The following is a memorandum to certain strategic distribution partners of The MONY Group Inc. The merger agreement for AXA Financial, Inc.'s acquisition of The MONY Group was filed by The MONY Group under cover of Form 8-K on September 18, 2003 and is incorporated by reference into this filing.

A MESSAGE TO OUR STRATEGIC DISTRIBUTION PARTNERS

On September 17, 2003, AXA Financial agreed to purchase The MONY Group. Of course, the transaction is subject to shareholder and regulatory approval and is expected to close by the end of the first quarter 2004.

We believe the combination of MONY and AXA will strengthen our offerings to distributors and clients in many ways:

As part of the transaction, MONY will become a wholly owned subsidiary of AXA Financial, Inc., which is a subsidiary of AXA Group, a worldwide leader in financial protection and wealth management. As of December 31, 2002, AXA Financial had approximately \$415 billion in assets under management.

The combined strength of both companies would make it #1 in variable life and #4 in variable annuity sales, in terms of United States market share.

AXA Financial, one of the most respected companies in our industry, has stated that a primary reason for the acquisition is to increase its distribution in the United States. We believe that should lead to stronger products, guarantees and reinsurance capacity and that, together, we can support our distribution partners better than ever.

On a September 18, 2003 conference call with shareholders and analysts, AXA Financial President & CEO Christopher Condron praised MONY's wholesaling

reach and commented on AXA's own wholesaling success, saying, "Together, this makes for a terrific combination.

As of September 19, 2003, MONY's rating agencies have already reacted positively to the news:

- " The rating of A (Excellent) of MONY's life insurance subsidiaries as well as the group's debt ratings have been placed under review with positive implications. A.M. Best
- " Standard & Poor's revised its outlook on MONY Group Inc. (MONY) and MONY's subsidiaries MONY Life Insurance Co. and MONY Life Insurance Co. of America to developing from negative. Standard & Poor's
- " And, as of September 18, 2003, both Fitch and Moody's have placed The MONY Group's ratings on positive watch and on review for upgrade, respectively.

Going forward, it's business as usual for MONY Partners: we maintain our unwavering commitment to our distribution partners and look forward to further enhancing our products and services to help you compete and win.
