PROPOSAL NO. 3

RATIFY AND APPROVE THE ADOPTION OF THE 2007 INCENTIVE STOCK OPTION PLAN

2007 Incentive Stock Option Plan Summary

The 2007 Incentive Stock Option Plan (**Plan**) is intended to reward directors, officers and key employees who contribute to our success and to provide them with a stake in the enterprise as stockholders. Consistent with this

belief, the award of stock options will be an important element of our compensation program.

We intend to use the Plan to attract competent directors, executive personnel, and other employees, aid in the retention of the services of existing directors, executive personnel, and employees, and provide incentives to all such personnel to devote the utmost effort and skill to our advancement by permitting them to participate in ownership and thereby permitting them to share in increases in the value which they help produce.

The Plan will be administered by our Board of Directors or a compensation committee appointed by our Board.

Awards granted under the Plan are intended to be incentive stock options, or ISOs, as defined in the Internal Revenue Code of 1986, as amended, which will be awarded to directors, officers and employees, who, in the opinion of the Board of Directors or the Compensation Committee, have contributed, or are expected to contribute, materially to our success.

The exercise price of options granted under the Plan, as determined by our Board of Directors, may be based on the fair market value of the underlying common stock at the time of grant and, in the case of ISOs may not be less than 100% of the fair market value of such capital stock on the date the option is granted or, in the case of holders of more than 10% of our outstanding common stock, 110% of the fair market value.

Options granted under the Plan expire no later than ten years after the date of grant or, in the case of a holder of greater than 10% of our outstanding common stock, five years. The option price may be paid by cash or, at the discretion of our Board of Directors or the Compensation Committee, by delivery of options or shares of our common stock already owned by the optionee, which will be valued at their fair market value at the date of exercise, or a combination thereof.

All of our employees, officers, and directors are eligible to participate under the Plan. A maximum of 4,000,000 shares are available for grant under the Plan. The identification of individuals entitled to receive awards, the terms of the awards, and the number of shares subject to individual awards, will be determined by our Board of Directors or the Compensation Committee, in their sole discretion; provided, however, that in no event may the aggregate fair market value of shares for which an ISO is first exercisable in any calendar year by any eligible employee exceed \$100,000.

--

The aggregate number of shares with respect to which options or stock awards may be granted under the Plan, the number of shares covered by each outstanding option, and the purchase price per share will be adjusted for any increase or decrease in the number of issued shares resulting from a recapitalization, reorganization, merger, consolidation, exchange of shares, stock dividend, stock split, reverse stock split, or other subdivision or consolidation of shares.

Our Board of Directors or the Compensation Committee may from time to time alter, amend, suspend, or discontinue the Plan with respect to any shares as to which options or stock awards have not been granted. However, unless approved by our stockholders or required by an event of dilution, no such alteration or amendment may increase the maximum number of shares for which options or stock awards may be granted under the Plan either in the aggregate or to any eligible employee, reduce the minimum option prices which may be established under the Plan, extend the period or periods during which options may be granted or exercised, materially modify the requirements as to eligibility for participation in the Award Plans, change the provisions relating to events of dilution, or materially increase the benefits accruing to the eligible participants under the Plan.

All options granted to a participant shall automatically terminate as of the date an eligible participant's employment or service on the Board of Directors terminates if the participant is terminated as a result of any act of (a) fraud or intentional misrepresentation, or (b) embezzlement, misappropriation, or conversion of assets or opportunities of our company. Otherwise, all options shall terminate at the end of three months following termination of employment or service.

Vote Required

Ratification and approval of the Company's 2007 Incentive Stock Option Plan requires the approval of a majority of the voting power represented by shares at the Annual Meeting in person or by proxy and entitled to vote, assuming that a quorum is present or represented at the Annual Meeting. The Board of Directors recommends a vote FOR the ratification of the ratification and approval of the Plan. **It is intended that in the absence of contrary specifications, proxies will be voted for the ratification and approval of the Plan.**

PROPOSAL NO. 4

VOTE ON CHANGE OF DOMICILE FROM THE STATE OF COLORADO TO THE STATE OF OKLAHOMA, INCLUDING A NAME CHANGE

The Company proposes to change its domicile from the state of Colorado to the state of Oklahoma. The principal reasons to make this change of domicile are to reduce corporate income taxes and to have the domicile in a state where the Company has significant working properties and reserves. In addition, Oklahoma has adopted a corporate legal structure similar to the state of Delaware, a state with one of the most completely developed and updated corporate legal structures. In connection with the change of domicile, the Company would also change its name from Powder River Basin Gas Corp. to Powder River Petroleum International, Inc., to avoid confusion about our current name and its association with Powder River Basin in Wyoming and its environmental problems which are unrelated to the Company.

In fiscal 2006, the Company paid approximately \$405,000 in state income tax to the state of Colorado, the current corporate domicile, even though the Company has no operations, no business office, no property and no other presence in Colorado. The corporate tax rate in Colorado is 4.63% on all income. If the Company had been domiciled in Oklahoma in fiscal 2006, it would have paid no taxes to the state of Colorado and would have paid approximately \$11,000 to the state of Oklahoma, saving approximately \$394,000. The corporate tax rate in Oklahoma is \$1.25 per each \$1,000 of income, to a maximum total fee of \$20,000. The Company believes that if the change of domicile is approved, savings going forward will increase especially if revenues increase as anticipated.

In addition, the Company has significant operations in Oklahoma. Management spends considerable time in the state, the Company's general counsel is located in Oklahoma and Oklahoma is a state noted for its oil and gas reserves and operations. Management believes that having the Company domiciled in Oklahoma could also increase its visibility as an oil and gas owner and producer within the industry.

Finally, management proposes to change the name of the corporation to Powder River Petroleum International, Inc. Although the Company does not and has not operated in the Powder River Basin in the state of Wyoming, the

--

Company has received comments and questions from existing shareholders as well as potential shareholders and the investment community regarding a connection with Wyoming due to its related environmental problems.

Management believes that changing the Company's name will reduce the potential confusion.

Operation of the Merger

Under the terms of the Change of Domicile Agreement and Plan of Merger (attached hereto as Appendix A), the Company would merge with and into Powder River Petroleum International, Inc., an Oklahoma corporation formed with the same authorized capital structure and par value per share. Each share of the Company outstanding prior to the effectiveness of the merger would be exchanged for a share of the new company. Upon completion of the merger, the separate corporate existence of the Colorado corporation would cease. Shareholders would not be required to exchange their existing certificates of the Colorado corporation for certificates of the Oklahoma corporation since the transfer agent will maintain records of ownership and transfer. Shareholders wishing to exchange certificates could do so by submitting the certificates to the transfer agent and paying a small transfer fee.

The Company will be required to apply for a new trading symbol on the Over-The-Counter Bulletin Board. However, the Company's trading status will be otherwise unaffected. The Company's transfer agent will continue to be Madison Stock Transfer, 1688 East 16th, Suite 7, Brooklyn, NY 11229.

In general, rights of common stockholders under Oklahoma law will not differ significantly from rights under Colorado law. Voting procedures, annual and special meetings, voting for directors and quorum requirements for meetings are generally similar. However, for approval of major corporate transaction, Oklahoma requires approval of only a simple majority of the total issued and outstanding shares as opposed to Colorado which requires approval of two thirds of the issued and outstanding shares. Also, for a corporation to take actions requiring shareholder approval without a meeting, Colorado requires the written consent of all shares issued and outstanding, while Oklahoma permits actions with only a simple majority of the total shares issued and outstanding. Both of these differences may minimize the ability of minority shareholders in Oklahoma to affect corporate decision making. However they also may enhance a corporation's ability to take necessary business and corporate actions swiftly and without unnecessary expenses.

Vote Required

Approval of the proposed change of domicile from the state of Colorado to the state of Oklahoma requires the approval of a minimum of two thirds of the shares issued and outstanding at the Record Date. The Board of Directors recommends a vote **FOR** the change of domicile and name change. **It is intended that in the absence of contrary**

specifications, proxies will be voted for the ratification and approval of the change of domicile and name change.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following tables set forth as of September 6, 2007 the name and address and the number of shares of our common stock held of record or beneficially by each person who held of record, or was known by us to own beneficially, more than 5% of the shares of our common stock issued and outstanding, and the name and shareholdings of each Director and of all officers and Directors as a group. The information on share numbers and percentage ownership listed assumes: a) the exercise of warrants by the beneficial owner (all included warrants are currently exercisable); and b) a corresponding increase in the number of shares issued and outstanding.

Beneficial ownership is determined in accordance with the rules of the SEC. In determining the number of shares beneficially owned by a person, options or warrants to purchase common stock held by that person that are currently exercisable, or become exercisable within 60 days following September 6, 2007, are deemed outstanding; however, such shares are not deemed outstanding for purposes of computing the percentage ownership of any other person. We believe that all of the persons named in this table have sole voting and investment power with respect to all shares of common stock shown as beneficially owned by them, subject to community property laws where applicable and except as indicated in the other footnotes to this table.

As of September 6, 2007, 144,983,605 shares of common stock were issued and outstanding.

APPENDIX A

2007 INCENTIVE STOCK OPTION PLAN

1.

Purpose of the Plan. The **POWDER RIVER BASIN GAS CORP.** 2007 Incentive Stock Option Plan (**Plan**) is intended to advance the interests of **POWDER RIVER BASIN GAS CORP.** (**Company**) by providing its directors, officers, and other key employees who have substantial responsibility for the direction and management of the Company with incentive for them to promote its success, to increase their proprietary interest in the Company, and to encourage them to remain in its employ. The above aims will be effectuated through the granting of certain stock options to purchase shares of the common stock of the Company (**Common Stock**). It is intended that options granted under the Plan and designated by the Committee under Paragraph 2 will qualify as Incentive Stock Options (**Options**) under Section 422A of the Internal Revenue Code of 1954, as amended (**Code**), and the terms of the Plan shall be interpreted in accordance with this intention. In the event that this Plan is inconsistent in any way with applicable provisions of the Code relating to incentive stock options, it is the intent of the Company that the terms of the Code shall apply.

2.

Administration of the Plan. The Board of Directors shall appoint a Committee or, if no such committee is so appointed, the Board of Directors shall act as the Committee to administer this Plan. The Board may from time to time appoint members to the Committee in substitution for members previously appointed and may fill vacancies, however caused, in the Committee. The Committee shall select one of its members as its Chairman and shall hold its meetings at such times and places as it shall deem advisable. All actions of the Committee shall be taken by majority vote of its members. Any action may be taken by a written instrument signed by all the members of the Committee, and action so taken shall be as effective as if that action had been taken by a majority vote of the Committee members at a meeting duly called and held. The Committee may appoint a secretary to keep minutes of its meetings and shall make such rules and regulations for the conduct of its business as it shall deem advisable.

3.

Grant of Options. Subject to any applicable limitation in federal tax laws from time to time, the Committee shall have complete and full authority in its discretion: (i) to determine and designate those directors, officers, key employees and other key consultants of the Company and/or of its subsidiaries who are to receive Options, (ii) to authorize the granting of Options, (iii) to establish the number of shares to be covered by such Options including the terms thereof; and (iv) to interpret the Plan and to prescribe, amend, and rescind rules and regulations relating to it. All decisions of

the Committee shall be final and binding.

4.

Stock Subject to the Plan. The aggregate number of shares which may be issued under Options granted under the Plan shall not exceed 4,000,000 shares of Common Stock. Such shares may consist of authorized but unissued shares of Common stock or previously issued shares of Common Stock reacquired by the Company. Any shares subject to an Option under the Plan which remain unissued upon the termination of the Option and which are not subject to outstanding Options at the termination of the Plan, shall cease to be subject to the Plan, but until termination of the Plan, the Company shall at all times make available sufficient shares to meet the requirements of the Plan. Should any Option hereunder expire or terminate prior to its exercise in full, the shares theretofore subject to such Option may again be subject to a new Option granted under the Plan. The aggregate number of shares which may be issued under the Plan shall be subject to adjustments as provided in Paragraph 6(j) hereof.

5.

Eligibility. The persons eligible to participate in the Plan as recipients of Options shall include only key employees of the Company and/or its subsidiaries. The term key employee shall include directors, officers, executives, and supervisory personnel, including key consultants to the extent permitted under the Code. The term subsidiary corporation shall for the purpose of this Plan be defined in the same manner as such term is defined in Section 425(f) of the Code. A key employee who has been granted an Option hereunder shall remain eligible to receive an additional Option or Options, if the Committee shall so determine. Options granted to different recipients and at different times need not contain similar provisions.

6.

Terms and Conditions. Each Option granted under the Plan shall be evidenced by a written Incentive Stock Option Agreement (Option Agreement), in a form approved by the Committee, which shall be subject to the following express terms and conditions and to such other terms and conditions as the Committee may deem appropriate.

(a) Option Period. Each Option Agreement shall specify the period for which the Option thereunder is granted (which in no event shall exceed ten years from the date of grant) and shall provide that the Option shall expire at the end of such period. However, in the case of an Option granted to an individual who, at the time of grant, owns more than ten percent of the total combined voting power of all classes of Common Stock of the Company (Ten Percent Stockholder) on the date the Option is granted to him, the Option period shall not exceed five years from the date of grant.

(b) Option Price. The purchase price under each Option issued shall be determined by the Committee at the time the Option is granted, but in no event shall such purchase price be less than 100 percent of the fair market value of the Company's Common Stock on the date of grant. In the case of an Option granted to a Ten Percent Stockholder, the Option price shall not be less than 110 percent of the fair market value of the Common Stock on the date of grant,

subject to the Option, on the date the Option is granted.

(c) Exercise Period. Each Option Agreement shall provide that the Option therein granted may be exercised in whole or in part at any time after the Option grant or vested in such installments as the Committee or Board of Directors may specify. However, no portion of any Option may be exercisable prior to the approval of the Plan by the shareholders of the Company.

(d) Procedure for Exercise. Options shall be exercised by the delivery of written notice to the Company setting forth the number of shares with respect to which the Option is to be exercised. Such notice shall be accompanied by cash or certified check, bank draft, and specifying the address to which the certificates for such shares are to be mailed. Alternatively, in lieu of cash or its equivalent, optionee may surrender shares of Common Stock of the Company or other options to purchase shares of the Company. Surrendered shares shall be valued at the bid for the Company's Common Stock at the Close on the date prior to the receipt by the Company. Options shall be valued at the exercise price of the options surrendered. As promptly as practicable after receipt of such written notification and payment, the Company shall deliver to the optionee, certificates for the number of shares with respect to

--

which such Option has been so exercised, issued in the optionee's name; provided, however, that such delivery shall be deemed effected for all purposes when a stock transfer agent of the Company shall have deposited such certificates in the United States mail, addressed to the optionee, at the address specified pursuant to this paragraph 6(d).

(e) Termination of Employment. If a key employee to whom an Option has been granted ceases to be employed by the Company or any of its subsidiaries for any reason other than death or disability, the Options theretofore granted to him under this Plan to the extent not theretofore exercised by him, shall forthwith terminate. Any Options which are exercisable on the date of such termination of employment may be exercised during a three month period beginning on such date; provided, however, if an optionee's employment is terminated because of the optionee's dishonesty, theft, embezzlement from the Company, disclosing trade secrets of the Company or willful misconduct, then any Option or unexercised portion thereof granted to said optionee shall expire upon such termination of employment.

(f) Disability or Death of Optionee. In the event of the disability or death of an Option holder under the Plan while he is employed by the Company or any of its subsidiaries, the Options previously granted to him may be exercised (to the extent he would have been entitled to do so at the date of his disability or death) at any time and from time to time, within a period of one year after his disability or death, by the former employee, by the executor or administrator of his estate, by the person or persons to whom his rights under the Option shall pass by will or the laws of descent and distribution, but in no event may the Option be exercised after its stated expiration. An optionee shall be deemed to be disabled if, in the opinion of a physician selected by the Committee, he is not capable of performing services for the Company or any of its subsidiaries by reason of any medically determinable physical or mental impairment which can be expected to result in death or to be of long, continued and indefinite duration.

(g) Transferability. Any Option granted hereunder may NOT be sold, pledged, assigned, hypothecated, transferred or disposed of in any manner other than by will or by the laws of descent and distribution and shall be exercisable, during the optionee's lifetime, only by him.

(h) No Rights as a Stockholder. An optionee or a permitted transferee of an Option under the Plan has no rights as a stockholder with respect to shares covered by an Option until the date he validly exercises the Option in accordance herewith including full payment for the exercised Option shares; except as provided in paragraph 6(j), no adjustment for dividends or otherwise shall be made if the record date therefor is prior to the date on which he became or becomes the holder of record thereof.

(i) Extraordinary Corporate Transactions. In the event of (i) the dissolution or liquidation of the Company or similar occurrence, (ii) any merger, consolidation, acquisition, reorganization, or similar occurrence, where the Company will not be a surviving entity or (iii) a transfer of all or substantially all of the assets of the Company or more than 80% of the outstanding Common Stock, the Option rights granted hereunder shall terminate and thereupon become null and void; provided, however, that each optionee shall have the right immediately prior to or concurrently with such

dissolution, liquidation, merger, consolidation, acquisition, reorganization or similar occurrence, to exercise any Option rights granted hereunder, without regard to an option period or of any limitations thereunder.

(j) Changes in Company's Capital Structure. The existence of the Plan and outstanding Options granted hereunder shall not affect in any way the right or power of the Company or its stockholders to make or authorize any or all adjustments, re-capitalizations, reorganizations or other changes in the Company's capital structure or its business, or any merger or consolidation of the Company, or any issuance of bonds, debentures, preferred or prior preference stock senior to or affecting the Common Stock or the rights thereof, or the dissolution or liquidation of the Company, or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar character or otherwise; provided, however, if the outstanding shares of Common Stock of the Company shall at any time be changed or exchanged by declaration of a stock dividend, stock split, combination of shares, or recapitalization, the number and kind of shares subject to the Plan or subject to any Options theretofore granted, and the Option prices, shall be appropriately and equitably adjusted.

(k) Investment Representation. Shares of Common Stock shall not be issued and delivered with respect to an Option granted under the Plan unless issuance of such shares (i) complies with all relevant provisions of law including, without limitation the Securities Act of 1933, as amended, the Securities Exchange Act of 1934, as amended, the rules and regulations promulgated thereunder, or (ii) the Committee has received evidence satisfactory to it to the effect that an exemption from registration under the Securities Act and any applicable state securities laws is available for the sale and issuance contemplated. Each Option Agreement shall contain an agreement that upon demand by the Committee for such a representation, the optionee (or any person acting under paragraph 6(f)) shall deliver to the Company at the time of any exercise of an Option a written representation that the shares to be acquired upon such exercise are to be acquired for investment and NOT for resale and NOT with a view to the distribution thereof, except as permitted by law and by the Company. Upon such demand, delivery of such representation prior to the delivery of any shares issued upon exercise of an Option and prior to the expiration of the Option period shall be a condition precedent to the right of the optionee or such other person to purchase any shares.

(l) Option Agreement. Each Option Agreement which provides for the grant of an Option to a key employee shall contain such terms and provisions as the Committee may determine to be necessary or desirable in order to qualify such Option under Section 422A of the Code.

7.

Amendments or Termination. The Board of Directors may at any time and from time to time amend, alter or terminate the Plan, but no amendment or alteration shall be made which would impair the rights of any optionee under any Option theretofore granted without his consent, or which, without the approval of the holders of at least a majority of the shares of Common Stock at the time outstanding, would: (i) except as is provided in paragraph 6(j) of the Plan, increase the minimum number of shares reserved for the purposes of the Plan or reduce the Option price provided for in paragraph 6(b) of the Plan, (ii) change the class of persons eligible to participate in the Plan as provided in paragraph 4 of the Plan, (iii) extend the Option period provided for in paragraph 6(a) of the Plan, or (iv) extend the expiration date of this Plan set forth in paragraph 9 of the Plan.

8.

Compliance With Other Laws and Regulations. The Plan, the grant and exercise of Options thereunder, and the obligation

--

of the Company to sell and deliver shares under such Options shall be subject to all applicable federal and state laws, rules and regulations and to such approvals by any governmental or regulatory agency or national securities exchange as may be required, and shall be further subject to counsel for the Company with respect to such compliance. The Company shall not be required to issue or deliver any certificates for shares of Common Stock prior to the completion of any registration or qualification of such shares under any federal or state law or any ruling or regulation of any government body or national securities exchange which the Company shall, in its sole discretion, determine to be necessary or advisable and the Company shall have no obligation to effect any such registration or qualification.

9.

Effectiveness and Expiration of Plan. The Plan shall be effective on the date the Board of Directors of the Company adopts the Plan. If the holders of at least a majority of the shares of Common Stock at the time outstanding fail to approve the Plan within twelve months after the date the Board of Directors approved the Plan, the Plan shall thereupon terminate and all Options previously granted under the Plan shall immediately become null and void. The Plan shall expire ten years after the effective date of the Plan and thereafter no Option shall be granted pursuant to the Plan.

10.

Liability of Company. The Company, its parent or any subsidiary which is in existence or thereafter comes into existence shall not be liable to an optionee or other persons as to:

(a) The Non-Issuance of Shares. The non-issuance or sale of shares as to which the Company has been unable to obtain from any regulatory body having jurisdiction the authority deemed by the Company's counsel to be necessary to the lawful issuance and sale of any shares hereunder; and

(b) Tax Consequences. Any tax consequence expected, but not realized, by any optionee or other person due to the exercise of any Option granted hereunder.

11.

Use of Proceeds. The proceeds received by the Company from the sale of Common Stock pursuant to the exercise of Options granted under the Plan shall be added to the general funds and used for general corporate purposes.

12.

Governing Law. This Plan shall be interpreted and construed in accordance with the laws of the State of Oklahoma.

13.

Incorporated by Reference. The Plan hereby granted includes all technical corrections, modifications, alterations and amendments to the Code applicable to incentive stock option plans generally, and all regulations, administrative pronouncements and interpretations thereof are hereby incorporated herein automatically effective immediately upon the effective date thereof. All options granted under the Plan and all Option Agreements executed pursuant to the terms of the Plan hereby incorporate all applicable provisions of all amendments, revisions, modifications and alterations as hereby and as hereafter adopted to the extent permitted by law.
