GOVERNANCE OF THE COMPANY

Code of Business Conduct and Ethics

The Company has adopted a Code of Business Conduct and Ethics that is applicable to all of the Company's employees, officers and directors, including its Chief Executive Officer, Chief Financial Officer and Chief Accounting Officer. This Code addresses a variety of issues, including the protection of confidential information, insider trading, and employment practices. It also requires strict compliance with all laws, rules and regulations governing the conduct of the Company's business.

The Code of Business Conduct and Ethics is posted in the Investor section of the Company's website at www.invtile.com under the caption Corporate Governance. The Company intends to disclose future amendments to or waivers from the Code of Business Conduct and Ethics on its website within two business days after such amendment or waiver.

Executive Sessions

Executive sessions that include only the non-management members of the Board of Directors are held regularly to review the criteria upon which the performance of the CEO and executive management is based, the performance of the CEO and executive management against such criteria, the compensation of the CEO and executive management, and to discuss any other matters the non-management directors deem relevant.

Communication with Directors

Shareholders can communicate with members of the Company's Board of Directors in one of two ways. Shareholders may mail correspondence to the attention of the Secretary, P.O. Drawer 2687, Chapel Hill, North Carolina 27515-2687. Any correspondence sent via mail should clearly indicate that it is a communication intended for the Board of Directors. Shareholders may also email the Board of Directors at boardofdirectors@invtitle.com. The Office of the Corporate Secretary will regularly monitor this email account. Any communication that is intended for a particular Board member or committee should clearly state the intended recipient.

The Office of the Corporate Secretary will review all communications sent to the Board of Directors via mail and email and will forward all communications concerning Company or Board matters to the Board members within five business days of receipt. If a communication is directed to a particular Board member or committee, it will be passed on only to that member or the members of that committee; otherwise, relevant communications will be forwarded to all Board members.

Director Qualification Standards

The Nominating Committee considers a variety of factors before recommending potential new Board members or the continued service of existing Board members. At a minimum, the Nominating Committee believes that a director nominee must demonstrate character and integrity, have an inquiring mind, possess substantial experience at a strategy or policy setting level, demonstrate an ability to work effectively with others, possess high-level managerial experience in a relatively complex organization or experience dealing with complex problems, have sufficient time to devote to the affairs of the Company and be free from conflicts of interest with the Company and its subsidiaries.

Other factors the Nominating Committee considers when evaluating a director nominee are:

1. Whether the nominee assists in achieving a diverse mix of Board members;

2

2. The extent of the nominee's business experience, technical expertise, and specialized skills or experience;

3. Whether the nominee, by virtue of particular experience relevant to the Company's current or future business, will add specific value as a Board member; and

4. Any factors related to the ability and willingness of a new nominee to serve, or an existing nominee to continue his or her service to, the Company.

The Nominating Committee believes that a majority of the directors should be independent and, as a result, it also considers whether a director nominee is independent under the Company's Board of Director Independence Standards. The Committee also requires that all members of the Audit Committee be financially literate pursuant to applicable NASDAQ listing standards and that at least one member of the Audit Committee be an audit committee financial expert as defined by SEC rules and regulations; therefore, the Nominating Committee considers whether a director nominee meets these criteria when evaluating his or her qualifications.

It is the policy of the Nominating Committee to consider all director candidates recommended by shareholders, provided that such recommendations are made in accordance with the procedures outlined below in Shareholder Proposals for 2005 Annual Meeting. The Nominating Committee evaluates such candidates in accordance with the same criteria it uses to evaluate all other director candidates.

Independent Directors

The Board of Directors has determined that, under the Company's Board of Director Independence Standards, Mr. Francis, Mr. Harrell, Mr. Kennedy, Mr. King, Mr. Morton and Mr. Parker are independent directors. The Board of Director Independence Standards can be found on the Investor section of the Company's website at www.invtitle.com under the heading Corporate Governance.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee is comprised of James R. Morton, Loren B. Harrell, Jr. and A. Scott Parker III. None of these directors are officers, former officers, or employees of the Company or any of its subsidiaries.

Audit Committee Financial Experts

The Board of Directors has determined that all of the current Audit Committee members Mr. Francis, Mr. Harrell, Mr. Kennedy and Mr. King are audit committee financial experts.

Board of Directors and Committees

During the year ended December 31, 2003, the Board of Directors held five meetings. All incumbent directors and nominees, with the exception of William J. Kennedy III, attended 75% or more of the aggregate number of meetings of the Board of Directors and committees of the Board on which they served. The Company expects each of its directors to attend the Annual Meeting of Shareholders unless an emergency prevents them from attending. All of the Board members were present at the 2003 Annual Meeting with the exception of Loren B. Harrell, Jr.

The Company's Board of Directors has a Compensation Committee, a Nominating Committee, an Investment Committee and an Audit Committee.

In addition, the Committee reviews internal audit procedures on various aspects of corporate operations, reviews and approves all related party transactions and periodically consults with the independent auditor on matters relating to internal financial controls and procedures. Finally, the

Committee is responsible for establishing and administering complaint procedures related to accounting and auditing matters.

The Audit Committee has a written charter that is available at no charge on the Investor section of the Company's website at www.invtitle.com under the heading Corporate Governance. The Audit Committee Charter and the Board of Directors Standard Committee Charter Provisions are also attached to this Proxy Statement.

The Company's stock is traded on the NASDAQ National Market under the symbol ITIC. NASDAQ has independence requirements for the members of a listed company's audit committee and the Board of Directors has determined that each member of the Company's Audit Committee is independent as such term is defined by Section 301 of the Sarbanes-Oxley Act of 2002 and by NASDAQ's independent director and audit committee listing standards.

The Compensation Committee: In 2003, the Compensation Committee was composed of James R. Morton, Loren B. Harrell, Jr. and A. Scott Parker III. The Compensation Committee met twice in 2003.

Edgar Filing: INVESTORS TITLE CO - Form DEF 14A

This Committee, which also serves as the Option Committee administering the Company's stock option plans, reviews salaries, bonuses and other compensation of all officers of the Company.

The Nominating Committee: In 2003, the Nominating Committee was composed of J. Allen Fine, David L. Francis and A. Scott Parker III. The Nominating Committee met once in 2003.

The Nominating Committee has a written charter that is available at no charge on the Investor section of the Company's website at www.invtitle.com under the heading Corporate Governance.

The Board of Directors has determined that in 2003 each member of the Company's Nominating Committee was independent as defined by Section 301 of the Sarbanes-Oxley Act of 2002 and by applicable NASDAQ independent director and nominating committee listing standards, with the exception of Mr. Fine.

A slate of nominees for director to present to the shareholders is recommended by the Nominating Committee and determined by at least a majority vote of those directors whose terms do not expire during the year in which the election of directors will be made. The Committee will consider nominees recommended by the shareholders. Any shareholder wishing to make a recommendation regarding a nominee for election at the 2005 Annual Meeting should submit his or her recommendation in accordance with the procedures outlined below in Shareholder Proposals for 2005 Annual Meeting.

Compensation of Directors

Directors do not receive fees for committee meetings attended unless the committee meeting is held on a day other than the regularly scheduled board meeting date. The fee for such a committee meeting is \$250. Directors who are employees of the Company are paid no fees or other remuneration for service on the Board or on any Board committee.

Each non-employee director of the Company was granted a Nonqualified Stock Option, exercisable for 500 shares at \$25.28 per share, on May 15, 2003. These options were immediately exercisable and will expire on May 15, 2013.

The Audit Committee has not yet selected the Company's independent auditor for the fiscal year ended December 31, 2004. Representatives of Deloitte & Touche LLP are expected to attend the 2004 Annual Meeting of Shareholders and be available to respond to appropriate questions. They will have the opportunity to make a statement if they desire to do so.

Audit and Non-Audit Fees

The following table shows fees for professional services rendered by Deloitte & Touche LLP for the audit of the Company's annual financial statements for the years ended December 31, 2003 and December 31, 2002, and fees billed for other services rendered by Deloitte & Touche LLP during those periods. Certain amounts for 2002 have been reclassified to conform to the 2003 presentation.

	<u>2003</u>	<u>2002</u>
Audit Fees(1)	\$125,840	\$107,400
Audit-Related Fees	0	0
	<u>35,400</u>	<u>38,190</u>
Tax Fees(2)	35,400	38,190
All Other Fees(3)	0	0
	<u>\$161,250</u>	<u>\$145,590</u>
Total Fees(4)	\$161,250	\$145,590

(1) Audit fees consisted of the audit of the Company's financial statements, reviews of the Company's quarterly financial statements, statutory audits, consents, the review of various employment agreements and stock plans for key executives, and other services related to compliance with the U.S. Securities and Exchange Commission rules and regulations.

(2) Tax fees consisted primarily of tax compliance services and tax advice and planning.

(3) The Company generally does not engage Deloitte & Touche LLP for other services.

(4) All of the above services either were approved by the Audit Committee prior to entering into the engagement or the engagement to render such services was pre-approved pursuant to the Company's Audit and Non-Audit Services Pre-Approval Policy.

Edgar Filing: INVESTORS TITLE CO - Form DEF 14A

In considering the nature of the services provided by the independent auditor, the Audit Committee determined that such services are compatible with the provision of independent audit services. The Audit Committee discussed these services with the independent auditor and Company management to determine that they are permitted under the rules and regulations concerning auditor independence promulgated by the U.S. Securities and Exchange Commission to implement the Sarbanes-Oxley Act of 2002, as well as the American Institute of Certified Public Accountants.

Audit and Non-Audit Services Pre-Approval Policy

Consistent with SEC policies governing auditor independence, the Company's Audit Committee is directly responsible for appointing, compensating, and overseeing the work of the Company's independent auditor. To carry out its duties, the Audit Committee adopted an Audit and Non-Audit Services Pre-Approval Policy for pre-approving all audit and permissible non-audit services provided by the Company's independent auditor.

Each year prior to engaging the independent auditor for the following year's audit, management submits to the Audit Committee for approval a list of proposed services and associated fees to be performed by the independent auditor for such fiscal year. Prior to engagement, the Audit Committee pre-approves independent auditor services and associated fees within the categories of Audit Services, Audit-Related Services, Tax Services, and Other Services. The Audit Committee is responsible for ensuring that services provided by the independent auditor are permissible under applicable legal requirements. Management periodically informs the Audit Committee of the services actually provided by the independent auditor pursuant to this pre-approval process and the fees associated with such services.

Throughout the year, circumstances may arise that require the engagement of the independent auditor for additional services that were not contemplated by the existing pre-approval categories. In that case, the Audit and Non-Audit Services Pre-Approval Policy requires specific approval of such services before engaging the independent auditor. To ensure the prompt handling of such matters, the Audit Committee has granted pre-approval authority to both its Chair and its Vice-Chair. For informational

purposes only, the Chair or Vice-Chair reports any pre-approval decisions made at the next Audit Committee meeting.

Audit Committee Report

The Audit Committee of the Board of Directors is comprised of the four directors named below. Each member of the Audit Committee is an independent director as defined by Section 301 of the Sarbanes-Oxley Act of 2002 and by NASDAQ's independent director and audit committee listing standards. In accordance with its written charter, the Audit Committee is responsible for assisting the Board of Directors in overseeing the quality and integrity of the accounting and financial reporting practices of the Company. In addition, the Audit Committee is directly responsible for appointing, compensating, and overseeing the work of the Company's independent auditor. To carry out its duties, the Audit Committee has established procedures for pre-approving all audit and permissible non-audit services provided by the independent auditor.

Consistent with Independence Standards Board No. 1, Independence Discussions with Audit Committees, the Audit Committee obtained from Deloitte & Touche LLP a formal written statement describing all relationships between the auditors and the Company that might bear on the auditors' independence. The Audit Committee has also discussed with the independent auditor any relationships that may have an impact on their objectivity and independence and considered whether performance of services other than audit services is compatible with maintaining the independence of the auditors. The Audit Committee has concluded that Deloitte & Touche LLP is independent from the Company and its management.

The Audit Committee discussed and reviewed with management and the independent auditors the audited financial statements of the Company as of and for the year ended December 31, 2003. Management has the responsibility for the preparation of the Company's financial statements and the independent auditors have the responsibility for the examination of those statements.

Edgar Filing: INVESTORS TITLE CO - Form DEF 14A

The Audit Committee also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, Communication with Audit Committees and, with and without management present, discussed and reviewed the results of the independent auditors' examination of the financial statements. Finally, the Audit Committee discussed the quality and adequacy of the Company's internal controls with the independent auditors and management and reviewed with the independent auditors their audit plans, audit scope and identification of audit risks.

In reliance on the reviews and discussion referenced above, the Audit Committee recommended to the Board of Directors that the Company's audited financial statements be included in its Annual Report on Form 10-K for the year ended December 31, 2003, for filing with the Securities and Exchange Commission.

COMPENSATION COMMITTEE REPORT

Overview of Compensation Program

The Company strives to provide a competitive compensation package that allows it to both attract and retain qualified and experienced corporate officers and key employees while motivating its employees to perform to their fullest extent. The Company considers factors such as job performance, experience and contribution to the growth of the Company in determining an employee's compensation. Investors Title Company's compensation package remains competitive with compensation packages offered by other employers of comparable size engaged in similar lines of business.

Evaluation of Executive Performance

In evaluating the performance and establishing the incentive compensation of the Chief Executive Officer and other members of senior management, the Compensation Committee has reviewed and taken into account the successful efforts of those employees in maximizing the Company's sales by establishing operations in new market areas and expanding operations in existing market areas. The Compensation Committee also considered, when reviewing senior management's performance and determining appropriate compensation, their consistent commitment to the Company's long-term success through the introduction of innovative strategies and procedures and intra-Company restructuring. An assessment of the above factors led the Compensation Committee to the conclusion that members of the Company's senior executives remain dedicated to achieving long-term growth and that the compensation package it approved has contributed to such dedication and accomplishments.

Total Compensation

Compensation for each of the senior executives, including the named executive officers, consists of a base salary, a cash and/or stock bonus, incentive stock options and a contribution under a Simplified Employee Pension Plan. In determining the amount of each such element of the compensation package for members of senior management, the Compensation Committee takes into consideration the value of each executive's total compensation.

Salaries

Management reviews the proposed compensation packages with the Compensation Committee each year, and the Committee recommends any modifications it deems appropriate based upon industry standards, national surveys, and individual performance. The Compensation Committee uses the same criteria to fix the Chief Executive Officer's base salary, in addition to assessing his past performance and reviewing their expectations as to his future leadership of the Company.

Annual Incentive Awards

The executive officers named in the Summary Compensation Table and other senior executives of the Company receive stock and cash bonuses based upon their job performance throughout the year. In addition to the factors discussed above that pertain to the introduction of innovations and new and expanded market areas, the Compensation Committee also analyzed the performance of the Company's competitors and other subjective criteria in setting the Chief Executive Officer's bonus award.

12

Stock Options

The Compensation Committee periodically considers issuing stock options to its employees in order to link the interests and concerns of the Company's executives with those of its shareholders. Stock option grants provide an incentive for executives to focus on managing the Company from the perspective of an owner with an equity stake in the Company. In the Committee's opinion, past stock option grants were successful in focusing senior management on building profitability and shareholder value.

The Compensation Committee reviews the proposed option awards with the Chief Executive Officer before granting stock options to key employees, officers and directors of the Company. The Chief Executive Officer is eligible to participate in the same executive compensation plans, including stock option plans, which are available to the other senior executives.

As of November 17, 2003, Investors Title Insurance Company (ITIC), a wholly owned subsidiary of the Company, entered into an employment agreement with J. Allen Fine. The initial term of the agreement is five years and, on the first day of each calendar month, the term is extended one additional month so that at all times the term shall be five years, unless terminated sooner pursuant to the agreement. The agreement provides for a salary of no less than \$245,000 per annum to be fixed annually by the Board of Directors of the Company and, among other benefits, ITIC shall make a quarterly contribution on Mr. Fine's behalf to a Nonqualified Executive Retirement Plan equal to 22% of the base salary and bonus paid to him during such quarter. The employment agreement also allows Mr. Fine to voluntarily terminate the agreement in the event that ITIC materially breaches the agreement and does not cure the breach within thirty days after receiving notice thereof.

ITIC entered into substantially identical employment agreements with James A. Fine, Jr. and W. Morris Fine dated as of November 17, 2003. These agreements include base salaries of \$201,000 per year, however.
