PROXY STATEMENT

FOR

ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON
JUNE 21, 2006

INTRODUCTION

The accompanying proxy is solicited by the Board of Directors of GlobeTel Communications Corp. (the "Company," "we", "us" and similar terms) to be voted at the Annual Meeting of Stockholders to be held at the Grand Palms Hotel, 110 Grand Palms Drive, Pembroke Pines, Florida at 10:00 a.m., E.S.T. (the "Annual Meeting"), and any adjournments thereof. When such proxy is properly executed and returned, the shares it represents will be voted at the meeting as directed. If no specifications are indicated, the shares will be voted in accordance with the recommendation of the Board with respect to each matter submitted to the Company's stockholders for approval. Abstentions and broker non-votes will not be voted, but will be counted for determining the presence of a quorum.

The cost of preparing and mailing the enclosed proxy materials, which is estimated to be approximately \$70,000, will be borne by the Company. The Company may use the services of its officers and employees (who will receive no additional compensation) to solicit proxies. In addition to the use of the mails, proxies may be solicited by telephone, mailgram, facsimile, telegraph, cable, email and personal interview. The Company intends to request banks and brokers holding shares of the Company's common stock to forward copies of the proxy materials to those persons for whom they hold shares and to request authority for the execution of proxies. The Company will reimburse banks and brokers for their out-of-pocket expenses. The Company may also retain the services of a solicitation firm to aid in the solicitation of proxies. If it does so, the Company will pay the fees and expenses of such firm.

A list of stockholders entitled to vote at the Annual Meeting will be available for examination by any stockholder for a proper purpose during normal business hours at the offices of the Company for a period of at least ten days preceding the Annual Meeting.

VOTING AT THE ANNUAL MEETING

The shares entitled to vote at the Annual Meeting consist of shares of the Company's common stock (the "Common Stock"), with each share entitling the holder to one vote. At the close of business on April 28, 2006, the record date for the Annual Meeting, there were issued and outstanding 103,898,223 shares of the Company's common stock. This Proxy Statement and the accompanying form of proxy are first being sent to the stockholders on or about May 31, 2006.

Edgar Filing: GLOBETEL COMMUNICATIONS CORP - Form DEF 14A

Each proxy that is properly signed and received prior to the Annual Meeting will, unless revoked, be voted in accordance with the instructions on such proxy. If no instruction is indicated, the shares will be voted FOR the election of the nominees for director listed in this proxy statement; FOR ratification of the appointment of Dohan and Company, CPAs, PA; FOR the increase of authorized shares to 250 million; and FOR the approval of such other business that may properly come before the Annual Meeting or any postponement or adjournment thereof. A stockholder who has given a proxy may revoke such proxy at any time before it is voted at the Annual Meeting by delivering a written notice of revocation or duly executed proxy bearing a later date to the Secretary of the Company or by attending the meeting and voting in person.

1

A quorum of stockholders is necessary to take action at the Annual Meeting. A majority of the outstanding shares of the Company's common stock, represented in person or by proxy, will constitute a quorum. Votes cast by proxy or in person at the Annual Meeting will be tabulated by the inspector of election appointed for the Annual Meeting. The inspector of election will determine whether or not a quorum is present at the Annual Meeting. The inspector of election will treat abstentions as shares of common stock that are present and entitled to vote for purposes of determining the presence of a quorum.

The six (6) nominees for director shall be elected as directors of the Company if they receive the affirmative vote of a majority of the shareholders of common stock present in person or represented by proxy at the Annual Meeting. The vote required for ratification of Dohan and Company, CPAs, PA as our independent auditors for the fiscal year ending December 31, 2006, is the affirmative vote of a majority of the shares of common stock present in person or represented by proxy at the Annual Meeting. The vote required for the amendment of the Articles of Incorporation to increase the number of authorized shares is the affirmative vote of a majority of the shares of common stock present in person or represented by proxy at the Annual Meeting. For purposes of determining stockholder approval of such proposals, abstentions will be treated as shares of common stock voted against adoption of such proposals.

Proposal 1

ELECTION OF DIRECTORS

NOMINEES AND DIRECTORS

Six directors will be elected at the Annual Meeting. The nominees for director, if elected, will serve until the annual meeting of stockholders to be held in 2007 and until his successor is duly elected and qualified. Our Bylaws currently authorize a Board consisting of not less than one or more than thirteen persons, and our Board currently provides for seven directors. These provisions, together with provisions of our articles of incorporation and by-laws, allow the Board to fill vacancies or increase its size, and may deter or hinder a shareholder from removing incumbent directors and filling such vacancies with its own nominees in order to gain control of the Board.

All nominees have consented to being named herein and have indicated their intention to serve as directors of the Company, if elected. Unless authority to do so is withheld, the persons named as proxies will vote the shares represented by such proxies for the election of the named nominees. In case any of the nominees become unavailable for election to the Board of Directors, which is not anticipated, the persons named as proxies shall have full discretion and authority to vote or refrain from voting for any other nominees in accordance with their judgment. Vacancies on the Board may be filled by the remaining director or directors, even though less than a quorum, for the unexpired term of such vacant position.

The following persons have been nominated for election to the Board of Directors:

J. Randolph Dumas	59	Chairman
Timothy M. Huff	41	Chief Executive Officer & Director

COMPENSATION COMMITTEE REPORT

The report of the Compensation Committee of the Board with respect to compensation in twelve-month period ended December 31, 2005 is as follows:

Compensation Philosophy

The overall policy of the Compensation Committee is to provide the Company's executive officers and other key employees with competitive compensation opportunities based upon their contribution to the financial success of the Company and their personal performance. It is the Compensation Committee's objective to have a substantial portion of each executive officer's compensation contingent upon the Company's performance as well as upon the officer's own level of performance.

Components of Compensation

The principal components of executive officer compensation are generally as follows:

BASE SALARY. With respect to the Company's executive officers, their base salary is fixed in accordance with the terms of their respective employment agreements. See "Employment Agreements".

14

STOCK OPTIONS AND GRANTS. Stock option grants and other stock-based awards, which are designed to further align the interests of each executive officer with those of the shareholders and to provide each officer with a significant incentive to manage the Company from the perspective of an owner with an equity stake in the Company's business.

Compliance With Internal Revenue Code Section 162(M)

Section 162 (m) of the Internal Revenue Code of 1986, as amended, generally provides that publicly held companies may not deduct compensation paid to certain of their top executive officers to the extent such compensation exceeds \$1 million per officer in any year. However, pursuant to regulations issued by the Treasury Department, certain limited exemptions to Section 162(m) apply with respect to "qualified performance-based compensation." The Company is currently monitoring the applicability of Section 162(m) to its ongoing compensation arrangements. The Company does not expect that amounts of compensation paid to its executive officers will fail to be deductible by reason of Section 162 (m).

Audit Committee Report

The Audit Committee oversees the Company's financial reporting process. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards. In addition, the Audit Committee discussed with the independent accountants matters required to be discussed by Statement of Auditing Standards No. 61 (Communication with Audit Committees).

The Company's independent accountants also provided to the Audit Committee the written disclosure and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent accountants the accountants' independence.

Proposal 3

AMEND THE COMPANY'S ARTICLES OF INCORPORATION TO INCREASE
THE NUMBER OF AUTHORIZED COMMON SHARES FROM 150,000,000 TO 250,000,000

During 2005, the company continued to acquire companies as part of its strategy to broaden its portfolio of product offerings, to augment its technological capabilities and to expand its geographic markets and distribution channels. As part of this strategy, the company may acquire additional companies for these and other business reasons. From time to time, the company pays for acquisitions with GlobeTel stock. The Board believes that the proposed increase in the number of authorized shares is desirable to maintain the company's flexibility in choosing how to pay for acquisitions and other corporate actions such as equity offerings to raise capital and adoption of additional benefit plans. The Board will determine the terms of any such issuance of additional shares.

If this proposal is approved, all or any of the authorized shares may be issued without further shareholder action (unless such approval is required by applicable law or regulatory authorities) and without first offering those shares to the shareholders for subscription. The issuance of shares otherwise than on a pro-rata basis to all shareholders would reduce the proportionate interest in the company of each shareholder.

The company has not proposed the increase in the authorized number of shares with the intention of using the additional shares for anti-takeover

Edgar Filing: GLOBETEL COMMUNICATIONS CORP - Form DEF 14A

purposes, although the company could, theoretically, use the additional shares to make it more difficult or to discourage an attempt to acquire control of the company, in order to maximize the price payable by any bidding party.

If this proposal is approved, the fourth article of the Certificate of Incorporation of GLOBETEL COMMUNICATIONS CORP. will be amended to read:

"FOURTH: The total number of shares of stock which the Corporation shall have authority to issue is two hundred sixty million (260,000,000) of which two hundred fifty million (250,000,000) shares shall be designated "Common Stock", \$.00001 par value per share and of which ten million (10,000,000) shall be designated "Preferred Stock", par value \$.001."

Approval of Proposal 3

The approval of Proposal 3 by the stockholders requires that the votes cast favoring Proposal 3 exceed the votes cast opposing Proposal 3.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR AN AMENDMENT TO THE ARTICLES OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED COMMON SHARES TO TWO HUNDRED FIFTY MILLION
