Item 5. Other Information and Regulation FD Disclosure

On May 27, 2003, Kankakee Bancorp, Inc., a Delaware corporation ("Kankakee"), entered into an Agreement and Plan of Merger (the "Merger Agreement") with Aviston Financial Corporation, an Illinois corporation ("Aviston"), which provides for the merger of Aviston with and into Kankakee. The Merger is conditioned upon, among other things, approval by the holders of Kankakee common stock and of Aviston common stock, and the receipt of certain regulatory approvals. It is intended that the merger will be treated as a tax-free reorganization.

Pursuant to the terms of the Merger Agreement, Aviston stockholders will receive 0.707 shares of Kankakee common stock for each share of Aviston stock, resulting in the issuance by Kankakee of approximately 350,200 of its shares. Kankakee intends to file a registration statement and proxy statement with the Securities and Exchange Commission with respect to the proposed merger transaction.

Additionally, Kankakee announced on May 28, 2003 that it will seek the approval of its stockholders to increase Kankakee's authorized common stock, in part to allow for a proposed stock split, to be effected in the form of a dividend, following the merger. Kankakee also announced that it intends to file a registration statement with the Securities and Exchange Commission to register warrants that it would distribute to all of its stockholders.
