HSBC STATEMENT ON BANK EKONOMI

PT Bank Ekonomi Raharja Tbk ('Bank Ekonomi'), which is 98.94% owned by HSBC Asia Pacific Holdings (UK) Limited ('HAPH'), itself an indirect wholly-owned subsidiary of HSBC Holdings plc ('HSBC'), has announced that it is planning to change its status from a public listed company to a private company and to delist from the Indonesia Stock Exchange ('the Transactions') due to the illiquidity of its shares.

## Edgar Filing: HSBC HOLDINGS PLC - Form 6-K

The Transactions are subject to the approval of Bank Ekonomi's independent shareholders at an extraordinary general meeting and to the approval of the Indonesian Financial Services Authority (OJK).

Bank Ekonomi has requested that the trading of its shares be suspended by the Indonesia Stock Exchange with effect from the commencement of trading tomorrow.

As a result of the above, HSBC will plan for an integration of the business operations of Bank Ekonomi and HSBC's Indonesian branch, subject to, amongst other things, applicable laws and regulations.
