- (1) Assumes conversion of all of the holder's notes at a conversion rate of 45.0577 shares per \$1,000 principal amount of the notes (representing an initial conversion price of approximately \$22.194 per share of common stock). However, this conversion price will be subject to adjustment as described under Description of Notes Conversion of Notes. As a result, the amount of common stock issuable upon conversion of the notes may increase or decrease in the future.

- (2) Calculated based on Rule 13d-3(d)(i) of the Exchange Act using 39,162,539 shares of common stock outstanding as of October 31, 2003. In calculating this amount, we treated as outstanding the number of shares of common stock issuable upon conversion of all of that particular holder's notes. However, we did not assume the conversion of any other holder's notes. We are assuming that the security holders do not own any other stock in the Company.
- (3) Oaktree Capital Management LLC (Oaktree) is the investment manager of the selling securityholder with respect to the aggregate principal amount of the registrable securities. Oaktree does not own any equity interest in the selling securityholder, but has voting and dispositive power over the aggregate principal amount of the registrable securities. Lawrence Keele is a principal of Oaktree and is the portfolio manager of the selling securityholder. Mr. Keele, Oaktree and all employees and members of Oaktree disclaim beneficial ownership of the registrable securities held by the selling securityholder, except for their pecuniary interest therein. Oaktree has an affiliate that is a broker-dealer.
