UNAUDITED PRO FORMA FINANCIAL INFORMATION OF
SUMMIT HOTEL PROPERTIES, INC. AND SUMMIT HOTEL OP, LP

Summit Hotel Properties, Inc. (the “Company”) is a self-advised hotel investment company that was organized on June 30, 2010 as a Maryland corporation. The Company holds both general and limited partnership interests in Summit Hotel OP, LP (the “Operating Partnership”), a Delaware limited partnership also organized on June 30, 2010.

On January 14, 2013, the Company closed on its second follow-on common stock offering and issued 17,250,000 shares of common stock for net proceeds of \$148.1 million. The Company contributed the net proceeds to the Operating Partnership in exchange for common units. The Operating Partnership used the proceeds to fund the acquisition of the three Hyatt hotels discussed below that were under contract to purchase and pay down the principal balance of its senior secured revolving credit facility.

On January 22, 2013, the Company purchased from affiliates of Hyatt Hotels Corporation (“Hyatt”), a portfolio of three hotels (the “Hyatt 3 Portfolio”) containing an aggregate of 426 guestrooms for \$36.1 million. The Company had previously acquired from Hyatt eight hotels on October 5, 2012. Collectively the eleven hotels acquired from Hyatt are referred to as the Hyatt 11 Portfolio.

The unaudited pro forma consolidated balance sheets as of December 31, 2012 are presented as if the second follow-on common stock offering and the acquisition of the Hyatt 3 Portfolio had occurred on December 31, 2012. The unaudited pro forma consolidated statements of operations for the year ended December 31, 2012 are presented as if the second follow-on common stock offering and the acquisition of the Hyatt 11 Portfolio had been completed at the beginning of 2012.

The unaudited pro forma financial information is not necessarily indicative of what the Company’s results of operations would have been assuming the second follow-on common stock offering and the acquisition of the Hyatt 11 Portfolio had been completed at the beginning of 2012, nor is it indicative of the results of operations for future periods. The unaudited pro forma financial information reflects the preliminary application of purchase accounting to the acquisition of the Hyatt 3 Portfolio. The preliminary purchase accounting may be adjusted if any of the assumptions underlying the purchase accounting change. In management’s opinion, all adjustments necessary to reflect the effects of the second follow-on common stock offering and the acquisition of the Hyatt 3 Portfolio have been made. This unaudited pro forma financial information should be read in conjunction with the historical financial statements included in the Company’s Annual Report on Form 10-K for the year ended December 31, 2012.
