PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS
MAY 13, 2009

This proxy statement is furnished to stockholders of SIGA Technologies, Inc. (“SIGA”, the “Company” or “we”) in connection with the solicitation of proxies, in the accompanying form, by the Board of Directors of SIGA (the “Board of Directors”) for use in voting at the Annual Meeting of Stockholders (the “Annual Meeting”) to be held at the offices of Kramer Levin Naftalis & Frankel LLP, 1177 Avenue of the Americas, 29th Floor, New York, New York 10036, on Wednesday, May 13, 2009, at 10:00 a.m. (local time), and at any adjournment or postponement thereof.

This proxy statement and the accompanying form of proxy are first being mailed to stockholders on or about April 8, 2009.

VOTING RIGHTS AND SOLICITATION OF PROXIES

Purpose of the Annual Meeting

The specific proposals to be considered and acted upon at the Annual Meeting are summarized in the accompanying Notice of Annual Meeting of Stockholders. Each proposal is described in more detail in this proxy statement.

Record Date and Outstanding Shares

The Board of Directors has fixed the close of business on March 31, 2009 as the record date (the “Record Date”) for the determination of stockholders entitled to notice of, and to vote at, the Annual Meeting. Only stockholders of record at the close of business on the Record Date will be entitled to vote at the Annual Meeting or any and all adjournments or postponements thereof. As of the Record Date, SIGA had issued and outstanding 36,140,000 shares of common stock, par value \$.0001 per share (“Common Stock”).

Voting at the Annual Meeting

Each share of Common Stock outstanding on the Record Date will be entitled to one vote on each matter submitted to a vote of the stockholders. Cumulative voting by stockholders is not permitted.

The presence, in person or by proxy, of the holders of a majority of the votes entitled to be cast by the stockholders entitled to vote at the Annual Meeting is necessary to constitute a quorum. Abstentions and broker “non-votes” are counted as present and entitled to vote for purposes of determining a quorum. A broker “non-vote” occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner.

For the election of directors, a plurality of the votes cast is required. Abstentions and broker “non-votes” are not considered for the purpose of the election of directors.

For the ratification of the appointment of PricewaterhouseCoopers LLP as the independent registered public accounting firm of SIGA for the fiscal year ending December 31, 2009, the affirmative vote of a majority of the total votes cast on such proposal in person or by proxy at the Annual Meeting is required. Abstentions and broker “non-votes” for such proposal are not considered to have been voted on the proposal.

Revocability and Voting of Proxies

Any person signing a proxy in the form accompanying this proxy statement has the power to revoke it prior to the Annual Meeting or at the Annual Meeting prior to the vote pursuant to the proxy. A proxy may be revoked by any of the following methods:

- by writing a letter delivered to Ayelet Dugary, Secretary of SIGA, stating that the proxy is revoked;
- by submitting another proxy with a later date; or
- by attending the Annual Meeting and voting in person.

Please note, however, that if a stockholder's shares are held of record by a broker, bank or other nominee and that stockholder wishes to vote at the Annual Meeting, the stockholder must bring to the Annual Meeting a letter from the broker, bank or other nominee confirming that stockholder's beneficial ownership of the shares.

Unless we receive specific instructions to the contrary or unless such proxy is revoked, shares represented by each properly executed proxy will be voted: (i) FOR the election of each of SIGA's nominees as a director; (ii) FOR the ratification of the appointment of PricewaterhouseCoopers LLP as the independent registered public accounting firm of SIGA for the fiscal year ending December 31, 2009; and (iii) with respect to any other matters that may properly come before the Annual Meeting, at the discretion of the proxy holders. SIGA does not presently anticipate that any other business will be presented for action at the Annual Meeting.

Solicitation

SIGA will pay the costs of soliciting proxies. SIGA may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to beneficial owners. Directors, officers and regular employees may also solicit proxies by telephone, facsimile or other means or in person. They will not receive any additional payments for the solicitation.

PROPOSAL NO. 1**ELECTION OF DIRECTORS**

Twelve directors are to be elected at the Annual Meeting to hold office until the next Annual Meeting of Stockholders and until their successors have been duly elected and qualified. Unless otherwise instructed, the proxy holders will vote the proxies received by them FOR the election of the twelve persons named in the table below as directors of SIGA. Proxies cannot be voted for a greater number of persons than the nominees named. In the event that any of the below listed nominees for director should become unavailable for election for any presently unforeseen reason, the persons named in the accompanying proxy form have the right to use their discretion to vote for a substitute.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE “FOR” THE ELECTION (ITEM 1 OF THE ENCLOSED PROXY CARD) OF DR. ROSE, MR. ANTAL, MR. BAYER, MR. CONSTANCE, MR. FASMAN, DR. HAMMER, MR. MARSHALL, DR. MJALLI, DR. OZ, MR. SAVAS, MR. SLOVIN AND DR. WEINER AS DIRECTORS.

Meetings of the Board of Directors

During 2008, the Board of Directors held eight meetings. During 2008, two directors, Dr. Mehmet C. Oz and Dr. Adnan M. Mjalli, attended fewer than 75% of the aggregate of the meetings of the Board of Directors and committees thereof, upon which such director served during the period for which he has been a director or committee member. In addition, no actions were taken during 2008 by unanimous written consent of the Board of Directors.

Those members of the Board of Directors who are independent as defined by Rule 4200 of the NASD Marketplace Rules (the "Independent Directors") are also required, pursuant to Rule 4350(c)(2) of the NASD Marketplace Rules, to regularly convene executive sessions where only such Independent Directors are present. Such meetings may be in conjunction with regularly-scheduled meetings of the Board of Directors. Each member of the Board of Directors is also expected to attend the annual meeting of stockholders of SIGA. Eight members of the Board of Directors attended SIGA's 2008 annual meeting of stockholders.

Committees of the Board of Directors

The Board of Directors currently has, and appoints the members of, standing Audit, Compensation and Nominating and Corporate Governance Committees. Each member of the Audit, Compensation and Nominating and Corporate Governance Committees is an Independent Director. Each of these committees has a written charter approved by the Board of the Directors in March 2004. A copy of each charter is posted on SIGA's website at www.siga.com under the "Corporate Governance" section.

Audit Committee. The Audit Committee, which currently consists of directors Paul G. Savas, Judy S. Slotkin and James J. Antal, held thirteen meetings during 2008. The Board of Directors has determined that each of the members of the

Audit Committee is “independent” under the applicable laws, rules and regulations. The Company has determined that Mr. Savas is an “audit committee financial expert” within the meaning of Regulation S-K promulgated by the Securities and Exchange Commission (the “SEC”). The purpose of the Audit Committee is to assist the Board of Directors in the oversight of the integrity of the financial statements of SIGA, SIGA’s compliance with legal and regulatory matters, the independent registered public accounting firm’s qualifications and independence, and the performance of SIGA’s independent registered public accounting firm. The primary responsibilities of the Audit Committee are set forth in its charter, and include various matters with respect to the oversight of SIGA’s accounting and financial reporting process and audits of the financial statements of SIGA on behalf of the Board of Directors. The Audit Committee also selects the independent registered public accounting firm to conduct the annual audit of the financial statements of SIGA; reviews the proposed scope of such audit; reviews accounting and financial controls of SIGA with the independent registered public accounting firm and our financial accounting staff; and reviews and approves transactions, if any, between us and our directors, officers, and their affiliates. A copy of the Audit Committee charter is available on SIGA’s website at www.siga.com under the “Corporate Governance” section. Also see the section of this proxy statement entitled “Report of the Audit Committee.”

Compensation Committee. The Compensation Committee, which currently consists of directors Steven L. Fasman, Paul G. Savas, Bruce Slovin, and Michael A. Weiner, held four meetings during 2008. The Board of Directors has determined that each of the members of the Compensation Committee is “independent” within the meaning of the NASDAQ listing standards. The Compensation Committee functions include reviewing and approving the compensation and benefits for SIGA’s executive officers, administering SIGA’s stock plans and making recommendations to the Board of Directors regarding these matters. A copy of the Compensation Committee charter is available on SIGA’s website at www.siga.com under the “Corporate Governance” section. Also see the section of this proxy statement entitled “Compensation Discussion and Analysis.”

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee (the “Nominating Committee”), which currently consists of directors Judy S. Slotkin, James J. Antal and Michael A. Weiner, held four meetings in 2008. The Board of Directors has determined that each of the members of the Nominating Committee is “independent” within the meaning of the NASDAQ listing standards. The Nominating Committee is responsible for searching for and recommending to the Board of Directors potential nominees for director positions, making recommendations to the Board of Directors regarding the size and composition of the Board of Directors and its committees, monitoring the Board of Director’s effectiveness and developing and implementing SIGA’s corporate governance procedures and policies. A copy of the Nominating and Corporate Governance Committee charter is available on SIGA’s website at www.siga.com under the “Corporate Governance” section.

In selecting candidates for the Board of Directors, the Nominating Committee begins by determining whether the incumbent directors whose terms expire at the annual meeting of stockholders desire and are qualified to continue their service on the Board of Directors. SIGA is of the view that the continuing service of qualified incumbents promotes stability and continuity of the Board of Directors, giving SIGA the benefit of the familiarity and insight into SIGA’s affairs that its directors have accumulated during their tenure, while contributing to the Board of Director’s ability to work as a collective body. Accordingly, it is the policy of the Nominating Committee, absent special circumstances, to nominate qualified incumbent directors who continue to satisfy the Nominating Committee’s criteria for membership on the Board of Directors, whom the Nominating Committee believes will continue to make important contributions to the Board of Directors and who consent to stand for re-election and, if re-elected, to continue their service on the Board of Directors. If there are positions on the Board of Directors for which the Nominating Committee will not be re-nominating an incumbent director, or if there is a vacancy on the Board of Directors, the Nominating Committee will solicit recommendations for nominees from persons whom the Nominating Committee believes are likely to be familiar with qualified candidates, including members of the Board of Directors and management of SIGA. The Nominating Committee may also engage a professional search firm to assist in the identification of qualified candidates, but did not do so in 2008. As to each recommended candidate that the Nominating Committee believes merits serious consideration, the Nominating Committee will collect as much information, including without limitation, soliciting views from other directors and SIGA’s management and having one or more Nominating Committee members interview each such candidate, regarding each candidate as it deems necessary or appropriate in order to make an informed decision with respect to such candidate. Based on all available information and relevant considerations, the Nominating Committee will select, for each directorship to be filled, a candidate who, in the view of the Nominating Committee, is most suited for membership on the Board of Directors. In making its selection, SIGA will evaluate candidates proposed by stockholders under criteria similar to the evaluation of other candidates, except that the Nominating Committee may consider, as one of the factors in its evaluation of stockholder recommended nominees, the size and duration of the interest of the recommending stockholder or stockholder group in the

equity of SIGA. This consideration may also include how long the recommending stockholder intends to continue holding its equity interest in SIGA.

The Nominating Committee has adopted a policy with regard to the minimum qualifications that must be met by a Nomination Committee-recommended nominee for a position on the Board of Directors, which policy is described in this paragraph. The Nominating Committee generally requires that all candidates for the Board of Directors be of high personal integrity and ethical character. The Nominating Committee requires that candidates not have any interests that would, in the view of the Nominating Committee, materially impair his or her ability to (i) exercise independent judgment or (ii) otherwise discharge the fiduciary duties owed as a director to SIGA and its stockholders. In addition, candidates must be able to represent fairly and equally all stockholders of SIGA without favoring or advancing any particular stockholder or other constituency of SIGA. Candidates must have demonstrated achievement in one or more fields of business, professional, governmental, communal, scientific or educational endeavor. Candidates are expected to have sound judgment and a general appreciation regarding major issues facing public companies of a size and operational scope similar to SIGA, including contemporary governance concerns, regulatory obligations of a public issuer, strategic business planning, competition in a global economy, and basic concepts of corporate finance. Candidates must also have, and be prepared to devote, adequate time to the Board of Directors and its committees. It is expected that, taking into account their other business and professional commitments, including their service on the boards of other companies, each candidate will be available to attend meetings of the Board of Directors and any committees on which the candidate will serve, as well as SIGA's annual meeting of stockholders. SIGA also requires that at least a majority of the directors serving at any time on the Board of Directors are independent, as defined under the rules of the NASDAQ stock market and that at least three of the directors satisfy the financial literacy requirements required for service on the Audit Committee under the rules of the NASDAQ stock market.

The Nominating Committee has adopted a policy with regard to the consideration of director candidates recommended by stockholders, the material elements of which policy are described in this paragraph. The Nominating Committee will consider recommendations for the nomination of directors submitted by holders of SIGA's shares entitled to vote generally in the election of directors. The Nominating Committee will give consideration to these recommendations for positions on the Board of Directors where the Nominating Committee has not determined to re-nominate a qualified incumbent director. While the Nominating Committee has not established a minimum number of shares that a stockholder must own in order to present a nominating recommendation for consideration, or a minimum length of time during which the stockholder must own its shares, the Nominating Committee may take into account the size and duration of a recommending stockholder's ownership interest in SIGA. The Nominating Committee may also consider whether the stockholder making the nominating recommendation intends to maintain an ownership interest in SIGA of substantially the same size as at its interest at the time of making the recommendation. The Nominating Committee may refuse to consider recommendations of nominees who do not satisfy the minimum qualifications prescribed by the Nominating Committee for board candidates.

The Nominating Committee has adopted procedures to be followed by stockholders in submitting recommendations of candidates for directors. The procedures are posted on SIGA's website at www.siga.com under the "Corporate Governance" section, and described in this paragraph. A stockholder (or group of stockholders) wishing to submit a nominating recommendation for an annual meeting of stockholders should try to ensure that it is received by SIGA, as provided herein, not later than 120 calendar days prior to the first anniversary of the date of the proxy statement for the prior annual meeting of stockholders. All stockholder nominating recommendations should be in writing, addressed to the "Nominating and Corporate Governance Committee" care of SIGA's Chief Financial Officer at SIGA's principal headquarters, 420 Lexington Avenue, Suite 408, New York, New York 10170. Submissions should be made by mail, courier or personal delivery. A nominating recommendation should be accompanied by the following information concerning each recommending stockholder:

- The name and address, including telephone number, of the recommending stockholder;
- The number and class of SIGA's shares owned (beneficially or of record) by the recommending stockholder and the time period for which such shares have been held;
- A statement from the stockholder as to whether the stockholder has a good faith intention to continue to hold the reported shares through the date of SIGA's next annual meeting of stockholders;

Code of Ethics

SIGA has adopted a Code of Ethics and Business Conduct that applies to its officers, directors and employees, including without limitation, our Chief Executive Officer, Chief Financial Officer and Chief Scientific Officer. The Code of Ethics and Business Conduct is available, free of charge, on SIGA's website at www.siga.com under the "Corporate Governance" section.

Stockholder Communications with the Board of Directors

SIGA stockholders may send communications to the Board of Directors, any committee of the Board of Directors or an individual director. The process for so communicating is posted on SIGA's website at www.siga.com under the "Corporate Governance" section.

REPORT OF THE AUDIT COMMITTEE

The members of the Audit Committee have been appointed by the Board of Directors. During the 2008 fiscal year, the Audit Committee consisted solely of independent directors, as defined in Rule 4200(a)(15) of the NASD Marketplace Rules. The Audit Committee operates under a written charter that was amended and restated by the Board of Directors in March 2004 in order to assure continued compliance by SIGA with SEC and NASDAQ rules enacted in response to requirements of the Sarbanes-Oxley Act.

The Audit Committee assists the Board of Directors in monitoring the integrity of SIGA's financial statements, the independent registered public accounting firm's qualifications and independence, the performance of the independent registered public accounting firm, and the compliance by SIGA with legal and regulatory requirements. Management is responsible for SIGA's internal controls and the financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of SIGA's financial statements in accordance with generally accepted auditing standards and for issuing a report on those financial statements. The Audit Committee monitors and oversees these processes.

In this context, the Audit Committee has reviewed and discussed the audited financial statements for the year ended December 31, 2008 with management and with PricewaterhouseCoopers LLP, SIGA's independent registered public accounting firm. The Audit Committee has discussed with PricewaterhouseCoopers LLP the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (Communications with Audit Committees) as adopted by The Public Company Oversight Board in Rule 3200T, which includes, among other items, matters related to the conduct of the audit of SIGA's annual financial statements.

The Audit Committee has also received the written disclosures and the letter from PricewaterhouseCoopers LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accountant's communications with the audit committee concerning independence and has discussed with PricewaterhouseCoopers LLP the issue of their independence from SIGA and management. In addition, the Audit Committee has considered whether the provision of non-audit services by the independent registered public accounting firm in 2008 is compatible with maintaining the auditors' independence and has concluded that it is.

Based on its review of the audited financial statements and the various discussions noted above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in SIGA's Annual Report on Form 10-K for the year ended December 31, 2008. The Audit Committee has also recommended, subject to stockholder ratification, the selection of SIGA's independent registered public accounting firm for the year ending December 31, 2009.

The members of the Audit Committee are Paul G. Savas, Judy S. Slotkin and James J. Antal, none of whom is or, during the fiscal year 2008, was, an employee of SIGA.

Respectfully submitted by the Audit Committee,
Paul G. Savas, Chairman
James J. Antal
Judy S. Slotkin

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

Ownership of Common Stock

The following tables set forth certain information regarding the beneficial ownership of SIGA's voting securities as of March 16, 2009 of (i) each person known to SIGA to beneficially own more than 5% of the applicable class of voting securities, (ii) each director and director nominee of SIGA, (iii) each Named Executive Officer and (iv) all directors and executive officers of SIGA as a group. As of March 16, 2009, a total of 36,103,826 shares of Common Stock were outstanding. Each share of Common Stock is entitled to one vote on matters on which holders of Common Stock are eligible to vote. The column entitled "Percentage of Total Voting Stock Outstanding" shows the percentage of total voting stock beneficially owned by each listed party.

The number of shares beneficially owned is determined under rules promulgated by the Securities and Exchange Commission, and the information is not necessarily indicative of beneficial ownership for any other purpose. Under those rules, beneficial ownership includes any shares as to which the individual has sole or shared voting power or investment power and also any shares which the individual has the right to acquire within 60 days of March 16, 2009, through the exercise or conversion of any stock option, convertible security, warrant or other right. Unless otherwise indicated, each person or entity named in the table has sole voting power and investment power (or shares that power with that person's spouse) with respect to all shares of capital stock listed as owned by that person or entity.

COMPENSATION DISCUSSION AND ANALYSIS

Overview

The Compensation Committee of the Board of Directors is responsible for implementing the Board of Director's directives relating to the compensation of our named executive officers, as well as our other key employees. In this regard, the Compensation Committee has the responsibility to establish a compensation policy for officers and key employees designed to (i) attract and retain the best possible executive talent; (ii) tie annual and long-term cash and stock incentives to achievement of measurable corporate and individual performance objectives; and (iii) provide competitive compensation to our officers and key employees to align executives' incentives with the creation of stockholder value.

As a general matter, the compensation policy for officers and key employees includes:

- base salary, which is determined on an annual or semi-annual basis
- annual or other time-based cash incentive compensation, and
- long-term incentive compensation in the forms of equity participation awards.

This section discusses the principles underlying our executive compensation policies, our decisions to date and the principles that we expect to use in coming years.

Our Named Executive Officers

For 2008, our Named Executive Officers and their titles were:

Name	Title
Dr. Eric A. Rose	Chief Executive Officer and Chairman of the Board
Thomas N. Konatich	Chief Financial Officer, Vice President, Secretary and Treasurer (1)
Dr. Dennis E. Hruby	Chief Scientific Officer and Vice President
Ayelet Dugary	Acting Chief Financial Officer and Secretary (2)

(1) Mr. Konatich became Chief Financial Officer on April 1, 1998. Effective January 31, 2009 the Company and Mr. Konatich agreed not to extend the terms of Mr. Konatich's employment agreement and effective January 31, 2009, Mr. Konatich's employment with the Company ended.

(2) On February 1, 2009, Ms. Dugary became Acting Chief Financial Officer.

Our Executive Compensation Decision Process

Overview

Our Compensation Committee reviews and approves on a periodic basis the corporate goals and objectives with respect to the compensation for the Chief Executive Officer and other executive officers.

Role of Executive Officers in Setting Compensation Decisions

Regarding most compensation matters, the Chief Executive Officer has historically provided recommendations to the Compensation Committee relying on his personal experience with respect to evaluating the contribution of our other executive officers. Dr. Eric A. Rose, our Chief Executive Officer and Chairman of the Board of Directors, is involved in compensation recommendations, with input from our Chief Financial Officer and Chief Scientific Officer, as it relates to the compensation of other key employees. The Compensation Committee considers, but retains the right to reject or modify such recommendations. Although the Chief Executive Officer may attend a portion of the meetings of the Compensation Committee, neither he nor any other member of management may be present during executive sessions of the Compensation Committee. Moreover, the Chief Executive Officer may not be present when decisions with respect to his compensation are

made. The Committee has used, on more than one occasion, a third-party compensation consultant.

Compensation Advisors

The Compensation Committee has the authority to retain compensation consultants to advise the Compensation Committee as it deems necessary to carry out its duties. In 2008, the Compensation Committee retained the services of Mercer Consulting as its independent executive compensation consultant. In connection with this engagement, the

Compensation Committee requested that Mercer Consulting review the fairness of the proposed compensation package for Dr. Eric A. Rose, who became the Company's Chief Executive Officer on March 1, 2007.

Competitive Market Analysis and Benchmarking

In reviewing and recommending the compensation of the Chief Executive Officer and other executive officers, the Compensation Committee considers the compensation awarded to officers of similarly situated companies, our performance, the individuals' performance, compensation given to our officers in past years or any other factor the Compensation Committee deems appropriate. As a framework for the Compensation Committee's decisions regarding the 2009 compensation of the Company's named executive officers, the Compensation Committee evaluated aggregate executive compensation data from the fiscal years 2006 and 2007 regarding the chief executive officer, chief financial officer, and chief scientific officer of each of Emergent Biosolutions Inc., Human Genome Sciences, Inc., and Neurogen Corporation, and the chief executive officer, senior vice president and vice president of PharmAthene, Inc. These companies were selected as similarly situated because they are all biotechnology companies specializing either in small molecule drugs or solutions to bioterrorism, and none have market capitalizations exceeding \$1.5 billion. In connection with the compensation decision for our Chief Executive Officer, we also considered compensation data relating to Dynavax Technologies Corp., AVI Biopharma Inc., Hemispherx Biopharma Inc., Alexion Pharmaceuticals Inc., Genaera Corp., Biocryst Pharmaceuticals Inc., and Avigen Inc. These companies were selected as similarly situated because they are all biotechnology companies of a comparable size to the Company. The Committee found that the aggregate compensation paid to the Company's executive officers was consistent with the selected peer group taking into account differences, such as size of grant revenue, scope of supervisory responsibility of employees and nature of other commitments, with the peer group.

Evaluations

The Compensation Committee evaluates at least once a year the performance of our officers and other key employees in light of goals and objectives established by the Committee and, based upon these evaluations, the Compensation Committee recommends to the full Board of Directors the annual compensation for our officers and key employees, including base salary, bonus, incentive, and equity compensation. In its evaluation of the Chief Executive Officer, the Compensation Committee considers overall management of the Company, the progress achieved by our drug candidates, the establishment and maintenance of successful relationships with the Company's various funding and research partners and potential customers and successful relations with the Board of Directors and the shareholders. In its evaluation of the Chief Financial Officer, the Committee considers the Company's financial performance, the Chief Financial Officer's role in achieving our financial goals, the Chief Financial Officer's relationships with the shareholders and potential investors, the Chief Financial Officer's efforts with respect to financial regulatory compliance (including compliance with NASDAQ rules, the securities laws and all related regulations), and the preparation of and compliance with the Company's budget. In its evaluation of the Company's Chief Scientific Officer, the Committee considers achievement of program objectives within budgetary requirements, new grants obtained, relationships with regulators and current and possible future scientific partners, compliance with grant requirements and management of the Company's research facility located in Corvallis, OR.

Our Compensation Philosophy and Program Objectives

The overall objectives of the Company's compensation program are to attract and retain the best possible executive talent, to motivate these executives to achieve the goals inherent in the Company's business strategy, to maximize the link between executive and stockholder interests through a stock option plan and to recognize individual contributions as well as overall business results. To achieve these objectives, the Company has developed an overall compensation strategy and specific compensation plans that tie a substantial portion of an executive's compensation to performance.

Our Executive Compensation Program

Overview

The key elements of the Company's compensation program consist of fixed compensation in the form of base salary, and the discretion to award variable compensation in the forms of incentive compensation and stock option awards. The Compensation Committee's policies with respect to each of these elements are discussed below. In addition, while the elements of compensation described below are considered separately, the Compensation Committee takes into account the full compensation package offered by the Company to the individual, including pension benefits, insurance and other benefits, as well as the programs described below.

Base Salary

The compensation philosophy of the Company is to maintain executive base salary at a competitive level to enable the Company to attract and retain executives and key employee talent needed to accomplish the Company's goals. In determining the appropriate base salary levels and, to a lesser extent, other compensation elements, the Compensation Committee considers the scope of responsibility, prior experience and past accomplishments, as well as historical practices within the Company. Economic and business conditions affecting the Company are also considered. The Compensation Committee also considers historical levels of salary paid by the Company as well as the provisions in the various executive's employment contracts with the Company, which contracts are more fully discussed elsewhere in this proxy statement.

Periodic adjustments in base salary may be merit-based with respect to individual performance or tied to the Company's financial condition or other competitive factors. The Compensation Committee takes into account the effect of any corporate transactions that have been consummated during the relevant year and, where appropriate, also considers non-financial performance measures. These include the Company's competitive position, scientific developments and improvements in relations with employees and investors.

For Dr. Rose, Mr. Konatich, Ms. Dugary, and Dr. Hruby, we paid as base salary in 2008 the amounts required under their employment agreements. These amounts were reviewed and set by our Compensation Committee. These base salary levels reflect our Compensation Committee's subjective judgment, which took into account each executive's respective position and tenure, our present needs, the executive's individual performance, achievements and prior contributions.

Annual Incentive Compensation

The Compensation Committee, in its discretion, may establish cash incentive programs and otherwise award bonuses to executive officers and key employees. Annual incentive compensation to our executive officers is payable pursuant to contractual provisions with certain executives which provide eligibility to receive discretionary bonuses, in the sole discretion of the Board of Directors based on the executives' performance, economic and business conditions affecting the Company, and the financial condition of the Company. The Compensation Committee makes recommendations to the Board of Directors with respect to such amounts. In addition, Dr. Hruby is contractually entitled to certain guaranteed cash bonus payments each year of his current employment agreement. Mr. Konatich was also contractually entitled to certain guaranteed cash bonus payments for each year of his employment agreement prior to the termination of his employment with SIGA. The annual incentive compensation earned by the other executives with respect to 2008 was discretionary and determined by the Compensation Committee. We believe that the annual incentive bonuses motivate and encourage our executives to fulfill our objectives and provide us with the opportunity to recognize superior individual performance.

For 2008, each of Mr. Konatich, Ms. Dugary, and Dr. Hruby were eligible for annual cash bonuses. In the case of Mr. Konatich, his annual cash bonus was \$60,000, for Ms. Dugary, her annual cash bonus was \$40,000, and for Dr. Hruby his annual cash bonus was \$125,000.

Long-Term Incentive Awards

The Compensation Committee believes that granting stock options provides officers and key employees with a strong economic interest in maximizing stock price appreciation over the long term. The Committee also believes that the practice of granting stock options can be useful in retaining and recruiting the key talent necessary to ensure the Company's continued success. This element of compensation is governed by the Amended and Restated 1996 Incentive and Non-Qualified Stock Option Plan (the "Option Plan") that provides for grants of incentive stock options and non-qualified stock options to our executives, directors and key employees. The Option Plan is administered by our Compensation Committee, which reviews management's recommendations concerning persons to be granted stock options, and determines the number of stock options to be granted to each such person, and the terms and conditions of any stock options as permitted under the Option Plan. The exercise price of stock options is set by the Compensation Committee and has been at a price at least equal to the market price of the Common Stock on the date of the grant. The options therefore do not have any value to the executive unless the market price of the Common Stock rises, which ensures that the interests of our executives are aligned with those of our shareholders. Through these option grants, we seek to emphasize the importance of improving the performance of our stock price, increasing shareholder value over the long-term.

Both incentive options ("Incentive Options") and nonqualified options ("Nonqualified Options") may be granted under the Option Plan. An Incentive Option is intended to qualify as an incentive stock option within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"). As such, any Incentive Option granted under the Option Plan will have an exercise price of not less than 100% of the fair market value of the shares on the date on which

such option is granted. With respect to an Incentive Option granted to an employee who owns more than 10% of the total combined voting stock of SIGA or of any parent or subsidiary of SIGA, the exercise price for such option must be at least 110% of the fair market value of the shares subject to the option on the date the option is granted.

In determining the size of an option grant to a named executive officer, the Compensation Committee considers not only competitive market factors, changes in responsibility and the executive officers' achievement of pre-established goals, but also the number, term and vesting of options previously granted to the officer. The Compensation Committee may also consider the total compensation package or changes made thereto, when determining whether to make an option award.

During the year ended December 31, 2008 the Compensation Committee recommended the award of 400,000 options to Dr. Eric A. Rose, Chief Executive Officer. The Compensation Committee recommended that the awarded options become exercisable according to the following vesting schedule: (a) with respect to 100,000 of the optioned Shares, 33,333 shall vest on November 14, 2009, 33,333 shall vest on November 14, 2010 and the remaining 33,334 shall vest on November 14, 2011; (b) with respect to 200,000 of the Optioned Shares, the entire amount shall vest when the Company and one or more purchasers have entered into one or more contracts for the sale of ST-246 with an aggregate purchase price of not less than \$50 million, and the Company has received at least an aggregate of \$25 million in non-refundable payments pursuant to such contract(s); and (c) with respect to 100,000 of the optioned Shares, the entire amount shall vest upon the acceptance for filing by the U.S. Food and Drug Administration, or successor thereto (the "FDA"), of a New Drug Application for ST-246 pursuant to Section 505(b) of the Food, Drug and Cosmetic Act, as amended, and Sections 314.50 and 314.101 of the FDA regulations. The award recommended by the Compensation Committee was approved by the Board of Directors and all of the aforementioned options have an exercise price of \$2.49 per share.

Additional Benefits and Perquisites

Our officers and key employees are entitled to participate in the benefit plans which are generally available to all employees, including health, dental, life, and accidental disability. For each of these benefit plans, the Company makes contributions to the premiums paid to the plans. The Company also offers a 401(k) defined contribution plan, however, the Company does not make any contribution to the 401(k) plan. In each case, we provide these benefits to our executive officers on the same basis as our other employees.

Severance and Change-in-Control Agreements

We also provide some of our executive officers with severance and change-in-control arrangements in their employment contracts. We believe that severance and change of control packages are a common characteristic of compensation for key executive officers. They are intended to provide our executive officers with a sense of security in making the commitment to dedicate their professional careers to our success. Due to our size relative to other public companies and our operating history, we believe that severance and change-in-control arrangements are necessary to help us attract and retain necessary skilled and qualified executive officers to continue to grow our business.

Our Compensation Policies

Section 162(m) Policy

The Compensation Committee has found it unnecessary to consider the applicability of Section 162(m) of the Code because no executive officer receives compensation in excess of one million dollars.

Common Share Ownership Requirements

While we have not adopted a formal written policy on common share ownership requirements, part of our compensation philosophy involves common share ownership by our executive officers, because we believe that it helps to align their financial interests with those of our shareholders. We also recognize, on the other hand, that our executive officers cannot acquire more than 10% of our common shares without triggering adverse tax consequences. In addition, we expect our executive officers to abide by the provisions of our 2004 Policy on Confidential Information and Insider Trading.

Timing of Awards

Our Compensation Committee has the authority to issue equity awards under our Option Plan. We expect that the Compensation Committee will continue making option awards to our executive officers and key employees when appropriate. The Compensation Committee strives to ensure that any award is made in such a manner to avoid even the appearance of manipulation because of its award date.

Financial Restatement

Although we have not adopted a formal written policy, it is our Board of Directors' informal policy that the Compensation Committee will, to the extent permitted by governing law, have the sole and absolute authority and discretion in consultation with the Board of Directors, to make retroactive adjustments to any cash or equity based incentive payments to executive officers where the payment was based upon the achievement of certain financial results that were subsequently the subject of a restatement, without regard to misconduct being involved. If the Compensation Committee chose to exercise this discretion, we would seek to recover any amount determined to have been improperly paid to the executive officer.

Employment Agreements

We currently have employment agreements with Dr. Rose, Ms. Dugary and Dr. Hruby. Dr. Rose's employment agreement became effective as of March 1, 2007 and the most recent amendments to the employment agreements of Ms. Dugary and Dr. Hruby became effective as of March 11, 2009. We have included below descriptions of the current employment agreements of each of these officers, as amended. In addition, we had an employment agreement with our former Chief Financial Officer, Mr. Konatich, during his term of employment, and this employment agreement is also described below.

Eric A. Rose – Chief Executive Officer

On January 31, 2007, we entered into an employment agreement with Eric A. Rose, M.D., pursuant to which he became our Chief Executive Officer, effective as of March 1, 2007. The current term of his employment agreement expires on February 29, 2010, and, unless either party provides thirty (30) days notice prior to the end of the term, shall automatically renew for additional one (1) year periods thereafter. Pursuant to the employment agreement, we agree to pay to Dr. Rose an annual base salary of \$400,000, subject to any cost of living adjustments as may be approved by our Board of Directors. Dr. Rose is also eligible to receive bonus payments (in either cash or stock options) as may be approved by the Board of Directors in its sole discretion. We may terminate his employment agreement (with or without cause), provided that upon any termination by us without cause (including, without limitation, termination without cause upon a change in control), or termination by Dr. Rose for good reason, we will be obligated to continue to pay Dr. Rose's base salary for one year, and all stock options and other stock-based grants to Dr. Rose shall immediately and irrevocably vest and become exercisable upon the date of termination and shall remain exercisable for a period of not less than one (1) year from the date of termination. Further detail on our severance obligations to Dr. Rose, including the definitions of "cause," "good reason" and "change in control" is set forth below under the heading "Potential Payments Upon Termination or Change-in-Control."

Thomas N. Konatich – Former Chief Financial Officer

We employed Mr. Thomas N. Konatich, as SIGA's Chief Financial Officer, under an employment agreement amended and restated on January 22, 2007, which replaced his prior employment agreement. Mr. Konatich also served as our Vice President, Secretary and Treasurer, and from May 1, 2006 through February 28, 2007 served as our Acting Chief Executive Officer. Pursuant to the employment agreement, we agreed to pay to Mr. Konatich an annual base salary of \$250,000, subject to any cost of living adjustments as may be approved by our Board of Directors, and an annual cash bonus of \$60,000. Mr. Konatich was also eligible to receive such additional bonus payments (in either cash or stock options) as may be approved by our Board of Directors in its sole discretion.

On January 29, 2009, SIGA and Thomas N. Konatich, SIGA's Chief Financial Officer, agreed not to extend the current term of Mr. Konatich's employment agreement, and therefore his employment with SIGA terminated effective January 31, 2009.

In connection with Mr. Konatich's departure, SIGA entered into a Separation and Release Agreement (the "Konatich Separation Agreement") with Mr. Konatich on January 29, 2009. Pursuant to the Konatich Separation Agreement, Mr. Konatich resigned as Vice President, Chief Financial Officer, Treasurer and Secretary of SIGA, effective January 31, 2009. In addition, all existing employment agreements between SIGA and Mr. Konatich were terminated.

Mr. Konatich will continue to receive his base salary for a period of six months following January 31, 2009. In addition, provided that Mr. Konatich timely elects COBRA continuation coverage for health insurance benefits and Mr. Konatich does not become employed by a third party which provides medical and dental benefits, SIGA will provide to Mr. Konatich health insurance benefits through July 31, 2009. The Konatich Separation Agreement further provides that certain vested stock options granted to Mr. Konatich under the Option Plan, which would otherwise expire within 90 days of January 31, 2009, will be extended until December 31, 2009.

Dennis E. Hruby – Chief Scientific Officer

On January 22, 2007, we entered into an amended and restated employment agreement with Dr. Dennis E. Hruby, our Chief Scientific Officer, which replaced his prior employment agreement. The current employment agreement expires on January 22, 2010. Pursuant to his employment agreement, we agree to pay to Dr. Hruby an annual base salary of \$250,000, subject to any cost of living adjustments as may be approved by our Board of Directors, and an annual cash bonus of no less than twenty-five percent (25%) and no more than fifty percent (50%) of Dr. Hruby's base salary. Dr.

Hruby is also eligible to receive such additional bonus payments (in either cash or stock options) as may be approved by our Board of Directors in its sole discretion. We may terminate his employment agreement (with or without cause), provided that upon any termination by us without cause (including, without limitation, termination without cause upon a change in control), or termination by Dr. Hruby for good reason, we will be obligated to continue to pay Dr. Hruby's base salary for two years, and all stock options and other stock-based grants to Dr. Hruby shall immediately and irrevocably vest and become exercisable upon the date of termination and shall remain exercisable for a period of not less than two (2) years from the date of termination. On March 11, 2009, we amended Dr. Hruby's employment agreement whereby we agreed to pay Dr. Hruby an annual base salary of \$275,000, subject to any cost of living adjustments as may be approved by our Board of Directors, and an annual cash bonus of no less than \$75,000 and no more than \$150,000. In addition, unless either party provides notice of its desire not to renew the Hruby Employment Agreement thirty (30) days prior to the expiration of the then-current term, the employment Agreement shall automatically renew for additional one (1) year periods. In the event that Dr. Hruby's employment is not renewed by SIGA upon the expiration of its term, Dr. Hruby will receive severance in an amount equal to his annual base salary at the time of such non-renewal. The agreement also provides that Dr. Hruby shall report to the Board of Directors, SIGA's Chief Executive Officer or any other executive officer in a position senior to him. All other material terms of the original employment agreement remain unchanged.

Further detail on our severance obligations to Dr. Hruby including the definitions in his current employment agreement of "cause," "good reason" and "change in control" is set forth below under the heading "Potential Payments Upon Termination or Change-in-Control."

Ayelet Dugary – Acting Chief Financial Officer

On March 11, 2009, we amended Ayelet Dugary's existing employment agreement, and pursuant to such amendment she became our Acting Chief Financial Officer, effective as of February 1, 2009. Pursuant to her employment agreement, as amended, we agree to pay to Ms. Dugary an annual base salary of \$225,000, subject to any cost of living adjustments as may be approved by our Board of Directors, and an annual cash bonus of \$50,000. Ms. Dugary is also eligible to receive bonus payments (in either cash or stock options) as may be approved by the Board of Directors in its sole discretion. We may terminate the employment agreement (with or without cause), provided that upon any termination by SIGA without cause (including, without limitation, termination without cause upon a change in control, as such term is defined in the employment agreement), or termination by Ms. Dugary for good reason (as such term is defined in the employment agreement), SIGA will be obligated to continue to pay Ms. Dugary's base salary for one year, and all stock options and other stock-based grants to Ms. Dugary shall immediately and irrevocably vest and become exercisable upon the date of termination and shall remain exercisable for a period of not less than one year from the date of termination. In addition, unless either party provides notice of its desire not to renew the Dugary Employment Agreement thirty (30) days prior to the expiration of the then-current term, the employment Agreement shall automatically renew for additional one (1) year periods. In the event that Ms. Dugary's employment is not renewed by SIGA upon the expiration of its term, Ms. Dugary will receive severance in an amount equal to her annual base salary at the time of such non-renewal. The agreement also provides that Ms. Dugary shall report to the Board of Directors, SIGA's Chief Executive Officer or any other executive officer in a position senior to her. All other material terms of the original employment agreement remain unchanged.

Previously Ms. Dugary was employed as SIGA's Director of Finance and Controller since December 2004, where she was responsible for SIGA's financial planning and reporting, including SIGA's SEC filings and communication with the Board of Directors.

TRANSACTIONS WITH RELATED PERSONS

Review, Approval or Ratification of Transactions with Related Persons

The Company's policies and procedures for reviewing, approving, and ratifying transactions with related persons are set forth in a written policy.

Under these procedures, at each calendar year's first regularly scheduled Audit Committee meeting, management recommends related party transactions be entered into by the Company for that calendar year, including the proposed aggregate value of such transactions, if applicable. After review, the Audit Committee either approves or disapproves such transactions, and at each subsequently scheduled meeting, management is required to update the Audit Committee as to any material change to those proposed transactions.

Further, in the event management recommends any further related party transactions subsequent to the first calendar year meeting, such transactions may be presented to the Audit Committee for approval or preliminarily entered into by management subject to ratification by the Audit Committee; provided that, if ratification shall not be forthcoming, management shall make all reasonable efforts to cancel or annul such transactions.

In addition, with respect to any related party transaction that includes a compensation component, management will submit the terms of such proposed compensation (or any subsequent material changes to such compensation) to the Compensation Committee for its review. After its review, the Compensation Committee either approves or disapproves the compensation component of the related party transaction and informs management and the Audit Committee of such approval or disapproval.

Transactions with Related Persons

Based on information provided by the directors and the executive officers, the Audit Committee determined that there were no related person transactions to be reported in this proxy statement other than:

During the year ended December 31, 2008, we were billed by TransTech Pharma, Inc. and its affiliate for services provided in connection with our lead development programs. Directors Paul Savas and Adnan M. Mjalli currently serve as directors of Transtech Pharma, Inc. Dr. Mjalli also serves as the President, Chairman of the Board and Chief Executive Officer of TransTech Pharma, Inc.

Kramer Levin Naftalis and Frankel LLP, the Company's legal counsel, billed the Company for legal services provided to the Company. One of our directors, Thomas Constance, is a partner at Kramer Levin Naftalis and Frankel LLP.

On June 19, 2008, we entered into a letter agreement (the "Letter Agreement"), with MacAndrews & Forbes, LLC ("M&F"), a related party, for M&F's commitment to invest, at SIGA's discretion, up to \$8 million over a one-year period (the "Investment Period") in exchange for (i) SIGA common stock at per share price equal to the lesser of (A) \$3.06 and (B) the average of the volume-weighted average price per share for the 5 trading days immediately preceding each funding date, and (ii) warrants to purchase 40% of the number of SIGA shares acquired by the Investor, exercisable at 115% of the common stock purchase price on such funding date (the "Consideration Warrants"). The Consideration Warrants will be exercisable for up to four years following the issuance of such warrants. M&F has the option, during the Investment Period, to invest in the Company under the same investment terms.

In addition to and in consideration for the commitment of M&F, M&F received warrants to purchase 238,000 shares of SIGA common stock, exercisable at \$3.06 (the "Commitment Warrants"). The Commitment Warrants are exercisable until June 19, 2012.

PROPOSAL NO. 2
RATIFICATION OF APPOINTMENT OF

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors has appointed the firm of PricewaterhouseCoopers LLP as SIGA's independent registered public accounting firm to audit the financial statements of SIGA for the fiscal year ending December 31, 2009, and recommends that stockholders vote for ratification of this appointment. PricewaterhouseCoopers LLP has audited SIGA's financial statements since January 1997. Representatives of PricewaterhouseCoopers LLP are expected to be present at the Annual Meeting and will have the opportunity to make a statement if they desire to do so, and are expected to be available to respond to appropriate questions. The affirmative vote of a majority of the total votes cast on such proposal in person or by proxy at the Annual Meeting will be required to ratify the selection of PricewaterhouseCoopers LLP.

If the stockholders fail to ratify the selection, the Audit Committee will reconsider its selection of auditors. Even if the selection is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year, if it determines that such change would be in the best interests of SIGA and its stockholders.

Audit Fees

PricewaterhouseCoopers LLP billed SIGA \$324,000 in the aggregate, for professional services rendered and expenses incurred by them for the audit of SIGA's annual financial statements for the fiscal year ended December 31, 2008, reviews of the interim financial statements included in SIGA's Forms 10-Q filed during the year ended December 31, 2008 and consents and reviews of various documents filed with the SEC during the year ended December 31, 2008.

PricewaterhouseCoopers LLP billed SIGA \$352,000 in the aggregate, for professional services rendered and expenses incurred by them for the audit of SIGA's annual financial statements for the fiscal year ended December 31, 2007, reviews of the interim financial statements included in SIGA's Forms 10-Q filed during the year ended December 31, 2007 and consents and reviews of various documents filed with the SEC during the year ended December 31, 2007.

Audit Related Fees

PricewaterhouseCoopers LLP billed SIGA \$20,000 in the aggregate, for audit related services rendered by them during the year ended December 31, 2008. PricewaterhouseCoopers LLP billed SIGA \$2,400 in the aggregate for other services during the year ended December 31, 2008.

There were no Audit Related Fees in 2007.

Tax Fees

PricewaterhouseCoopers LLP did not render any professional services for tax compliance, tax advice or tax planning during either of the fiscal years ended December 31, 2008 or December 31, 2007.

All Other Fees

PricewaterhouseCoopers LLP did not provide any products or render any professional services (other than those covered above under "Audit Fees," "Audited Related Fees" and "Tax Fees") during the fiscal year ended December 31, 2007.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm

The Audit Committee's policy is to pre-approve all audit and permissible non-audit services provided by the independent registered public accounting firm. These services may include audit services, audit-related services, tax services, and other services.

SIGA did not make use in fiscal year 2008 of the rule that waives pre-approval requirements for non-audit services in certain cases if the fees for these services constitute less than 5% of the total fees paid to the auditor during the year.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE RATIFICATION (ITEM 2 OF THE ENCLOSED PROXY CARD) OF THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS SIGA'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2009.

STOCKHOLDER PROPOSALS

Stockholder proposals to be presented at the 2010 Annual Meeting of Stockholders, for inclusion in SIGA's proxy statement and form of proxy relating to that meeting, must be received by SIGA at its offices in New York, New York, addressed to the Secretary, not later than January 1, 2010. Such proposals must comply with SIGA's By-Laws and the requirements of Regulation 14A of the Exchange Act.

In addition, Rule 14a-4 of the Exchange Act governs SIGA's use of its discretionary proxy voting authority with respect to a stockholder proposal that is not addressed in the proxy statement. With respect to SIGA's 2009 Annual Meeting of Stockholders, if SIGA is not provided notice of a stockholder proposal prior to March 1, 2009, SIGA will be allowed to use its discretionary voting authority when the proposal is raised at the meeting, without any discussion of the matter in the proxy statement.

SECTION 16 BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires SIGA's officers and directors, and persons who own more than ten percent of a registered class of SIGA's equity securities, to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than ten-percent stockholders are required by SEC regulation to furnish SIGA with copies of all Section 16(a) reports that they file.

Based solely upon review of the copies of such reports furnished to SIGA and written representations from certain of SIGA's executive officers and directors that no other such reports were required, SIGA believes that during the fiscal year ended December 31, 2008, no director failed to file on a timely basis a report relating to a transaction as required by Section 16 of the exchange Act.

AVAILABILITY OF ANNUAL REPORT AND FORM 10-K TO STOCKHOLDERS

SIGA's Annual Report to Stockholders for the year ended December 31, 2008 accompanies this proxy statement. SIGA will provide to any stockholder, upon written request and without charge, a copy of its most recent Report on Form 10-K, including the financial statements, as filed with the SEC. All requests for such reports should be directed to the Acting Chief Financial Officer, 420 Lexington Avenue, Suite 408, New York, New York 10170, telephone number (212) 672-9100.

OTHER MATTERS

At the date of this proxy statement, management was not aware that any matters not referred to in this proxy statement would be presented for action at the Annual Meeting. If any other matters should come before the Annual Meeting, the persons named in the accompanying proxy will have discretionary authority to vote all proxies in accordance with their best judgment, unless otherwise restricted by law.
