Item 4.02 NONRELIANCE ON A PREVIOUSLY ISSUED FINANCIAL STATEMENT OR A RELATED AUDIT REPORT OR COMPLETED INTERIM REVIEW.

Kopin Corporation (the “Company”) issued a press release on November 8, 2016, a copy of which is attached as Exhibit 99.1 to this report and incorporated herein by this reference, in which the Company today announced that, based upon preliminary findings, it has discovered instances in which an employee at one of its majority-owned foreign subsidiaries appears to have embezzled money from the Company. The Company is currently performing an investigation of the matter. The Company believes, based upon preliminary findings, that the impact of the potential theft will not be material to its previously filed financial statements as of December 26, 2015 and for the six month period ended June 25, 2016. However, the Company has not completed its investigation and is currently assessing the impact the finding might have had upon the Company’s historical financial statements. Accordingly, until such time as the Company completes its review, investors should not rely upon the Company’s financial statements that have been included in the Company’s SEC filings.

The Audit Committee of the Board of Directors and management have discussed the embezzlement and the preliminary results of the forensic investigation with our independent accountants.

Certain statements included in Item 4.02 of this Current Report on Form 8-K, which are not historical facts, are forwardlooking statements. Such forward looking statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995 and speak only as of the date of this Current Report. These forward looking statements represent our current expectations or beliefs and involve certain risks and uncertainties, including those described in our public filings with the SEC.
