Item 2.02. Results of Operations and Financial Condition.

On February 16, 2016, Build-A-Bear Workshop, Inc. (the “Company”) issued a press release setting forth the Company’s results for the fourth quarter and full 2015 fiscal year (the “Press Release”). A copy of the Press Release was furnished as Exhibit 99.1 to a Current Report on Form 8-K filed by the Company with the Securities and Exchange Commission on February 16, 2016.

Subsequent to issuance of the Press Release, the Company determined that the fourth bullet point under the heading “Fourth Quarter 2015 Highlights (13 weeks ended January 2, 2016 compared to the 14 weeks ended January 3, 2015)” incorrectly stated net income and income per diluted share. The bullet point should have stated as follows:

“Net income was \$20.1 million, or \$1.21 per diluted share compared to net income of \$11.8 million, or \$0.67 per diluted share in the 2014 fourth quarter; and”

Information contained in the financial tables of the Press Release was correct.

Attached hereto as Exhibit 99.1 is the corrected Press Release issued by the Company.

The information furnished in, contained, or incorporated by reference into this Item 2.02, including Exhibit 99.1 attached hereto, is being furnished and shall not be deemed “filed” for purposes of Section 18 of the Securities and Exchange Act of 1934 (the “Exchange Act”) or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, regardless of any general incorporation language in such filing. In addition, this report (including Exhibit 99.1) shall not be deemed an admission as to the materiality of any information contained herein that is required to be disclosed solely as a requirement of this Item.
