applicable to all of the Company's employees, officers and directors, including its Chief Executive Officer, Chief Financial Officer and Chief Accounting Officer. This Code addresses a variety of issues, including conflicts of interest, the protection of confidential information, insider trading, and employment practices. It also requires strict compliance with all laws, rules and regulations governing the conduct of the Company's business.

The Code of Business Conduct and Ethics is posted in the Corporate Governance area of the Investor Relations section of the Company's website at www.invtitle.com. The Company intends to disclose future amendments to or waivers from the Code of Business Conduct and Ethics on its website within two business days after such amendment or waiver.

Shareholder Communications with Directors

Shareholders can communicate with members of the Company's Board of Directors in one of two ways. Shareholders may mail correspondence to the attention of the Corporate Secretary, P.O. Box 2687, Chapel Hill, North Carolina 27515-2687. Any correspondence sent via mail should clearly indicate that it is a communication intended for the Board of Directors. Independent Directors

The Board of Directors has determined that the following directors are independent directors within the meaning of the applicable listing standards of The NASDAQ Stock Market (“NASDAQ”) and the Company’s Board of Director Independence Standards: Mr. Francis, Mr. Harrell, Mr. Johnson, Mr. King, Mr. Morton and Mr. Parker. The Board of Director Independence Standards can be found on the Investor Relations section of the Company’s website at www.invtile.com under the heading “Corporate Governance.”

Executive Sessions

Executive sessions that include only the independent members of the Board of Directors are held regularly.

Compensation Committee Interlocks and Insider Participation

In 2005, James R. Morton, Loren B. Harrell, Jr. and A. Scott Parker III served as the members of the Compensation Committee. None of these directors have ever been officers or employees of the Company or any of its subsidiaries. During 2005, none of the executive officers of the Company served on the compensation committee (or equivalent), or the board of directors, of another entity whose executive officer(s) served on the Board of Directors of the Company or its Compensation Committee.

Board of Directors and Committees

During the year ended December 31, 2005, the Board of Directors held four meetings. All incumbent directors and nominees attended 75% or more of the aggregate number of meetings of the Board of Directors and committees of the Board on which they served. The Company expects each of its directors to attend the Annual Meeting of Shareholders unless an emergency prevents them from attending. All of the Board members were present at the 2005 Annual Meeting.

The Company’s Board of Directors has a standing Audit Committee, Compensation Committee, and Nominating Committee.

The Audit Committee. In 2005, the Audit Committee was composed of David L. Francis, R. Horace Johnson and H. Joe King, Jr. William J. Kennedy III, who did not stand for re-election at the 2005 Annual Meeting of Shareholders, was a member of the Audit Committee from January 1, 2005 to May 18, 2005. The Audit Committee met eight times in 2005.

The Audit Committee is directly responsible for hiring, dismissing, compensating and overseeing the Company’s independent registered public accounting firm and reviewing the scope of the annual audit proposed by the independent registered public accounting firm. In addition, the Committee reviews and approves all related party transactions and periodically consults with the independent registered public accounting firm on matters relating to internal financial controls and procedures. Finally, the Committee is responsible for establishing and administering complaint procedures related to accounting and auditing matters.

The Audit Committee operates under a written charter adopted by the Board of Directors, a copy of which is attached hereto as Exhibit A. The written charter of the Audit Committee can also be found under the Committee heading of the Corporate Governance area of the Investor Relations section of the Company’s website at www.invtile.com. The Audit Committee reviews and assesses the adequacy of the charter on an annual basis.

The Board of Directors has determined that each member of the Company's Audit Committee is “independent” as defined under applicable NASDAQ listing standards and SEC rules. The Board of Directors has also determined that all of the current Audit Committee members—Mr. Francis, Mr. Johnson and Mr. King—are “audit committee financial experts” as defined under applicable SEC rules. The formal report of the Audit Committee for 2005 follows under the caption “Audit Committee Report.”

The Compensation Committee. In 2005, the Compensation Committee was composed of James R. Morton, Loren B. Harrell, Jr. and A. Scott Parker III. The Compensation Committee met two times in 2005.

The Compensation Committee determines, or recommends to the Board of Directors for determination, salaries, bonuses and other compensation of all executive officers of the Company. The Committee also serves as the Option Committee of the Board of Directors, which reviews, approves and administers the Company's stock option plans.

The Compensation Committee operates under a written charter that can be found under the Committee heading of the Corporate Governance area of the Investor Relations section of the Company's website at www.invtitle.com.

The Board of Directors has determined that each member of the Company's Compensation Committee is "independent" as defined under applicable NASDAQ listing standards. The formal report of the Compensation Committee for 2005 follows under the caption "Compensation Committee Report."

The Nominating Committee. In 2005, the Nominating Committee was composed of David L. Francis, H. Joe King, Jr. and James R. Morton. The Nominating Committee met once in 2005.

The Nominating Committee operates under a written charter that can be found under the Committee heading of the Corporate Governance area of the Investor Relations section of the Company's website at www.invtitle.com.

The Board of Directors has determined that each member of the Company's Nominating Committee is "independent" as defined under applicable NASDAQ listing standards.

The Nominating Committee is responsible for identifying, evaluating and recommending to the Board of Directors candidates for election to the Board of Directors. A slate of nominees for director to present to the shareholders is recommended to the Board of Directors by the Nominating Committee and determined by at least a majority vote of the members of the Board of Directors whose terms do not expire during the year in which the election of directors will occur.

The Nominating Committee considers a variety of factors before recommending a new director nominee or the continued service of existing Board members. At a minimum, the Nominating Committee believes that a director nominee must demonstrate character and integrity, have an inquiring mind, possess substantial experience at a strategy or policy setting level, demonstrate an ability to work effectively with others, possess either high-level managerial experience in a relatively complex organization or experience dealing with complex problems, have sufficient time to devote to the affairs of the Company and be free from conflicts of interest with the Company and its subsidiaries.

Other factors the Nominating Committee considers when evaluating a potential director nominee are:

1. Whether the candidate would assist in achieving a diverse mix of Board members;
2. The extent of the candidate's business experience, technical expertise, and specialized skills or experience;
3. Whether the candidate, by virtue of particular experience relevant to the Company's current or future business, will add specific value as a Board member; and
4. Any other factors related to the ability and willingness of a candidate to serve, or an incumbent director to continue his or her service to, the Company.

The Nominating Committee believes that a majority of the members of the Company's Board of Directors should be independent as defined under applicable NASDAQ listing standards and, as a result, it also considers whether a potential director nominee is independent under such standards. The Committee also requires that all members of the Audit Committee be financially literate pursuant to applicable NASDAQ listing standards and that at least one member of the Audit Committee be an "audit committee financial expert" as defined under SEC rules. Therefore, the Nominating Committee considers whether a potential director nominee meets these criteria when evaluating his or her qualifications.

It is the policy of the Nominating Committee to consider all director candidates recommended by shareholders, provided that such recommendations are made in accordance with the procedures outlined below. The Nominating Committee evaluates such candidates in accordance with the same criteria it uses to evaluate all other director candidates.

Any shareholder that wishes to recommend a director candidate to be considered for the 2007 Annual Meeting of Shareholders should send his or her recommendation to the attention of the Corporate Secretary, Investors Title Company, P.O. Box 2687, Chapel Hill, North Carolina 27515-2687, no later than December 14, 2006. The candidate's name, age, business address, residential address, principal occupation, qualifications and the number of shares of Common Stock beneficially owned by the candidate must be provided with the recommendation. The shareholder must also provide a signed consent of the candidate to serve, if elected, as a director of the Company, and shall include all other information that would be required under the rules of the SEC in the proxy statement soliciting proxies for election of the director candidate.

Compensation of Directors

Directors who are not employees of the Company receive an annual retainer for Board services of \$3,000 and an attendance fee of \$1,500 for each meeting of the Board of Directors attended, in addition to actual travel expenses related to the meetings. Directors receive a \$500 fee for participating in a committee meeting provided that the committee meeting is held on a day other than the regularly scheduled board meeting date. The Audit Committee Chairperson receives an additional annual retainer of \$500 upon election to that position. Directors who are employees of the Company are paid no fees or other remuneration for service on the Board or on any Board committee. All employees and directors of the Company receive a 25% discount on services provided by Investors Trust Company, a wholly-owned subsidiary of the Company that provides investment management and trust services. During 2005, Mr. Harrell received a \$2,927 discount on such services.

On May 18, 2005, each non-employee director of the Company was granted a Nonqualified Stock Option under the Company's 2001 Stock Option and Restricted Stock Plan, exercisable for 500 shares at \$36.79 per share. These options were immediately exercisable and will expire on May 18, 2015.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

On September 24, 2004, the Audit Committee of the Board of Directors appointed Dixon Hughes PLLC as the Company's independent registered public accounting firm to audit the consolidated financial statements for 2004 and 2005 and approved the terms of its engagement. Dixon Hughes PLLC replaced Deloitte & Touche LLP. Also, effective September 24, 2004, the Committee dismissed Deloitte & Touche LLP.

In connection with Deloitte & Touche LLP's audits during the two years ended December 31, 2002 and 2003, and through the date of the Audit Committee's action dismissing Deloitte & Touche LLP, there were no disagreements with Deloitte & Touche LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to Deloitte & Touche LLP's satisfaction, would have caused it to make reference to the subject matter of the disagreement in connection with its reports on the Company's financial statements. During 2002 and 2003, and through the date of the Audit Committee's action dismissing Deloitte & Touche LLP, there were no "reportable events" requiring disclosure pursuant to Item 304(a)(1)(v) of Regulation S-K.

Deloitte & Touche LLP's audit reports on the Company's consolidated financial statements as of and for the years ended December 31, 2002 and 2003 did not contain an adverse opinion or a disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During the fiscal years ended December 31, 2002 and December 31, 2003, and the subsequent interim period through the date of the Company's appointment of Dixon Hughes PLLC on September 24, 2004, neither the Company nor anyone on its behalf consulted with Dixon Hughes PLLC regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.

The Audit Committee selected Dixon Hughes PLLC as the Company's independent registered public accounting firm for the fiscal year ended December 31, 2006. Dixon Hughes PLLC served as the Company's independent registered public accounting firm for the fiscal year ended December 31, 2005 and its representatives are expected to attend the 2006 Annual Meeting of Shareholders and to be available to respond to appropriate questions. They will have the opportunity to make a statement if they wish to do so.

Independent Auditor Audit and Non-Audit Fees

Aggregate fees for professional services rendered by the Company's principal accounting firm, Dixon Hughes PLLC, for the years ended December 31, 2005 and 2004 are set forth below.

	2005	2004
Audit Fees (1)	\$ 159,350	\$ 152,250
Audit-Related Fees (2)	6,146	-
Tax Fees (3)	29,961	28,200
All Other Fees	-	-
Total Fees	\$ 195,457	\$ 180,450

(1) Audit fees consisted of the audit of the Company's financial statements, reviews of the Company's quarterly financial statements and services rendered in connection with statutory and regulatory filings.

(2) Audit-related fees consisted of fees related to compliance with regulatory and statutory filings.

(3) Tax fees consisted primarily of tax compliance services.

Audit and Non-Audit Services Pre-Approval Policy

The Audit Committee has adopted an Audit and Non-Audit Services Pre-Approval Policy for pre-approving all audit and permissible non-audit services provided by the Company's independent registered public accounting firm.

Each year, the Audit Committee pre-approves independent registered public accounting firm services and associated fee ranges within the categories of Audit Services, Audit-Related Services, Tax Services and Other Services.

Throughout the year, circumstances may arise that require the engagement of the independent registered public accounting firm for additional services that were not contemplated by the existing pre-approval categories. In that case, the Audit and Non-Audit Services Pre-Approval Policy requires specific approval by the Audit Committee of such services before engaging the independent registered public accounting firm. To ensure the prompt handling of such matters, the Audit Committee has granted pre-approval authority to its Chair. The Chair reports any pre-approval decisions made at the next Audit Committee meeting.

During 2005 and 2004, none of the services provided by the Company's independent registered public accounting firm under the categories Audit-Related Services, Tax Services and Other Services described above were approved by the Audit Committee after such services were rendered pursuant to the de minimis exception established under SEC regulations.

Audit Committee Report

The Audit Committee is directly responsible for appointing, compensating and overseeing the work of the Company's independent registered public accounting firm. Management is responsible for the financial reporting process, including the system of internal controls, and for the preparation of consolidated financial statements in accordance with generally accepted accounting principles. The Company's independent registered public accounting firm is responsible for auditing those financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States of America.

The Company's independent registered public accounting firm provided the Audit Committee with the written disclosures and the letter required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," that describes all relationships between the Company and its independent registered public accounting firm that might bear on the firm's independence. The Audit Committee discussed with the independent registered public accounting firm any relationships that may have an impact on its objectivity and independence. Finally, the Audit Committee considered whether the independent registered public accounting firm's performance of services, other than audit services, is compatible with maintaining the independence of the independent registered public accounting firm.

The Audit Committee reviewed and discussed with management and the independent registered public accounting firm the audited financial statements of the Company as of and for the year ended December 31, 2005. The Audit Committee discussed with the independent registered public accounting firm those matters required to be discussed by Statement on Auditing Standards No. 61, as amended. The Audit Committee reviewed with the independent registered public accounting firm its audit plans, audit scope and identification of audit risks.

Based on the reviews and discussions referenced above, the Audit Committee recommended to the Board of Directors that the Company's audited financial statements be included in its Annual Report on Form 10-K for the year ended December 31, 2005, for filing with the Securities and Exchange Commission.

Executive Employment Agreements

Investors Title Insurance Company (“ITIC”), a wholly owned subsidiary of the Company, entered into an employment agreement with J. Allen Fine effective November 2003, as amended June 2004. The initial term of this agreement is five years and, on the first day of each calendar month, the term is extended one additional month so that at all times the term is five years, unless terminated sooner pursuant to the agreement. Under the agreement, Mr. Fine is entitled to a base salary of not less than \$259,500 per year, subject to increase (as determined by the compensation committee of ITIC’s Board of Directors, subject to the approval of the Compensation Committee of the Company’s Board of Directors) and may also receive discretionary cash bonuses (subject to the approval of the Compensation Committee of the Company’s Board of Directors). In the event of a change in control of ITIC or the Company (as defined in the agreement), Mr. Fine’s base salary in effect at such time will double. Under the agreement, ITIC also agrees to make quarterly contributions on Mr. Fine's behalf to a Non-Qualified Supplemental Retirement Benefit Plan in an amount equal to 22% of his base salary and bonus for the quarter for a minimum of 20 calendar quarters. In the event Mr. Fine’s employment terminates before ITIC makes such contributions for 20 quarters, the agreement provides that ITIC will make a lump sum payment to Mr. Fine equal to the deficiency. The agreement also contains provisions relating to protection of the confidential information of ITIC and its parent, subsidiaries and affiliates and prohibits Mr. Fine from competing with any such party in the State of North Carolina, or soliciting the employees of any such party, while employed by ITIC and for a period of two years following termination of his employment.

Pursuant to Mr. Fine’s employment agreement, he receives certain payments and benefits, described generally below, in the event of the termination of his employment. If Mr. Fine’s employment is terminated due to his death, disability or retirement (following his 70th birthday), he is entitled to receive, among other things, his then current base salary for three years, three times his average bonus compensation during the preceding three years, accrued benefits under the Non-Qualified Supplemental Retirement Benefit Plan and Non-Qualified Deferred Compensation Plan, accelerated vesting in full of all his stock options, continued participation in the Company’s health insurance plans by him and his wife at no expense until his death or, if later, his wife’s death, and continued participation in the Company’s health insurance plans by his dependent children at no expense until any such children are no longer dependent.

If ITIC terminates Mr. Fine’s employment other than for “cause” (as defined in the agreement) or if ITIC materially breaches the agreement and Mr. Fine terminates his employment as a result thereof, Mr. Fine is entitled to receive, among other things, his then current base salary for a period of five years, five times his average bonus compensation during the preceding three years, accrued benefits under the Non-Qualified Supplemental Retirement Benefit Plan and Non-Qualified Deferred Compensation Plan, accelerated vesting in full of all his stock options and the continued health insurance coverage as described above.

If Mr. Fine terminates his employment because of a “change in control” (as defined in the agreement) of the Company or ITIC, he is entitled to receive, among other things, payments equal to 2.99 times his then base salary, 2.99 times his average bonus compensation during the preceding three years, and accrued benefits under the Non-Qualified Supplemental Retirement Benefit Plan and Non-Qualified Deferred Compensation Plan, as well as accelerated vesting in full of all his stock options and the continued health insurance coverage as described above. If any portion of these payments and benefits, or payments and benefits under any other plan, agreement or arrangement, would constitute an “excess parachute payment” for purposes of the Internal Revenue Code, such payments and benefits payable under the agreement will be reduced until no portion thereof would fail to be deductible by reason of being “an excess parachute payment.”

ITIC entered into substantially identical employment agreements with James A. Fine, Jr. and W. Morris Fine also effective November 2003 and amended June 2004, except that (1) the minimum base salary for each of James A. Fine, Jr. and W. Morris Fine as provided in each of their employment agreements is \$207,000 per year, (2) each of them will be eligible to receive retirement benefits under their agreements after age 50, rather than age 70, and (3) each of their agreements provides for the transfer at their option, following a termination of employment under certain

circumstances, of any life insurance policies owned by the Company on their lives.

Non-Qualified Supplemental Retirement Benefit Plan

The Company's Compensation Committee adopted a Non-Qualified Supplemental Retirement Benefit Plan of the Company's wholly owned subsidiary, Investors Title Insurance Company, in November 2003. This plan is an unfunded defined contribution plan designed to provide additional retirement benefits on a tax deferred basis for select management or highly compensated employees. Participants in the plan are determined by the Compensation Committee and currently only the executive officers named in the Summary Compensation Table participate. The rights of the participants are those of general, unsecured creditors.

Under the Non-Qualified Supplemental Retirement Benefit Plan, beginning in January 2004, ITIC makes quarterly hypothetical contributions to each participant's account under the plan equal to 22% of the participant's salary and bonus compensation during the quarter. Once ITIC has contributed this amount for 20 quarters, additional contributions to a participant's account will be discretionary. If a participant terminates employment before ITIC has made contributions for 20 quarters, then a lump sum hypothetical contribution to the terminated participant's account equal to the number of quarters less than 20 will be made.

Amounts credited to a participant's account may be deemed either to earn a specified rate of interest or to be invested in a security, index or other investment as determined by the Compensation Committee from time to time. Since the effective date of the plan, the amounts credited to each participant's account have been deemed to earn interest at an annual rate of return, compounded quarterly, based on the then current yield on the 10-Year U.S. Treasury Note.

Amounts in a participant's account (reflecting the hypothetical contributions and any deemed returns) are paid at the participant's termination of employment or death during employment in a lump sum, equal annual installments payable over five, ten, fifteen or twenty years or life annuity payments, as the participant elects.

The amounts credited to the Non-Qualified Supplemental Retirement Benefit Plan accounts of the executive officers named in the Summary Compensation Table reflecting the hypothetical Company contributions for 2005 are included in the "All Other Compensation" figure shown in the Summary Compensation Table above.

Non-Qualified Deferred Compensation Plan

The Company's Compensation Committee adopted a Non-Qualified Deferred Compensation Plan of the Company's wholly owned subsidiary, Investors Title Insurance Company, in June 2004. The plan is an unfunded defined contribution plan designed to permit select management or highly compensated employees to set aside additional retirement benefits on a pre-tax basis. Participants in the plan are determined by the Compensation Committee and currently only the executive officers named in the Summary Compensation Table participate. The rights of the participants are those of general, unsecured creditors.

The Deferred Compensation Plan permits, for 2005 and subsequent calendar years, each participant to annually defer any portion of his salary or bonus and have the amount deferred credited to the participant's account under the plan. The plan also provides that on or before December 31st of each year, beginning in 2004, ITIC will make a hypothetical contribution to a participant's account under the plan equal to the amount that ITIC would have contributed to the participant's Simplified Employee Pension Plan if ITIC's contributions to this plan were not limited under the federal tax laws.

Amounts credited to a participant's account under the plan may be deemed invested as the participant shall from time to time determine in various investments approved by ITIC. Since the effective date of the plan, the amounts credited to each participant's account have been deemed to earn interest at an annual rate of return, compounded quarterly, based on the then current yield on the 10-Year U.S. Treasury Note. Amounts in a participant's account (reflecting compensation deferred, ITIC's hypothetical contributions and any deemed returns) are paid at the participant's termination of employment in a lump sum.

The amounts credited to the Deferred Contribution accounts of the executive officers named in the Summary Compensation Table reflecting ITIC's hypothetical contributions are included in the "All Other Compensation" figure shown in the Summary Compensation Table above.

COMPENSATION COMMITTEE REPORT

The Compensation Committee of the Board of Directors is responsible for determining, or recommending to the Board of Directors of the Company, salaries, bonuses and other compensation for the Company's Chief Executive Officer and other executive officers. The Compensation Committee operates under a written charter that can be found in the Corporate Governance area of the Investor Relations section of the Company's website at www.invtitle.com.

Overview of Compensation Philosophy

The Company strives to provide an overall competitive compensation package that allows it to both attract and retain qualified and experienced corporate officers and key employees while motivating its employees to perform to their fullest extent. To ensure this environment, the Company considers factors such as job performance, experience and

contribution to the growth of the Company in determining an employee's annual compensation. Investors Title Company's compensation package remains competitive with compensation packages offered by other employers of comparable size engaged in similar lines of business. All annual salaries and cash bonuses are paid by a subsidiary of the Company as the Company functions as a holding company and has no payroll.

Evaluation of Executive Performance

In evaluating the performance and establishing the incentive compensation of the Chief Executive Officer and other executive officers, the Compensation Committee has reviewed and taken into account the efforts of those employees to expand the Company's agent base, to grow income from non-title sources, and various financial profitability measures including the Company's profit margin and return on equity.

Total Compensation

The major elements of compensation for each of the Company's executive officers, including the Chief Executive Officer, consists of an annual base salary and cash bonus, stock options, and contributions under a Simplified Employee Pension Plan, a Non-Qualified Supplemental Retirement Benefit Plan and a Non-Qualified Deferred Compensation Plan. In determining the amount of each such element of the compensation package for these executive officers, the Compensation Committee takes into consideration the value of each executive's total compensation.

Salaries and Bonuses

The annual salary is paid in recognition of ongoing performance throughout the year. Additionally, the executive officers named in the Summary Compensation Table and other senior executives of the Company may receive stock and/or cash bonuses based upon their job performance throughout the year. Each March, the approved bonus is paid to reward performance in the prior year. The salary, bonus and other compensation of the executive officers named in the Summary Compensation Table are shown in the Summary Compensation Table.

Stock Options

The Compensation Committee periodically considers issuing stock options to its employees in order to link the interests and concerns of the Company's executives with those of its shareholders. Stock option grants provide an incentive for executives to focus on managing the Company from the perspective of an owner with an equity stake in the Company. In the Committee's opinion, past stock option grants were successful in focusing senior management on building profitability and shareholder value. The Chief Executive Officer is eligible to participate in the same executive compensation plans, including stock option plans, that are available to the other senior executives.

All stock option grants are made under the Investors Title Company 1997 and 2001 Stock Option and Restricted Stock Plans, which shareholders approved on May 13, 1997 and May 16, 2001, respectively. Stock option grants generally become exercisable in five or ten equal annual installments beginning on the grant date, and no more than 50,000 options may be granted to one individual under each Plan. No new stock option grants were made to the executive officers named in the Summary Compensation Table in 2005.

Non-Qualified Supplemental Retirement Benefit Plan

The Committee approved a Non-Qualified Supplemental Retirement Benefit Plan effective November 17, 2003. The purpose of this plan is to provide additional retirement benefits to a select group of management or highly compensated employees on a non-qualified, tax-deferred basis. Benefits under this plan are paid upon termination of employment. Currently, only executive officers participate in this plan. For a more detailed description of the plan and the benefits to the participants, see "Executive Compensation - Non-Qualified Supplemental Retirement Benefit Plan" above.

Non-Qualified Deferred Compensation Plan

The Committee approved a Non-Qualified Deferred Compensation Plan effective June 1, 2004. The purpose of this Plan is to permit selected members of management and/or highly compensated employees to set aside additional retirement benefits on a pre-tax basis. All benefits under this plan are paid to the participants upon termination of employment. Currently, only executive officers participate in this plan. For a more detailed description of the plan and the benefits to the participants, see "Executive Compensation - Non-Qualified Deferred Compensation Plan" above.

Compensation for the Chairman and Chief Executive Officer

The Committee increased J. Allen Fine's annual salary from \$267,200 to \$275,000 effective March 1, 2006, and approved discretionary cash bonuses for Mr. Fine totaling \$370,000 for 2005. The annual salary increase of 2.92% remains consistent with the majority of management salary adjustments for this time period. The salary increase and the discretionary cash bonuses awarded for 2005 were given in recognition of his continued leadership efforts which resulted in the achievement of a record level of net income for 2005 as well as the benefit the Company gains from the retention of its founder and Chief Executive Officer. The Company also credited amounts to Mr. Fine's accounts under the Non-Qualified Supplemental Retirement Benefit Plan and the Non-Qualified Deferred Compensation Plan, in accordance with the terms of each plan. For additional information regarding the elements of the CEO's compensation, see "Executive Compensation."
