PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
MAY 20, 2015

GENERAL INFORMATION

The enclosed Proxy is solicited on behalf of the Board of Directors of Sutron Corporation (the "Company") for use at its Annual Meeting of Shareholders to be held on Wednesday, May 20, 2015, at 1:30 p.m., local time, and at any adjournments thereof. The purposes of the meeting are set forth herein and in the accompanying Notice of Annual Meeting of Shareholders. The meeting will be held at the principal executive offices of the Company, 22400 Davis Drive, Sterling, Virginia 20164. The approximate date on which this Proxy Statement and the Proxy Card will be sent to shareholders of the Company is May 4, 2015. An electronic copy of all Proxy materials consisting of our 2014 Annual Report and this Proxy Statement can be accessed and viewed online at the website <http://www.sutron.com/investorinfo/2015ProxyMaterials.html>.

After the enclosed Proxy Card is duly executed and returned, a shareholder may revoke the proxy at any time by written request that is received by the Secretary of the Company prior to the meeting or by voting in person at the meeting or by executing a later dated Proxy Card. The Proxy Card is in ballot form so that a specification may be made to vote for, or to withhold authority to vote for, the nominees for election as directors, or any of them, and to indicate whether the shareholder wishes to vote for or against or abstain from voting upon whether to retain Yount Hyde and Barbour as the Company's independent auditors.

RECORD DATE AND VOTING RIGHTS

Shareholders of record at the close of business on Friday, March 20, 2015 are entitled to notice of and to vote at the meeting. On Friday, March 20, 2015, the Company had outstanding and entitled to vote 5,084,134 shares of Common Stock. Each share of Common Stock entitles the holder to one vote on each matter to be voted upon at the meeting.

The By-laws of the Company require that the holders of a majority of the outstanding shares of the Company's Common Stock entitled to vote at the Annual Meeting of Shareholders be present in person or represented by proxy in order for a quorum to exist for the transaction of business at that meeting. Shares represented by proxies received but marked as abstentions will be included in the calculation of the number of shares considered to be present at the meeting. Shares held in a broker's account that are voted by the broker or other nominee on some but not all matters will be treated as shares present for purposes of determining the presence of a quorum. Assuming that a quorum is present for the Annual Meeting of Shareholders, the five nominees for director who receive the highest number of votes cast will be elected. Abstentions and broker non-votes will have no effect on the outcome of the election of directors.

The ratification of the appointment of the independent public accountants must be approved by the affirmative vote of a majority of the shares present in person or by proxy at the Annual Meeting of Shareholders and entitled to vote thereon. For purposes of this Proposal, abstentions and broker non-votes are counted for purposes of calculating shares entitled to vote but are not counted as shares voting and therefore have the effect of a vote against such Proposal.

Any Proxy Card which is returned by a shareholder properly completed and which is not revoked will be voted at the Annual Meeting of Shareholders in the manner specified therein. Unless contrary instructions are given, the persons designated as proxy holders in the accompanying Proxy Card (or their substitutes) will vote "FOR" the election of the Board of Directors' nominees and "FOR" the ratification of the appointment of Yount, Hyde & Barbour, P.C. as independent accountants and in the proxy holders' discretion with regard to all other matters properly brought before

the meeting. Any unmarked proxies, including those submitted by brokers (other than broker non-votes) or nominees will be voted in favor of the nominees for the Board of Directors and other proposals, as indicated in the accompanying Proxy Card. We urge you to vote your shares without delay.

The Company will bear the cost of preparing this Proxy Statement and the other costs of soliciting Proxies for the 2015 Annual Meeting of Shareholders. In addition to solicitation by mail, solicitations may be made by personal interview or telephone by officers and employees of the Company, acting without additional compensation. Sutron anticipates that banks, brokerage houses, and other custodians, nominees, and fiduciaries will forward this material to beneficial owners of shares of Common Stock entitled to vote at the 2015 Annual Meeting of Shareholders, and such persons will be reimbursed by Sutron for the out-of-pocket expenses incurred by them.

PRINCIPAL SHAREHOLDERS

The following table sets forth the names and addresses of all persons who beneficially owned more than 5% of the issued and outstanding shares of the Company's Common Stock on March 20, 2015.

In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of Common Stock that such person could purchase by exercising outstanding options and options that will become exercisable within 60 days of March 20, 2015, are deemed outstanding. Such shares, however, are not deemed outstanding for the purpose of computing the percentage ownership of any other person.

PROPOSAL 1: ELECTION OF DIRECTORS

The nominees for directors are Dr. Raul S. McQuivey, Ashish H. Raval, Leland R. Phipps, John F. DePodesta and Larry C. Linton. All nominees are presently directors of the Company. The Board of Directors of the Company recommends the election of the nominees to serve as directors of Sutron until the fiscal year 2015 Annual Meeting of Shareholders and until their successors have been duly elected and qualified or until the director's earlier death, resignation or removal. The five nominees for director who receive the highest number of votes cast by the holders of shares entitled to vote in the election of directors at the 2015 Annual Meeting of Shareholders will be elected. CODE OF ETHICS

The Company has adopted a Code of Ethics that applies to the Company’s chief executive officer, chief financial officer, principal accounting officer and persons performing functions similar to a controller, as well as other officers, directors and employees of the Company. The Code of Ethics is posted on the Company’s website at www.sutron.com under “Investor Info.”

BOARD LEADERSHIP STRUCTURE AND ROLE IN RISK OVERSIGHT

The Board of Directors does not have a policy on whether or not the roles of Chief Executive Officer and Chairman of the Board should be separate and, if they are to be separate, whether the Chairman of the Board should be selected from the non-employee Directors or be an employee. The Board of Directors believes that it should be free to make a choice from time to time in any manner that is in the best interests of the Company and its shareholders.

Currently, Dr. McQuivey serves as the Chairman of the Board, President and Chief Executive Officer. The Board currently does not have a lead director. The Board has determined that having the Company's Chief Executive Officer serve as Chairman is in the best interest of the Company's shareholders at this time, as this structure makes the best use of Dr. McQuivey's extensive knowledge of the Company and the industry, as well as fostering greater communication between the Company's management and the Board.

Management is responsible for the day-to-day management of the risks the Company faces, while the Board of Directors, as a whole and through its Committees, has responsibility for determining strategy and policy and for the oversight of risk management. The Board of Directors regularly reviews information regarding the Company's liquidity and operations as well as the risks associated with each. The Board of Directors also holds strategic planning sessions with senior management to discuss strategy, key challenges and risks and opportunities for the Company. The Board encourages management to promote a corporate culture that incorporates risk management into the Company's corporate strategy and day-to-day business operations.

While the Board of Directors is ultimately responsible for risk oversight, the Board of Directors' Committees assist the Board of Directors in fulfilling its oversight responsibilities in certain areas. For example, the Audit Committee assists the Board of Directors in fulfilling its oversight responsibilities with respect to risk management in the areas of financial reporting and internal controls. Pursuant to its Charter, the Audit Committee is also responsible for reviewing and discussing with management the Company's policies with respect to risk assessment and risk management. In addition, the Audit Committee reviews and discusses with management the Company's major risk exposures and the process used to manage those exposures that could have a material effect on the Company's financial statements. The Governance and Compensation Committee is responsible for management of risks relating to the Company's compensation program and policies and assesses the Company's effectiveness at linking pay to performance as well as aligning the interests of executives and other employees with those of the Company's shareholders. The Governance and Compensation Committee also assists the Board of Directors in fulfilling its oversight responsibilities with respect to the management of risks associated with Board organization, membership and structure and succession planning for directors and executive officers, as well as other areas of corporate governance. The Marketing Committee assists management and the Board of Directors in determining how to market strategically the Company's products and services. While each Committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire Board of Directors is regularly informed through Committee reports and management presentations about such risks.

BOARD AND COMMITTEE MEETINGS

During fiscal 2014, the Board held seven meetings, including telephone conference meetings. The three standing Committees of the Board are the Audit Committee, the Governance and Compensation Committee, and the Marketing Committee. The Charter of the Governance and Compensation Committee was approved by the Board on May 8, 2013 and essentially consolidated the duties and responsibilities of the former Compensation Committee and the former Governance and Nominating Committee. No director attended fewer than 75% of the aggregate of the total number of meetings of the Board and the total number of meetings held by all Committees of the Board on which he served.

Audit Committee. Mr. Phipps, Mr. DePodesta and Mr. Linton are the current members of the Audit Committee. Mr. Phipps is the Chairman of the Audit Committee. The Board has determined that Mr. Phipps is the “audit committee financial expert” as defined by the rules of the Securities and Exchange Commission. The Audit Committee met six times during fiscal year 2014. The Audit Committee’s primary responsibilities are to provide oversight of the Company’s accounting and financial controls, review the scope of and procedures to be used in the annual audit, review the financial statements and results of the annual audit, and retain and evaluate the performance of the independent accountants and the Company’s financial and accounting personnel.

Each current member of the Audit Committee meets the independence and other requirements to serve on our Audit Committee under the rules of the SEC and listing standards of the Nasdaq Stock Market.

The Audit Committee has a formal Charter that was amended and restated in April 2014 and is available on the Company’s website at www.sutron.com under “Investor Info.”

Governance and Compensation Committee. Mr. DePodesta, Mr. Linton and Mr. Phipps are the current members of the Governance and Compensation Committee. Mr. DePodesta serves as the Chairman of the Governance and Compensation Committee. The Governance and Compensation Committee met two times during fiscal 2014. The principal responsibilities of the Governance and Compensation Committee are to assist the Board in carrying out its responsibilities with regard to (i) employee benefit plans, employee stock option and equity-based incentive plans; (ii) matters relating to the compensation of persons serving as directors, senior management and the Chief Executive Officer of the Company; (iii) identify individuals qualified to become Board members; (iv) recommend that the Board select director nominees for the annual meeting of shareholders; (v) oversee the evaluation of the Board, its Committees and management; (vi) review the functions of officers and review with the CEO the succession plans relating to officers of the Company; and (vii) oversee the corporate governance of the Company, the Board and its Committees on effective management and leadership.

Each current member of the Governance and Compensation Committee meets the independence and other requirements to serve on our Governance and Compensation Committee under the rules of the SEC and listing standards of the Nasdaq Stock Market. The Governance and Compensation Committee has a formal Charter that is available on the Company’s web site at www.sutron.com under “Investor Info.”

Marketing Committee. Mr. Linton, Mr. Phipps and Mr. Raval are the current members of the Marketing Committee (“Marketing Committee”). Mr. Linton is the Chairman of the Marketing Committee and was appointed to that position in November 2011. The Marketing Committee met three times during fiscal 2014. The principal responsibilities of the Marketing Committee are to identify and to recommend improvements in the areas of sales and marketing to the Board of Directors and management. The Marketing Committee does not have a formal charter.

DIRECTOR NOMINATION PROCESS

The Company did not engage a third party to assist in identifying and evaluating the individuals nominated for election as directors at this meeting. Historically, the Governance and Compensation Committee, and the predecessor Nominating Committee, have relied on recommendations from its members to identify nominees. In considering whether to nominate any particular candidate for election to the Board, the Governance and Compensation Committee uses various criteria to evaluate each candidate, including an evaluation of each candidate’s integrity, business acumen, knowledge of the Company’s business and industry, experience, diligence, potential conflicts of interest and the ability to act in the interests of the Company’s shareholders. The Governance and Compensation Committee evaluates biographical information and interviews selected candidates. The Governance and Compensation Committee considers whether directors and director nominees bring diverse perspectives and life experiences to the Board, but the Company does not have a formal policy with regard to the consideration of diversity in identifying director nominees.

The Governance and Compensation Committee also considers whether a potential nominee would satisfy the Nasdaq Stock Market listing standards for “independence” and the SEC’s definition of “audit committee financial expert.” The Governance and Compensation Committee does not assign specific weights to particular criteria and no particular criterion is a prerequisite for each prospective nominee. The Governance and Compensation Committee believes that the backgrounds and qualifications of its directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will allow the Board to fulfill its responsibilities. The Company does not have a formal policy with regard to the consideration of director candidates recommended by its shareholders; however shareholder recommendations relating to director nominees may be submitted in accordance with the procedures set forth below under the heading “Communicating with the Board of Directors.”

COMMUNICATING WITH THE BOARD OF DIRECTORS

Shareholders who wish to send communications to the Board may do so by writing to the Secretary of the Company, Sutron Corporation, 22400 Davis Drive, Sterling, Virginia 20164. All such letters must identify the author as a shareholder and must include the shareholder’s full name, address and a valid telephone number. The name of any specific intended Board recipient should be noted in the communication. The Secretary will forward any such correspondence to the intended recipients; however, prior to forwarding any such correspondence, the Secretary or his designee will review such correspondence, and in his or her discretion, may not forward communications that relate to ordinary business affairs, communications that are primarily commercial in nature, personal grievances or communications that relate to an improper or irrelevant topic or are otherwise inappropriate for the Board’s consideration.

DIRECTOR ATTENDANCE AT ANNUAL MEETING OF SHAREHOLDERS

Although the Company does not have a policy with regard to Board members’ attendance at the Company’s annual meeting of shareholders, all directors are encouraged to attend the annual meeting. All members of the Board of Directors attended the 2014 Annual Meeting of Shareholders.

DIRECTOR COMPENSATION

Each independent director is paid an annual retainer of \$15,000, an attendance fee of \$1,500 for each meeting of the Board of Directors where the director is physically present and \$1,000 if attended telephonically. Each independent director is paid an attendance fee of \$1,500 for each Committee meeting of the Board of Directors where the director is physically present and \$1,000 if attended telephonically. The Audit Committee Chairman receives a \$7,000 annual retainer. The Governance and Compensation Committee Chairman receives a \$3,000 annual retainer. REPORT OF THE AUDIT COMMITTEE

This Report of the Audit Committee of Sutron Corporation's Board of Directors (the "Audit Committee") is required by the Securities and Exchange Commission and shall not be deemed to be incorporated by reference into any filing under the Securities Act or under the Exchange Act by any general statement incorporating by reference this Proxy Statement, and shall only be incorporated into other filings to the extent that the Company specifically incorporates this information by reference, and shall not be deemed soliciting material or filed under the Securities Act or Exchange Act.

The Audit Committee is composed of three directors. All the committee members are independent directors under the NASDAQ Stock Market and Securities and Exchange Commission audit committee structure and membership requirements. The three committee members are Mr. Leland R. Phipps (the current Chairman of the Audit Committee and the designated "financial expert", as defined under applicable SEC rules), Mr. John F. DePodesta and Mr. Larry C. Linton. The Audit Committee charter sets forth the duties and responsibilities of the Audit Committee. The Audit Committee's primary responsibilities, described more fully in its charter, are to provide oversight of the Company's accounting and financial controls, review the scope of and procedures to be used in the annual audit, review the financial statements and results of the annual audit, and retain and evaluate the performance of the independent registered public accounting firm and the Company's financial and accounting personnel. The Audit Committee conducted its annual review of the charter in March 2015.

The Company's management has the primary responsibility for the financial statements and reporting process, which includes the Company's systems for internal control. Yount, Hyde & Barbour, P.C. the Company's independent registered public accounting firm, is responsible for performing an independent audit of the Company's financial statements in accordance with standards established by the Public Company Accounting Oversight Board (PCAOB), expressing an opinion, based on its audit, as to the conformity of such financial statements with accounting principles generally accepted in the United States. The Audit Committee's responsibility is to monitor and oversee these processes, including engaging in discussions with management and the Company's independent registered public accounting firm.

The Audit Committee members are not professional accountants or auditors, and their role is not intended to duplicate or certify the activities of management and the independent registered public accounting firm. The Committee serves a board-level oversight role, in which it provides advice, counsel and direction to management and the independent registered public accounting firm on the basis of the information it receives and develops, discussions with management and the independent registered public accounting firm, and the experience of the Committee's members in business, financial and accounting matters.

In carrying out its oversight responsibilities, the Audit Committee convened six times in 2014. All members of the Audit Committee were present at these meetings in person or by phone. In addition, the Chairman of the Board and CEO of Sutron Corporation as well as the CFO were routinely invited, as appropriate, and regularly attended most meetings. Non-committee Board members were also routinely invited, as appropriate, and attended as time and circumstance warranted. In addition to the Audit Committee meetings, the Chairman of the Audit Committee held regular individual discussions with the external auditors and the CFO. The members of the Audit Committee were regularly informed about the content and results of these discussions.

In March 2015, the Audit Committee reviewed with Sutron management the audited consolidated financial statements included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2014. The review included a discussion of the quality and acceptability of the Company's financial reporting and controls, including the reasonableness of significant judgments and the clarity of disclosures in the consolidated financial statements.

The Audit Committee also met with Yount, Hyde & Barbour, P.C., who are responsible for expressing an opinion on the conformity of the Company's audited financial statements with generally accepted accounting principles. Yount, Hyde & Barbour, P.C. presented a report to the Audit Committee that summarized their work relating to their audit of the financial statements of Sutron Corporation. The Audit Committee also reviewed and discussed with Yount, Hyde & Barbour their judgments as to the quality and acceptability of the Company's financial reporting and such other matters as are required to be discussed with the Audit Committee under auditing standard No. 16. In addition, the Audit Committee discussed with Yount, Hyde & Barbour, P.C. their independence from management and the Company, including the matters in their written disclosures required by the Professional Standards of the PCAOB. The Audit Committee has concluded that the independent registered public accounting firm's provision of tax preparation work is the only non-audit services provided and that these non-audit services to the Company are deemed compatible with the auditor's independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2014 for filing with the Securities and Exchange Commission.
