INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. Incorporation of Documents by Reference.

The following documents, which have been filed with or furnished to the Securities and Exchange Commission (the Commission) by the Registrant, are incorporated herein by reference and made a part hereof:

- (a) The Registrant's Annual Report on Form 10-K for the fiscal year ended December 31, 2002, as filed with the Commission on March 26, 2003;
- (b) The Registrant's Quarterly Report Form 10-Q for the quarter ended March 31, 2003, as filed with the Commission on May 12, 2003;
- (c) The Registrant's Current Report on Form 8-K filed with the Commission on May 28, 2003;
- (d) The Registrant's Quarterly Report Form 10-Q for the quarter ended June 30, 2003, as filed with the Commission on August 11, 2003; and
- (f) The description of the Registrant's Common Stock contained in the Registrant's Registration Statement on Form 8-A filed with the Commission on April 11, 2000, as amended on April 20, 2000, and any additional amendments or reports filed for the purpose of updating such description.

All documents subsequently filed by the Registrant pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Securities Exchange Act of 1934 (the Exchange Act), prior to the filing of a post-effective amendment to this Registration Statement indicating that all securities offered hereby have been sold or deregistering all securities then remaining unsold, shall be deemed to be incorporated by reference herein and to be a part hereof from the date of filing of such documents. Any statement contained herein or in any document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein or in any other subsequently filed document which also is or is deemed to be incorporated by reference herein modifies or supersedes such statement. Any such statement so modified or superseded shall not be deemed to constitute a part of this Registration Statement, except as so modified or superseded.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Edgar Filing: EMBARCADERO TECHNOLOGIES INC - Form S-8

The validity of the Common Stock offered hereby will be passed upon for the Registrant by Heller Ehrman White & McAuliffe, LLP, San Diego, California. Heller Ehrman White & McAuliffe LLP, as well as individual attorneys at the firm, beneficially own 2,657 shares of the Registrant's Common Stock.

Item 6. Indemnification of Directors and Officers.

The Registrant's amended and restated certificate of incorporation limits, to the fullest extent permitted by Delaware law, the personal liability of directors for monetary damages for breaches of their fiduciary duties.

The Registrant's amended and restated bylaws require the Registrant to indemnify its past and present directors and officers to the fullest extent permitted under Delaware law. Under Delaware law, a corporation may indemnify any director or officer involved in a third party action by reason of his agreeing to serve, serving or formerly serving as a director or officer of the corporation, against all expenses, judgments, fines and settlement amounts paid in the third party action, if the director or officer acted in good faith and reasonably believed that his actions were in, or not opposed to, the best interests of the corporation and, with respect to any criminal proceeding, had no reasonable cause to believe that his conduct was unlawful. In addition, a corporation may indemnify any director or officer involved in a derivative action brought by or on behalf of the corporation against expenses incurred in the derivative action, if the director or officer acted in good faith and reasonably believed that his actions

were in, or not opposed to, the best interests of the corporation. If a person has been successful in defending a third party or derivative action, indemnification for expenses incurred is mandatory under Delaware law. Furthermore, under Delaware law a corporation may advance expenses incurred by directors or officers in defending any action upon receipt of an undertaking by the person to repay the amount advanced if it is ultimately determined that such person is not entitled to indemnification.

The Registrant has entered into indemnification agreements with certain of its directors and officers.

The Registrant maintains directors and officers liability insurance which would indemnify the directors and officers of the Registrant against damages arising out of certain kinds of claims which might be made against them based on their negligent acts or omissions while acting in their capacity as such.

Item 7. Exemption from Registration Claimed.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933 (the Securities Act);

Edgar Filing: EMBARCADERO TECHNOLOGIES INC - Form S-8

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in the registration statement;

provided, however, that the undertakings set forth in paragraphs (a)(1)(i) and (a)(1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this registration statement;

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof; and

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby further undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act and, where applicable, each filing of any employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at the time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the provisions described in Item 6, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
