The Amended and Restated Shareholders' Agreement became effective on June 9, 1998 and terminated with respect to certain provisions upon the completion of Issuer's public

offering on November 13, 2003, but certain transfer restrictions and registration rights have survived. Among other surviving provisions, the Apollo Funds agreed not to transfer shares of Common Stock in a public offering or in a transaction, or a series of related transactions, which would result in a transfer to an unrelated party of greater than 10% of the aggregate value of the shares of Common Stock beneficially owned by the Other Stockholders, unless the terms of such a sale include an offer to the Other Stockholders to include in the transfer a pro rata portion of their shares at the same price and on the same terms applicable to the shares of Common Stock to be transferred by the Apollo Funds. The Amended and Restated Shareholders Agreement is filed as an exhibit to this Schedule 13D and is incorporated into this Item 6 by reference.

As of August 28, 1998, the Apollo Funds entered into an Amended and Restated Common and Preferred Stock Purchase and Shareholders Agreement with the Issuer, BT Investment, and MTL Investors, as amended by Amendment No. 1 to the Amended and Restated Common and Preferred Stock Purchase and Shareholders Agreement as of April 2, 2002 (the Amended and Restated Purchase Agreement). The Amended and Restated Purchase Agreement, among other matters, grants the Apollo Funds the right, under certain circumstances, to require BT Investment and MTL Investors to sell the Issuer's securities that they hold to third parties in the event the Apollo Funds transfer the Issuer's securities held by the Apollo Funds to such third parties; grants BT Investment and MTL Investors, under certain circumstances, the right to sell the Issuer's securities that they hold to third parties if the Apollo Funds transfer the Issuer's securities that they hold to such third parties; grants certain registration rights to BT Investment and MTL Investors in the event the Issuer registers the Issuer's securities held by the Apollo Funds; grants BT Investment and MTL Investors certain preemptive rights with respect to the Issuer's sale of Common Stock and/or preferred stock to the Apollo Funds; and grants the Apollo Funds an irrevocable proxy as discussed in Item 5(a) of this Schedule 13D to exercise voting rights over certain shares of Common Stock held by BT Investments and MTL Investors. The Amended and Restated Purchase Agreement terminates at such time as the Apollo Funds cease to own in the aggregate less than 10% of the shares of the Issuer's fully diluted Common Stock. The Amended and Restated Common and Preferred Stock Purchase and Shareholders Agreement and Amendment No. 1 thereto are filed as exhibits to this Schedule 13D and incorporated into this Item 6 by reference.

As of May 30, 2002, the Apollo Funds entered into an Agreement with the Issuer and certain members of the Issuer's management team who hold shares of the Issuer's capital stock (the Management Stockholders) governing certain aspects of the relationship among such management persons and the Apollo Funds. This Agreement contains, among other matters, a provision granting the Apollo Funds, and subjecting the Management Stockholders to, certain drag-along rights in the event of a transfer of the Issuer's securities held by the Apollo Funds to third parties, and granting certain rights to the Management Stockholders, under certain circumstances, to participate in transfers of the Issuer's securities held by the Apollo Funds to third parties. The Agreement terminates upon the mutual consents of the parties thereto or at such time as the Apollo Funds cease to own in the aggregate less than 10% of the shares of the Issuer's fully diluted Common Stock. The Agreement is filed as an exhibit to this Schedule 13D and is incorporated into this Item 6 by reference.

As of May 30, 2002, the Apollo Funds entered into a Second Amended and Restated Registration Rights Agreement with the Issuer and the Management Stockholders. Pursuant to the Second Amended and Restated Registration Rights Agreement, the Apollo Funds were granted an unlimited number of demand and incidental registration rights and each of the Management Stockholders obtained incidental registration rights. As a result, upon the written request of the Apollo Funds, the Issuer is obligated to prepare and file a registration statement covering the shares so requested to be registered by the Apollo Funds. In addition, should the Issuer propose in the future to register any Common Stock for sale to the public, the Apollo Funds and the Management Stockholders have the opportunity to include Common Stock in the same or concurrent registration statement, subject to customary cutbacks at the option of any underwriters of such future offerings. Additionally, the Second Amended and Restated Registration Rights Agreement grants the Apollo Funds preemptive rights with respect to the sale of certain capital stock of the Issuer and certain equity securities convertible into capital stock. The Second Amended and Restated Registration Rights Agreement is filed as an exhibit to this Schedule 13D and is incorporated into this Item 6 by reference.

Pursuant to the Warrant Agreement, all of the holders of warrants and shares of Common Stock issued upon exercise of warrants (the Warrant Shares), including any person holding such warrants or Warrant Shares due to a transfer of such warrants or Warrant Shares from an initial holder thereof, are required to sell all of their warrants or Warrant Shares at the same price per share and on the same terms and conditions as apply to those received by all other holders of Common Stock, in connection with a Sale of Control (as defined in the Warrant Agreement). If the warrants or Warrant Shares are not included in a Sale of Control, then upon election of each warrant holder or holder of Warrant Shares, the Issuer or the holders of a majority of the outstanding shares of Common Stock, must permit such holders to sell all (but not less than all) of such holder's warrants and Warrant Shares in connection with such Sale of Control at the same price per share and on the same terms and conditions as apply to those received by all other holders of Common Stock in the Sale of Control. The Warrant Agreement is filed as an exhibit to this Schedule 13D and is incorporated into this Item 6 by reference.

The foregoing descriptions do not purport to be complete and are qualified in their entirety by reference to the respective agreements filed as exhibits to this Schedule 13D. See also the responses to Items 3 and 5 (a) above, which are incorporated herein by reference.
