**ITEM 2.02 Results of Operations and Financial Condition.**

On October 27, 2016, Stoneridge, Inc. (the “Company”) issued a press release announcing its results for the third quarter ended September 30, 2016. A copy of the press release is attached hereto as Exhibit 99.1. On October 27, 2016, members of the Company’s management held a third quarter 2016 earnings conference call discussing the Company’s financial results and the presentation furnished herewith as Exhibit 99.2, accompanied management’s comments.

The press release contains certain non-GAAP financial measures including Consolidated Constant Currency Adjusted Sales (“Adjusted Sales”) and Adjusted Earnings Before Interest, Taxes, Depreciation and Amortization (“EBITDA”) from Continuing Operations (“Adjusted EBITDA”). Management believes that the presentation of the non-GAAP financial measures used in the press release and conference call presentation are useful to both management and investors in their analysis of the Company’s financial position, results of operations and expected results of operations because the Adjusted Sales and Adjusted EBITDA facilitates a period to period comparison of operating results by excluding the impact of foreign currency translation on sales as well as significant unusual, non-recurring items in 2016 and 2015. Adjusted EBITDA represents the sum of operating income (loss), depreciation, amortization, certain purchase accounting costs, significant unusual, non-recurring items and an adjustment for discontinued operations. These non-GAAP measures, however, should not be considered in isolation or as a substitute for the most comparable GAAP measures. Investors are cautioned that non-GAAP financial measures utilized by the Company may not be comparable to non-GAAP financial measures used by other companies. Adjusted Sales and Adjusted EBITDA should not be considered a substitute for sales or EBITDA prepared in accordance with GAAP.
