On April 21, 2014, Net Element, Inc. (the “Company”) entered into a Secured Convertible Senior Promissory Note (the “Note”) with Cayman Invest, S.A. (“CI”). Pursuant to the Note, CI agreed to loan to the Company \$11,200,000.00. No interest will accrue under the Note; provided, however, that upon a default under the Note, the Note will accrue simple interest, at 12% per annum. Prior to March 31, 2015, effective upon a first financing closing after the date of the Note, in which the Company receives financing of at least \$10 million from a third party (the “Qualified Financing”), the entire principal amount of the Note will be automatically converted into common shares of the Company equal to 15% of the then outstanding shares of the Company. Effective upon an equity financing after the date of this Note in which the Company issues stock, (other than a Qualified Financing) or at any time before or after March 31, 2015, at the option of CI, the entire principal amount of the Note may be converted into common shares of the Company equal to 15% of the then outstanding shares of the Company. Unless converted, the outstanding amount under the Note will be due and payable on the earlier of March 31, 2015 and the closing of a sale of a majority of the ownership of the Company or any voluntary or involuntary liquidation, dissolution or winding up of the Company. Under the Note, the Company agreed to take all actions to have the obligations under the Note positioned as a senior security interest secured by all assets of the Company and by those payment processing portfolios owned by the Company as of the date of the Note.
