Item 2. ACQUISITION OR DISPOSITION OF ASSETS.

The Company has been informed that the owner of the Treemont retirement community, which the Company manages through its subsidiary Siena Housing Management Corp, signed an agreement to sell the property. This event was anticipated by an Amendment to the Management Agreement, as was previously reported, between the Company and the Treemont owners, which provides for the termination of the Management Agreement upon the sale of Treemont, if the Company is compensated a percentage of the net sale proceeds as defined. The Amendment provides for a minimum payment of \$2 million, and based upon the terms of the sale agreement, could be as much as \$2.5 million if current costs of sale estimates are correct. The sales agreement has certain significant due diligence, financing and insurance requirements. As a result of these significant requirements, there can be no assurance that the sale transaction will, in fact, close. The result of a sale would materially and adversely impact the revenue and cash flow of the Company.
