Explanatory Note

Restatement of Financial Statements for Correction of Error in Accounting for the Media Pension Plan

This Amendment No. 1 to Ampex Corporation's Quarterly Report on Form 10-Q/A for the quarterly period ended September 30, 2004 includes restated unaudited consolidated financial statements as of September 30, 2004 and December 31, 2003 and for the three and nine months ended September 30, 2004 and 2003 to correct the accounting for our obligations under a pension plan of our former magnetic tape manufacturing subsidiary (Media) which we disposed of in 1995.

The agreement for the sale of Media required the buyer, Quantegy Corporation, to pay directly or to reimburse Ampex for required contributions to the Media pension plan. However, we remained the Plan Sponsor of the Media pension plan and remained obligated to make pension contributions to that Plan.

We had accounted for our obligations under the Media pension plan under SFAS No. 5, Accounting for Contingencies since the sale of Media in 1995. However, as a result of communications with the Office of the Chief Accountant of the Securities and Exchange Commission (the SEC), we now believe that we should have accounted for these obligations under the provisions of SFAS No. 87, Employers Accounting for Pensions.

In connection with the restatement of the Company's consolidated financial statements for the year ended December 31, 2003, the Company and the Audit Committee determined that its pension accounting constitutes a material weakness.

As a result of the foregoing, the Company has restated its consolidated balance sheets at December 31, 2003 and 2002, and consolidated statements of operations and comprehensive income (loss), cash flows, and stockholders' deficit for the three years within the period ending December 31, 2003, including the corresponding 2003 and 2002 unaudited interim periods, and the unaudited quarterly periods ended March 31, 2004, June 30, 2004 and September 30, 2004. The restatement affects periods prior to 2001. The impact of the restatement on such prior periods is reflected as an adjustment to accumulated deficit, other accrued liabilities, other liabilities and minimum pension liability adjustment within Accumulated Other Comprehensive Income as of January 1, 2001. The effect of the restatement on net income (loss) and diluted earnings (loss) per share is set forth in Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations in Part I of this Form 10-Q/A

Note 1, Restatement of Previously Issued Financial Statements, discloses the nature of the restatement adjustments and shows the impact of the restatement adjustments on income (loss) from continuing operations and net income (loss) applicable to common stockholders and related diluted income (loss) per share amounts for each of the periods ended September 30, 2004 and 2003. In addition, Note 1 to the restated unaudited consolidated financial statements shows the effects of the adjustment on total liabilities, the accumulated deficit and total stockholders' deficit as of September 30, 2004 and December 31, 2003. The impact of the restatement adjustments affecting periods prior to 2001 has been reflected in adjusted stockholders' deficit as of January 1, 2001. For information on the impact of the restatement on the years 2000 and 1999, reference is made to Item 6, Selected Financial Data, in Part II of the 2003 Form 10-K/A.

For a discussion of the Company's accounting for its obligations under SFAS No. 87, Employers Accounting for Pensions, see Note 16 to the restated consolidated financial statements accompanying the 2003 Form 10K/A. Other notes to the unaudited consolidated financial statements of this Form 10-Q/A affected by the restatement have also been revised.
