PROXY STATEMENT
FOR
ANNUAL MEETING OF STOCKHOLDERS

To Be Held May 27, 2004

SOLICITATION AND REVOCABILITY OF PROXIES

The Board of Directors of IMCO Recycling Inc. is soliciting proxies to be voted at the Annual Meeting of Stockholders to be held in Irving, Texas on May 27, 2004 and at any adjournment of the meeting. The Proxy Statement and the enclosed proxy are first being mailed to stockholders on or about May 3, 2004.

This proxy solicitation is intended to give stockholders the opportunity to vote on the matters set forth in the accompanying Notice of Annual Meeting. The proxy permits stockholders to withhold voting for either or both nominees for election to our Board of Directors and to abstain from voting on any other specified proposal if they choose.

All holders of record of shares of our common stock at the close of business on April 28, 2004 (the Record Date) are entitled to notice of and to vote at the meeting. On the Record Date, we had outstanding 15,444,872 shares of common stock. Each share of common stock is entitled to one vote on each matter to come before the meeting. The presence, in person or by proxy, of holders of a majority of the outstanding shares of common stock entitled to vote as of the Record Date is necessary to constitute a quorum at the meeting. A plurality of the votes of the shares present in person or represented by proxy at the Annual Meeting, so long as there is a quorum, is required for the election of directors. Approval of any other proposal described in this Proxy Statement requires the affirmative vote of a majority of the votes cast by the stockholders represented at the Annual Meeting, assuming a quorum is present.

Edgar Filing: IMCO RECYCLING INC - Form DEF 14A

With regards to the election of directors, votes may be cast in favor or withheld. Votes that are withheld will be excluded entirely from the vote and will have no effect. Abstentions may be specified on all other proposals and will be counted as present for purposes of the item on which the abstention is noted. Under current rules of the New York Stock Exchange (NYSE), brokers who hold shares in street names for customers have the authority to vote on certain items when they have not received instructions from beneficial owners. Brokers who do not receive instructions are entitled to vote on the election of directors and the proposal to ratify the appointment of the auditors. Under Delaware law, a broker non-vote will have no effect on the outcome of the election of directors or the proposal to ratify the appointment of the independent auditors.

A stockholder has the unconditional right to revoke his or her proxy at any time before it is voted. Any proxy given may be revoked either by a written notice signed and delivered to the Secretary of IMCO before the proxy is exercised, by signing another proxy or by voting in person at the meeting (although simply attending the Annual Meeting without either signing a ballot or signing another proxy at the meeting will not revoke a proxy). Where a stockholder's signed proxy specifies a choice with respect to a voting matter, the shares will be voted accordingly. If no specification is made, the shares will be voted (i) **FOR** the nominees for director identified in this proxy statement; and (ii) **FOR** the ratification of the appointment of Ernst & Young LLP as our independent auditors for 2004.

2005 ANNUAL MEETING

The Board intends to hold our next Annual Meeting of Stockholders on or about May 11, 2005. A Proxy Statement and Notice of this meeting will be mailed to all stockholders approximately one month prior to that date. You may submit proposals, including director nominations, for consideration at future stockholder meetings. For any stockholder proposal to be eligible for inclusion in our proxy statement for the 2005 Annual Meeting of Stockholders, we must receive your proposal at our headquarters at 5215 North O Connor Blvd., Suite 1500, Central Tower at Williams Square, Irving, Texas 75039, by January 5, 2005. All stockholder proposals of this nature must comply with our bylaws and Securities and Exchange Commission (SEC) Rule 14a-8 under the Securities Exchange Act of 1934 (the Exchange Act).

In addition, in order for a stockholder proposal to be raised from the floor during next year's annual meeting, we must receive written notice about that proposal by no later than January 5, 2005, and the proposal must contain the necessary information required by our bylaws. In order for a stockholder to make a nomination for director at next year's annual meeting, the stockholder must notify us not less than 120 days before the date specified in this Proxy Statement for this year's Annual Meeting. Thus, since May 3, 2004 is specified as the mailing date in this year's Proxy Statement, in order for any notice concerning nomination to be timely for next year's annual meeting, we must receive it no later than January 5, 2005 (that is, 120 days prior to May 3, 2005). The notice must meet all the other requirements contained in our bylaws for nominating directors. A copy of our bylaws is available on the Corporate Governance section of our <http://www.imcorecycling.com> website. Also, under Corporate Governance Committees of the Board you can find other information about proposals for nominations to the Board of Directors.

CORPORATE GOVERNANCE

Board of Directors. In 2003, the Board of Directors held a total of eleven meetings. Overall, the attendance of the directors at such meetings averaged 98%. Each current director attended more than 75% of the total of all meetings of the Board of Directors and the Committees on which he served during 2003.

Since 2003, we have amended or adopted new charters for our Audit Committee, Compensation Committee and Nominating and Governance Committee to implement the rules and standards under the Sarbanes-Oxley Act of 2002, the rules of the SEC and the NYSE's new corporate governance listing standards. You can access our committee charters, our corporate governance guidelines, our code of business conduct and ethics and our code of ethics for chief executive officer and senior financial officers in the Corporate Governance section of our website, which can be found at <http://www.imcorecycling.com>, or by writing to us at IMCO Recycling Inc., 5215 North O Connor Blvd., Suite 1500, Central Tower at Williams Square, Irving, Texas 75039, Attention: Legal Department.

Under NYSE corporate governance listing standards, our non-management directors meet at regularly scheduled and specially called executive sessions without management being present. All executive session meetings of the non-management directors are presided over by a non-management director chosen at each executive session meeting. It is the policy of our non-management directors to rotate the position of presiding director for each such meeting. Stockholders and other interested parties may communicate with the Board and our non-management directors by sending an email to directors@imcorecycling.com or by writing to Board of Directors, c/o IMCO Recycling Inc., Legal Department, 5215 North O Connor Blvd., Suite 1500, Central Tower at Williams Square, Irving, Texas 75039. Inquiries will be reviewed by our Legal Department and if they are relevant to, and consistent with, our operations, policies and philosophies, they will be forwarded to our non-management directors.

We do not require our Board members to attend our annual stockholders meeting. At last year's meeting, 100% of our directors attended.

Our Board has determined that each of our current directors has no material relationship with IMCO (either directly or as a partner, shareholder or officer of an organization that has a relationship with IMCO) and is independent within the meaning of the NYSE's director independence standards as they are currently in effect. Dale V. Kesler, currently an independent director and chairman of our Audit Committee, will no longer be considered independent under the NYSE's corporate governance listing standards following the 2004 annual meeting of stockholders, because one of his children is an employee of Ernst & Young LLP, our independent auditors. Mr. Kesler is permitted under NYSE rules to remain in office until IMCO's annual meeting of stockholders to be held in 2005. Mr. Kesler and each of the other members of the Audit Committee are independent within the meaning of the SEC's Rule 10A-3 under the Securities Exchange Act of 1934.

Committees of the Board. The Board of Directors has established as its standing committees an Audit Committee, a Compensation Committee, a Nominating and Governance Committee and an Environmental Committee. In addition, the Board establishes temporary special committees on an as-needed basis.

The Audit Committee is appointed by the Board to assist the Board in monitoring (i) the integrity of financial statements, (ii) our compliance with legal and regulatory requirements, (iii) the independence and performance of our external auditors and (iv) the performance of the company's internal audit function. In addition, the Audit Committee has the sole authority and responsibility to select, evaluate and, if necessary, replace our independent auditors. Earlier this year, the Board of Directors amended the Charter of the Audit Committee, which is available on the Corporate Governance webpage at <http://www.imcorecycling.com> and is also attached as **Appendix A** to this proxy statement. Each of the Audit Committee members currently satisfies the definition of independent director as established in the NYSE corporate governance listing

standards,

Table of Contents

although Mr. Kesler will not be considered independent following our 2004 annual meeting of stockholders (see Board of Directors above). During 2003, in accordance with the rules adopted under section 407 of the Sarbanes-Oxley Act of 2002, IMCO identified Mr. Kesler as the audit committee financial expert. The Audit Committee met eight times in 2003. The Audit Committee is currently composed of Messrs. Kesler (Chairman), Grimes and Navarro.

The Compensation Committee reviews and approves all salary and other remuneration for our officers. The Compensation Committee is also responsible for the administration of the Company's stock option and other stock-based plans, and succession planning. During 2003, the Compensation Committee met two times. Earlier this year, our Board of Directors amended the Charter of the Compensation Committee, which is available on the Corporate Governance webpage at <http://www.imcorecycling.com> and is also attached as **Appendix B** to this proxy statement. The Compensation Committee is currently composed of Messrs. Robinson (Chairman), Balkcom and Cooksey, each of whom is considered to be independent under the NYSE corporate governance listing standards.

The Nominating and Governance Committee (formerly named our Committee on Directors) advises the Board of Directors on matters relating to Board governance, Board and Committee membership and succession. The Nominating and Governance Committee will consider recommendations for nominees for directorships submitted by stockholders. Stockholders who want the Nominating and Governance Committee to consider their recommendations for nominees should submit their recommendations in writing to the Nominating and Governance Committee, care of the Secretary of IMCO, at our principal executive offices. Generally speaking, nominees for election to our Board should have professional and personal ethics and values, consistent with our values and standards. They should have experience at the policy-making level in business, government, education, technology or public interest. They should have sufficient time to carry out their duties and to provide insight and practical wisdom based on their experience. Their service on other boards of public companies should be limited to a number that permits them, given their individual circumstances, to perform responsibly all director duties. Finally, each director must represent the interests of all stockholders.

The qualifications and specific qualities and skills required for directors are set forth in our Nominating and Governance Committee Charter. In addition to considering candidates suggested by stockholders, the Committee considers potential candidates recommended by current directors, company officers, employees and others. The Committee screens all potential candidates in the same manner regardless of the source of the recommendation. The Committee's initial review is typically based on written materials provided with respect to the potential candidate. The Committee determines whether the candidate meets our Company's qualifications and specific qualities and skills for directors and whether requesting additional information or an interview is appropriate.

Mr. Balkcom, one of the nominees for election as director at the 2004 annual meeting, was appointed to the Board in December 2003 at the recommendation of Mr. Ingram, who was then our chief executive officer.

Our bylaws also permit stockholders to nominate individuals for director for consideration at an annual stockholders meeting. See 2005 Annual Meeting. Our Board of Directors has adopted the Charter of the Nominating and Governance Committee, which is available on the Corporate Governance webpage at <http://www.imcorecycling.com> and is also attached as **Appendix C** to this proxy statement. The Nominating and Governance Committee met four times in 2003. The Nominating and Governance Committee is currently composed of Messrs. Navarro (Chairman), Balkcom and Robinson, each of whom is considered to be independent under the NYSE corporate governance listing standards.

The Environmental Committee was established for the purposes of providing oversight and reviewing, reporting on and making recommendations to the Board regarding the Company's policies concerning environmental, health and safety matters affecting the Company. The current members of the Environmental Committee are Messrs. Grimes (Chairman), Kesler and Navarro.

Table of Contents

In late 2003, the Board established a special ad hoc committee initially composed of Mr. Ingram, Mr. Navarro and Mr. Kesler, to investigate, review and report on strategic initiatives and opportunities for IMCO. Mr. Ingram served as chairman of this committee until April 2004. The work of this special committee was initially not expected to extend beyond June 2004.

Since December 2003, this committee met a number of times with third parties, sometimes with representatives of management, consultants or other outside advisors present, to gather and process information and report to the Board with recommendations on potential programs and proposed initiatives that may be considered for our company. In April 2004, the role of this special committee was expanded to investigate and evaluate additional potential projects of this nature throughout the summer and into the autumn of 2004. In recognition for the expanded responsibility of this special committee, his involvement in committee projects and his contribution to its work, in April 2004 Mr. Navarro was elected chairman of this special committee. Mr. Balkcom replaced Mr. Ingram as the third member of this special committee. See Remuneration of Directors and Officers - Directors Compensation.

AUDIT COMMITTEE REPORT TO STOCKHOLDERS

This Audit Committee Report to Stockholders is not soliciting material and is not considered filed with the SEC. It is not to be incorporated by reference in any filing made by the Company under the Securities Act of 1933 (the Securities Act) or the Exchange Act, whether made before or after the date hereof, and irrespective of any general incorporation language in any such filing.

The Audit Committee is composed of three directors appointed by the Board of Directors. The members of the Committee as of the date of this report are Dale V. Kesler (Chairman of the Committee), James C. Cooksey and John E. Grimes. A copy of the Audit Committee Charter is attached as **Appendix A** to this proxy statement and can also be accessed on the Company's Corporate Governance webpage at <http://www.imcorecycling.com>. In accordance with section 407 of the Sarbanes-Oxley Act of 2002, the Board of Directors has designated Mr. Kesler as audit committee financial expert.

Management is responsible for the Company's financial reporting process, including its internal accounting and financial controls, its disclosure controls and procedures, the internal audit function, and compliance with the Company's legal and ethics programs, as well as the preparation of consolidated financial statements in conformity with generally accepted accounting principles. The Company's independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and for the issuance of a report on those financial statements. The Audit Committee has relied on management's representation that the financial statements have been prepared with objectivity and in conformity with accounting principles generally accepted in the U.S., and on the representations of the independent auditors included in their report on the Company's financial statements. It is not the duty or responsibility of the Audit Committee to conduct auditing or accounting reviews or procedures. The Audit Committee's responsibility is to monitor these processes and report our findings to the full Board.

In this context, the Audit Committee has met and held discussions, both separately and jointly, with management, the Company's internal auditors and Ernst & Young LLP. Management represented to the Audit Committee that the Company's audited consolidated financial statements as of and for the year ended December 31, 2003 were prepared in accordance with generally accepted accounting principles. The Committee has reviewed and discussed the audited consolidated financial statements in the Company's annual report on Form 10-K with management and Ernst & Young LLP., including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant adjustments, and the clarity of disclosures in the financial statements. Ernst & Young LLP has discussed with the Audit Committee and provided written disclosures to the Committee members on (1) that firm's independence as required by the Independence Standards Board Standard No. 1 and (2) the matters required to be communicated by Statement on Auditing Standards No. 61, as amended by Statement on Auditing Standards No. 90 (Communication with Audit Committees). The Audit Committee met with the Company's internal auditors to review and discuss plans for the scope of work and findings of internal audit reports and activities.

The Committee discussed with the Company's internal and independent auditors the overall scope and plans for their respective audits. The Committee meets with the internal and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

Based on the Audit Committee's review of the audited consolidated financial statements, discussions with management and the independent auditors, and its review of the representations of management and the report of Ernst & Young LLP to the Audit Committee, the Audit Committee recommended to the Board of Directors, and the Board of Directors approved, that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2003 for filing with the SEC.

COMPENSATION COMMITTEE REPORT TO STOCKHOLDERS

The Compensation Committee of the Board of Directors (the Committee) is comprised of three outside directors who are neither current nor former employees of the Company. The Committee has furnished the following report on executive compensation. The report documents the components of the Company's executive officer compensation programs, and describes the compensation philosophy on which 2003 compensation determinations were made by the Committee with respect to the executive officers of the Company, including the Chief Executive Officer and the four other executive officers that are named in the Summary Compensation Table in this Proxy Statement (the Named Executive Officers).

Compensation Philosophy and Overall Objectives of Executive Compensation Programs

It is the philosophy of the Company that executive compensation should be directly linked to improvements in corporate performance and the creation of long-term stockholder value. The Committee has adopted the following objectives as guidelines for compensation decisions:

- Provide a competitive total executive compensation package that enables the Company to attract and retain key executives,
- Ensure that all pay programs are aligned with the Company's annual and long-term business objectives and strategy, and
- Provide variable compensation opportunities that are directly linked with the performance of the Company.

In 2003 the Committee engaged an independent compensation consultant to assist the Committee in its deliberations in determining 2003 compensation awards. During 2003, the Company's executive compensation program consisted of three components: (1) base salary, (2) an annual incentive award based on overall company performance and business unit performance, and (3) a long-term incentive award which is intended to support the achievement of superior results over time and to align executive officer and stockholder interests. The Committee has the discretion to adjust or modify the final awards of the second and third components of the executive compensation program.

Cash Compensation

Cash compensation components included base salary and the Company's annual incentive compensation plan (the Incentive Plan) cash awards. The base salary for each of the executive officers is determined by an evaluation of the position responsibilities, and by comparison to the 50th percentile of salaries paid in the competitive market in which the Company competes for comparable executive ability and experience. Annually, the performance of each Named Executive Officer is reviewed by the Committee and, in the case of the other executive officers, by the Chief Executive Officer, taking into account the Company's operating and financial results for that year, the contribution of each executive officer to these results, the achievement of goals established for each executive officer at the beginning of each year and competitive salary levels for persons in those positions in the markets in which the Company competes. To assist in its deliberations, the Committee is advised by an independent compensation consultant in compiling comparable salary and incentive compensation information for a number of representative peer companies in the industry. This is substantially the same peer group of companies used for the Performance Graph on page 13. Following its review of the performance of the Named Executive Officers, the Committee reports their recommendations for salaries and incentive awards to the Board of Directors.

Edgar Filing: IMCO RECYCLING INC - Form DEF 14A

The Company implemented the Incentive Plan in 1999. The Committee believes the Incentive Plan should be the principal short-term incentive plan for providing cash bonus opportunities for the Company's executives, contingent upon profitability of operating results. The Incentive Plan's corporate financial targets for 2003 were return on net assets (RONA) compared to the Company's peer group, and budgeted earnings before interest, taxes, depreciation and amortization (EBITDA).

Table of Contents

The Company exceeded its Incentive Plan target threshold goals for 2003, and Incentive Plan compensation awards were made to the Named Executive Officers. In December 2003, the Committee approved 2004 EBITDA and RONA target goals. The Committee will continue to review and modify the performance goals for the Incentive Plan as necessary in order to make overall Company objectives and expectations compatible with the Plan's objectives of reasonableness, achievability and consistency.

Long Term Incentives

The Committee believes that it is important to align the interests of the Company's executive officers and other key management personnel responsible for the growth of the Company with the interests of the Company's stockholders. The Committee believes that this is best accomplished through the provision of stock-based and cash-based long-term incentives that align themselves to enhancing the Company's value. In 2000 the Board adopted, and the stockholders approved, the IMCO Recycling Inc. Performance Share Unit Plan (the Performance Plan). A total of 104,000 performance share units were awarded to the Named Executive Officers in 2003 for the three-year performance period ending December 31, 2005. In 2000 the Board adopted the IMCO Recycling Inc. 2000 Restricted Stock Plan (the Restricted Stock Plan). The Restricted Stock Plan granted the Committee the authority to make awards of restricted stock in order to attract and retain the Company's key employees. To date, no awards of restricted stock have been made under the Restricted Stock Plan. In February 2004, the Board amended and restated the Restricted Stock Plan, granting the Committee the authority to grant restricted stock units as well as restricted stock. The Committee then granted a total of 134,000 restricted stock units to six of the Company's executive officers, including the Chief Executive Officer. No stock-based long-term incentives were granted to the Named Executive Officers in 2003.

The Committee will continue to review long-term incentives and make recommendations, where it deems appropriate, to the Board of Directors from time to time, to assure that the officers and other key employees are appropriately motivated and rewarded based on the long-term financial success of the Company.

Chief Executive Officer Compensation

Mr. Ingram's base salary was \$560,000 for 2003. In determining Mr. Ingram's compensation, the Committee considered the Company's operating and financial results for 2003, evaluated Mr. Ingram's individual performance and contribution to those results and considered the compensation range for other chief executive officers of companies in the industry. The difference from base salary he received in 2002 (\$525,000) resulted from analysis of competitive market data as discussed above. Mr. Ingram received a \$200,000 cash bonus award under the Incentive Plan and for his role in the successful negotiation of the VAW-IMCO share redemption transaction and settlement agreement. Mr. Ingram was also awarded 50,000 performance share units under the Performance Share Unit Plan. The value of this award, if any, will be based on Mr. Ingram's pro-rata share of the achievement of performance goals established for the three-year period ending December 31, 2005. No stock option, restricted stock or restricted stock unit grants were awarded to Mr. Ingram in 2003.

In April 2004, Mr. Ingram resigned from his position as President, Chief Executive Officer and Chairman of the Board of the Company. Following Mr. Ingram's resignation, Richard L. Kerr assumed the duties of President and Chief Executive Officer. Mr. Kerr's annual base salary is \$310,000.

Section 162(m) of the Internal Revenue Code

Edgar Filing: IMCO RECYCLING INC - Form DEF 14A

Section 162(m) of the Internal Revenue Code disallows a corporation's tax deduction for compensation paid to its chief executive officer and its named executive officers in excess of \$1,000,000 per person. Performance-based compensation and certain other compensation are not subject to this deduction limitation. Neither the Company's Chief Executive Officer nor any of its Named Executive Officers received compensation in excess of this limitation in 2003. The Company reviews its compensation plans to minimize potential adverse effects of this legislation. The Committee will consider recommending such steps as may be required to qualify either annual or long-term incentive compensation as performance-based. However, the Committee reserves the authority to award non-deductible compensation under circumstances they consider appropriate and has not adopted a policy that all compensation must be deductible.

Summary

As a result of the concepts incorporated into the Company's compensation program, the Committee believes that the total compensation program for executive officers is competitive with the compensation programs provided by other corporations with which the Company competes, and is well-designed to provide opportunities to participants that are consistent with the expectations of the Board of Directors, as well as serve the interests of the stockholders of the Company.

During 2002, all loans outstanding under the Exercise Loan Program were repaid in full in accordance with their terms, and the program was terminated.

Table of Contents**Long-Term Incentive Plans Awards in 2003**

The following table shows the performance share unit awards granted to the Named Executive Officers in 2003 under the IMCO Recycling Inc. Performance Share Unit Plan.

Name	Number of Shares, Units or Other Rights (#)	Performance or Other Period Until Maturation or Payout	Estimated Future Payouts under Non-Stock Price Plan		
			Threshold (\$ or #)	Target (\$ or #)	Maximum (\$ or #)
Don V. Ingram	50,000	01/01/03-12/31/05	\$ 300,000	\$ 1,500,000	\$ 4,500,000
Richard L. Kerr	20,000	01/01/03-12/31/05	\$ 120,000	\$ 600,000	\$ 1,800,000
Paul V. Dufour	20,000	01/01/03-12/31/05	\$ 120,000	\$ 600,000	\$ 1,800,000

J. Tomas Barrett	6,000	01/01/03-12/31/05	\$ 36,000	\$ 180,000	\$ 540,000

The amounts shown above under the Estimated Future Payouts columns are based on levels of achievement of performance goals designated by the Compensation Committee for fiscal 2003 grants under the Performance Share Unit Plan. Performance goals for these grants are based in part upon our return on net assets compared to a peer group of companies over the three-year period following date of grant and our aggregate earnings before interest, taxes, depreciation and amortization (EBITDA) over this period. The target amount will be earned if we achieve 100% of the targeted EBITDA performance goals and are in the 60th percentile of the return on net assets achieved by our peer group. The threshold amount will be earned if we achieve 90% of the targeted EBITDA performance goals and are in the 40th percentile of the return on net assets achieved by our peer group. The maximum award amount will be earned if we achieve 130% of the targeted EBITDA performance goals and are in the 90th percentile of the return on net assets achieved by our peer group.

Based on our results of operations for 2001, 2002 and 2003, no accruals for financial accounting purposes have been made for any payout of any awards made under the Performance Share Unit Plan.

Employment and Separation Agreements

IMCO entered into an employment agreement with Mr. Ingram effective September 1, 2000, which was amended in 2001 and 2003. Unless further extended, the agreement was scheduled to expire in September 2005.

Pursuant to a separation agreement entered into between Mr. Ingram and IMCO, Mr. Ingram resigned and retired effective April 12, 2004 as President, Chief Executive Officer and Chairman of the Board of IMCO, and his employment agreement was terminated as of that date. He has also resigned as a director. Under the terms of the separation agreement, IMCO made a cash payment of \$1,500,000 to Mr. Ingram and accelerated the vesting of 450,000 shares of restricted stock that Mr. Ingram had previously been granted in connection with his employment agreement. The remaining shares of restricted stock and his restricted stock units were forfeited. Mr. Ingram's stock options and performance share units will continue to be governed by the applicable post-termination provisions under the terms of the plans and agreements governing his stock options and performance share units. Consistent with the terms of his former employment agreement, for the sooner of 36 months or until comparable coverage is obtained from another employer, Mr. Ingram will be entitled to continue to participate under IMCO's hospitalization,

Edgar Filing: IMCO RECYCLING INC - Form DEF 14A

medical, disability and similar benefit plans to the extent participation is permitted; if not permitted, IMCO will provide substantially similar benefits at no greater cost to him over what he would pay if participation were permitted. In addition, Mr. Ingram gave IMCO a general release of all claims.

The separation agreement also contains standstill provisions obligating Mr. Ingram, until May 1, 2005, to vote his shares of common stock in the same proportions as the other IMCO stockholders, not to solicit proxies in opposition to IMCO's board of directors, and not to engage in certain activities that would accumulate his shares with others. These provisions also contain covenants on Mr. Ingram's part not to acquire or sell IMCO shares of common stock, subject to certain permitted exceptions.

Table of Contents

We entered into an employment agreement with Mr. Dufour effective September 1, 2000, which was amended in 2003. If we terminate Mr. Dufour's employment without cause (as defined in the agreement) prior to a change in control, we will pay Mr. Dufour as a lump sum no later than the termination date an amount equal to two times Mr. Dufour's base amount (his average annual compensation includible in his income for the five years preceding his termination, determined by reference to Section 280G of the Internal Revenue Code). If Mr. Dufour resigns for good reason (as defined in the agreement) before a change in control, we will pay to Mr. Dufour an amount equal to two times his base amount, payable in installments over a 23-month period following the termination date.

Change in control under Mr. Dufour's agreement includes (i) acquisition of more than 25% of the outstanding shares of IMCO common stock by any person or group, (ii) replacement of two-thirds of IMCO's incumbent directors unless approved by two-thirds of the incumbent directors then in office, and (iii) approvals by IMCO stockholders of

- a merger or consolidation involving IMCO, unless after such merger or consolidation, the former IMCO stockholders would own 67% or more of the combined company's voting stock, the incumbent members of the IMCO board of directors would constitute at least two-thirds of the combined company's board and no person or group would own more than 25% of the combined company's voting stock after the merger or consolidation,
- a liquidation and dissolution of IMCO, or
- a sale of all or substantially all of IMCO's assets.

Change in control is also defined to mean the execution of a binding agreement to do any of the foregoing.

If Mr. Dufour is terminated without cause in connection with or after a change in control, or he resigns for good reason in connection with or after a change in control, or if he resigns or is terminated within a 30-day period beginning on the first anniversary date of the change in control, we will pay Mr. Dufour an amount equal to 2.99 times his base amount, calculated as of the termination date. This amount will be payable to him in a lump sum no later than the date of termination, or in the case of a termination without cause, in installments over a 23-month period following the termination date. In other instances, upon resignation Mr. Dufour will be entitled to receive in installments over a 23-month period severance pay in an amount equal to one times his highest annual base salary in effect over the term of the agreement in certain instances. If he is terminated for cause, he will be entitled to severance pay in an amount up to his annual base salary amount in effect as of the termination date, payable in installments over a 23-month period following termination.

We entered into a similar employment agreement with Mr. Kerr effective February 1, 2001. The overall terms of Mr. Kerr's employment agreement are similar to Mr. Dufour's, except that the amount to be paid to Mr. Kerr upon termination of employment on the same conditions contained in Mr. Dufour's agreement is either the same or less, and the percentage for post-merger ownership by the stockholders is 55%.

We are also obligated to pay cash tax gross-up amounts to Mr. Dufour or Mr. Kerr in the event that either of them becomes subject to the excise tax imposed by Section 4999 of the Internal Revenue Code as the result of a change in control under Section 280G of the Code. The agreements provide for annual base salaries to Mr. Dufour of \$292,000 and Mr. Kerr of \$300,000. Each agreement provides for participation in our Incentive Plan, Performance Share Unit Plan, stock option plans and other benefit plans made available to senior executives. The agreements contain certain confidentiality and non-competition obligations on the part of Messrs. Dufour and Kerr. In addition, the agreements provided for grants to Messrs. Dufour and Kerr of a total of 240,000 and 90,000 shares, respectively, of restricted stock under restricted stock award agreements. See Summary of Cash and Certain Other Compensation.

Directors Compensation

Retainers. The 1996 Annual Incentive Program provides that an annual retainer for non-management directors will be fixed by the Board for each year. For 2003, the annual retainer amount was \$24,000. The retainer is paid in four quarterly installments each year. One-half of the retainer is paid in shares of our common stock, and the remaining one-half is paid, at the election of the director, in either cash or shares of our common stock. The directors make their election on the date of our annual meeting of stockholders. The number of shares to be issued each quarter is calculated by dividing the amount of the retainer to be paid in stock for that installment by the closing price per share of the common stock as of the close of business on the last trading day of that quarter.

In addition, each director is entitled to receive \$1,250 per Board or committee meeting attended and \$500 for telephonic meetings. The Chairmen of the Audit and Compensation Committees receive an annual cash retainer of \$6,000 and \$4,000, respectively. The Chairmen of the Nominating and Corporate Governance Committee and the Environmental Committee each receive an annual cash retainer of \$2,000. Each director receives an attendance fee of \$625 for attending committee meetings occurring on the same date as a Board meeting. In addition, for executive session meetings of the independent directors, each independent director is entitled to receive \$1,250 per meeting.

In his capacity as special committee chairman, Mr. Navarro was given an annual retainer of \$50,000. In addition, beginning in April 2004, fees for meetings of this special committee were increased from \$1,250 to \$2,000 per meeting.

Stock Options. Our 1992 Stock Option Plan provided that each incumbent non-employee director will receive a grant of stock options for 4,000 shares of common stock on the date of our annual meeting of stockholders for that particular year. The exercise price per share is equal to the closing price per share on the NYSE on the day the annual meeting is held. For a newly-elected or newly-appointed director, we grant him or her a stock option for 8,000 shares effective on the date he or she is elected or appointed. The exercise price is equal to the closing price per share on the NYSE on the date of grant. All options granted fully vest six months after the date of grant.

The 1992 Stock Option Plan expired in December 2002. For non-employee director grants in 2003, the Compensation Committee granted options under the same terms as described above under the Committee's authority to grant discretionary options under our 1996 Annual Incentive Plan. The Board anticipates following the same procedure for non-employee director grants in 2004.

Compliance with Section 16(a)

Section 16(a) of the Exchange Act requires our officers, directors and persons who own more than 10% of our common stock to file initial reports of ownership and reports of changes in ownership with the SEC. These persons are required by SEC regulations to furnish us with copies of all Section 16(a) forms filed by them. We believe that all filing requirements applicable to our executive officers, directors and 10% stockholders were complied with during 2003, except that grants of common stock with respect to directors' retainers made on January 3, 2003 to Messrs. Cooksey, Grimes, Kesler, Navarro and Robinson were reported four days late.

PROPOSAL TO RATIFY APPOINTMENT OF INDEPENDENT AUDITORS

The Board, on the recommendation of its Audit Committee, has selected Ernst & Young LLP (Ernst & Young) as its independent auditors to examine our consolidated financial statements for 2004. Stockholders are being asked to ratify this appointment. We have been informed that neither Ernst & Young nor any of its partners have any direct financial interest or any material indirect financial interest in us nor have had any connection during the past three years with us in the capacity of promoter, underwriter, voting trustee, director, officer or employee.

If the stockholders fail to ratify this selection, the Board and the Audit Committee will reconsider whether or not to retain Ernst & Young. Even if the selection is ratified, the Board and the Audit Committee may direct the appointment of a different independent accounting firm at any time during the year if they determine that such a change would be in our best interests.

During fiscal 2003 and 2002, we engaged Ernst & Young to provide the following services:

- **Audit Fees** the total fees billed by Ernst & Young for 2003 and 2002 for professional services rendered for the audit of our annual financial statements (including statutory audits of foreign subsidiaries and separate company audits of joint ventures and partnerships), review of our financial statements included in our Form 10-Qs and services provided in connection with registration statements were \$968,344 and \$595,200, respectively.
- **Audit-Related Fees** the total fees billed by Ernst & Young in 2003 and 2002 for assurance and related services related to the performance of the audit or review of our financial statements and not reported under **Audit Fees** above, were \$111,371 and \$277,122, respectively. These services consisted of due diligence on various business ventures and employee benefit plan audits.
- **Tax Fees** the total fees billed in 2003 and 2002 for professional services rendered by Ernst & Young for tax compliance, tax consulting, and tax planning were \$48,748 and \$64,330, respectively. The professional services rendered related to federal, state and international assistance primarily for tax compliance and in dealing with tax audits and appeals.
- **All Other Fees** the total fees billed by Ernst & Young in 2003 and 2002 for all services provided, other than the services reported above, were \$0 and \$11,055, respectively. The 2002 services consisted of accounting methodology research.

The Audit Committee considered the nature of the services rendered and the non-audit-related services, and did not consider the non-audit services to be incompatible with the auditors' independence. All audit and non-audit services performed by independent auditors must be pre-approved by the Audit Committee. During 2003, none of the services provided by Ernst & Young were approved pursuant to the de minimus rule set forth in 17 CFR 210.2-01(c)(7)(i)(C).

Representatives of Ernst & Young are expected to be present at the annual meeting of stockholders with the opportunity to make a statement if they so desire and to be available to respond to appropriate questions.

The Board recommends that stockholders vote **FOR** the ratification of the appointment of Ernst & Young as our independent auditors for 2004.

- Assist the Board in fulfilling its oversight responsibilities by:
 - Overseeing the accounting and financial reporting processes of the Company and the audits of the financial statements of the Company.
 - Monitoring the integrity of financial information that will be provided to the shareholders and others and the Company's compliance with legal and regulatory requirements.

While the Audit Committee has the responsibilities and powers set forth in this charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles and requirements of law. Management is responsible for the preparation, presentation and integrity of the Company's financial statements and for the appropriateness and legality of the accounting principles and reporting policies that are used by the Company. Disclosures concerning any financial experts serving on the Committee will be made in accordance with applicable SEC rules and regulations. Notwithstanding the foregoing, the failure of the Committee at any time to have such an audit committee financial expert serving on the Committee will not, by itself, render the Committee in violation of this charter, so long as the Board and Committee are attempting in good faith to find such a replacement audit committee financial expert to serve on the Board and Committee, and the Committee meets other requirements of the NYSE, SEC rules and regulations, and other applicable law.
