**Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement.**

On January 10, 2005 the Company gave notice to Alexander Finance, L.P. ( Alexander ) and Manchester Securities Corporation ( Manchester ), and together with Alexander, the Lenders ) of its desire to draw down the remaining \$1,000,000 under its existing \$8,500,000 line of credit, which the Lenders have approved. Alexander's relative commitment under this draw on the line of credit was \$550,000, while Manchester's relative commitment was \$450,000. The Company received funds from Alexander on January 10, 2005 and funds from Manchester on January 13, 2005.

The indebtedness under the line of credit is evidenced by the Company's 14% Secured Grid Notes (the Grid Notes ). The terms of the line of credit remain unchanged, including:

Interest on the line of credit bears a rate of 14%. Such interest is calculated on a 360 day year simple interest basis and paid for the actual number of days elapsed. All interest due under the line of credit is payable on April 1, 2005, the maturity date of the line of credit. After the occurrence and during the continuance of an event of default, the interest rate on the Grid Note is increased to the lower of 20% per annum, compounded annually, or the highest rate permitted by law and is payable on demand of the lenders.

The repayment of the principal amount of the Grid Notes, as well as other notes issued under previous lines of credit with the lenders (collectively with the Grid Notes, the Notes ) and all accrued and unpaid interest can be accelerated in the event of a failure to pay any principal or accrued but unpaid interest upon any of the Notes as and when such Notes become due and payable; failure by the Company for ten (10) days after notice to it, to comply with any other material provision of any of the Notes or the Third Amended and Restated Loan Agreement dated November 10, 2004 (the Loan Agreement ); an event of default under the Third Amended and Restated Security Agreement among the Company, its two subsidiaries, and the Lenders dated November 10, 2004 (the Security Agreement ); a breach by the Company of its representations and warranties under the Loan Agreement; defaults under any other indebtedness of the Company in excess of \$500,000; upon final judgments involving, in the aggregate, liability of the Company in excess of \$500,000; or upon a bankruptcy event.

The above description is qualified in its entirety by reference to the Loan Agreement, the Security Agreement, the Grid Notes and certain related agreements, which were filed by the Company on November 12, 2004 on its Current Report on Form 8-K and which are incorporated herein by reference.
