recent weeks. We would also like to thank the many other supporters who helped Prudential during this time. Numerous government officials, regulatory organisations and insurance companies, here in Indonesia and around the world, have supported our case and continue to assist by lobbying for amendments to the bankruptcy laws. We are immensely grateful to them."

He continued, "We applaud the Indonesian Government for its continuing review of the bankruptcy laws. We believe that amendment of these laws is the best way to prevent similar cases occurring in the future."

Charlie Oropeza concluded, "PLA is now fully operational and business has returned to normal. We look forward to meeting the savings, protection and investment needs of the people of Indonesia for many years to come."
