PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON APRIL 27, 2005

To Our Stockholders:

This proxy statement is furnished to the holders of the common stock of American Land Lease, Inc., a Delaware corporation (the "Company"), in connection with the solicitation by the Board of Directors of the Company (the "Board of Directors") of proxies for use at the 2005 Annual Meeting of Stockholders of the Company, to be held at Stanford Place 3, 4582 South Ulster Street Parkway, Suite 1100, Denver, Colorado 80237 on Wednesday, April 27, 2005 at 8:00 a.m., local time, and at any adjournments or postponements thereof. The annual meeting is being held for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. The proxy materials, including this proxy statement, the accompanying proxy card and the Notice of Annual Meeting of Stockholders, are first being mailed to stockholders beginning on or about April 7, 2005. At the annual meeting, the holders of the Company's common stock will be asked to consider and vote upon the following proposals: (1) to elect Thomas L. Rhodes and Bruce E. Moore as Class III Directors, to serve until the 2008 Annual Meeting of Stockholders and until their respective successors are elected and qualified, (2) to ratify the selection of Ernst & Young LLP to serve as independent auditors for the Company for the fiscal year ended December 31, 2005, and (3) to amend Section 4.1 of the Second Amended and Restated Certificate of Incorporation of the Company.

GENERAL INFORMATION

In this proxy statement, the words "the Company," "we," "our" and "us" refer to American Land Lease, Inc., a Delaware corporation and, as the context requires, its subsidiary entities.

Solicitation

The enclosed proxy is being solicited by the Company. In addition to solicitations by mail, solicitations may be made by personal interview, telephone and facsimile transmission by our directors and officers. No additional compensation will be paid to our directors and officers for the solicitation of proxies. All costs of the solicitation will be paid solely by the Company. We will reimburse banks, brokers and others holding shares in their names or the names of nominees or otherwise for reasonable out-of-pocket expenses incurred in sending proxies and proxy materials to the beneficial owners of such shares.

Voting Rights and Votes Required

Holders of record of shares of the Company's common stock at the close of business on March 22, 2005, the record date for the annual meeting, are entitled to notice of, and to vote at, the annual meeting. On the record date, approximately 7,454,000 shares of the Company's common stock were outstanding. The presence, in person or by proxy, of holders of a majority of the shares of the Company's common stock entitled to vote at the annual meeting constitutes a quorum for the transaction of business at the annual meeting. Shares represented by proxies that reflect abstentions or broker non-votes (i.e., shares held by a broker or nominee which are represented at the annual meeting, but with respect to which such broker or nominee is not empowered to vote on a particular proposal) will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum.

Each share of the Company's common stock outstanding on the record date is entitled to one vote on each matter presented at the annual meeting. The affirmative vote of a plurality of all of the votes cast at the annual meeting for the election of directors (assuming a quorum is present) is necessary for the election of a director. For purposes of the election of directors, abstentions or broker non-votes will not be counted as votes cast and will have no effect on the result of the vote, although they will count toward the presence of a quorum.

Voting of Proxies

Shares of the Company's common stock represented by all properly executed proxies received prior to the vote at the annual meeting will be voted as specified in the proxy. Unless contrary instructions are indicated on the proxy, the shares of the Company's common stock represented by such proxy will be voted **FOR** the election of Mr. Rhodes and Mr. Moore as directors of the Company, **FOR** the selection of Ernst & Young LLP as the Company's independent auditors, **FOR** the approval of amendment to Section 4.1 of the Second Amended and Restated Certificate of Incorporation of the Company. We currently know of no other business to be brought before the annual meeting other than as described herein. If any other matters are presented properly to the stockholders for action at the annual meeting and any adjournments or postponements thereof, the proxy holders named in the enclosed proxy intend to vote in their discretion on all matters on which the shares of the Company's common stock represented by such proxy are entitled to vote.

Revocability of Proxy

You can change your vote at any time before the vote is taken at the annual meeting. You can do this in one of three ways. First, you can send a written notice dated later than your proxy card stating that you would like to revoke your current proxy. Second, you can complete and submit a new proxy card dated later than your original proxy card. If you choose either of these two methods, you must submit your notice of revocation or your new proxy card to the Secretary of the Company. The Secretary of the Company must receive the notice or new proxy card before the vote is taken at the annual meeting. Third, you can attend the annual meeting and vote in person. Simply attending the annual meeting, however, will not revoke your proxy. If you have instructed a broker to vote your shares, you must follow the directions received from your broker as to how to change your vote.

In the case of communications to the Board of Directors or any group or committee of directors, the Secretary's office will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the envelope or e-mail is addressed.

PROPOSAL 1: ELECTION OF DIRECTORS

Our current charter and bylaws provide for three classes of directors with staggered terms of office. Nominees for each class serve for terms of three years and until the election and qualification of their successors or until their earlier resignation, death or removal from office. Vacancies on the Board of Directors may be filled by a majority of the Board of Directors. The Company's bylaws require that the Board of Directors consists of certain number of Independent Directors, therefore; any vacancy among the independent directors must be filled by a replacement nominated by the remaining independent directors. Each director elected by the Board of Directors to fill a vacancy shall hold office until the next annual meeting of the stockholders, at which time the stockholders shall elect a director to serve the remaining term of the class into which such director is elected.

The Board of Directors currently consists of five members, including one Class I Director, whose term expires at the 2006 Annual Meeting of Stockholders, two Class II Directors whose terms expire at the 2007 Annual Meeting of Stockholders and two Class III Directors whose terms expire at the 2005 Annual Meeting of Stockholders.

The Company's bylaws require the number of independent directors to be not less than four if the number of directors is eight or greater; not less than three if the number of directors is six or seven; and not less than two if the number of directors is less than six. Our independent directors are Bruce D. Benson, Thomas L. Rhodes, Todd W. Sheets and Bruce E. Moore.

At the annual meeting, two Class III Directors will be elected to a term expiring at the 2008 Annual Meeting of Stockholders. Unless otherwise specified, the enclosed proxy will be voted **FOR** the election of the Board of Directors' nominees, Thomas L. Rhodes and Bruce E. Moore, as Class III Directors of the Company. Neither management nor the Board of Directors knows of any reason why Messrs. Rhodes and Moore would be unavailable to serve as a director. Discretionary authority may be exercised by the proxy holders named in the enclosed proxy to vote for a nominee proposed by the Board of Directors if Messrs. Rhodes or Moore becomes unavailable for election.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION OF
MESSRS. RHODES AND MOORE AS DIRECTORS OF THE COMPANY.**

PROPOSAL 2: RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

Edgar Filing: AMERICAN LAND LEASE INC - Form DEF 14A

The aggregate fees billed for services rendered by Ernst & Young LLP during the years ended December 31, 2004 and 2003 are described below under the caption Company's Relationship with Independent Auditors.

Representatives of Ernst & Young LLP will be present at the annual meeting and will be given the opportunity to make a statement if they so desire and to respond to appropriate questions.

The affirmative vote of a majority of the votes cast regarding the proposal is required to ratify the selection of Ernst & Young LLP. Accordingly, abstentions or broker non-votes will not affect the outcome of the vote on the proposal. Unless instructed to the contrary in the proxy, the shares represented by the proxies that have been properly submitted will be voted **FOR** the proposal to ratify the selection of Ernst & Young LLP to serve as independent auditors for the Company for the fiscal year ending December 31, 2005.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF THE SELECTION OF ERNST & YOUNG LLP.

During 2004, no director attended fewer than 75% of the aggregate number of meetings of the Board of Directors and all committees thereof on which he served. The Company invites the Board of Directors to its annual stockholders meeting, but does not require them to do so. Last year, one director attended the annual stockholder meetings. The Board of Directors currently has a standing Audit Committee, Compensation Committee, and Nominating and Corporate Governance Committee.

The Audit Committee of the Board of Directors held six meetings in 2004. The Audit Committee currently consists of four members: Messrs. Sheets (Chairman), Benson, Rhodes, and Moore. The Audit Committee has adopted a written charter, a copy of which is available on the Company's website at www.americanlandlease.com. The Audit Committee makes recommendations to the Board of Directors concerning the engagement of independent auditors, reviews with the independent auditors the plans and results of the audit engagement, reviews the independence of the independent auditors and considers the range of audit and non-audit fees. The Board of Directors has determined that each member of the Audit Committee is independent, as that term is defined in Sections 303.01(B)(2)(a) and (3) of the listing standards of the New York Stock Exchange, Inc. (the "NYSE"). The Board of Directors has also determined that all of the current Audit Committee members are audit committee financial experts, as that item is defined in Regulation S-K promulgated by the SEC.

The Compensation Committee of the Board of Directors held one meeting in 2004. Messrs. Benson (Chairman), Sheets, Rhodes, and Moore are the current members of this committee. The Nominating and Corporate Governance Committee will consider director candidates recommended by stockholders. In considering candidates submitted by stockholders, the Nominating and Corporate Governance Committee will take into consideration the needs of the Board of Directors and the qualifications of the candidate. To have a candidate considered by the Nominating and Corporate Governance Committee, a stockholder must submit the recommendation in writing and must include the following information:

The name of the stockholder and evidence of the person's ownership of Company stock, including the number of shares owned and the length of time of ownership; and

Edgar Filing: AMERICAN LAND LEASE INC - Form DEF 14A

The name of the candidate, the candidate's resume or a listing of his or her qualifications to be a director of the Company and the person's consent to be named as a director if selected by the Nominating and Corporate Governance Committee and nominated by the Board of Directors.

The stockholder recommendation and information described above must be sent to the Secretary of the Company at 29399 US Highway 19 North, Suite 320, Clearwater, Florida 33761 and must be received by the Secretary not less than 120 days prior to the anniversary date of the Company's most recent annual meeting of shareholders.

Policies on Business Ethics and Conduct

The members of the Board of Directors and the Company's Chief Executive Officer, President and Chief Operating Officer and Chief Financial Officer are required to comply with a Code of Business Conduct and Ethics (the "Code"). The Code is intended to focus the Board of Directors, the individual directors and the Company's executive officers on areas of ethical risk, help them recognize and deal with ethical issues, provide mechanisms to report unethical conduct, and foster a culture of honesty and accountability. The Code covers all areas of professional conduct relating to service on the Board of Directors and as an executive officer of the Company, including conflicts of interest, unfair or unethical use of corporate opportunities, strict maintenance of confidential information, compliance with all applicable laws and regulations and oversight of ethics and compliance by employees of the Company.

The full texts of both the Standards of Business Ethics and Conduct and of the Code of Business Conduct and Ethics are available on the Company's website, at www.americanlandlease.com under the "Corporate Governance" caption.

Executive Sessions

Executive sessions or meetings of non-management directors are held regularly (at least four times a year) to review the report of the independent auditor, the criteria upon which the performance of the Chairman of the Board of Directors and Chief Executive Officer and other senior managers is based, the performance of the Chairman of the Board of Directors and Chief Executive Officer against such criteria, the compensation of the Chairman of the Board of Directors and Chief Executive Officer and other senior managers, and any other relevant matters. Meetings are held from time to time with the Chairman of the Board of Directors and Chief Executive Officer for a general discussion of relevant subjects.

Presiding Director

The Chairmen of the Company's Audit, Compensation and Nominating and Corporate Governance committees of the Board of Directors each preside as the chair at meetings or executive sessions of independent directors at which the principal items to be considered are within the scope of the authority of their respective committee. A lead independent director is designated to preside at executive sessions on a rotating basis among all independent directors. The Company's experience has indicated that this practice provides leadership at all of the meetings or executive sessions of independent directors. Stockholders of the Company may communicate with the presiding director or with the non-management directors as a group in the manner set forth above under the caption "Stockholder Communications to the Board of Directors; Annual Report."

Compliance With Section 16(a) of the Exchange Act

The following table sets forth certain information regarding stock options granted to the Named Executive Officers during 2004:

OPTION GRANTS IN LAST FISCAL YEAR

Name	Individual Grants				
	Number of Securities Underlying Options Granted (#)	% of Total Options Granted to Employees in Fiscal Year	Exercise Price (\$/sh)(1)	Expiration Date	Grant Date Present Value (\$)(3)
Terry Considine	10,000(2)	11.8%	\$ 19.84	2/5/2014	\$ 16,800
Robert G. Blatz	30,000(2)	35.3%	19.84	2/5/2014	50,400
Shannon E. Smith	20,000(2)	23.5%	19.84	2/5/2014	33,600

- (1) The exercise price is equal to the fair market value of the Company's common stock on the date of grant.
- (2) On February 5, 2004, Messrs. Considine, Blatz and Smith received stock options to purchase 10,000, 30,000, and 20,000 shares, respectively of the Company's common stock under the 1998 Stock Incentive Plan. The options vest in four equal annual installments beginning on the first anniversary of the date of grant.
- (3) The estimated present value at grant date of option grants in 2004 has been calculated using the Black-Scholes option pricing model based on the following assumptions: an estimated time until exercise of 8.5 years, a volatility of 0.14, a risk-free interest rate of 4.26% and a dividend yield of 5.04%. The real value of these options depends on the actual performance of the Company's common stock during the applicable period and upon when options are exercised. No gain to the optionee is possible without an increase in the share price, which would benefit all stockholders as well.

The following table sets forth the number and value of unexercised options held by each Named Executive Officer as of December 31, 2004. Mr. Considine exercised 100,000 options on August 4, 2004 at an exercise price of \$11.45.

- (1) The value of in-the-money options is calculated by multiplying (A) the number of securities underlying such options by (B) the difference between (i) the closing price of the Company's common stock at December 31, 2004 and (ii) the option exercise price.

The following table sets forth each award made to a Named Executive Officer in 2004 under a long-term incentive plan:

LONG-TERM INCENTIVE PLANS AWARDS IN LAST FISCAL YEAR

Name	Number of Shares (#)	Performance or Other Period Until Maturation or Payout	Estimated Future Payouts Under Non- Stock Price-Based Plans		
			Threshold (\$ or #)(4)	Target (\$ or #)	Maximum (\$ or #)
Terry Considine	5,000(1)	December 31, 2006	10 shares	5,000 shares	5,000
Robert G. Blatz	40,000(2)	December 31, 2006	80 shares	40,000 shares	40,000
Shannon E. Smith	20,000(3)	December 31, 2006	40 shares	20,000 shares	20,000

- 1) On February 4, 2004, Mr. Considine was awarded 5,000 HPS shares. The HPS shares were granted under the terms of the Company's 1998 Stock Incentive Plan. The HPS shares vest, if at all, on December 31, 2006, based upon the extent that the total return realized by stockholders exceeds the ten-year average total return of the Equity REIT Index, as reported by the NAREIT. The total return for the Company is measured over a three-year period that begins on January 1, 2004 and ends on December 31, 2006. For the HPS shares to fully vest on December 31, 2006, the total return over the three-year period must exceed the Equity REIT Index total return by 5%. The Equity REIT Index total return was 12.05% for the period ending December 31, 2003; as such, in order for the HPS shares to fully vest, the actual total return over the three years is required to be 17.05%. If the actual total return for the three-year period is between 12.05% and 17.05%, then a ratable portion of the shares would vest. To the extent that such shares are not vested as of December 31, 2006, such shares, but none of the dividends, are forfeited and returned to the Company.
- 2) On February 4, 2004, Mr. Blatz was awarded 40,000 HPS shares with the same terms as those for Mr. Considine's award.
- 3) On February 4, 2004, Mr. Smith was awarded 20,000 HPS shares with the same terms as those for Mr. Considine's award.
- 4)

Edgar Filing: AMERICAN LAND LEASE INC - Form DEF 14A

Assumed actual total return for the Company over the three-year period is equal to 12.05%. If the actual total return for the three-year period is between 12.05% and 17.05%, then a ratable portion of the awards will vest. No HPS shares will vest if the actual total return for the Company over the three-year period is less than or equal to 12.05%, in which case, the HPS shares will be forfeited and returned to the Company; however, the executives will retain the dividends.

Compensation of Directors

During 2004, our non-employee directors received an annual fee of 1,512 shares of the Company's common stock. The Company also paid a fee of \$300 for attendance at each meeting of the Board of Directors, and \$300 for each meeting of any committee thereof. Compensation for the non-employee directors in 2005 is an annual fee of 1,301 shares of the Company's common stock, which shares were issued January 25, 2005, a fee of \$300 for attendance at each meeting of the Board of Directors, and a fee of \$300 for each meeting of any committee thereof.

Under the 1998 Stock Incentive Plan, all of our non-employee directors are eligible to receive annual grants of market-price options to acquire 2,800 shares of the Company's common stock on the date of each annual stockholders meeting. These options will be immediately exercisable upon grant and have a term of ten years. The grants may be modified after further review by the Company. In January 2005, at the annual compensation meeting, the Board of Directors voted to not compensate the non-employee directors with stock options and to forego the options issued at the time of the annual meeting.

Employment Contracts, Termination of Employment and Change in-Control Arrangements

The Company does not have employment contracts, termination of employment or change-in-control arrangements with any of the Named Executive Officers.

Compensation Committee Interlocks and Insider Participation

During 2004, Messrs. Benson, Sheets, Rhodes, and Moore served on the Compensation Committee. Mr. Considine served as Chairman of the Board and Chief Executive Officer of the Company and Mr. Rhodes served as Vice Chairman of the Board of the Company. Mr. Considine is Chairman of the Board and Chief Executive Officer of AIMCO and Mr. Rhodes serves on the board of directors and on the compensation and human resources, audit, corporate governance, and nominating committees of AIMCO.

COMPENSATION COMMITTEE REPORT TO STOCKHOLDERS

Messrs. Benson, Sheets, Rhodes, and Moore, all of whom are not members of management, constitute the Compensation Committee of the Board of Directors. The Compensation Committee determines the compensation of the Chief Executive Officer and reviews compensation policy for other executive officers.

In making its determinations and reviews, the committee considers various factors: the alignment of management financial awards with stockholder objectives for total return (dividend income plus share price appreciation); reasonability of compensation in consideration of all the facts, including total return, the size and complexity of the Company, and practices of other real estate investment trusts (REITs); and recruitment and retention of the Company s management.

Compensation of senior management, excluding the Chief Executive Officer, is comprised of base compensation, bonus compensation and long term incentive compensation (collectively, Total Compensation). It is Company policy to set base compensation at or below the median paid by comparable companies to executive officers with comparable responsibilities; to utilize bonus compensation with a mixture of cash and stock options and/or restricted stock to compensate specific accomplishments and, in combination with base compensation, to provide compensation comparable to the median paid to industry peers with comparable responsibilities; and to award long term incentive compensation (which is a mixture of stock options and restricted stock) at levels dependent upon the Company s performance. In years when the Company s financial performance is superior to benchmarks, it is Company policy to set total compensation at levels which reward such performance. If Company performance is not superior to benchmarks, it is Company policy to maintain aggregate total compensation of senior management at levels equal to or below the median level of the peer group, balanced by individual performance. The comparable companies reviewed by the Compensation Committee are among those included in the Morgan Stanley REIT Index and peer group indices used in the stock price performance graph on page 16 of this Proxy Statement. Among the factors considered by the Compensation Committee, in addition to total return, are various metrics of the Company measured against the peer group, such as adjusted funds from operations, and the scale of the business. The Chief Executive Officer is compensated in an amount determined by the Compensation Committee to be appropriate in consideration of all facts and circumstances.

Base Compensation. The Compensation Committee determined 2004 base compensation for the Chief Executive Officer; reviewed and approved 2004 base compensation for other senior management based upon the recommendation of the Chief Executive Officer and President; and considered such 2004 base compensation reasonable and in line with Company policy. Mr. Considine waived any base pay for 2004.

Bonus and Long Term Incentive Compensation. In awarding bonus and long term incentive compensation for the Chief Executive Officer in 2004, the Compensation Committee considered, among other things, that:

- n adjusted funds from operations and funds from operations per share increased to \$1.37 and \$1.50 respectively, an increase of 3.0% and 3.5% respectively over the prior year s results. The annual dividend of \$1.00 per share was maintained;
- n the Company s 2004 total return of 19.0% was less than that of the Morgan Stanley REIT Index, which had a return of 31.5%, but greater than that of the Manufactured Housing REIT peer group, which had a return of 16.7%;
- n same store net operating income growth was 11.3%; and
- n development of new subdivisions and new facilities at the Company s Savanna Club, Brentwood, Royal Palm and Riverside communities continued.

Reviewing the Company's accomplishments and financial performance during 2004, the Compensation Committee determined that the company had performed in line with its goals and benchmarks. Thus, the Compensation Committee approved total compensation to Mr. Considine as follows:

Base Compensation	Bonus Compensation	Long Term Incentive Compensation	Total Compensation
	\$ 60,000	\$ 195,000	\$ 255,000

Mr. Considine's Total Compensation of \$245,000 was comprised of \$60,000 in cash, including dividends paid on unvested HPS awards, and \$195,000 in equity compensation, of which \$160,000 was awarded in the form of 6,941 shares of restricted stock and \$35,000 in the form of 14,831 options to acquire the Company's common stock at \$23.05 per share. For purposes of calculating the number of shares of restricted stock to be granted, the dollars allocated to restricted stock were divided by \$23.05 per share, which was the closing price on the grant date. For purposes of calculating the number of stock options to be granted, the dollars allocated to stock options were divided by \$2.36, which is the Black-Scholes valuation. The Black-Scholes Option Pricing Model, which may be used to measure compensation cost under Statement of Financial Accounting Standards No. 123, *Accounting for Stock-Based Compensation* and Statement of Financial Accounting Standards No. 123, *Share-Based Payment*, is also the exercise price for options granted that day.

Audit Committee Report

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the 2004 Form 10-K with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. A written charter approved by the Board of Directors governs the Audit Committee.

The Audit Committee reviewed with the Company's management and the Company's independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States, their judgments as to the quality, not just the acceptability, of the Company's accounting principles. The Audit Committee has also discussed with the independent auditors the matters required to be discussed pursuant to Statement of Accounting Standards No. 61, Codification of Statements on Auditing Standards, Communication with Audit Committees. In addition, the Audit Committee has received from the independent auditors the written disclosures and letter required by Rule 3600T of the Public Company Accounting Oversight Board, which adopts on an interim basis Independence Standards Board Standard No. 1, relating to independence discussions with audit committees, has discussed with the independent auditors their independence from the Company and its management and has considered whether the independent auditor's provision of non-audit services to the Company is compatible with maintaining the auditor's independence.

The Audit Committee discussed with the Company's independent auditors the overall scope and plans for their audit. The Audit Committee meets with independent auditors, with and without management present, to discuss the results of their examination, their evaluation of the Company's internal controls, and the overall quality of the Company's financial reporting. The Audit Committee held six meetings during fiscal year 2004.

Each of the Audit Committee members has represented that they do not have a relationship with the Company that might interfere with exercise of his independence from the Company and its management.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board of Directors has approved, that the audited financial statements be included in the 2004 Form 10-K for filing with the SEC.

Officer Stock Loans

In previous years, the Company had provided loans to three of its executive officers in an amount equal to the total cash required to purchase common stock of the Company at the then prevailing market prices. These loans have a 10-year maturity, are 25% recourse to the executive officers, bear interest at 7.5% and are secured by the stock acquired with the proceeds from the loans. As of December 31, 2004, the total balance outstanding on loans made to Mr. Blatz and Mr. Smith secured by Company common stock was \$748,000 and principal and interest payments made on these obligations during the year ended December 31, 2004 was \$110,000. The loans are current with respect to principal and interest. In compliance with current regulations, the Company has not provided or modified loans to executive officers since January 2, 2001.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditor

On November 5, 2003, the Audit Committee adopted the Audit and Non-Audit Services Pre-Approval Policy (the "Pre-approval Policy"). The Pre-approval Policy describes the Audit, Audit-related, Tax and Other Permitted services that have the general pre-approval of the Audit

Committee, typically subject to a dollar limit of \$10,000. The term of any general pre-approval is generally twelve (12) months from the date of pre-approval, unless the Audit Committee considers a different period and states otherwise. At least annually, the Audit Committee will review and pre-approve the services that may be provided by the independent auditor without obtaining specific pre-approval from the Audit Committee. In accordance with this review, the Audit Committee may add to or subtract from the list of general pre-approved services or modify the permissible dollar limit associated with pre-approvals. As set forth in the Pre-approval Policy, unless a type of service has received general pre-approval and is anticipated to be within the dollar limit associated with the general pre-approval, it will require specific pre-approval by the Audit Committee if it is to be provided by the independent auditor. For both types of pre-approval, the Audit Committee will consider whether such services are consistent with the rules on auditor independence. The Audit Committee will also consider whether the independent auditor is best

positioned to provide the most effective and efficient service, for reasons such as its familiarity with the Company's business, people, culture, accounting systems, risk profile and other factors, and whether the service might enhance the Company's ability to manage or control risk or improve audit quality. All such factors will be considered as a whole, and no one factor will necessarily be determinative. For the year ended December 31, 2004, 5% of the total fees paid to the independent auditor were not pre-approved in accordance with the de minimis provisions of the Pre-approval Policy.

**PROPOSED INCREASE IN AUTHORIZED
CAPITAL STOCK AND PREFERRED STOCK**

On March 30, 2005, the Board of Directors of the Company approved a proposal to increase the Company's authorized capital stock and preferred stock by unanimous written consent. If approved by stockholders, the proposed increase in the Company's authorized capital stock and preferred stock will be accomplished through an amendment to Section 4.1 of the Company's Second Amended and Restated Certificate of Incorporation that will increase the total authorized preferred stock of the Company from 1,000,000 shares to 3,000,000 shares.

The Board of the Directors of the Company approved the proposed increase in authorized preferred stock because it believes that the continued availability of shares of preferred stock is advisable to provide the Company with the flexibility to take advantage of opportunities to issue stock in order to obtain capital, as consideration for possible acquisitions or for other purposes (including, without limitation, the issuance of additional shares of preferred stock through public offerings in appropriate circumstances). There are, at present, no plans, understandings, agreements or arrangements concerning the issuance of additional shares of common stock or preferred stock.

The affirmative vote of a majority of the votes cast regarding the proposal is required to approve the amendment to Section 4.1 of the Company's Second Amended and Restated Certificate of Incorporation. For purposes of this proposal, a broker non-vote is the functional equivalent of no vote on this proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE PROPOSED INCREASE IN AUTHORIZED CAPITAL STOCK AND PREFERRED STOCK.

OTHER MATTERS

We know of no matters to be brought before the annual meeting other than as set forth herein. However, if any such other matters are properly presented to the stockholders for action at the annual meeting and any adjournments or postponements thereof, it is the intention of the proxy holders named in the enclosed proxy to vote in their discretion on all matters on which the shares represented by such proxy are entitled to vote.
