**Item 8.01 Other Events**

On November 30, 2006, The Children's Place Retail Stores, Inc. (the "Company") issued a press release containing the Company's sales results for the four-week period ended November 25, 2006. In addition, in its press release, the Company stated that, as previously announced, the Company has been conducting an internal investigation into its stock option practices, through its outside counsel and under the supervision of the Audit Committee of the Board. The Board has determined that a Special Committee should complete the investigation, and has established a Special Committee consisting of two independent directors. The Board believes a Special Committee is appropriate given that members of the Audit Committee also served on the Compensation Committee during a significant portion of the period during which stock option grants under investigation were made. The Special Committee has retained separate outside counsel to conduct the balance of the investigation. These actions were taken to avoid any questions concerning the objectivity and independence of the investigation. The Company stated that the Board is committed to completing the investigation and resolving these issues as quickly and diligently as possible.

A copy of the Company's press release is included as Exhibit 99.1 hereto.
